If we issue you a Policy, you will be given a Policy Schedule. The Policy Schedule sets out the covers you have chosen and should be read together with the Policy Wording. You should check the Policy Schedule carefully to ensure it accurately states what you have insured.

The Policy Wording and Policy Schedule form your legal contract with us so please keep them in a safe place for future reference.

Your duty of disclosure

Before you enter into an insurance contract you have a duty of disclosure under the Insurance Contracts Act 1984. If we ask any questions that are relevant to our decision to insure you and on what terms, you must tell us anything that you know and that a reasonable person in the circumstances would include in answering the questions. You have this duty until we agree to insure you.

If you do not tell us something

If you do not tell us anything you are required to tell us, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both. If your failure to tell us is fraudulent, we may refuse to pay your claim and treat the contract as if it never existed.

Before you renew this contract of insurance, you have a duty of disclosure under the Insurance Contracts Act 1984.

If we ask you questions that are relevant to our decision to insure you and on what terms, you must tell us anything that you know and that a reasonable person in the circumstances would include in answering the questions.

Also, we may give you a copy of anything you have previously told us and ask you to tell us if it has changed. If we do this, you must tell us about any change or tell us that there is no change.

If you do not tell us about a change to something you have previously told us, you will be taken to have told us that there is no change. You have this duty until we agree to renew the contract.

If you do not tell us something

If you do not tell us anything you are required to tell us, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

How to apply for this Policy

To apply for this Policy, please complete our online application form with your Steadfast Broker.

If we accept your application, you will receive a Policy Schedule that sets out details of the cover you have chosen.

The cost of this Policy

The premium is the amount we charge you for this Policy. It includes the amount we have calculated for the risk as well as the taxes and government charges that are applicable. The premium will be shown on the Policy Schedule.

When calculating the premium we take a number of factors into account. These factors and the degree to which they affect the premium will depend on the information you give us, and the covers you choose. The main factors that impact your premium include:

- the type and amount of cover;
- the Vehicle and driver(s) to be insured; and
- the driver(s)'s previous insurance and claims history.

Some rating factors do not affect all components of the premium calculation.

Excess

The Excess is the amount you must contribute towards the cost of any claim you make.

If we agree to pay your claim, we will deduct the Excess from the amount of the claim we will pay to you, or we will ask you to pay the Excess to a supplier, repairer, or to us.

The Excess payable by you is shown in your Policy unless it is specifically noted in the Schedule to be otherwise.

GST

The amount of premium payable for this Policy also includes an amount on account of GST. The sums insured under this Policy exclude GST.

When we make a payment under this Policy for the acquisition of goods, services or other supplies we will reduce the payment by the amount of any input tax credit that you are or would have been entitled to if you made a relevant acquisition.

Where you are registered for GST you must tell us your correct input tax credit entitlement. Any fines or penalties arising from your incorrect advice are payable by you.

Keep your receipts

You should keep receipts, invoices or other evidence of ownership and value of your Vehicle and any other property covered under the Policy because if you make a claim you will be asked to prove ownership and value in order for us to pay the claim.

How to make a claim

Please contact your Steadfast Broker to assist you in making a claim.

In an emergency outside normal business hours you may ring our emergency service on 1300 121 251 for assistance. Further details of what you must do for us to consider your claim are provided in the 'Making a claim' section of your policy wording below.

SIGNIFICANT FEATURES, RISKS AND BENEFITS

If you choose Comprehensive Cover, this will cover loss, destruction or damage to Your Vehicle. In addition this also covers you for your legal liability for property damage or personal injury, arising out of the use of Your Vehicle.

If you choose Third Party Property Damage cover only, this will cover your legal liability for property damage or personal injury, arising out of the use of Your Vehicle.

With each cover option, a range of benefits is included. These benefits are shown in the Policy Wording under each section and can be found under the heading "Other benefits we may pay".

Exclusions

Under some circumstances, this policy will not provide any insurance cover to you. For example, if you deliberately damage the Vehicle.

It is important that you are aware of these exclusions and so you should read them. These exclusions are shown under the heading(s) "When we will not pay your Claim".

In addition there are things that you must do in order for you to be covered. For example, you must take all reasonable steps to recover lost or stolen property. These things are shown under the heading "Conditions of Cover" as well as other sections of the Policy Wording. There are also some conditions which must be present before we will meet any claim. These are also shown in the Policy Wording below.

You still need to read the Policy Wording, any endorsements applicable to your policy and the Policy Schedule for a full description of the benefits, features, exclusions and conditions of the insurance policy.

Sanctions

Our policy wording also contains sanctions exclusion. Please review it carefully.

Financial Claims Scheme

We are authorized under the Insurance Act 1973 ('Insurance Act') to carry on general insurance business in Australia by the Australian Prudential Regulation Authority ('APRA') and are subject to the prudential requirements of the Insurance Act. The Insurance Act contains prudential standards and practices designed to ensure that, under all reasonable circumstances, financial promises made by us are met within a stable, efficient and competitive financial system.

The protection provided under the Federal Government's Financial Claims Scheme (the Scheme) applies to the Policy. In the unlikely event that the Insurer is unable to meet its obligations under the Policy, persons entitled to make a claim under the insurance cover under the Policy may be entitled to payment under the Scheme (access to the Scheme is subject to eligibility criteria). Information about the Scheme can be obtained from the APRA website at <https://www.fcs.gov.au>.

Claims Payment Examples

The following claims payment examples are designed to illustrate how a claim payment might typically be calculated. These examples do not cover all scenarios or all benefits and do not form part of the Policy terms and conditions. They are a guide only. The amount payable under the Policy will depend on the facts applicable to the claim as well as the coverage, exclusions and Excesses set out in the Policy and the Policy Schedule.

Repair of your Vehicle

Your Vehicle is comprehensively insured for Market Value with a basic Excess of \$500, an undeclared young drivers' Excess of \$1,250 and an undeclared inexperienced drivers' Excess of \$750. Your insured Vehicle is involved in an accident whilst being driven by an undeclared inexperienced driver with your authority and the cost of repair is \$7,500 inclusive of GST. The market value of your Vehicle is \$22,000. You are not registered for GST.

How much we will pay	Explanation
-----------------------------	--------------------

\$6,250	We will pay the cost of repair of \$7,500; less the basic Excess of \$500 and less the undeclared inexperienced drivers' Excess of \$750.
---------	---

Total Loss of your Vehicle

Your Vehicle is comprehensively insured for Market Value with a basic Excess of \$500, an undeclared young drivers' Excess of \$1,250 and an undeclared inexperienced drivers' Excess of \$750. Your insured Vehicle is involved in an accident and the driver is not an undeclared young driver or inexperienced driver. The market value of the Vehicle is \$22,000 and it was manufactured seven years ago. The cost of repair is \$25,000 and the salvage value is \$2,000. You are not registered for GST.

How much we will pay	Explanation
-----------------------------	--------------------

\$21,500	We will pay the Market Value of \$22,000 as the Vehicle is a Total Loss; less the basic Excess of \$500.
----------	--

Liability for damage to a third-party's property

Your Vehicle is insured for third-party property damage only, with a basic Excess of \$500, an undeclared young drivers' Excess of \$1,250 and an undeclared inexperienced drivers' Excess of \$750. Your insured Vehicle is involved in an accident with a third-party Vehicle and you are responsible for the accident. You are not an undeclared young driver or an inexperienced driver. The cost of repairing the third-party's vehicle is \$2,000 and the third-party also incurred hire car charges of \$800 whilst the damaged vehicle was being repaired.

How much we will pay	Explanation
-----------------------------	--------------------

\$2,300	We will pay the cost of repair and the hire car charges incurred by the third-party totalling \$2,800. You will pay to us the basic Excess and we will then pay the third-party the total amount claimed. There is no cover for the damage to your Vehicle as you have not taken out comprehensive cover.
---------	--

SPARE PARTS, EXTRAS AND ACCESSORIES

If we are unable to repair the part we will use new, recycled or reconditioned parts that meet the requirements of Australian Design Rules (ADR). If such parts are not available or appropriate, parts from alternative distribution channels may be used.

We will not pay any amount greater than the maker's last list price in Australia (together with a reasonable charge for fitting) for the supply of any spare part, extra or accessory. In the event that any spare part, extra or accessory cannot be obtained immediately, we may choose to pay you the value of the spare part, extra or accessory (together with a reasonable charge for fitting) rather than supply the spare part, extra or accessory.

POLICY WORDING

Our agreement with you

This Policy is a legal contract between you and us. You pay us the premium and we provide you with the cover you have chosen as set out in this Policy and your Policy Schedule for the Period of Insurance shown on your Policy Schedule or any renewal of that period.

The limits of cover applying to the cover selected by you, and the amount of any Excess that applies to your Policy, is shown on your Policy Schedule.

Paying your premium

There are two ways you can pay your premium:

- in one (1) annual payment to your Steadfast Broker according to their business practices; or
- if provided, in twelve (12) monthly instalments by direct debit from your credit card or from your bank account which can be arranged by your Steadfast Broker.

You must pay your premium in the manner set out on your Policy Schedule.

Paying your annual premium

You must pay your annual premium to your Steadfast Broker by the due date.

If your premium is unpaid by the due date or your payment is dishonoured, this Policy will not operate and there will be no cover.

Paying your instalment premium

If we have provided this option to you and if you are paying your premium for the first time by instalments, we will deduct instalments each month on the day of the month that you nominate and which is shown on your Policy Schedule as your payment date.

If you are renewing your Policy and you paid your previous premiums by instalments, we will continue to deduct instalments for your renewed Policy on the day of the month you previously nominated as your payment date, unless you tell us otherwise.

If you have nominated the 29th, 30th or 31st of the month as your payment date, we will deduct your instalment payment on the next day if those dates don't occur in a month.

Further details of your instalments are shown on your Policy Schedule.

If your first instalment is unpaid by the due date or your payment is dishonoured, this Policy will not operate and there will be no cover.

We will not pay a claim under this Policy if, at the time the claim occurred, any instalment of premium has remained unpaid for fourteen (14) days or more.

If any instalment of premium has remained unpaid for one (1) month, we may cancel this Policy. We will send you a notice giving you details of the action we intend to take and when any cancellation will become effective.

We are entitled to deduct from any amount we pay you under a claim any unpaid premium or instalment of premium.

If you are paying your premium in instalments by direct debit from your credit card or financial institution account, you must tell us if those details change. You must do this no later than seven (7) days before your next instalment is due.

Preventing our right of recovery

If you have agreed not to seek compensation from another person who is liable to compensate you for any destruction, loss, damage or liability which is covered by this Policy, we will not cover you under this Policy for that destruction, loss, damage or liability.

Other party's interests

You must tell us of the interest of all parties (e.g. financiers, lessors or owners) who will be covered by this insurance. We will protect their interests only if you have told us about them and we have noted them on your Policy Schedule.

Providing proof

So that your claim can be assessed quickly you should keep the following:

- receipts or other confirmation of purchase and ownership;
- valuations; and
- photographs of insured items.

We may ask you for these if you make a claim. You must be able to prove to us that you have suffered a loss that is covered by this Policy before we will pay your claim for it.

Your claim may be refused

We may refuse to pay or reduce the amount we pay for your claim if you do not comply with the Policy conditions, if you do not comply with your duty of disclosure, or if you make a fraudulent claim.

Changing your Policy

If you want to make a change to this Policy, the change becomes effective when:

- we agree to it; and
- we give you a new Policy Schedule detailing the change.

Cancelling your Policy

How you may cancel this Policy

You may cancel this Policy at any time by telling us in writing that you want to cancel it.

Where 'you' involves more than one (1) person, we will only cancel the Policy when a written agreement to cancel the Policy is received from all persons named as the insured on the Schedule.

How we may cancel your Policy

We may cancel this Policy in any of the circumstances permitted by law (e.g. failure to pay the premium by the due date) by informing you in writing.

We will give you notice in person or send it to your address (including an electronic address) last known to us.

Where you have paid your premium in advance of the date of cancellation, we will refund to you the proportion of the premium for the remaining Period of Insurance (less any fees or expenses that may be charged by us for administration costs and any non-refundable taxes). Unless directed otherwise by all insureds, the refund will be made payable to the first named insured on your Policy Schedule.

Notices

Any notice we give you will be in writing, and it will be effective:

- if it is delivered to you personally; or
- it is delivered to you at your address (including an electronic address) which is last known to us.

It is important for you to tell us of any change of address as soon as possible.

What happens after you make a claim

1. Excess

An Excess is the amount(s) shown in your Policy Schedule which you must pay when you make a claim under your Policy unless we state an Excess does not apply.

The payment of an Excess helps to keep the cost of your premium down by reducing the number of small claims. There are different types of Excess which may apply to you or the driver of your Vehicle at the time of the claim. The Excess types are shown on your Policy Schedule. These include:

- Basic Excess

The Basic Excess is the first amount you must pay on each claim. The amount of the Basic Excess you choose will be shown on your Policy Schedule.

In certain circumstances We may decide to impose an additional Excess as part of Us agreeing to provide cover and this will be listed on your Policy Schedule. This will be in addition to your Basic Excess and will apply every time the Basic Excess applies.

- **Undeclared Young Driver Excess**

If you make a claim for an accident when your Vehicle was being driven by a driver under the age of 25, who was not listed on your Policy Schedule, you must pay the Undeclared Young Driver Excess shown in your Policy Schedule in addition to the Basic Excess.

- o had been paid by you to repair, service or test your Vehicle;

You will not have to pay an Undeclared Inexperienced Driver Excess if the driver was a learner driver accompanied by the holder of a full unrestricted Australian driver's licence.

When you do not have to pay an Excess

You will not have to pay any Excess if:

- we decide that the driver of your Vehicle at the time of the accident did not contribute to the cause of the accident; or
- your Vehicle was damaged while parked, and for both circumstances you provide us with:
 - o the name and address of each responsible party, and
 - o the registration number of the other vehicle(s) involved in the accident; or
- the claimable loss is Recoverable by us.

5. Spare parts, extras and accessories

If we are unable to repair the part we will use new, recycled or reconditioned parts that meet the requirements of Australian Design Rules (ADR). If such parts are not available or appropriate, parts from alternative distribution channels may be used.

We will not pay any amount greater than the maker's last list price in Australia (together with a reasonable charge for fitting) for the supply of any spare part, extra or accessory. We have the right to recover from any person, in your name, the amount of any claim paid by us under this Policy and we have full discretion in the conduct, settlement or defence of any claim we bring in your name. If we recover more than the amount we have paid to you or on your behalf, we will pay you the balance.

10. Salvage of your Vehicle when it is a Total Loss

If your Vehicle is a Total Loss and we have agreed to pay the Market Value or Agreed Value for your Vehicle:

- the wreckage of your Vehicle will become our property; and
- we will keep the proceeds of any salvage sale.

11. Payment of unpaid premium when your Vehicle is a Total Loss

If your Vehicle is a Total Loss and we have agreed to pay the Market Value or Agreed Value for your Vehicle, the amount of any unpaid premium for the Period of Insurance will be deducted from the amount payable to you.

12. No return of premium after a Total Loss

If your Vehicle is a Total Loss and we have agreed to pay the Market Value or Agreed Value for your Vehicle, no return of premium will be made for any unexpired portion of the Period of Insurance. If we are replacing your Vehicle under the 'Replacement of new Vehicle after a Total Loss' benefit, this Policy will continue to cover your new replacement Vehicle until the end of the Period of Insurance.

OTHER INFORMATION

Renewal procedure

Before your Policy expires we will advise you whether we intend to offer renewal and if so on what terms. This document also applies for any offer of renewal we may make, unless we tell you otherwise. It is important that you check the terms of any renewal offer before renewing to satisfy yourself that the details are correct. In particular, check the sum insured amounts and Excesses applicable and to ensure the levels of cover are appropriate for you. Please note that you need to comply with your duty of disclosure before each renewal.

Sanction limitation and exclusion clause

In this section, the reference to Insurer is a reference to us and Insured is a reference to you.

If, by virtue of any law or regulation which is applicable to an Insurer, its parent company or its ultimate controlling entity, at the inception of this Policy or at any time thereafter, providing coverage to the Insured is or would be unlawful because it breaches an applicable embargo or sanction, that Insurer shall provide no coverage and have no liability whatsoever nor provide any defense to the Insured or make any payment of defense costs or provide any form of security on behalf of the Insured, to the extent that it would be in breach of such embargo or sanction.

The law that applies to this Policy

Any disputes arising from this Policy will be determined by the courts, and in accordance with the laws, of the state or territory of Australia where this Policy is issued.

Goods and Services Tax

This GST provision may have an impact on how you determine the amount of insurance you need. Please read it carefully. Seek professional advice if you have any queries about GST and your insurance.

Unless expressly stated, any consideration or amount payable in respect of this Policy is exclusive of GST. If GST is or becomes payable on any supply made in connection with this Policy, an additional amount is payable by the recipient of the supply equal to the amount of GST payable on that supply.

Limits of liability and sums insured

All monetary limits and sums insured in this Policy may be increased for GST in some circumstances (see below).

Claim payments

When we calculate the amount we will pay you, we will have regard to the items below:

- Where you are not registered for GST and liable to pay an amount for GST in respect of an acquisition relevant to your claim (such as services to repair a damaged item insured under the Policy) we will pay you an amount in respect of the GST on the acquisition.
- We will pay the GST amount in addition to the relevant sum insured or limit of liability.
- If your sum insured or limit of liability is not sufficient to cover your loss, we will only pay the GST amount that relates to our settlement of your claim.
- Where we make a payment to you, or on your behalf, under this policy as compensation or in respect of an acquisition or goods, services or other supply, we will reduce the amount of the payment by the amount of any input tax credit that we estimate that you would be, or would have been entitled to (based on your disclosure of input tax credit entitlement) in relation to that acquisition, whether or not that acquisition is actually made.

Input tax credit entitlement

If you are registered or required to be registered for GST you must tell us your Australian Business Number and entitlement to an input tax credit. We will ask you for this information if you lodge a claim. If you fail to disclose or incorrectly disclose your entitlement, you may be liable for GST on a claim we pay. This Policy does not cover you for this GST liability, or for any fine, penalty or charge for which you may be liable.
