## How to resolve a complaint or dispute

### 1. Talk to us first

### 2. Seek a review

If the staff member or claims officer are unable to resolve the matter for you, you or your financial services provider may speak to a dispute resolution specialist. The dispute resolution specialist will usually provide you with a response to your complaint within fifteen (15) days. If the timeframe is impractical for any reason such as the need for more information or further investigation, they will discuss with you alternative timeframes. If you are not satisfied with our response or we cannot agree with you on alternative timeframes, you can go to step 3.

### 3. Seek an external review

You are entitled to seek an external review of our decision. We will provide you with information about options available to you, including, if appropriate, referring you to the external dispute resolution scheme administered by the Financial Ombudsman Service Limited (FOS).

### What you must do when you apply to take out this Policy

When applying to take out insurance we will ask you certain questions. When answering these questions, you must be honest, and you have a duty under the Insurance Contracts Act 1984 to tell us anything:

- known to you; and
- which a reasonable person in the circumstances, would include in answer to any question.

We will use your answers to help us decide whether to insure you and anyone else under this Policy, and on what terms.

### Who you are answering the questions for

It is important that you understand you are answering the questions in this way on behalf of yourself and anyone else that you want to be covered by the Policy.

### If you do not answer our questions in this way

If you do not answer our questions in this way, we may reduce or refuse to pay a claim, or cancel the Policy. If you answer our questions fraudulently, we may refuse to pay a claim and treat the Policy as never being in place.

### Renewal, variation, reinstatement or extension of your Policy

When your Policy is renewed, varied, reinstated or extended you have a duty, under the Insurance Contracts Act 1984, to tell us anything that you

- know; or
- could reasonably be expected to know is relevant to our decision whether to accept the risk of insurance and on what terms.

Your duty does not require the disclosure of anything that:

- diminishes the risk to be undertaken by us;
- is of common knowledge;

- we know, or in the ordinary course of business, ought to know; or
- is a matter that we indicate your duty has been waived by us.

### If you do not comply with your duty of disclosure

If you fail to comply with your duty of disclosure, we may be entitled to reduce our liability under the Policy in respect of a claim, or we may cancel the Policy.

If your non-disclosure is fraudulent, we may also have the option of avoiding the contract from its beginning.

### Financial Claims Scheme

This Policy is a protected Policy under the Financial Claims Scheme (FCS), which protects certain insureds and claimants in the event of an insurer becoming insolvent. In the unlikely event of QBE becoming insolvent you may be entitled to access the FCS, provided you meet the eligibility criteria.

## Section 1: Buildings and contents

### Accidental damage cover

#### What is covered

Your buildings and/or your contents as set out in your Policy Schedule are covered if they are destroyed, lost or damaged. They are covered only if you own them, or are liable for them.

If you only cover your buildings, the cover provided under the Policy for destruction, loss or damage does not apply to your contents.

If you only cover your contents, the cover provided under the Policy for destruction, loss or damage does not apply to your buildings.

Your buildings and your contents are covered while at your situation. Cover for your contents while away from your situation is provided subject to the conditions and limitations set out in page 30.

We will cover your buildings and your contents for accidental loss or accidental damage. There is some loss or damage we will only cover under specific conditions. This is accidental loss or accidental damage caused by:

- Landslide or subsidence. Cover only applies when the landslide or subsidence occurs within seventy two 72 hours after a direct result of one (1) of the following:
  - Storm, tsunami, rainwater, hail, snow or wind.
  - Explosion.
  - Earthquake.
  - Liquid that escapes from a fixed pipe or something attached to a pipe, fixed gutter, fixed tank apparatus or a drain.

This cover also applies to gates, fences or retaining walls that are entirely or partly at the situation.

- Burning out of an electric motor. If an electric motor burns out, we will repair, reinstate or replace it. We decide which one we will do. We will only do this if the electric motor is fifteen (15) years old or less.

### What we will not pay for

We will not cover your buildings and your contents for any accidental loss or accidental damage caused by:

- Landslide or subsidence except as described on page 14.
- Settling, shrinkage or any movement of earth.
- Erosion.
- Water entering your buildings:
  - through an opening made for any building, renovation or repair work,
  - because of a structural defect, faulty design or faulty workmanship when your buildings were constructed.

#### Flood

Flood is the covering of normally dry land by water escaping or released from the normal confines of a watercourse or lake, whether or not it is altered or modified. Flood also includes water escaping from the confines of any reservoir, channel, canal or dam.

- Rust, corrosion, gradual deterioration, depreciation, wear or tear.
- Rats, mice or insects.
- Roots from trees, plants, shrubs or grass.

However, this exclusion applies only to damage caused directly by roots. For example, if tree roots damage and block a pipe, we will pay for the resultant damage to the building caused by water overflowing in the building. We will not pay for the damage to the pipe.

- Any process of cleaning involving the use of chemicals other than domestic household chemicals.
- A defect in an item, faulty workmanship, structural defects or faulty design.
- Malicious damage or vandalism by a tenant.
- Theft by a tenant.
- Deliberate or intentional acts by a tenant.
- Mechanical or electrical breakdown other than an electric motor burning out, except for resultant loss or damage to your buildings or contents.

## Additional things we will pay for when you have insured your buildings

If you have cover for your buildings, the following will be paid in addition to the sum insured as listed on your Policy Schedule.

We will pay these costs when they relate to loss or damage caused by or arising from accidental loss or accidental damage that is covered by this Policy:

- If you are unable to live in your buildings after loss or damage has occurred:
  - we will pay for you to rent another property.
  - we will pay an amount equal to the amount that your buildings could have been rented out for each week if the loss or damage had not occurred.
  - we will also pay the costs of alternative accommodation for your pets, and additional living expenses up to \$1,000.

The most we will pay for these costs is 20% of your buildings sum insured, as listed on your Policy Schedule.

We will only pay these costs if your buildings are unable to be lived in after loss or damage has occurred.

We will reduce the amount we pay you, or stop paying you, if:

- you receive any payment for rent from another source, or
- you do not need to rent another property, or
- you are able to live in your buildings.

If your building is so damaged that it cannot be lived in by tenants, we will pay up to 20% of the sum insured for your building, for loss of rent or rentable value if the home is tenanted or is between tenants at the time the loss or damage occurred.

### Forced evacuation by government authority

If this Policy insures the building that you let to tenants, and if your building cannot be lived in because a government authority prohibits you from using it, we pay any resultant rent lost. We pay up to a maximum of 20% of the sum insured for your home for loss of rent or rentable value if the home is tenanted or is between tenants at the time the loss or damage occurred. The prohibition must be as a direct result of damage to neighbouring premises that would be classed as insured

damage under this Policy. We do not cover loss due to cancellation of a lease or agreement including if a tenant decides to leave without giving proper notice.

Under this additional benefit, we do not pay for:

- (a) loss of rent if the home has been untenanted for sixty (60) consecutive days immediately before the loss,
  - (b) any rent lost outside the period of un-tenant-ability,
  - (c) any rent lost later than twelve (12) months after the damage occurs.
- We will pay to make modifications to your buildings if you are injured as a result of loss or damage to your buildings. We will only pay for modifications if the injury results in permanent paraplegia or permanent quadriplegia and the modifications are required for you to continue to live at the situation. The most we will pay is \$25,000.
  - If any trees, plants, shrubs or lawns are damaged by accidental damage that is insured by this Policy, other than storm, we will pay to replace the trees, plants, shrubs or lawns. We will not pay for damage caused by a weather-related event.
  - We will pay your legal costs to discharge your mortgage if your claim is for a total loss.
  - We will pay to replace the Certificate of Title to your situation if it is destroyed or damaged.
  - We will pay the reasonable costs of demolishing, removing and disposing of any buildings debris when damage or loss occurs.
  - We will pay the reasonable costs of architects, surveyors and engineers and also pay any legal fees that arise from reinstating your buildings when loss or damage occurs.
  - If a key to an external door lock of your buildings or a key to an external window lock of your buildings, is stolen, lost or you have reason to believe that they have been duplicated, we will pay the reasonable and necessary costs of replacing the external lock, key or cylinder with a similar item. We decide which one we will do.
  - If we agree to pay you for loss or damage to your buildings, we will increase your sum insured for your buildings by half of 1% of the sum insured shown on your current Policy Schedule per month since you took

out your Policy or last renewed it until the next renewal date.

- You are fully insured again for your buildings for the amount shown in your Policy Schedule following a claim unless your claim is for a total loss. If your claim is for a total loss and we pay you the sum insured, then the cover for your buildings will end, however liability cover will remain in force until the expiry date of the Policy.

However, liability cover in relation to your buildings formerly occupied by you will continue until the earliest of:

- any construction commencing at the situation,
- the sale of the situation or any part of it,
- another Policy that includes liability cover being taken out in relation to the situation,
- the commencement of construction of a building to replace the insured building at another situation, or
- six (6) months from the date of the damage that caused the total loss,

if your Policy expires before all of the above (i) to (v) occurring.

- We will pay the costs necessary to meet the requirements of any statutory authority in connection with rebuilding or repairing the buildings at the situation. We will not pay any costs which resulted from any notice which a statutory authority served on you before loss or damage to your buildings occurred. The most we will pay in any one (1) period of insurance is \$25,000.
- If you have cover for your buildings and you have entered a contract to sell your home, we will extend your building's cover under the Policy to the purchaser from when the purchaser becomes liable for any damage to the home until the contract is settled or terminated, or until the purchaser insures the home, whichever happens first.

### Building materials

- If this Policy insures your building, which is your primary residence, we will pay up to \$2,000 in any one (1) period of insurance if your unfixed building materials are lost or damaged at the situation due to an event covered by this Policy. Cover only applies to building materials intended to be used for repairs, alterations or additions to your building at the situation. (We do not insure soil,

sand, gravel, bark or mulch or any similar materials). We do not cover any gas or electrical appliances unless they are in a locked and fully enclosed part of the building where those items are not visible from the outside of the building.

### Environmental benefit – Applicable only when you have buildings cover

- If your buildings has been totally destroyed by an insured event and we have agreed to rebuild your buildings, we will pay up to a maximum of \$5,000 of the cost to you, after deduction of any rebate you are eligible for under any government or council rebate scheme, to install any combination of the following:

- If any of your credit, debit or stored value cards are fraudulently used after they are lost or stolen or are fraudulently used on the internet, we will pay up to \$7,500 in total to the financial institutions that issued them. ## Paying claims

### Excesses that apply when you make a claim

An 'excess' is your contribution towards the cost of a claim. We will tell you if you need to pay an excess when you make a claim.

In most instances you can select, at the time of your enquiry or application for insurance, the amount of the excess you wish to pay should you make a claim. When you select a higher excess amount we will normally reduce the amount of the premium you will have to pay.

We take into consideration a number of factors in setting the amount of the excess. These include factors relating to the type of property being insured, where the property is located, the type of construction and your previous insurance and claims history.

At the time of your enquiry or application for insurance, the amount of the excess will be advised to you.

For each claim for your buildings or your contents, we will reduce the amount we pay you for your claim by the amount of the excess. The amount of your excess is shown on your Policy Schedule.

Your excess will be the greater of \$250 or the excess shown on your Policy Schedule for any claim for damage or loss arising from an earthquake or tsunami. This loss or damage must occur within seventy two (72) hours of the earthquake.

When a claim is paid for loss or damage to your buildings and your contents, the excess amount will only be applied once. You will not be required to pay any excess in the event that your building or contents are a total loss.

When a claim is paid under 'Additional things we will pay for when you have insured your buildings' only, or 'Additional things we will pay for when you have insured your contents' only, your excess will not apply.

## The most we will pay for your buildings or your contents

The most we will pay for any claim for your buildings or your contents is the sum insured shown on your Policy Schedule. This does not apply to amounts payable under 'Additional things we will pay for when you have insured your buildings', or 'Additional things we will pay for when you have insured your contents', or 'Additional things we will pay for when you have insured your buildings and/or contents'.

There are some contents items that we will only cover up to a certain amount. See 'What are your contents' on pages 27 to 29 for details of these contents items and the amounts we will pay.

## How we pay a claim for your buildings

When loss or damage occurs to your buildings, we will pay the cost of rebuilding your buildings or repairing the damaged portions to the same condition as when they were new.

## Special benefit – Buildings sum insured safeguard

If we agree that the cost to repair or replace your buildings is greater than your buildings sum insured, then we will pay up to 30% more than your Buildings sum insured to, at our option:

- repair the buildings; or
- replace the buildings to a condition substantially the same as, but not better than when new; or
- pay the reasonable cost of its repair or replacement to a condition substantially the same as when new.

This special benefit applies only if:

- A. this Policy insures your buildings, and
- B. your buildings are so damaged by an event that is insured by this Policy that it is considered by us to be a total loss, and
- C. the cost to repair or replace your buildings is greater than your buildings sum insured because either:
  - (i) the increased cost of repairing damage to your buildings was caused directly by a catastrophic event, or
  - (ii) you correctly used the QBE home sum insured building calculator on the internet located at [www.qbe.com.au/isc](http://www.qbe.com.au/isc) (the QBE calculator) to calculate

your buildings sum insured and the QBE calculator estimated an inadequate sum insured for your buildings, provided:

- that you can demonstrate that you correctly used the QBE calculator to determine your buildings sum insured, and
- your buildings are substantially the same as when you used the QBE calculator (for example, you have not added to nor extended your buildings), and
- you have not reduced any sum insured that we have offered on any renewal invitation since you used the QBE calculator.

Catastrophic event means a suddenly occurring, major, natural disaster that is insured by this Policy, where the resultant damage to property in the vicinity of your buildings and generally is so extensive and widespread that the resultant surge in demand for the materials and labour required to repair buildings causes a surge in the prices of building repairs.

This special benefit only relates to the buildings. It does not apply to any other insured property, Policy section additional benefit or other Policy feature including such things as additional costs to comply with company bylaws.

We will also pay any additional costs required for your buildings to comply with government or local authority bylaws. We will not pay these additional costs if you were required to comply with these bylaws, and had not done so, before the loss or damage occurred. The most that we will pay for costs required for your buildings to comply with requirements of any authority in any one (1) period of insurance is \$25,000.

Rebuilding or repairing your buildings must commence within six (6) months of the loss or damage occurring. If it does not commence within six (6) months of the damage occurring, (or any other period which we agree with you in writing), you may have to pay any increase in cost caused by your delay.

We will pay for the damaged portions of fixed coverings to walls, floors and ceilings only in the room, hall or passage where the damage occurred.

We will try to match any material used to repair your buildings with the original materials. If we cannot, we will use the

nearest equivalent available to the original materials. We will not pay any costs for replacing undamaged property.

However, if:

- it is impossible to acquire new material to replace the damaged material that reasonably matches the undamaged portion to a similar extent as immediately prior to the damage occurring, and
- the amount of damaged material that cannot be matched to the undamaged material is more than 40% of the total material that would have to be replaced if all the matching damaged and undamaged material was replaced, then we will replace both the damaged and undamaged material.

If the damage was caused by liquid that escaped from a bath, basin, sauna, spa, shower base or shower wall, we will pay the costs to repair your buildings. We will not pay the costs to repair or replace the bath, basin, sauna, spa, shower base or shower wall.

### How we pay a claim for your contents

When loss or damage occurs to any of your contents items, we will do one of the following:

- Replace the item with the nearest equivalent new item.
- Repair the item to the condition it was in when new.
- Pay you the cost of replacement or repair.

We decide which one we will do.

We will pay the cost of replacement for:

- carpets;
- wall, floor and ceiling coverings; and
- internal blinds and curtains;

only in the room, hall or passage where the loss or damage occurred.

When an item is part of a pair, set, system or collection, we will only pay for the value of the item itself. The most we will pay is the value that the item has as a proportion of the combined pair, set, system or collection. We will only pay the cost of replacing the item even though the pair, set, system or collection to which it belongs is less valuable because it is incomplete.

## Strata title mortgagee protection

This section of the Policy only applies when your Policy Schedule shows that you have requested cover for mortgagee protection. It applies when you own part of a building that has been subdivided, usually into strata title units, and you have a mortgage on that part of the building.

We will cover the part of the building that you own for loss or damage on the same basis as set out in 'Section 1 – Buildings and contents'.

We will pay up to the amount you owe on your mortgage but no more than the buildings sum insured shown on your Policy Schedule. We will pay this to your mortgagee when you are required to pay your mortgage in full following a loss. We will only pay this when the body corporate has not insured the buildings or it has not insured the buildings for damage that you can claim for under this Policy.

## Section 2: Options you can choose for an additional premium

## Paying claims

### How we pay a claim for a valuable item

When accidental loss or accidental damage occurs to a valuable item, we will do one (1) of the following:

- Replace the item with the nearest equivalent new item.
- Repair the item to the condition it was in when new.
- Pay you the cost of replacement or repair.

We decide which one we will do.

When a valuable item is part of a pair, set or collection, we will only pay the value of the item itself. The most we will pay is the value that the item has as a proportion of the combined pair, set or collection. We will only pay the cost of replacing the item even though the pair, set or collection to which it belongs is less valuable because it is incomplete.

We will reduce any payment for loss of, or damage to, an item under this section by the amount we pay you for the same item under your contents cover.

### Limit for valuable items

You must advise us and the items will be listed on your Policy Schedule. The most we will pay in total for all valuable items is the amount shown on your Policy Schedule.

## Flood

If you have selected and paid for this option it will be shown on your Policy Schedule. We cover you for physical loss, destruction or damage caused directly by flood to your home, contents (if you have insured them).

Flood means the inundation of normally dry land by water from any watercourse, lake, canal, dam or reservoir.

## Pairs and sets

If you have selected and paid for this option it will be shown on your Policy Schedule.

In the event of a total loss of any article or articles which are part of a pair or set, we agree to pay you – at your option, exercisable after the loss – the full amount of the value of such pair or set, and you agree to surrender the remaining article or articles of the pair or set to us.
