Part B – Your rights and responsibilities

Duty of disclosure

You must comply with your Duty of Disclosure when you apply for insurance with us and each time you renew or alter your cover.

You have a duty of disclosure to tell us everything you know or should know, that is relevant to our decision to insure anyone under the policy, including you, and on what terms.

It includes matters we specifically ask about when you apply for a policy, or renew or alter your policy, and any other matters which might affect whether we insure you and on what terms.

The information you tell us can affect:

- ▼ the amount of your premium and your excess
- ▼ if we will insure you
- ▼ if special conditions will apply to your policy.

You do not need to tell us of anything which:

- ▼ reduces the chances of you making a claim
- ▼ we should know about because of the business we are in or
- ▼ we tell you we do not want to know.

If you are unsure it is better to tell us. If you do not tell us something which you know or should know is relevant, we might reduce a claim, refuse to pay a claim, cancel your policy or, if fraud is involved we can treat the policy as if it had never existed.

The duty of disclosure applies to every person or organisation insured under the policy. If you fail to comply with your duty of disclosure we may be entitled to reduce our liability under the contract in respect of a claim or may cancel the contract. If your non-disclosure is fraudulent, we may also have the option of avoiding the contract from its beginning.

Not meeting your responsibilities

If you do not meet with your responsibilities outlined in your policy, or if you do not tell us everything relevant to our decision whether or not to insure you, or if you mislead us, we can refuse to pay a claim or reduce the amount we pay or cancel your policy.

If fraud is involved, we can treat your policy as if it never existed.

Cooling off period

You have the right to cancel and return the insurance policy or a section of the policy by notifying us in writing within 30 days of the date it was issued to you ("cooling off period"), unless you have a claim under the policy within the cooling off period.

If you cancel it in this time, we will return the amount you have paid.

In addition, if you vary your policy and add a section, you have the right to cancel that section within 30 days of the date it was added by notifying us in writing ("additional cooling off period") unless you make a claim under that section within the additional cooling off period. If it is cancelled in this time, we will return the amount you have paid for that section.

To cancel at other times, please see "Cancelling Your Policy" on pages xviii to xix.

The amount of your premium

The premium is the amount you pay us for this insurance. It includes stamp duty, GST, other government charges and fire services levy (FSL) that applies. Your premium is shown on your **schedule**.

In addition to the factors we use to calculate your premium, the discounts you qualify for also affect your premium. Your premium includes any discounts you qualify for and these are applied before adding applicable government charges.

The premium does not include any service or administration fee charged to you by your insurance intermediary.

We might advertise special offers and benefits from time to time. If we have a special offer available that is not in this PDS, we can give you a separate terms and conditions brochure about the offer if you ask us. These offers might be short-term and we can withdraw them at anytime.

Paying your premiums

We will tell you how much you have to pay and how much time you have for payment.

You must pay your premium by the due date. For the first period of insurance, if you do not pay the premium owing by the due date, we can cancel your policy as set out in "Cancelling your Policy" on pages xviii and xix.

For renewal policies, if you do not pay your premium by the due date, then the renewal policy will not commence and your cover will end at the expiry of the previous period of insurance.

Claims made and notified basis of cover

Policy Section 4 – Management Liability (excluding Optional cover Employee Dishonesty) and Policy Section 7B are issued on a 'claims made and notified' basis. This means that Section 4 (excluding Optional cover Employee Dishonesty) and Section 7B responds to:

- (a) claims first made against you during the period of insurance and notified to us during the period of insurance, provided that you were not aware at any time prior to the policy inception of circumstances which would have put a reasonable person in your position on notice that a claim may be made against him/her; and:
- (b) written notification of facts pursuant to section 40(3) of the Insurance Contracts Act 1984. The facts that you may decide to notify are those which might give rise to a claim against you. Such notification must be given as soon as reasonably practicable after you become aware of the facts and prior to the time at which the policy expires. If you give written notification of facts the policy will respond even though a claim arising from those facts is made against you after the policy has expired. For your information, s40(3) of the Insurance Contracts Act 1984 is set out below;

"s40(3) Where the insured gave notice in writing to the insurer of facts that might give rise to claim against the insured as soon as was reasonably practicable after the insured became aware of those facts but before the insurance cover provided by the contract expired, the insurer is not relieved of liability under the contract in respect of the claim when made by reason only that it was made after the expiration of the period of insurance cover provided by the contract."

When the period of insurance expires, no new notification of claims or facts can be made on Section 4 – Management Liability (excluding Optional cover Employee Dishonesty) or Section 7B of the expired policy even though the event giving rise to the claim against you may have occurred during the period of insurance. An exception to this is under the Automatic Discovery Period Additional Benefit in Section 4, if any, under which some cover for new notification of claims or facts is available.

Excess

This is the amount you have to pay if you suffer loss, damage or liability which leads to a claim under your policy.

The amount and type of excess that applies to your policy is shown either in Part D of this booklet or on your **schedule**.

If you claim under more than one section of your policy for one incident or event, then you only pay the highest excess that applies unless expressly stated otherwise in the policy. For example, Additional Benefits may have their own excess which are in addition to any excess that may apply to a claim.

Fraudulent claims

If you or anyone acting on your behalf or with your knowledge makes a claim that is false or causes loss or damage deliberately, we may do one or more of the following:

- ▼ refuse to pay a claim
- ▼ cancel your policy
- ▼ take legal action against you.

Financial Claims Scheme

This policy may be a 'protected policy' under the Federal Government's Financial Claims Scheme (FCS) which is administered by the Australian Prudential Regulation Authority (APRA).

The FCS only applies in the extremely unlikely event of an insurer becoming insolvent and the Federal Treasurer making a declaration that the FCS will apply to that insurer.

The FCS entitles certain persons, who have valid claims connected with certain protected policies issued by that insurer to be paid certain amounts by APRA.

Information about the FCS can be obtained from APRA by:

- ▼ Telephone: 1300 55 88 49
- ▼ Website: www.apra.gov.au

General Insurance Code of Practice

We support and adhere to the General Insurance Code of Practice. A copy of the Code can be obtained from the Insurance Council of Australia by:

▼ Telephone: (02) 9253 5100 or

▼ Website: <http://www.insurancecouncil.com.au>

Terrorism Insurance Act 2003

Some sections of this policy exclude cover for losses as a result of terrorism.

In the event that damage to property occurs and the cause of the damage is declared a terrorist incident by the responsible Minister, then you may be afforded protection within the limits of indemnity of this policy by virtue of the Terrorism Insurance Act 2003. The operation of this Act may also serve to reduce the settlement of your loss to a percentage of the otherwise recoverable loss. In the event that the settlement is reduced then this will be at the direction of the Minister.

A more detailed explanation of the operation of the Terrorism Insurance Act 2003 can be obtained at www.arpc.gov.au.

Updating information

The information in this PDS and policy wording was current at the date of preparation. Vero may update some of the information in the PDS and policy wording that is not materially adverse from time to time without needing to notify you. You can obtain a copy of updated information by contacting us. We will give you a free paper copy of any updates if you request them. If it becomes necessary, we will issue a supplementary or replacement PDS.

Part C – Information for some policyholders only

This part applies to you if you chose cover for:

- ▼ **vehicles** (not exceeding 2 tonnes) under section 9; or
- ▼ a **home building** under Sections 1A (Fire and Defined Events), 1B (Theft) or 1C (Glass), and you are an individual or a small business.

You need to read this part if it applies to you.

Home building means a building which is used or intended to be used principally and primarily as a place of residence.

An example of what is considered a home building is where the building is a commercial premise but you may also live in the building, or you rent part of the building for residential use.

If the building is only used by you for residential purposes, it cannot be insured under this policy.

The amount you pay for sections 1A, 1B or 1C (for a home building) or section 9 (for vehicles)

The premium is the amount you pay us for this insurance. The premium payable by you will be shown on your **schedule**. Premiums include applicable Commonwealth and state taxes and charges. These include the Goods and Services Tax and stamp duty. The amount of these taxes and charges will be shown on your **schedule**.

If you change your policy you may be entitled to a partial refund of premium or be required to pay an additional premium.

How various factors may affect your premium

The following table is a guide to the significant factors which impact generally on your premium in relation to sections 1A, 1B or 1C (for home building).

The following table is a guide to the significant factors which impact generally on your premium in relation to section 9B Commercial Motor.

Type	Lowers premium	Increases premium
Type of cover	Legal liability only	Comprehensive
Type of vehicle	Low risk vehicle	High risk vehicle
Market or agreed value	Market value	Agreed value
Vehicle accessories/Modifications	None specified	Accessories and modifications that increase the risk of insurance

Endorsements	Reduces our risk or your cover	Increases our risk or your cover

Why the cost of insurance can change

Your insurance premium can change during your policy period if the circumstances or risks covered by your policy change. For example, your premium will change if you change the use of your **premises** or add new covers to your policy. Also, each time you renew your insurance your premium is likely to change, even if your circumstances or the risks covered by your policy have not changed.

This is because premiums are affected by:

- ▼ The total cost of current and future claims
- ▼ The cost of claims we expect to pay in the future
- ▼ Any changes in government taxes or charges
- ▼ Our expenses of doing business
- ▼ Whether indexation is shown on your **schedule**.

We may “cap” the amount of any increase on renewal, so that we pass only part of the increase on to you.

Premium discounts

At times, we may offer premium discounts to particular customers – for example, those who take out insurance within a specified period, or people who have multiple policies with us.

The amount and type of discounts can change over time. We can vary or withdraw a discount at any time. Changes will not affect the premium for an existing policy during its current period of insurance.

For details of any discounts that may be available and the dollar difference these would make to your premium, please ask us when you obtain a quote or before renewing your policy.

Excesses

If you make a claim you may be required to pay one or more excesses. The description of those excesses and the circumstances in which they are applied are shown in the relevant policy wording in Part D of this booklet under 'Excess' or in the **schedule**.

Sections 1A, 1B and 1C: Excesses

The amount of **excess** applying to each of these sections is shown on your **schedule**. We take into consideration a number of factors when setting the amount of your **excess**, such as:

- ▼ your occupation;
- ▼ any voluntary excess that we may allow you to choose;
- ▼ your claims history; and
- ▼ any additional risk factors that are unusual or unique to your business circumstances.

Section 9: Excesses

There are a number of **excesses** which apply to this section. The amount of each **excess** (other than the basic excess) is shown in the policy wording that applies to section 9 in Part D of this booklet. The amount of the basic excess will be shown on your **schedule**.

We take into consideration a number of factors when setting the amount of your basic **excess**, such as:

- ▼ the make, model and type of vehicle being insured, including modifications made to the vehicle;
- ▼ any voluntary excess that we may allow you to choose;
- ▼ the age and driving experience of people who will be driving the vehicle;
- ▼ the **insured amount** of the vehicle;
- ▼ where and how the vehicle is used;
- ▼ the type of cover chosen;
- ▼ the place where your vehicle is garaged;
- ▼ your previous insurance and claims history; and
- ▼ Optional cover, extra covers, additional benefits and endorsements.

Part D – Your policy terms and conditions

Important information about your insurance policy

Your insurance policy is made up of this policy wording, any **endorsements** and the **schedule** which shows the **insured amounts**, the premium and any relevant government charges.

You should read the **schedule** and the policy wording together, to tell you what we cover, what we exclude, what we pay to settle claims and other important information. Each section of this policy contains some exclusions, and there are also some general exclusions which are listed on pages xvii and xviii, and which apply to the whole policy.

In this insurance policy:

Unless otherwise expressly defined in a section of the policy, you/your means the policyholder named in the **schedule**.

We/our/us means Vero Insurance Limited ABN 48 005 297 807, trading as Vero Enterprise.

Some other words used in this policy have special defined meanings. These words are in **bold**. The words we have defined are listed in either the “General Definitions” section on pages xix to xxii or in the Definitions section in the applicable policy section.

The headings and grey shaded areas in each section are not part of the policy itself. Their purpose is to provide you with a general guide about the content of the text.

Our contract with you

Your insurance policy is a legal contract between you and us. The contract is based on the information you gave us when you applied for the insurance, and any subsequent information which you have supplied.

We will provide cover for the sections of the policy shown under “What’s Covered” on your **schedule** for the **period of insurance**.

You must pay the premium, including relevant government charges for the **period of insurance** and comply with all of the policy conditions.

Paying by monthly instalments

If we agree that you can pay us the total amount in a number of payments instead of all at once, this is called paying by instalments.

If you are a month (or more) late in paying an instalment, we may cancel your policy (see “Cancelling your policy” on pages xviii and xix).

We will not pay a claim if at the date of the event you are claiming for, you are 14 days (or more) late in paying an instalment.

How the Goods and Services Tax (GST) affects this insurance

In the premium, we will charge you an amount on account of GST.

You must inform us of the extent to which you are entitled to an input tax credit (ITC) for that GST amount each time that you make a claim under this policy.

Despite the other provisions of this insurance (including provisions in the policy wording, the **schedule** and any endorsement), our liability to you will be calculated taking into account:

- (a) any input tax credit to which you are entitled for any acquisition which is relevant to your claim, or which you would have been entitled were you to have made a relevant acquisition; and
- (b) also for claims for business interruption only, the GST exclusive amount of any supply made by your business which is relevant to your claim.

In respect of loss of or damage to your vehicle, if your vehicle is a total loss and you have chosen the agreed value option, we will not deduct any input tax credit entitlement from the amount of the agreed value shown in the **schedule**.

This outline of the effect of the GST on your policy is for general information only. You should not rely on this information without first seeking expert advice on the application of the GST to your particular circumstances.

General policy conditions

These conditions apply to all sections of this policy.

1. Change to risk

Our decision to insure you, and the premium that we charge you, is based on information provided by you about your **business**, and the risks to be insured under this policy. Your insurance, including the amount of premium, may be affected if any of the facts or circumstances that existed at the start of the policy change during the **period of insurance**, including, for example:

- (a) the nature of or type of **business** carried on by you or your tenants;
- (b) other circumstances that affect the **premises** or the **property insured** in such a way as to increase the risk of **damage** or **losses**;
- (c) your interest in the policy ceases, including by operation of law;
- (d) the **business** is wound up or carried on by an insolvency practitioner or permanently discontinued;
- (e) details of any conversion or modification to your **vehicle** made by someone other than the manufacturer. For example, if you give your **vehicle** wide tyres or wheels, or lower its suspension;
- (f) if there is anyone under the age of 25 years who is likely to be a regular driver of the **vehicle**;
- (g) change of your address, your **vehicle**, your **vehicle's** garage postcode or the way you use your **vehicle**.

You must immediately notify us of any changes to (a), (b), (c), (d), (e), (f) or (g) or any other changes that may increase the risk insured under your policy.

If you are a property owner insuring **buildings** that you lease, our decision to insure you and the premium we charge you will take into account information about your tenants and how the **building** is used that you tell us when you apply for a policy with us, during the **period of insurance** and at each renewal. For this reason it is important that you tell us as soon as these things change.

For example, if your **building** has three tenants (an accountant's office, a jeans retailer and a sandwich bar) we will calculate your fire premium on the sandwich bar, as it is more hazardous than either of the other two occupations. If during the **period of insurance** the sandwich bar closes down and a menswear shop opens, then you must notify us of the change and we will calculate your fire premium either using the jeans retailer or menswear occupation.

If we agree to continue to insure you after you have told us of the changes you tell us about we will confirm this in writing. In some cases, we may only agree to continue to insure you under this policy if you agree to pay us additional premium.

2. The amount of cover

If you are not entitled to an **input tax credit** on your policy premium, all **insured amounts** and limits of liability stated in your policy are GST inclusive (unless your policy states otherwise).

If you are entitled to an **input tax credit** on any part of the policy premium, the **insured amount** and limits of liability stated in your policy are exclusive of any **input tax credit** which you are or would be entitled to claim.

3. Reasonable care and reducing risk

You must take reasonable steps to ensure that you and your tenants:

- (a) maintain **buildings**, structures, fixtures, fittings, furnishings, appliances, **vehicles**, **machinery**, implements and plant in sound condition to minimise or avoid theft, loss or damage;
- (b) ensure that only competent employees are employed;
- (c) avoid or minimise **loss** of or **damage** to property or injury to other people;
- (d) comply with all statutory obligations, by-laws, regulations, public authority requirements and safety requirements;
- (e) obtain certificates of inspection for all equipment required by any statute or regulations to be certified; and
- (f) comply, at your expense, with all our recommendations to prevent or minimise theft, **loss** or **damage**.

You must:

- (a) take all reasonable steps to prevent **loss** of or **damage** to your **vehicle**;
- (b) take all reasonable care to prevent injury to another person or **damage** or another person's property;
- (c) comply with all laws and safety requirements imposed by any authority or by state or national legislation; and
- (d) keep all **vehicles** in a roadworthy condition.

4. Hazardous or dangerous goods

When hazardous or dangerous goods are used by the **business** or stored at **premises** shown on the **schedule**, then such goods must be stored and used strictly in accordance with all statutory obligations, by-laws, regulations, public authority requirements and safety requirements.

5. Interested parties

You must tell us in writing of the interest of all interested parties (for example, banks or lessors) when you want their interest in any item insured under this policy covered. If a person is not named or noted on the policy, they are not insured and cannot make a claim. This means we will need to record the interest of the interested party for those interests to be covered.

The interested parties must comply with all the terms and conditions of your policy, including without limitation, the obligation to notify us and give us details of any other insurance that insures any risk insured by this policy.

6. Transfer of interest

No interest in this policy can be transferred without our written consent.

7. Unoccupancy

You must ensure that any **building** at the **premises** does not stay unoccupied, or if you are the building owner, untenanted, for a continuous period of 60 days or more. To have been occupied, the business premises must have been used for business purposes for at least two consecutive days. You are not insured while the **building** is unoccupied for a period of 60 days or more, unless we agree to insure you. If any **building** will or is likely to be unoccupied or untenanted for such a period, you must notify us immediately. If you notify us that the **premises** will be unoccupied or untenanted for a continuous period of 60 days or more and we agree to continue to insure you under this policy during the period where the **building** is unoccupied or untenanted, we will tell you in writing. You may be required to pay an additional premium and we may apply different conditions and impose a higher **excess** if we agree to this.

8. Changes in or waivers of the policy

No changes in the policy will be valid unless agreed in writing by us.

No waiver of any requirements of any section shall be valid unless it is given to you in writing.

9. Multiple insured parties

Except as expressly provided in Section 4 – Management Liability and Section 7 – Legal Liability, where there is more than one person or organisation insured under this policy,

- (a) any notice given by us under this policy to any one of you shown on the **schedule** will be deemed to be notice given to all of you;
- (b) any misrepresentation or fraudulent actions or statements made by any person or organisation will be deemed to be made by all of you; and
- (c) any claim made by any person or organisation will be deemed to be a claim made by all of you.

10. Keeping us up to date

You must tell us at the commencement of your policy and at each renewal if any authorised driver of your **vehicle**, including you, has:

- (a) had a licence endorsed, suspended or cancelled in the past 5 years;
- (b) has been charged or convicted of any criminal offence relating to arson, drugs, firearms, burglary, housebreaking, theft, robbery, receiving stolen goods, fraud, criminal or wilful damage or injury, assault to anyone;
- (c) has been charged with or convicted of any motor offence or motor infringement (but not parking fines).

General claims conditions

To enable us to process a claim under any section of this policy the following conditions apply.

1. Cooperation

You must co-operate with us fully in any investigation, negotiation, defence or settlement of any claim.

This may include attending court to give evidence.

2. Minimise loss

You must:

- (a) take all reasonable precautions to minimise or prevent further **loss, damage**, injury or illness; and
- (b) take all reasonable steps to recover lost or stolen property.

3. Notify claim

You must:

- (a) notify the police immediately following a theft or burglary or if any property is misappropriated, lost or maliciously damaged;
- (b) notify us as soon as possible and give us all the known details of the **event** including the police event number if available; and
- (c) immediately send us any legal document or other communication you receive about the **event**.

4. Retain all damaged property

You must:

- (a) retain and preserve all damaged property for our inspection prior to authorisation of repairs unless alterations and repairs are immediately necessary, for safety reasons or to minimise or prevent further **loss, damage** or injury. If repairs are necessarily carried out without our prior approval, you are still required where reasonably practical, to retain and preserve all damaged property for our inspection; and,
- (b) endeavour to preserve all property, products, plant and all other things that may assist us in investigating or defending a claim against you, including assisting in determining if there are rights of recovery against another entity or person.

5. Our rights of possession

We, our employees or our agents have the right to enter any **building** or area where **loss** or **damage** has occurred and take possession of **property insured** or require the **property insured** to be delivered to us. We will deal with this property in a reasonable manner.

6. Provide proof of ownership

You must supply us with all the information and documentation that we request to prove your ownership or legal responsibility for the **property insured** and its value.

We will decide what is acceptable proof of ownership and value based on the **property insured** for which you are claiming, the age of the item and its value at the time of **loss** or **damage**.

Examples of the type of documentation that may be required include, but is not limited to:

- ▼ Tax invoices and/or receipts for **property insured**.
- ▼ Photographs of the **property insured**.
- ▼ Copies of any relevant contracts or agreements.
- ▼ Statutory declaration verifying the details of your claim and any other matters connected with it.
- ▼ Quotes for replacement items.
- ▼ Vehicle log books.
- ▼ Valuations or warranties.

We understand you may not keep such information for every **business** item you own, especially if items are recorded in your books of account. You or your accountant may have records for tax purposes and these may be sufficient to prove ownership.

7. Proof of fraud or dishonesty

In the event of a claim, you must supply us with all records and documents that may assist us in substantiating and investigating the act of fraud or dishonesty and your rights of recovery. This includes but is not limited to all records (including computer, electronic and accounting records), video and audio recordings, working papers, internal memoranda, police reports, accounting records and audit documents.

8. Notification of other insurance

If there is any other insurance that insures any risk insured by this policy, you are required to notify us and give us details of the other insurance.

9. Admitting liability

You must not admit liability for any **loss, damage** or injury, or settle or attempt to settle or defend any claim without our written consent.

10. Not authorise repair or replacement

You must not authorise the repair or replacement of anything without our agreement.

If **damage** is caused to building and other property please provide details of the address and owners names.
- ▼ If you get demands, a notice of prosecution, details of any inquest or similar communications from other parties involved in an **event**, you must tell us immediately. If you delay in telling us, we may not cover any legal or other costs that result from that delay.
- ▼ You must let us inspect and, if necessary, move your **vehicle** before repairs begin.
- ▼ You must not accept any payment (including excess payments) from anyone unless we agree first.

11. Conduct of claims

We:

- (a) may appoint legal or other representatives to assist in the conduct of a claim;
- (b) shall have the right and full discretion to conduct claims; and
- (c) reserve the right to negotiate and settle any claim on terms we consider appropriate.

12. Excess

What is an excess?

The first amount of each and every claim that you are required to pay before the application of any limits by the policy. The amount of the excesses and the circumstances that each excess applies to are shown on the **schedule** or set out in the applicable section. We will tell you how to pay your excess and who to pay it to. In some cases, we will direct you to pay the excess directly to a supplier or repairer.

Full payment prior to settlement

Any excess that is applied to a claim must be paid in full prior to settlement of that claim.

What if you do not pay the excess upon request?

We have no liability to you under this policy until you have paid the excess.

If the excess has been requested but remains unpaid we may:

- (a) decline to settle the claim pending full payment of the excess; or
- (b) deduct the excess from the settlement.

Some Optional Insurances or Additional Benefits have their own excess which are in addition to any other excess that may apply to a claim.

When multiple excesses apply, you might have to pay more than one type of excess when you make a claim.

Except as otherwise expressly provided, if more than one excess can be applied to one occurrence then you will only need to pay the highest excess.

13. Claims settlement

(a) ITC entitlement

If any event occurs which gives or may give rise to a claim you must tell us your entitlement to **input tax credits** for your insurance premium if you are registered, or should be registered, for GST purposes. If you did not tell us your entitlement or the information you give us is incorrect, we will not cover you for any resulting fines, penalties or tax charges.

(b) Cash payments

Any cash payments made to you under this policy will be based on costs including GST. However, if you are, or would be, entitled to claim any **input tax credits** for the repair or replacement of the property insured or for other things insured by the policy we will reduce our payment to you by the amount of your **input tax credits** entitlement.

(c) Discharge of our liabilities

If, at any time, we pay you the **insured amount** for any claim under this policy, the future conduct of the claim then becomes your responsibility. We may also pay any extra covers, additional benefits or optional insurance that are expressed to be in addition to the **insured amount**.

(d) Salvage

After we have settled a claim by replacing a **damaged** item, if we so elect, the **damaged** or **lost** property (other than a **building**) becomes ours.

(e) Claims preparation expenses

We will pay for accountant, claims consultants, surveyors, architects, engineers and other professional fees necessarily and reasonably incurred for the preparation of a valid claim made under this policy other than under Section 5 – Business Interruption, Section 4 – Management Liability or Section 8 – Tax Probe®.

The most we will pay is the lesser of \$20,000 or 25% of the total amount payable under the applicable section other than Section 5 – Business Interruption, Section 4 – Management Liability or Section 8 – Tax Probe® as a result of an event.

14. Rights of recovery

We have the right to take action or institute legal proceedings, in your name, for the recovery of payments made and expenses incurred in relation to any claim insured by this policy, against any person, company or entity legally liable to you in respect of that claim.

You must provide us with full information and all reasonable assistance in the recovery of those payments or expenses.

You must not enter into any agreement or make any admissions that have the effect of limiting or excluding your rights and our rights to recover payments and expenses without first obtaining our approval in writing to do so.

15. Subrogation agreements

If another person is, or could have been, liable to compensate you for any **loss**, **damage** or legal liability otherwise covered by the policy, but you have agreed with that person either before or after the **loss**, **damage** or legal liability occurred that you would not seek to recover any moneys from that person, we will not cover you under the policy for any such **loss**, **damage** or legal liability.

To protect you from the effects of inflation, if you have cover under the Section 1A – Fire and Defined Events and “Index linked” is shown in the **schedule** we may automatically change the **insured amount** at renewal in line with movements in the Consumer Price Index or another similar index.

Cancelling your policy

How you may cancel

You may cancel the policy or a section at any time by telling us that you want to cancel it. The cancellation takes effect on the date we receive your request.

How we may cancel

We may only cancel a policy when the law says we can.

We will cancel your policy by telling you so in writing, either in person or by post to your last known address.

We will return the premium that you have paid for the rest of the **period of insurance** less any non-refundable government charges.

Paying by instalments

If we agree that you can pay your total amount in a number of payments instead of all at once, this is paying by instalments.

If you are one month (or more) late in paying an instalment, we may cancel your policy following the procedure under 'How you may cancel' above.

If we pay out a claim for the full **insured amount** on your **building**, that cover ends. Any section, Extra cover, Additional benefit or Optional cover for that **building** also ends. If your policy ends for this reason, we do not refund any premium for an unexpired **period of insurance**. ✗ What we exclude

We will not cover you for more than 20% of the highest **total insured amount** for any **premises** shown on the **schedule**.

For example, if you insure two existing **premises**, one which has **insured amounts** for all **property insured** totalling \$1,000,000 and the other which has **insured amounts** for all **property insured** totalling \$2,000,000, then any new premises will be covered for up to \$400,000 (20% of \$2,000,000, the higher of the two **insured amounts** for all **property insured** at a **premises**).

We will not cover you under this additional benefit for any **loss** or **damage** at the new premises that occurs more than 30 days after you first occupy the new premises.

Optional insurance

The following covers are optional and are available if you choose them and pay an additional premium. The optional insurances you have chosen will be set out in your schedule. All of the terms, conditions and exclusions of this policy apply to the options, unless the option says otherwise.

1. Increased accidental damage

✓ What we cover

We will increase the amount we pay under insured event 10 to **the insured amounts** shown in the **schedule**.

2. Hail damage to stocks of vehicles, watercraft or caravans in the open

✓ What we cover

We will pay for **loss** or **damage** caused by hail to:

- (a) **Stock of vehicles**;
- (b) **Stock of watercraft**; or
- (c) **Stock of caravans**,

in the open air at the **premises** during the **period of insurance**, up to the **insured amount** shown in the **schedule**.

3. Fusion cover

✓ What we cover

We will pay for electrical damage to electrical motors up to and including 2kw capacity where such **damage** is caused by the burning out of the motor by electric current in:

- (a) Portable tools and equipment;
- (b) Fixed machinery; or
- (c) Pumps,

owned by you and used in the **business**.

✗ What we exclude

We will not pay for **loss** or **damage** to:

- (a) refrigeration or air conditioning equipment; or
- (b) submersible or turbine pumps.

We will not pay more than \$1,000 or the amount shown in the **schedule** whichever is the greater.

If an electric motor cannot be replaced, we will pay the replacement cost of an equivalent motor or motor in a sealed unit of the same specification and standard available today. We will not pay for replacement of the whole item.

Section conditions

These conditions apply to all covers and claims under section 1A – Fire and Defined Event of this policy.

1. Under-insurance

In the event of **loss** or **damage** covered under this section:

- (a) for claims settled on a reinstatement or replacement basis, we will be liable for no greater proportion of the **loss** or **damage** than the total **insured amount** as specified in the **schedule** for all **property insured**, at the **premises** where the **loss** or **damage** occurs, bears to 80% of the cost (net of any **input tax credit** that you could claim) which would have been incurred in reinstatement at the time when the policy was entered into, if the whole of the **property insured** had been destroyed at that time; or
- (b) for claims settled on an indemnity basis, we will be liable for no greater proportion of the **loss** or **damage** than the total **insured amount** specified in the **schedule** for all **property**, at the **premises** where the **loss** or **damage** occurs, bears to 80% of the indemnity value (less any Goods and Services Tax component of that value) of all of the **property** at the time when the policy was entered into.

This condition does not apply if the amount of any **loss** or **damage** (net of any **input tax credit** that you could claim) is less than 5% of the total **insured amount** specified on the **schedule** for all **property** at the **premises** where the **loss** or **damage** occurs.

See the worked dollar example below for an example of how underinsurance will apply to reduce the amount we will pay for claims under your policy.

2. Sprinklers and fire alarm systems

All fire protection systems (either manual or automatic sprinkler or alarm systems) in the **building(s)** and which you own or have responsibility for maintaining must be maintained in accordance with the Australian Standards Maintenance Series (A.S. 1851 or any subsequent amendments).

3. Indexation

If shown on the **schedule** that indexation applies, we will automatically adjust all **insured amounts** shown on the **schedule** each year according to the most appropriate price index (as determined by us) and any other relevant indices published by the Australian Bureau of Statistics.

The premium you pay will be based on the adjusted **insured amounts** shown on the **schedule**.

Worked dollar examples

The following worked dollar examples are designed to assist you in understanding some of the important benefits in this section and how claims are calculated. The examples do not cover all scenarios or all benefits and do not form part of your policy terms and conditions. The following examples should be used for general guidance only.

You have cover for a **building** that is used as both a hairdressing salon and your residence. For this reason it is a **home building**. Indemnity is not shown on your **schedule**, so you have cover on a replacement value basis. The total **insured amount** on the **schedule** is shown as \$400,000 (the total of the **insured amounts** shown on your **schedule** for the **building** of \$380,000, **contents** of \$10,000 and **stock** of \$10,000 and there are no **specified items**) and the **excess** shown on the **schedule** is \$250.

When setting the **building insured amount**, you must consider the costs to remove debris and payment of any architect fees. The **building** is **damaged** in a storm and we assess the cost of repairs to be \$50,000.

How much we pay		Further information
Cost of repairing the storm damage to your building	\$50,000	We normally decide the building is repairable if the cost of repairing the building is less than the insured amount (in this example the insured amount for buildings is \$380,000).
Removal of debris	+\$30,000	Removal of debris +\$30,000 In addition to the damage to the building , the storm has created building debris that requires cleaning up and removal. The most we will pay under the removal of debris benefit is the higher of \$25,000 or any unexhausted amount of the insured amount in respect of the damaged property . However, as the total insured amount has not been exhausted and is greater than \$25,000, we will pay the debris cost of \$30,000.
Less excess	-\$250	We deduct this from the amount we pay. We may require you to pay this amount directly to the repairer.
Total claim	\$79,750	We normally pay this amount directly to the repairer.

Underinsurance on a partial loss

In the above example, if the actual replacement value of the **building**, **contents** and **stock** at the time the policy was entered into was \$580,000 but you had only insured the **building**, **contents** and **stock** for \$400,000 the amount we pay will be reduced in accordance with the underinsurance condition in this section.

The amount we would pay will be calculated as follows:

$$\text{Total claim of } \$80,000 \times \frac{\$400,000}{(80\% \times \$580,000)} = \$68,965 \text{ less } \$250 \text{ excess} = \$68,715$$

You have cover for a **building** that is used as both a cafe and your residence. For this reason it is a **home building**. Indemnity is not shown on your **schedule** so you have cover on a replacement value basis. The **insured amount** on the **schedule** for **buildings** is shown as \$2,500,000 and the **excess** shown on your **schedule** is \$250. The **building** is **damaged** in an earthquake and we assess the cost of repairs to be \$1,000,000.

Cost of repairing the damage to your building that arose from the earthquake	\$1,000,000	We normally decide the building is repairable if the cost of repairing the building is less than the insured amount (in this example the insured amount is \$2,500,000).
Removal of debris	\$40,000	In addition to the damage to the building , the storm has created building debris that requires cleaning up and removal. The most we will pay under the removal of debris benefit is \$25,000 in addition to any unexhausted amount of the total insured amount . However, as the total insured amount has not been exhausted, we will pay up to any unexhausted amount remaining from the total insured amount .
Less excess	-\$10,400	Since the damage is caused by an earthquake, an excess of 1% of the insured amount of the loss or damage (up to a maximum of \$20,000) applies. In this example 1% of the insured amount of the loss to the buildings is \$10,400. We may ask you to pay this amount directly to the repairers.
Total Claim	\$1,029,600	We normally pay this amount directly to the repairers.

What we pay

The maximum we will pay for any one claim, other than a claim for a **specified item**, under this section is the amount shown on the **schedule** or adjusted in accordance with this section, whichever is the higher.

The maximum we will pay for each **specified item** is the **insured amount** shown in the **schedule** for that item.

For **contents** that are works of art, antiques or curios we will only pay the value of the item up to a maximum of \$10,000 for each item.

For any item of **contents** or for any **specified item** that is part of a pair or set, the limit applies to the pair or set.

1. Building(s), specified items or contents

Reinstatement or replacement

Unless the **schedule** shows you are insured for 'Indemnity' then, when **buildings, specified items** or **contents** are lost or destroyed we will, at our option:

- (a) rebuild the **buildings** at the **premises** shown on your **schedule** or at another site;
- (b) replace **contents** or **specified items** with similar property;
- (c) pay you the amount shown on the proof of purchase for **specified items**;
- (d) pay you the amount of a valuation by the Auctioneers and Valuers Association of Australia for **specified items** of works of art, antiques and curios; or
- (e) pay the cost of rebuilding or replacing the **buildings, specified items** or **contents**.

If the **buildings, specified items** or **contents** are **damaged**, then we will, at our option:

- (a) repair or replace the **buildings, specified items** or **contents**; or
- (b) pay the cost of repairing or replacing the **buildings, specified items** or **contents** .

Reinstatement or replacement is subject to the following conditions:

- (a) the work of rebuilding, replacing or repairing must be commenced and completed by you within a reasonable time otherwise the amount we pay will be the indemnity value of the **property**. This means we will reduce the amount we pay you to take into account age, wear, tear and depreciation.
- (b) when rebuilding at another site, we will not pay more than we would pay to rebuild at the **premises**.
- (c) when any **property** is **damaged**, but not destroyed, we will not pay more than the amount that we could have been called upon to pay for if that **property** had been destroyed.
- (d) we will only pay to return the **property** to a condition substantially the same as, but not better or more extensive than, its condition when new, using building materials readily available and in common use in The Commonwealth of Australia.

2. Indemnity

If your **schedule** shows you are insured for 'Indemnity' then, for any **loss** of or **damage** to **building** or **contents** we will, at our option:

- (a) repair, reinstate or replace the **building** or **contents**;
- (b) pay you the market value of the **building** or **contents** at the time of its **loss** or **damage**; or
- (c) pay the cost of repair or replacement.

In all cases, where appropriate, we will reduce the amount we pay you to take into account age, wear, tear and depreciation.

3. Extra costs of reinstatement: Building is not a heritage building

If you are insured under this section on a reinstatement or replacement basis, we will also pay the extra cost of reinstatement or replacement of **buildings** which are necessarily incurred to comply with the requirements of any Act of Parliament or regulation or any by-law or regulation of any municipal or other statutory authority, other than those relating to heritage status of the **building**.

The following conditions apply:

- (a) the work of reinstatement must be commenced and completed within a reasonable time; and
- (b) the amount payable will not include any additional costs in complying with any requirement that you had been required to comply with before the **loss** or **damage** occurred.

If the cost of reinstatement of the **building** insured is less than 50% of what would have been the cost of reinstatement if that **building** had been totally destroyed, then the amount we will pay will:

- (a) be limited to the extra cost necessarily incurred in reinstating the damaged portion of the **building** only;
- (b) not include any extra cost in relation to any portion of the **building** which is not damaged; and
- (c) will not exceed, in any event, the amount that we would have paid if that **building** had been totally destroyed.

4. Extra costs of reinstatement: Heritage building

If you are insured under this section on a reinstatement or replacement basis for **loss** of or **damage** to any **building** that is subject to any heritage listing or protection and you choose to rebuild, replace or repair the **building** at the same location, we will pay the extra cost of repairing, replacing, or reinstating the **building**, that are related to obtaining special materials or employing specialised labour to match up or reproduce unique or distinctive ornamental or architectural features of the **building** to comply with standards imposed by lawful heritage protection authority.

We will not pay more than the cost necessary to rebuild, replace or repair any such heritage listed **building** to a reasonably equivalent appearance and capacity using original design and suitable modern equivalent materials, if the original materials are not available.

The following conditions apply:

- (a) the work of reinstatement must be commenced and completed within a reasonable time; and
- (b) the amount payable will not include any additional costs in complying with any requirement that you had been required to comply with before the **loss** or **damage** occurred.

5. Loss of floor space

If a **building** insured under this section on a reinstatement or replacement basis can only be rebuilt with a reduced floor space as a result of:

- (a) an Act of Parliament or regulations; or
- (b) a by-law or regulation of any Municipal or other statutory authority;

We will, in addition to reinstating or replacing the **building** on the basis set out above for the **building** with a reduced floor space, pay you the difference between:

- (a) the actual cost of rebuilding the **building** with the reduced floor space; and
- (b) the estimated cost of rebuilding the **building** with the floor space it had at the time of its destruction.

6. Stock

If **stock** is **lost** or **damaged**, we will, at our option:

- (a) pay the market value of the **stock** at the time of the **loss** or **damage** up to but not exceeding the insured amount for **stock** under the Fire and Defined Events section in the **schedule**;
- (b) pay you the market value of **obsolete stock** or its purchase price (net of GST), whichever is the lesser, but no more than the original cost to you;
- (c) replace or repair the **stock** with property or materials equal to or of a similar standard and specification as the **stock** at the time it was lost or damaged; or
- (d) pay the cost of repair or replacement of the lost or damaged **stock**.

7. Loss of or damage to customers' vehicles, or your stock of vehicles, stock of watercraft or stock of caravans

If we agree to pay a claim for loss of or **damage** to a vehicle, watercraft or caravan:

If the vehicle(s), watercraft or caravan(s) is a **total loss** we will pay the costs incurred to replace the vehicle(s), watercraft or caravan(s) with a vehicle(s), watercraft or caravan(s) of the same make, model, age or condition, and the additional costs of:

- (a) vehicle registration; and
- (b) repairs and detailing.

If the vehicle(s), watercraft or caravan(s) is not a **total loss** we will pay, at our option, the costs incurred to repair or replace the vehicle(s), watercraft or caravan(s) with a vehicle(s), watercraft or caravan(s) of the same make, model, age or condition, and the additional costs of:

- (a) vehicle registration if required; and
- (b) repairs and detailing.

If the vehicle(s), watercraft or caravan(s) is part of your **stock** we will pay your cost price only, we will not pay your retail price mark up.

8. Branded stock

We will not sell branded **stock** as salvage without your consent.

If you do not agree to us selling the branded **stock** as salvage, we will pay the market value of the **stock** after brands, labels or names have been removed.

Excess

You must pay the **excess** shown on the **schedule** that applies to a claim under this section.

If you are making a claim for **loss** or **damage**:

- (b) covered under Insured Event 4 – Earthquake, tsunami, subterranean fire or volcanic eruption, or fire resulting from any of these during any period of 72 consecutive hours, the **excess** for each claim is 1% of the total **insured amounts** specified in the **schedule** that relate to the **damaged property** at the **premises** or \$20,000 whichever is the lesser, for each claim;

2. Severability and imputation

For the purposes of this policy section, any knowledge or information possessed by any past, present or future chief executive officer, chief operating officer, chief financial officer, chief legal officer (or similar positions) or chairman of the board of **directors** shall be imputed to the **company**.

- (a) if the first **related claim** is first made during this **period of insurance** and notified to us during this **period of insurance** or any applicable **discovery period**, then cover for all subsequent **related claims** will only be provided under this policy; and

5. Claims conduct

We are entitled to take over and conduct in **your** name the defence or settlement of any **claim** and will have full discretion in the conduct of any proceedings and in the settlement of any **claim**.

We reserve entirely our rights under this policy, including our right to agree or deny cover while we assess a **claim** or conduct a defence. Our rights under this policy are not affected if we do not conduct the defence.

Neither **you** nor we will be required to contest or litigate any **claim** if, in the opinion of Senior Counsel, reasonable attempts should be made to settle the **claim**. The Senior Counsel shall be mutually agreed upon, or in the absence of such agreement, as nominated by the President of the NSW Bar Association. The cost to obtain the opinion will be advanced by us and treated as **defence costs**.

Senior Counsel shall provide the opinion in writing. In formulating the opinion Senior Counsel shall consider commercial matters including the amount of the **claim**, the actual and potential **loss** (including **defence costs**) that may reasonably be incurred in contesting the **claim**, the liability prospects and the prospect of recovering costs against the claimant in the event that the defence is successful. Senior Counsel shall also provide a settlement range within which reasonable attempts should be made to settle the **claim**.

If it is the opinion of Senior Counsel that reasonable attempts should be made to settle the **claim**, **you** shall not object to our attempt to do so.

6. Settlement

You must not settle or offer to settle any **claim**, incur any **defence costs**, or **representation expenses** or otherwise assume any contractual obligation or admit any liability in respect of any **claim** without our prior written consent.

If **you** object to a proposal by us to settle or compromise any **claim** payable under this policy section and wish to contest or litigate the matter, then **you** may so elect, but our liability in respect of any such **claim** so contested or litigated will not exceed the amount for which, but for such election, it could have been settled or compromised by us, together with **defence costs** payable in accordance with the terms of this policy section and incurred up to the time of such election.

7. Allocation of loss

This Claims Condition applies to any part of any **loss** resulting from a **claim** which is in respect:

- (a) of one of **you** only; or
- (b) of more than one of **you**, whether jointly or severally; or
- (c) of one or more of **you** and one or more persons or entities who is or are not covered under this policy section, whether jointly or severally,

and which is partly covered and partly not covered under this policy section, (together 'Loss to be Allocated'). We must determine a fair and reasonable allocation of the covered part of the Loss to be Allocated among the relevant insureds and us having regard to the extent of each insured's comparative responsibility for the Loss to be Allocated.

Our consideration of what is fair and reasonable should include without limitation, the following factors:

- (a) the nature of the **claim** against each insured;
- (b) the issues of fact and law in relation to each insured;
- (c) the content and the manner of the conduct of any defence of the **claim**;
- (d) the relative degree of personal responsibility for the **loss**;
- (e) the extent to which the insured's responsibility for the **loss** is joint, several or shared;
- (f) the extent to which any person or entity, other than that insured, would obtain a benefit from the payment by us;
- (g) the extent to which the **loss** is solely of that insured;
- (h) the extent to which the issues in the **claim** against that insured are in common with the issues in the **claim** against any other person or entity;
- (i) the extent to which the **loss** is partly covered and partly not covered under this policy section;
- (j) in the event of a settlement, the likely comparative responsibility had the settlement not occurred.

If **you** wish to dispute our determination of the allocation, each party agrees that the dispute must be referred for expert determination in accordance with the Australian Commercial Disputes Centre ("ACDC") Mediation Guidelines, to an expert agreed by the parties, or if the parties do not agree on an expert, an expert nominated by the then current CEO of ACDC or the CEO's nominee.

Each party agrees to sign an agreement with the expert that confirms the following:

- (a) each party will pay an equal share of the fees for the appointed expert (to be charged at the expert's usual rate); and
- (b) the expert may:
 - (i) consider relevant industry practice;
 - (ii) consider all information presented to the expert by either party;
 - (iii) request more information from either party;
 - (iv) request a meeting with the parties (to which they may bring their lawyers); and
- (c) the expert must decide within thirty days after the agreement is signed, and need not give reasons; and
- (d) the expert's decision will be binding on the parties and final; and
- (e) the expert will exclude all liability of the expert to either party (including liability for negligence) to the full extent permitted by law.

This allocation applies for all purposes under this policy section including the Additional Benefit 1 – Advancement of Defence Costs and Representation Expenses and the Policy Section Condition 8 – Subrogation and Recoveries.

Any allocation of **loss** will not apply to or create a presumption with respect to the allocation of other **loss** on account of such **claim**.

This provision overrides the Complaints Resolution provision contained in Part B with respect to our determination of the allocation, to the extent of any inconsistency.

8. Subrogation and recoveries

Provision of information and assistance

You agree to provide us with all information, evidence, documentation, assistance and co-operation and to execute such documents, including signed statements and affidavits, which we reasonably request in the exercise of our rights of recovery.

You will at all times and at your own cost use reasonable endeavours to do and concur in doing everything reasonably practicable to assist in the exercise of your rights of recovery.

All recoveries

All recoveries obtained by **you** from other parties will be allocated, after the settlement of any **claim** under this policy section as follows:

- (a) firstly, to the benefit of **you** to reduce or extinguish the amount of your **loss** to the extent that it would have been paid under this policy section but for the fact that such **loss** exceeds the sum of the **insured amount**, and the **excess** where applicable; and
- (b) secondly, to the benefit of us for all sums paid in settlement of **loss** arising under this policy; and
- (c) thirdly, to the benefit of you for the **excess** under this policy section.

All recoveries will be applied as herein only after deduction of the reasonable cost of obtaining such recovery. All recoveries made prior to settlement of any **claim** under this policy section will be held for the benefit of us and applied as stated herein after settlement if any is made.

Recoveries do not include any amount recovered from insurance, suretyship, reinsurance, security or indemnity taken for the benefit of us.

9. Authorisation

The **policyholder** is the agent for each of **you** and each of **you** is bound by any statement, act or omission of the **policyholder** for all purposes under this policy section, subject to the Claims Conduct Condition and the Severability and Imputation Conditions.

If the **policyholder** is more than one entity, then the first entity listed in the **policy schedule** will be deemed to be the **policyholder**.

10. Confidentiality

You must pay the basic **excess** applicable to your **customer's vehicle** for any claim accepted under this Additional Benefit.

2. Recovery costs – no damage

✓ What we cover

We will pay the reasonable cost of removing your **customer's vehicle** to a place of safety following it becoming immobilised, bogged or stranded in the **period of insurance** even if there is no **damage** to your **customer's vehicle**.

You must pay:

- ▼ provide tax invoices and receipts for all costs if we ask for them.

✗ What we exclude

We will not pay more than \$5,000 in total for any one **event**.

This Additional Benefit does not apply if your **customer's vehicle** is immobilised, bogged or stranded solely as a result of vehicle failure or breakdown.

You must pay the basic **excess** applicable to your **customer's vehicle** for any claim accepted under this Additional Benefit.

What we pay

If we agree to pay a claim under Part 1, we will either pay you for a **partial loss** or a **total loss**. This is determined by the extent of the **loss** or **damage**, the cost of repair or replacement and the value of your **customer's vehicle**.

If we agree to pay a claim for **legal liability** under any Additional Benefit in this Part, the "Limits to what we pay" in Part 2 of this section will apply.

Total loss

If we accept a claim and decide your **customer's vehicle** is a **total loss**, we will pay you the lesser of the **market value** of your **customer's vehicle** or the **insured amount** shown by "Customer's Vehicles" on the **schedule**. We will deduct any **excess** that may apply plus the residual value of the vehicle (if your customer keeps the damaged vehicle).

If the Extra Cover 1 'New vehicle after total loss' has been chosen, your **customer's vehicle** including any unexpired premium, registration and Compulsory Third Party insurance, becomes our property.

For an example of how we settle a **total loss** claim, please see page 103 of this **policy**.

Partial loss

If we agree to pay a claim and decide your **customer's vehicle** is a **partial loss**, we can arrange the repairs with a **recommended repairer** if one is available, or alternatively you can choose your own repairer and arrange repairs with them.

Where we are able to provide you with access to one of our **recommended repairers**, we will offer you a choice if there is more than one in your area. However, we may only be able to nominate one **recommended repairer** if there are no others available.

Where we're unable to provide you with access to one of our **recommended repairers**, we will require you to choose your own repairer or you may repair the vehicle yourself.

If we authorise repairs with a **recommended repairer** or your own repairer we will:

- ▼ authorise the repair of your **customer's vehicle** to the same or reasonably similar condition and standard it was immediately before the **event**;

- ▼ authorise only the use of new parts or parts which are consistent with the age and condition of your **customer's vehicle** (which may include using non-genuine and/or recycled parts);
- ▼ authorise only the use of manufacturer's approved parts if your **customer's vehicle** is under warranty, but not when your **customer's vehicle** has an extended warranty or for windscreen replacement;
- ▼ only pay the market value of damaged parts we consider to be obsolete;
- ▼ replace damaged windscreen or window glass with glass which may not be produced by the original manufacturer but will meet Australian Design Rules; and
- ▼ guarantee the quality of materials and workmanship in respect of the repairs for the life of the **customer's vehicle**.

Any repairer we authorise to repair your **customer's vehicle** may sub-contract some of the repairs to a person of their choice. This will usually occur when the repairer is unable to perform the repairs themselves.

If you or the owner of the **customer's vehicle** choose your own repair and we do not authorise repairs, we:

- ▼ will pay an amount equal to the **reasonable repair costs**; and
- ▼ will not provide any guarantee for the quality of materials and workmanship in respect of the repairs.

We are not responsible for any costs or losses which occur because of delays in delivery of parts. If a part is not available in Australia, we will pay the cost of surface freight from the nearest reasonable source of supply.

You or your customer are responsible for the cost of any air-conditioning refit, re-gas or modification required by law.

You or your customer may have to contribute to the cost of replacing or repairing tyres, engines, accessories, paintwork, bodywork, radiators, batteries, interior trims, or caravan annexes affected by wear and tear or rust and corrosion. How much you are required to pay will depend on how worn we consider these items were when the **damage** happened.

If you do not agree to pay these amounts we will pay you the **reasonable repair** cost less any contribution charges.

We will subtract any **excess** that may apply.

For an example of how we settle a **partial loss** claim, please see page 103 of this **policy**.

Limits to what we pay

If we agreed to pay a claim for **loss** of or **damage** to your **customer's vehicle**, the most we will pay for all claims arising directly or indirectly from the one **event** is \$1,000,000 (unless another amount is specified on your **schedule**).

Policy section Part 1 Conditions

Lifetime guarantee for repairs

If we authorise repairs for your **customer's vehicle** we will guarantee the repairs against any defect due to workmanship or faulty material for the life of your **customer's vehicle**.

If you choose your own repairer and we pay **reasonable repair costs** instead of authorising repairs, we will not provide a lifetime guarantee for the repairs.

Underinsurance condition

If at the time of the **event**, your **customer's vehicle** was insured for less than 80% of its **market value** and we decide your **customer's vehicle** is:

- ▼ a **total loss**, we will not apply this underinsurance condition
- ▼ a **partial loss**, we will pay the same proportion of the **loss** as the **insured amount** bears to 80% of the **market value** of your **customer's vehicle**.

In assessing the amount we pay, prime movers and attached trailers and dollies are regarded as separate and distinct vehicles.

This underinsurance condition does not apply if your **customer's vehicle** is a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity.

How you earn a No Claim Bonus

A No Claim Bonus recognises your good driving and claims history record for **customer's vehicles**.

Your **schedule** will show the type of No Claim Bonus you are entitled to (if any), and your premium will be charged accordingly.

If you are not entitled to a maximum No Claim Bonus, you will earn an entitlement to a bonus for the next **period of insurance** if there has been no claims that fall within the definition of a **penalty claim**.

2nd Year	20%	30%
3rd Year	30%	40%
4th Year	40%	50%
5th Year	50%	50%

How making a claim could affect your No Claim Bonus

If you do not lodge a penalty claim

If you did not lodge a **penalty claim** during the **period of insurance**, then your No Claim Bonus will not be detrimentally affected at renewal of your **policy**.

Windscreen claims

When you renew your **policy**, your No Claim Bonus will not be affected for any windscreen or window glass claim you make.

Other claims

When you renew your **policy**, we reduce your No Claim Bonus for each **penalty claim** you have made during the **period of insurance**.

The amount we reduce your No Claim Bonus to is set out below:

Your current No Claim Bonus	Following 1 penalty claim	Following more than one penalty claim

Part 2 – Legal liability

What your customer's vehicle also means

For the purposes of Part 2, your **customer's vehicle** also means:

- ▼ a trailer;
- ▼ a caravan; or
- ▼ another vehicle which has broken down;

that is being towed by your **customer's vehicle** legally and not for reward.

What is legal liability?

Legal liability means that an Australian court or a court of an Australian external territory finds, or we accept, that:

- ▼ you;
 - ▼ an **authorised driver** of your **customer's vehicle**;
 - ▼ a passenger in your **customer's vehicle**; or
 - ▼ your employer, principal or business partner;
- are legally responsible to pay compensation for:
- ▼ **loss of or damage to property** owned or controlled by someone else; or
 - ▼ **personal injury** to another person (but only where the **legal liability** is not covered or capable of being covered by any compulsory third party insurance or public liability insurance),

caused by an **event** which occurs during the **period of insurance** in Australia or its external territories.

✓ What we cover

Provided 'Commercial Motor' and 'Customer's Vehicle's' is shown under 'What's Covered' in the **schedule**, we will pay for a claim for your **legal liability** if the **event** giving rise to that **legal liability** was not expected or intended, and the **event** was caused by:

- ▼ you or an **employee** driving, using or being in charge of your **customer's vehicle**;
- ▼ goods being carried by or falling from your **customer's vehicle**;
- ▼ loading goods onto your **customer's vehicle** from a fixed place of rest directly beside your **customer's vehicle**;
- ▼ unloading goods off your **customer's vehicle** to a fixed place of rest directly beside your **customer's vehicle**; or
- ▼ a passenger in your **customer's vehicle** with your permission while travelling or getting in or getting out of your **customer's vehicle**.

x What we exclude

We will not pay for your **legal liability**:

- ▼ for anything excluded by any other 'what we exclude' section in Part 1 or Part 2 in this policy section;
- ▼ which is a direct or indirect result of discharge or escape of **contaminants or pollutants** or **dangerous goods** from your **customer's vehicle** unless they are substances you are legally allowed to carry;
- ▼ for **loss of or damage to property** you own, control or are responsible for, or which belongs to someone who normally lives with you;
- ▼ for **personal injury** to anyone who was your **employee** at the time of the **event**;
- ▼ for **personal injury** if you were or anyone else was required by law to have insurance for compensation, damages or similar insurance for injury (e.g. compulsory third party insurance or workers compensation required by law);
- ▼ for **personal injury** if your **customer's vehicle** is registered in the Northern Territory of Australia;
- ▼ where you cause your own **personal injury**, or if you injure or cause the death of someone who normally lives with you;
- ▼ occurring because you, an **authorised driver** of your **customer's vehicle**, a passenger in your **customer's vehicle**, or your employer, principal or business partner agreed to accept liability;
- ▼ because of an agreement you or anyone insured under this **policy** has entered into, unless **legal liability** would have applied anyway;
- ▼ for **personal injury** if at the time of the **event** your **customer's vehicle** was being used as a show, carnival or festival attraction, parade float or for any similar activity;
- ▼ if at the time of the **event** your **customer's vehicle** was being driven or used at, in or on any **aircraft** hangar or any part of an airport or airfield used by **aircraft** for loading, unloading, taxiing, takeoffs or landings;
- ▼ resulting from the use of your **customer's vehicle** if it was unregistered at the time of the **event**;
- ▼ in respect of fuel contamination caused by you delivering:
 - ▼ the incorrect type of fuel; or
 - ▼ the fuel to the incorrect place.
- ▼ for **damage to property** resulting from an **event** arising out of the use of your **customer's vehicle** while it is digging, excavating, boring or drilling.

However, we will pay if your **customer's vehicle** is being used for the sole purpose of travelling to or from any work site or transporting or carting goods at the time of the **event** and is not being used at the time of the **event** for any other purpose including any specific activity for which the **customer's vehicle** was designed.

- ▼ to pay fines or punitive, exemplary or aggravated damages;
- ▼ arising directly or indirectly from:
 - ▼ the transportation, distribution, and or storage of asbestos;
 - ▼ any material containing asbestos or any process of decontamination, treatment or control of asbestos.

This will only apply to **personal injury** arising in consequence of inhalation of asbestos fibre, and to **loss or damage to property** due to the presence of asbestos.

- ▼ for **personal injury** or **loss of or damage to property** arising directly or indirectly out of the actual, alleged or threatened discharge, dispersal, release or escape of **contaminants or pollutants** into or upon any property, land, the atmosphere, water course or body of water (including ground water). However this exclusion does not apply to Additional Benefit 1 – 'Pollution'.

Extra cover

1. Emergency services

✓ What we cover

If we agree to pay a claim under Part 1 or Part 2 of this section during the **period of insurance**, we will pay the reasonable costs and charges levied by the police force or fire brigade or other authority due to your **customer's vehicle** causing the attendance of a member of the:

- ▼ fire brigade or authority for the purpose of fire extinguishment or other purposes; and/or
 - ▼ police force;
- at the accident site.

Additional benefits

We will also provide the following Additional Benefits in this section, subject to the policy terms and conditions, the General and section exclusions including the exclusions in Part 1 and Part 2 of this section and any **endorsement**. The **event** giving rise to the **legal liability** must not have been expected or intended.

1. Pollution

✓ What we cover

Your **legal liability** arising directly or indirectly out of the actual, alleged or threatened discharge, dispersal, release or escape of **contaminants or pollutants** into or upon any property, land, the atmosphere, water course or body of water (including ground water), where such discharge, dispersal, release or escape:

- ▼ is caused by or in connection with the operation ownership possession or use by you or on your behalf of any **customer's vehicle**;
- ▼ is caused by a sudden identifiable unintended and unexpected **event**;
- ▼ takes place in its entirety at a specific point in time during the **period of insurance** and within Australia or its external territories; and
- ▼ does not relate to any property, land, air, water course or body of water which you own, occupy or have in your custody or control.

We will also only pay for clean up or removal costs if they are caused by such an incident.

✗ What we exclude

We will not pay:

- ▼ more than \$500,000 in total during the **period of insurance**;
- ▼ if the **contaminants or pollutants** are **dangerous goods**; or
- ▼ for **legal liability** excluded in any other 'what we exclude' section in Part 1 or Part 2 in this section of the policy.

2. Legal liability for caravans and trailers

✓ What we cover

You are covered for your **legal liability** as a result of:

- ▼ the actions of a caravan or trailer while it is being towed by your **customer's vehicle**;
- ▼ a caravan or trailer running out of control after separating from your **customer's vehicle** while your **customer's vehicle** is moving; or
- ▼ another vehicle colliding or acting to avoid a collision with:
 - ▼ property falling off a caravan or trailer while it is being towed by your **customer's vehicle**; or
 - ▼ property being loaded or unloaded from a caravan or trailer attached to your **customer's vehicle**;

during the **period of insurance** in Australia or its external territories.

x What we exclude

We do not cover **loss** or **damage** to:

- ▼ a caravan or trailer unless it is a **vehicle** insured under Section 9B – Commercial Motor of this **policy**; or
- ▼ the property which is loaded or unloaded from or which falls from the caravan or the trailer.

We do not cover the cost to remove the trailer or caravan debris, unless the caravan or trailer is an insured **vehicle** under section 9B – Commercial Motor of this **policy** and we have accepted a claim for it under Part 1 of that section.

You must pay the **excess** applicable to your **customer's vehicle** for any claim accepted under this Additional Benefit.

We do not cover **legal liability** if it would have been excluded in any other 'what we exclude' section in Part 1 or Part 2 of the **policy**.

What we pay

If we agree to pay a claim for **legal liability** under Part 2, we will pay:

- ▼ the compensation;
- ▼ legal costs and expenses if we have given our prior written consent to you incurring these costs; and
- ▼ costs and charges reasonably and necessarily incurred by you in removing or cleaning up debris, unless stated otherwise.

We will also pay for legal costs in representing you or any other person covered at any inquest or other inquiry relating to an **event** which may give rise to you being **legally liable**, if we have given our prior written consent to you incurring these costs.

You must pay any **excess** that may apply.

For an example of how we settle a liability claim, see page 103 of this **policy**.

Limits to what we pay

If we agree to pay a claim for **legal liability**, the most we will pay for all claims arising directly or indirectly from one **event** is \$30 million (unless another amount is specified on your **schedule**) but restricted to:

- ▼ \$1,000,000 for any one **event** occurring within the external territories of Australia, but only in respect of the death or bodily injury to another person;
- ▼ \$1,000,000 (unless another amount is specified on your **schedule**) where your **customer's vehicle** is being used for the transportation of **dangerous goods** or is attached to, or is towing, a vehicle used for the transportation of **dangerous goods**; and
- ▼ \$500,000 during the **period of insurance** in respect of all claims under the Additional Benefit 1 – 'Pollution' under Part 2.

These amounts include all legal costs and expenses.

These limits also apply to any cover for your **legal liability** provided under any Extra Cover, Additional Benefit of this section (both Parts 1 and 2) or **endorsement** unless a lower limit is specified in the Benefit, Cover or any **endorsement**. These limits are the most we will pay even if there are several claims against you relating to the one **event**.

Excess

An **excess** is the amount you might have to pay if you claim. **Excesses** are cumulative and apply to all claims, unless otherwise stated. If you also claim under another policy section for one **event** the excesses payable under this policy section apply in addition to all other excesses.

For each **event**, or series of **events** arising from the one originating cause you will bear the amount of the **excess** in respect of each and every **customer's vehicle** covered by a claim under this Section 9A, unless stated otherwise.

The basic **excess** is shown on your **schedule**. The amounts for any other **excesses** (or where the amounts can be found in this **policy**) are detailed below on page 101. You might have to pay more than one type of **excess** when you claim. You must pay the **excesses** in full.

We will decide if you pay the **excess** to us (when we ask for it) or to the repairer when you pick up your **customer's vehicle** after it has been repaired. We can also choose to deduct the **excess** from the amount we pay you.

You don't pay any **excess** when your **customer's vehicle** is a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity and:

- ▼ another vehicle is involved in the **event**, and we agree the driver of your **customer's vehicle** was not at fault, and you can identify the other vehicle and the other driver responsible (name, residential address, phone number and vehicle registration details); or
- ▼ no other vehicle is involved in the **event**, and we agree the driver of your **customer's vehicle** was not at fault, and you can identify another person at fault (name, residential address and phone number) and prove that they were at fault.

Types of excesses

Basic excess

The basic excess is the amount shown on your schedule.

Age or inexperienced drivers excess

An age or **inexperienced driver excess** applies if a driver under 25 or an **inexperienced driver** was in charge of your **customer's vehicle** at the time of an **event**. This **excess** will not apply to glass, damage while parked, fire, malicious damage, theft or storm claims.

If we accept a claim where the driver was less than 25 years of age or was an **inexperienced driver**, the following age or **inexperienced driver excesses** will apply to the claim when the **customer's vehicle** is a prime mover and:

- ▼ the **market value** for the prime mover is less than \$100,000 or it is insured for Legal Liability only – the age or **inexperienced driver excess** is \$2,500 or \$3,500 if the prime mover was towing more than one trailer at the time of the **event**.
- ▼ the **market value** for the prime mover is \$100,000 or more, but not more than \$200,000 – the age or **inexperienced driver excess** is \$10,000 or \$15,000 if the prime mover was towing more than one trailer at the time of the **event**.
- ▼ the **market value** for the prime mover is more than \$200,000 – the age or **inexperienced driver excess** is \$25,000 or \$37,500 if the prime mover was towing more than one trailer at the time of the **event**.
- ▼ for all other **customer's vehicle** other than prime movers the age or **inexperienced driver excess** is \$750.

You must pay these age or **inexperienced driver excess** in addition to any other **excess** for your **customer's vehicle** that may be payable. For the purposes of the application of these age or **inexperienced driver excess**, a dolly is considered a trailer.

Tipping excess

A tipping **excess** applies if your **customer's vehicle** is a trailer or rigid body truck and it is **damaged** while the tipping hoist is partly or fully extended. The tipping **excess** is \$1,000 and you pay this in addition to any other **excess** payable for your **customer's vehicle**.

Endorsement excess

An **endorsement excess** may apply if you have **endorsements** to your **policy**. Any **endorsement excess** applicable to your **policy** will be shown in the **endorsement** wording.

You pay the **endorsement excess** shown in the **endorsement** wording in addition to any other **excess** for your **customer's vehicle** that may be payable.

Application of excess involving trailer and towing vehicle

If a trailer being towed by your **customer's vehicle** damages the property of another person and:

- ▼ only the trailer was **damaged**, the **excess** for the towing **customer's vehicle** will apply;
- ▼ there is no **damage** to either the trailer or towing **customer's vehicle**, the **excess** for the towing **customer's vehicle** will apply.

Policy Section exclusions

You are not covered under this section for an **event** occurring when your **customer's vehicle** is being driven by, or is in the charge of, someone who:

- ▼ was under the influence of, or had their judgement affected by, any alcohol or drug;
- ▼ had more than the legal limit of alcohol in their breath or blood, as shown by analysis;
- ▼ refused to take a test for alcohol or drugs; or
- ▼ was not licensed, not correctly licensed or not complying with the conditions of their licence.

We will cover you if you were not the driver or person in charge of your **customer's vehicle** at the time of the **event** and you can satisfy us that you did not know, and could not have reasonably known, of any of the above circumstances. If we pay a claim we can recover those costs from the person who was driving or in charge of your **customer's vehicle**, unless the law prohibits recovery by us.

You are not covered under this section:

- ▼ if you or an **authorised driver** does something or neglects to do something that is not in accordance with this **policy** or does not give us the information or assistance that we ask for;
- ▼ for theft of or malicious damage to your **customer's vehicle** when anyone insured under this **policy** has not taken reasonable care to prevent this **loss** or **damage**;
- ▼ for financial loss:
 - ▼ occurring because your customer cannot use their vehicle (other than under Additional Benefit 7);
 - ▼ because your **customer's vehicle** value was less after being repaired; or
 - ▼ because your **customer's vehicle** working life has been reduced;
- ▼ for **loss** of or **damage** to a drill rod or bit attached to your **customer's vehicle** while the drill rod or bit is being used

for its designed purpose. For the purposes of this exclusion, a drill rod or bit includes any part attaching to or forming part of the drill rod or bit including but not limited to pipes, guides, filters, gaskets, plugs, caps, beacon housings, tool heads, nozzles and/or any other electronic mechanism;

- ▼ for the cost to repair or replace burnt out electric motors or wiring of appliances in your caravan;
- ▼ for **damage** to your caravan, caravan annexe, trailer or **personal effects** caused by biting, chewing or scratching by an animal or bird;
- ▼ for **damage** to your caravan, caravan annexe or **personal effects** caused by any tenant;
- ▼ for **loss** or **damage** to your caravan caused by the sea or high water;
- ▼ for **loss** or **damage** or **legal liability** caused or contributed to by or arising from any biological, bacterial, viral, germ, chemical or poisonous **contaminants** or **pollutants** (except for any cover provided under Additional Benefit 1 – ‘Pollution’ on page 99) or any looting or rioting following these occurrences;
- ▼ for theft by anyone who has hired or leased your **customers vehicle** or who has taken it as security for a debt;
- ▼ for any **loss**, **damage** or **legal liability** caused by any person or organisation who lawfully destroys or takes away your control of any property or **customers’ vehicles** covered under this section;
- ▼ for any **loss**, **damage** or **legal liability** which happens before the **period of insurance** or which arises from an **event** before the **period of insurance** starts unless specifically stated otherwise;
- ▼ for an **event** that occurs outside Australia or its external territories.

We will not pay a claim for **loss**, **damage** or **legal liability** under this section:

- ▼ If another person is, or could have been, liable to compensate you for such **loss**, **damage** or **legal liability**, but you have agreed with that person either before or after the **loss**, **damage** or **legal liability** occurred that you would not seek to recover any moneys from that person;
- ▼ if the **event** that is the subject of the claim was intentionally or recklessly caused by you or the driver of the **customer’s vehicle** or someone acting with your or their express or implied consent; or
- ▼ if excluded by any **endorsement**.

You are not covered under this section if, at the time of an **event**, your **customer’s vehicle** was:

- ▼ unsafe or unroadworthy. However, this exclusion will not apply if you prove that the unroadworthy or unsafe condition of your **customer’s vehicle**:
 - ▼ did not cause or contribute to the **loss**, **damage** or **legal liability** being incurred, or
 - ▼ could not reasonably have been detected by you;
- ▼ being used in a race, contest, trial (excluding customer vehicle trials), test (excluding customer vehicle testing), hill climb or any similar activity;
- ▼ being used on a competition race track, circuit, course or arena;
- ▼ being used by you for illegal purposes;
- ▼ carrying passengers for payment or reward;
- ▼ carrying a greater number of passengers than it was designed for or is allowable according to law;
- ▼ conveying, towing, lifting or carrying a load not secured according to law;
- ▼ conveying, towing, lifting or carrying a load in excess of that which it was designed for or is allowable according to law;
- ▼ being used to move **dangerous goods** or substances that pollute or contaminate unless this was done legally;
- ▼ travelling on railway lines; or
- ▼ being operated, transported or driven in a mine or mining shaft.

Worked dollar examples

The following worked dollar examples are designed to assist in the understanding of some of the important benefits in this section and how claims are calculated. The examples do not cover all scenarios or all benefits and do not form part of your policy terms and conditions. The following should be used as a general guide only. You should consider all examples as each example covers different benefits and scenarios.

Example: Repair of customers vehicle

A customer's vehicle is insured under Customer's Vehicle cover for an insured amount of \$100,000 with a basic excess of \$1,000. Whilst being road tested by a mechanic, the vehicle is damaged in an at fault accident and we assess the cost of repair to be \$20,000. The vehicle is a 2 year old sedan in good condition. A motor vehicle guide records the value of the vehicle is \$45,000 for good condition and we assess the market value to be \$45,000 (GST inclusive).

How much we pay		Further information
Damage to customer's vehicle	\$20,000	We normally decide the vehicle is repairable if the cost of repairs is significantly less than the vehicle's value (in this example the vehicle's value is \$45,000).
Less excess	-\$1,000	Only the basic excess applies in this example.
Total claim	\$19,000	We normally pay this amount directly to the repairer or to you if you are repairing the vehicle.

Example: Theft of customer's vehicle

A customer's vehicle which is used for private purposes is left at your premises for alterations and is insured under Customer's Vehicle cover for an insured amount of \$100,000 with a basic excess of \$1,000. When the vehicle's alterations were complete the vehicle was locked and left on the forecourt for collection during business hours. The customer's vehicle, a 1 year old sedan was valued at \$40,000 is stolen.

How much we pay		Further information
Loss of vehicle	\$40,000	Where the vehicle has been stolen and not recovered we would declare the vehicle a total loss.
Less excess	-\$1,000	Only the basic excess applies in this example.
Total claim	\$39,000	We would either try and source a similar replacement vehicle or pay this amount directly to the owner of the customer's vehicle .
If personal effects to the value of \$350 are also in the stolen vehicle:		
Plus personal effects	+\$350	Personal effects cover is limited to \$1,000 per event. This extra cover's sub-limit is in addition to the repair costs.
Total claim	\$39,350	We would pay the \$350 for personal effects to the owner of the customer's vehicle .

Repair of customers vehicle and legal liability for other vehicle damages

A customer's vehicle used for private purposes is left at your premises for alterations and is insured under Customer's Vehicle cover for an insured amount of \$100,000 with a basic excess of \$1,000. Whilst being road tested by a mechanic, the vehicle is damaged in an at fault accident and we assess the cost of repair to be \$20,000 and the other driver claims that the driver of your customer's vehicle has a legal liability for the accident.

The customer's vehicle, a 1 year old sedan was valued at \$45,000.

The damage to the other vehicle is assessed at \$12,500 and we agree that the driver of the customer's vehicle was at fault. There is a basic excess of \$1,000 on your policy.

How much we pay		Further information
Damage to customer's vehicle	\$20,000	We normally decide the vehicle is repairable if the cost of repairs is significantly less than the vehicle's value (in this example the vehicle's value is \$45,000).
Damage to other vehicle	\$12,500	We normally pay the cost of repairs directly to the third-party claimant.
Less excess	-\$1,000	Only the basic excess applies in this example.
Total claim	\$31,500

Total loss

When your customer's vehicle is stolen and not recovered, or is damaged so badly it would cost more to repair than the value of your customer's vehicle.

Value of your customer's vehicle

The market value or insured amount, whichever is shown in your schedule.

Section 9B – Commercial motor

About this section

This section covers your vehicles. You can choose between three different types of cover for each vehicle you insure – Comprehensive; Legal liability, fire and theft; and Legal liability only. The cover you have selected will be displayed next to each vehicle on the schedule.

Cover options

There are three different types of cover for **vehicles**. Not all types of cover are available for all types of vehicles. The option you have chosen is shown on your **schedule** and is detailed below.

Cover option	Description of cover provided
Comprehensive	Part 1, insured events 1 to 5 (inclusive) apply Part 2 applies
Legal liability, fire and theft	Part 1, insured events 1 to 4 (inclusive) only apply Part 2 applies
Legal liability only	Part 1 does not apply Part 2 applies

You can ask us at any time to change the cover option for any **vehicle** and if we agree, there may be an additional premium or a refund of premium.

Cover for additional vehicles

We automatically provide cover for any additional vehicle you acquire, purchase or lease during the **period of insurance**. You must tell us about the additional vehicle within 30 days of getting it and pay any extra premium we ask for.

If we are unable to continue covering the additional vehicle, we will tell you and give you 5 working days from the date we tell you so you can organise to insure the vehicle elsewhere. Cover on the additional vehicle will then end at 4pm 5 days after we have told you we are unable to continue covering the additional vehicle.

If you have only one type of cover option for your **vehicles**, we will automatically provide that cover option for an additional vehicle you get during the **period of insurance** (unless you tell us you want another cover option).

If you have **vehicles** insured with us for more than one type of cover option, we will automatically provide the cover option with the better cover for an additional vehicle you get during the **period of insurance** (unless you tell us you want another cover option).

The **insured amount** of any additional vehicle will be its **market value**. However, unless a higher amount is shown on your **schedule** for additional vehicles or we have agreed to insure an additional vehicle that is similar for a higher amount, the most we will pay for an insured claim for **loss** or **damage** to an additional vehicle is:

- ▼ \$100,000 if your vehicle is a motorcycle, caravan, car, 4WD, utility or van of not more than 2 tonne carrying capacity.
- ▼ \$300,000 for any other vehicle type.

The most we will pay for an insured claim for **legal liability** arising from the use of an additional vehicle is the relevant amount stated in Part 2 of this section.

You must pay to us an **excess** of \$2,500 for any claim accepted by us under this Additional Benefit. This **excess** is additional to any **excess** payable for your **vehicle**.

If you ask us we may allow you to increase the maximum we will pay and remove the restrictions relating to the type of trailers that are in your lawful custody or control. If we agree to your request, an extra premium will be payable.

We will not backdate any request.

What we pay

If we agree to pay a claim under Part 1, we will either pay you for a **partial loss** or a **total loss**. This is determined by the extent of the **loss** or **damage**, the cost of repair or replacement and the value of your **vehicle**.

If we agree to pay a claim for **legal liability** under any Additional Benefit in this Part, the "Limits to what we pay" in Part 2 of this section will apply.

Total loss

If we accept a claim and decide your **vehicle** is a **total loss** and the conditions applying to Extra Cover 1 – 'New vehicle after total loss' are met you can choose to accept a new replacement vehicle of the same make, model and series as your **vehicle**.

If Extra Cover 1 – 'New vehicle after total loss' does not apply we will settle your claim one of the following ways:

(a) Market value or insured amount

If the **vehicle** is shown on the **schedule** as having **market value**, and the **insured amount** does not show a figure in dollars, we will pay you the **market value** of your **vehicle**.

If the **vehicle** is shown on the **schedule** as having a **market value**, and the **insured amount** does show a figure in dollars, we will pay you the lesser of the **market value** or the **insured amount**.

The **market value** or **insured amount** of your **vehicle** includes accessories defined as your **vehicle** plus any agreed accessory specified on your **schedule**.

We will deduct any **excess** that is payable from the amount we pay.

If we pay the **market value** or **insured amount** as a result of a **total loss** then your cover for that **vehicle** comes to an end. There will be no refund of the premium.

(b) Agreed value

If the **vehicle** is shown on the **schedule** as having **agreed value**, we will pay you the **insured amount** shown on the **schedule** for your **vehicle**. This **insured amount** for your **vehicle** includes accessories defined as your **vehicle** plus any agreed accessory specified on your **schedule**.

The **agreed value** shown on your **schedule** is the most we will pay for theft, **loss** or **damage** to your **vehicle**.

We will deduct any **excess** that is payable from the **agreed value**.

If we pay the **agreed value** as a result of a **total loss** then your cover for that **vehicle** comes to an end. There will be no refund of the premium.

(c) Legal liability, fire and theft

If the **vehicle** is shown on the **schedule** as having Legal Liability, Fire and Theft cover, we will pay you the **market value** or the **insured amount** for your **vehicle**, whichever is less. The **market value** of your **vehicle** includes accessories included within the definition of **vehicle** plus any agreed accessory specified on your **schedule**.

We will deduct any **excess** that is payable.

If we pay the **market value** or **insured amount** as a result of a **total loss** then your cover for that **vehicle** comes to an end. There will be no refund of the premium.

Applicable to (a), (b) and (c):

We will deduct any unpaid premium from the amount that we pay you.

Your **vehicle**, including any unexpired premium, registration and Compulsory Third Party insurance, becomes our property when we pay you for the **total loss**.

If another party (e.g. a bank) is shown as having an interest on your **schedule** and your **vehicle** is a **total loss**, we pay them (instead of you) what you owe them up to the amount you are entitled to under this **policy**. If this amount is less than the full amount payable under the **policy**, we pay you the balance.

If you make a claim and another party is entitled to the salvage of your **vehicle**, we will pay you or them the **insured amount** shown on the **schedule**, less our estimate of the salvage value, less any **excess** and unpaid premium.

For an example of how we settle a total loss claim, see page 126 and 127 of this **policy**.

Partial loss

If we agree to pay a claim and decide your **vehicle** is a **partial loss**, we can arrange the repairs with a **recommended repairer** if one is available, or alternatively you can choose your own repairer and arrange repairs with them.

Where we are able to provide you with access to one of our **recommended repairers**, we will offer you a choice if there is more than one in your area. However, we may only be able to nominate one **recommended repairer** if there are no others available.

Where we're unable to provide you with access to one of our **recommended repairers**, we will require you to choose your own repairer.

If we authorise repairs with a **recommended repairer** or your own repairer we will:

- ▼ authorise the repair of your **vehicle** to the same or reasonably similar condition and standard it was immediately before the **event**;
- ▼ authorise only the use of new parts or parts which are consistent with the age and condition of your **vehicle** (which may include using non-genuine and/or recycled parts);
- ▼ authorise only the use of manufacturer's approved parts if your **vehicle** is under warranty, but not when your **vehicle** has an extended warranty or for windscreen replacement;
- ▼ only pay the **market value** of damaged parts we consider to be obsolete;
- ▼ replace damaged windscreen or window glass with glass which may not be produced by the original manufacturer but will meet Australian Design Rules; and
- ▼ guarantee the quality of materials and workmanship in respect of the repairs for the life of the **vehicle**.

Any repairer we authorise to repair your **vehicle** may sub-contract some of the repairs to a person of their choice. This will usually occur when the repairer is unable to perform the repairs themselves.

If you choose your own repairer and we do not authorise repairs, we:

- ▼ will pay an amount equal to the **reasonable repair costs**; and
- ▼ will not provide any guarantee for the quality of materials and workmanship in respect of the repairs.

We are not responsible for any costs or losses which occur because of delays in delivery of parts. If a part is not available in Australia, we will pay the cost of surface freight from the nearest reasonable source of supply.

You are responsible for the cost of any air-conditioning refit, re-gas or modification required by law.

You may have to contribute to the cost of replacing or repairing tyres, engines, accessories, paintwork, bodywork, radiators, batteries, interior trims, or caravan annexes affected by wear and tear or rust and corrosion. How much you are required to pay will depend on how worn we consider these items were when the **damage** happened.

If you do not agree to pay these amounts we will pay you the **reasonable repair cost** less any contribution charges.

We will subtract any **excess** that may apply.

For an example of how we settle a **partial loss** claim, see page 127 of this **policy**.

Policy section Part 1 conditions

Lifetime guarantee for repairs

If we authorise repairs for your **vehicle**, we will guarantee the repairs against any defect due to workmanship or faulty material for the life of your **vehicle**.

If you choose your own repairer and we pay **reasonable repair costs** instead of authorising repairs, we will not provide a lifetime guarantee for the repairs.

Underinsurance condition

If at the time of the **event**, your **vehicle** was insured for less than 80% of its **market value** and we decide your **vehicle** is:

- ▼ a **total loss**, we will not apply this underinsurance condition.
- ▼ a **partial loss**, we will pay the same proportion of the **loss** as the **insured amount** bears to 80% of the **market value** of your **vehicle**.

In assessing the amount we pay, prime movers and attached trailers and dollies are regarded as separate and distinct insured **vehicles**.

This underinsurance condition does not apply if your **vehicle** is a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity.

How you earn a No Claim Bonus

A No Claim Bonus recognises your good driving and claims history record where you are insured for comprehensive cover.

Your **schedule** will show the type of No Claim Bonus you are entitled to (if any), and your premium will be charged accordingly.

If you are not entitled to a maximum No Claim Bonus, you will earn an entitlement to a bonus for the next **period of insurance** if there has been no claims that fall within the definition of a **penalty claim**.

The following will apply if you qualify for a No Claim Bonus:

For sedans, station wagons, 4 wheel drives or good carrying vehicles with a carrying capacity of 2 tonnes or less:

Year	Existing bonus	Renewal bonus
1st Year	0%	25%
2nd Year	25%	45%
3rd Year	45%	55%
4th Year	55%	65%

If you are entitled to a maximum No Claim Bonus of 65% for sedans, station wagons, 4 wheel drives or goods carrying vehicles with a carrying capacity of not more than 2 tonnes, we may allow you to have the option when you first take out the **policy**, or upon renewal, to protect your No Claim Bonus for that **vehicle**. An additional premium is payable to extend the **policy** to include this option.

How making a claim could affect your No Claim Bonus

If you do not lodge a penalty claim

If you did not lodge a **penalty claim** during the **period of insurance**, then your No Claim Bonus will not be detrimentally affected at renewal of your **policy**.

Windscreen claims

When you renew your **policy**, your No Claim Bonus will not be affected for any windscreen or window glass claim you make.

Other claims

When you renew your **policy**, we reduce your No Claim Bonus for each **penalty claim** you have made during the **period of insurance** unless you have selected the protected No Claim Bonus optional cover.

If you have selected the protected No Claim Bonus optional cover for your **vehicle** involved in a claim, we will not count the first **penalty claim** on that **vehicle** during the **period of insurance**.

The amount we reduce your No Claim Bonus to is set out below:

For sedans, station wagons, 4 wheel drives or good carrying vehicles with a carrying capacity of not more than 2 tonnes:

Your current No Claim Bonus	Following 1 penalty claim	Following more than one penalty claim

Part 2 – Legal liability

What your vehicle also means.

For the purposes of Part 2, your **vehicle** also means:

- ▼ a trailer;
- ▼ a caravan; or
- ▼ another vehicle which has broken down;

that is being towed by your **vehicle** or a **substitute vehicle** legally and not for reward; and

- ▼ a **substitute vehicle**.

What is legal liability?

Legal liability means that an Australian court or a court of an Australian external territory finds, or we accept, that:

- ▼ you;
- ▼ an **authorised driver**;
- ▼ a passenger in your **vehicle**; or
- ▼ your employer, principal or business partner;

are legally responsible to pay compensation for:

- ▼ **loss of or damage to property** owned or controlled by someone else; or
- ▼ **personal injury** to another person (but only where the **legal liability** is not covered or capable of being covered by any compulsory third party insurance or public liability insurance),

caused by an **event** which occurs during the **period of insurance** in Australia or its external territories.

✓ What we cover

Provided 'Commercial Motor' is shown under 'What's Covered' in the **schedule**, we will pay a claim for your **legal liability** if the **event** giving rise to that **legal liability** was not expected or intended, and the **event** was caused by:

- ▼ you or an **authorised driver** driving, using or being in charge of your **vehicle**;
- ▼ goods being carried by or falling from your **vehicle**;
- ▼ loading goods onto your vehicle from a fixed place of rest directly beside your **vehicle**;
- ▼ unloading goods off your **vehicle** to a fixed place of rest directly beside your **vehicle**; or
- ▼ a passenger in your **vehicle** with your permission while travelling or getting in or getting out of your **vehicle**.

✗ What we exclude

We will not pay for your **legal liability**:

- ▼ for anything excluded by any other 'what we exclude' section in Part 1 or Part 2 in this policy section;
- ▼ which is a direct or indirect result of discharge or escape of **contaminants or pollutants** or **dangerous goods** from your **vehicle** unless they are substances you are legally allowed to carry;
- ▼ for **loss of or damage to property** you own, control or are responsible for, or which belongs to someone who normally lives with you. However, this exclusion will not apply to your **legal liability** for **damage** to motor vehicles belonging to an **employee** or visitor which occurs within the confines of a private car park owned or operated by you;
- ▼ for **personal injury** to anyone who was your **employee** at the time of the **event**;
- ▼ for **personal injury** if you were or anyone else was required by law to have insurance for compensation, damages or similar insurance for injury (e.g. compulsory third party insurance or workers compensation required by law);
- ▼ for **personal injury** if your **vehicle** is registered in the Northern Territory of Australia;
- ▼ where you cause your own **personal injury**, or if you injure or cause the death of someone who normally lives with you;
- ▼ occurring because you, an **authorised driver** of your **vehicle**, a passenger in your **vehicle**, or your employer, principal or business partner agreed to accept liability;
- ▼ because of an agreement you or anyone insured under this **policy** has entered into, unless **legal liability** would have applied anyway;
- ▼ for **personal injury** if at the time of the **event** your **vehicle** was being used as a show, carnival or festival attraction, parade float or for any similar activity;

- ▼ if at the time of the **event** your **vehicle** was being driven or used at, in or on any **aircraft** hangar or any part of an airport or airfield used by **aircraft** for loading, unloading, taxiing, takeoffs or landings;
- ▼ resulting from the use of your **vehicle** if it was unregistered at the time of the **event**, unless your **vehicle** is an unregistered on-site caravan;
- ▼ in respect of fuel contamination caused by you delivering:
 - ▼ the incorrect type of fuel; or
 - ▼ the fuel to the incorrect place.
- ▼ for **damage to property** resulting from an **event** arising out of the use of your **vehicle** while it is digging, excavating, boring or drilling.
 However, we will pay if your **vehicle** is being used for the sole purpose of travelling to or from any work site or transporting or carting goods at the time of the **event** and is not being used at the time of the **event** for any other purpose including any specific activity for which the **vehicle** was designed.
- ▼ to pay fines or punitive, exemplary or aggravated damages;
- ▼ arising directly or indirectly from:
 - ▼ the transportation, distribution, and or storage of asbestos;
 - ▼ any material containing asbestos or any process of decontamination, treatment or control of asbestos.
 This will only apply to **personal injury** arising in consequence of inhalation of asbestos fibre, and to **loss or damage to property** due to the presence of asbestos.
- ▼ for **personal injury** or **loss** of or **damage to property** arising directly or indirectly out of the actual, alleged or threatened discharge, dispersal, release or escape of **contaminants or pollutants** into or upon any property, land, the atmosphere, water course or body of water (including ground water). However this exclusion does not apply to Additional Benefit 1 – ‘Pollution’.

- ▼ if your **vehicle** and the vehicle being towed, retrieved or carried are not being operated within the provisions of any law relating to the use of a tow truck.

Excess

An **excess** is the amount you might have to pay if you claim. **Excesses** are cumulative and apply to all claims, unless otherwise stated. If you also claim under another policy section for one **event** the excesses payable under this policy section apply in addition to all other excesses.

For each **event**, or series of **events** arising from the one originating cause you will bear the amount of the **excess** in respect of each and every insured **vehicle**, unless stated otherwise.

The basic **excess** is shown on your **schedule**. The amounts for any other **excesses** (or where the amounts can be found in this **policy**) are detailed below on pages 123 and 124. You might have to pay more than one type of **excess** when you claim. You must pay the **excesses** in full.

We will decide if you pay the **excess** to us (when we ask for it) or to the repairer when you pick up your **vehicle** after it has been repaired. We can also choose to deduct the **excess** from the amount we pay you.

You don't pay any **excess** when your **vehicle** is a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity and:

- ▼ another vehicle is involved in the **event**, and we agree the driver of your **vehicle** was not at fault, and you can identify the other vehicle and the other driver responsible (name, residential address, phone number and vehicle registration details); or
- ▼ no other vehicle is involved in the **event**, and we agree the driver of your **vehicle** was not at fault, and you can identify another person at fault (name, residential address and phone number) and prove that they were at fault.

Types of excesses

Basic excess

The basic **excess** is the amount shown on your **schedule**.

Age or inexperienced drivers excess

An age or **inexperienced driver excess** applies if a driver under 25 or an **inexperienced driver** was in charge of your **vehicle** at the time of an **event**. This **excess** will not apply to glass, damage while parked, fire, malicious damage, theft or storm claims.

If we accept a claim where the driver was less than 25 years of age or was an **inexperienced driver**, the following age or **inexperienced driver excesses** will apply to the claim when:

- ▼ the **vehicle** is a car, 4WD, utility or van of not more than 2 tonne carrying capacity:
 - ▼ for drivers under 21 years of age \$500
 - ▼ for drivers 21 year of age or older \$300
 - ▼ for **inexperienced drivers** \$250
- ▼ the **vehicle** is a prime mover and;
 - ▼ the **insured amount** for the prime mover is less than \$100,000 or it is insured for Legal Liability only – the age or **inexperienced driver excess** is \$2,500 or \$3,500 if the prime mover was towing more than one trailer at the time of the **event**.
 - ▼ the **insured amount** for the prime mover is \$100,000 or more, but not more than \$200,000 – the age or **inexperienced driver excess** is \$10,000 or \$15,000 if the prime mover was towing more than one trailer at the time of the **event**.
 - ▼ the **insured amount** for the prime mover is more than \$200,000 – the age or **inexperienced driver excess** is \$25,000 or \$37,500 if the prime mover was towing more than one trailer at the time of the **event**.
- ▼ the **vehicle** is not a car, 4WD, utility, van of not more than 2 tonne carrying capacity or prime mover the age or **inexperienced driver excess** is \$750.

You must pay these age or **inexperienced driver excess** in addition to any other **excess** for your **vehicle** that may be payable. For the purposes of the application of these age or **inexperienced driver excess**, a dolly is considered a trailer.

Tipping excess

A tipping **excess** applies if your **vehicle** is a trailer or rigid body truck and it is **damaged** while the tipping hoist is partly or fully extended. The tipping **excess** is \$1,000 and you pay this in addition to any other **excess** payable for your **vehicle**.

Theft excess

A theft **excess** of \$2,500 applies to each claim for theft or **damage** occasioned by theft of:

- ▼ your skid steer loader, excavator, loader, backhoe or bobcat, or
- ▼ any of their accessories, whether these accessories are attached to your **vehicle** at the time of the theft or **damage** or not.

You pay this in addition to any other **excess** for your **vehicle** that may be applicable.

Endorsement excess

An **endorsement excess** may apply if you have **endorsements** to your **policy**. Any **endorsement excess** applicable to your **policy** will be shown in the **endorsement** wording.

You pay the **endorsement excess** shown in the **endorsement** wording in addition to any other **excess** for your **vehicle** that may be payable.

Radius excess

A radius **excess** applies if we accept a claim for **loss** or **damage** to your **vehicle** or **legal liability** and at the time of the **event**, your **vehicle** was on a journey to or from a destination beyond the maximum radius of operation shown on your **schedule** measured from your **vehicles** garaged postcode shown on your **schedule**.

The radius **excess** is:

- ▼ \$500 if your **vehicle** is a truck or bus,
- ▼ \$2,500 if your **vehicle** is a trailer which at the time of the **event** was being towed by a prime mover or \$500 if being towed by a truck, or
- ▼ \$7,500 if your **vehicle** is a prime mover.

You pay the radius **excess** in addition to any other **excess** for your **vehicle** that may be payable.

Additional benefit excesses

Please refer to pages 112 to 114 for the amount of any **excess** you might have to pay if you make a claim under any Additional Benefit in Part 1 of this section.

Application of excess involving trailer and towing vehicle

If a trailer being towed by your **vehicle** damages the property of another person and:

- ▼ only the trailer was **damaged**, the **excess** for the towing **vehicle** will apply; or
- ▼ there is no **damage** to either the trailer or towing **vehicle**, the **excess** for the towing **vehicle** will apply.

Policy section exclusions

You are not covered under this section for an **event** occurring when your **vehicle** is being driven by, or is in the charge of, someone who:

- ▼ was under the influence of, or had their judgement affected by, any alcohol or drug;
- ▼ had more than the legal limit of alcohol in their breath or blood, as shown by analysis;
- ▼ refused to take a test for alcohol or drugs; or
- ▼ was not licensed, not correctly licensed or not complying with the conditions of their licence.

We will cover you if you were not the driver or person in charge of your **vehicle** at the time of the **event** and you can satisfy us that you did not know, and could not have reasonably known, of any of the above circumstances.

If we pay a claim we can recover those costs from the person who was driving or in charge of your **vehicle**, unless the law prohibits recovery by us.

You are not covered under this section:

- ▼ if you or an **authorised driver** does something or neglects to do something that is not in accordance with this **policy** or does not give us the information or assistance that we ask for;
- ▼ for theft of or malicious damage to your **vehicle** when anyone insured under this **policy** has not taken reasonable care to prevent this **loss** or **damage**;

- ▼ for financial loss:
 - ▼ occurring because you cannot use your **vehicle**;
 - ▼ because your **vehicle's** value was less after being repaired; or
 - ▼ because your **vehicle's** working life has been reduced;
- ▼ for **loss** of or **damage** to a drill rod or bit attached to your **vehicle** while the drill rod or bit is being used for its designed purpose. For the purposes of this exclusion, a drill rod or bit includes any part attaching to or forming part of the drill rod or bit including but not limited to pipes, guides, filters, gaskets, plugs, caps, beacon housings, tool heads, nozzles and/or any other electronic mechanism;
- ▼ for the cost to repair or replace burnt out electric motors or wiring of appliances in your caravan;
- ▼ for **damage** to your caravan, caravan annexe, trailer or **personal effects** caused by biting, chewing or scratching by an animal or bird;
- ▼ for **damage** to your caravan, caravan annexe or **personal effects** caused by any tenant;
- ▼ if your unregistered on-site caravan is unoccupied for 60 consecutive days. (If you want cover over 60 days, you need to ask us for an extension of time and we must agree in writing. We might charge an extra premium or impose special terms.);
- ▼ for **loss** or **damage** to your caravan caused by the sea or high water;
- ▼ for **loss** or **damage** or **legal liability** caused or contributed to by or arising from any biological, bacterial, viral, germ, chemical or poisonous **contaminants** or **pollutants** (except for any cover provided under Additional Benefit 1 – 'Pollution' on page 120) or any looting or rioting following these occurrences;
- ▼ for theft by anyone who has hired or leased your **vehicle** or who has taken it as security for a debt;
- ▼ for any **loss**, **damage** or **legal liability** caused by any person or organisation who lawfully destroys or takes away your ownership or control of any property or **vehicles** covered under this section,
- ▼ for any **loss**, **damage** or **legal liability** which happens before the **period of insurance** or which arises from an **event** before the **period of insurance** starts unless specifically stated otherwise,
- ▼ for an event that occurs outside Australia or its external territories.

We will not pay a claim for **loss**, **damage** or **legal liability** under this section:

- ▼ if another person is, or could have been, liable to compensate you for such **loss**, **damage** or **legal liability**, but you have agreed with that person either before or after the **loss**, **damage** or **legal liability** occurred that you would not seek to recover any moneys from that person;
- ▼ if the **event** that is the subject of the claim was intentionally or recklessly caused by you or the driver of your **vehicle** or someone acting with your or their express or implied consent; or
- ▼ if excluded by any **endorsement**.

You are not covered under this section if, at the time of an **event**, your **vehicle** was:

- ▼ damaged, unsafe or unroadworthy. However, this exclusion will not apply if you prove that the unroadworthy or unsafe condition of your **vehicle**:
 - ▼ did not cause or contribute to the **loss**, **damage** or **legal liability** being incurred, or
 - ▼ could not reasonably have been detected by you;
- ▼ being used in a race, contest, trial, test, hill climb or any similar activity;
- ▼ being used on a competition race track, circuit, course or arena;

- ▼ conveying, towing, lifting or carrying a load not secured according to law;
- ▼ conveying, towing, lifting or carrying a load in excess of that which was designed for or is allowable according to law;
- ▼ being used to move **dangerous goods** or substances that pollute or contaminate unless this was done legally;
- ▼ travelling on railway lines; or
- ▼ being operated, transported or driven in an underground mine or mining shaft (but we will cover you if your **vehicle** was being used for open cut mining).

Worked dollar examples

The following worked dollar examples are designed to assist in the understanding of some of the important benefits in this section and how claims are calculated. The examples do not cover all scenarios or all benefits and do not form part of your policy terms and conditions. The following should be used as a general guide only. You should consider all examples as each example covers different benefits and scenarios.

Example: Total loss — Market value

A car that has a carrying capacity of not more than 2 tonnes is comprehensively insured for **market value**. The basic excess is \$500. The vehicle is damaged in an accident and we assess the cost of repair to be \$20,000.

The **market value** is determined as follows:

The vehicle is an 8 year old sedan in poor condition. A motor vehicle guide records the value is \$20,000 for good condition. We assess the **market value** to be \$15,000 (GST inclusive).

The vehicle contains no modifications or accessories and we decide it is a total loss.

How much we pay		Further information
Market value	\$15,000	The vehicle is a total loss with a market value of \$15,000. We normally decide a vehicle is a total loss if the complete repair cost exceeds its market value less salvage value.
Less ITC	- \$1,364	If you are registered for GST and entitled to an Input Tax Credit (ITC) we will deduct this entitlement. In this example you are entitled to a full Input Tax Credit (100%). We will not deduct this entitlement if your vehicle is insured for Agreed Value .
Less outstanding premium	- \$300	If you paid your insurance by pay by the month instalments, we will deduct the remaining instalments for the period of insurance . In this example, there are three \$100 per month instalments remaining when total loss occurs.
Less excess	- \$500	Only the basic excess applies in this example. We deduct this from the amount we pay to you.
Total claim	\$12,836	We would normally pay this amount directly to you in a total loss situation.
Plus lease payout	\$2,200	If, instead of owning your vehicle outright, your vehicle was purchased under a finance lease and the amount owing was \$17,200 (excluding any payments in arrears and resulting interest), we will pay the difference between the amount owing under the finance arrangement and the market value (\$17,200 – \$15,000). This Extra Cover has a limit of 20% of the market value (\$3,000).
Less ITC	- \$200	In this example you are entitled to a full Input Tax Credit (100%).
Total claim	\$14,836	We would normally pay the claim directly to your financier and not to you in circumstances of a lease payout. You pay your financier any amounts left owing.

If the vehicle in the above example was less than 2 years old at the time of the event, instead of paying the claim above you can choose to accept a replacement vehicle including similar accessories and parts plus on-road costs e.g. registration, compulsory third party, pre-delivery. You must pay the **excess** to the dealership that has provided the replacement vehicle or us.

If the vehicle salvage is valued at \$1000, the salvage becomes our property and we are entitled to keep the \$1000 proceeds of its sale plus any registration and compulsory third party insurance refund. This does not affect the calculations above unless you obtain these refunds directly in which case we will deduct these costs from the total claim above.

Example: Total loss – Agreed value

A utility that has a carrying capacity of not more than 2 tonnes is comprehensively insured for an **agreed value** of \$45,000. The vehicle is damaged in an accident that we agree was not your fault and you have identified the at fault party and provided all their details that we require.

We assess the cost of repair of your vehicle to be \$40,000. We decide it is a **total loss**. The vehicle is not subject to finance. The basic **excess** is \$500.

How much we pay		Further information
Agreed value	\$45,000	The vehicle is a total loss with an agreed value of \$45,000. We normally decide a vehicle is a total loss if the complete repair cost exceeds its agreed value less salvage value.
Less ITC	\$0	We do not deduct any ITC when your vehicle is comprehensively insured for agreed value .
Less excess	\$0	No basic excess applies in this example as the accident was not your fault and you have provided all the details of the at fault party that we require.
Total claim	\$45,000	We would normally pay the Total claim amount directly to you in a total loss situation, unless your vehicle is subject to finance.

If the vehicle salvage is valued at \$10,000, the salvage becomes our property and we are entitled to keep the \$10,000 proceeds of its sale plus any registration and compulsory third party insurance refund. This does not affect the calculations above unless these refunds are paid to you directly in which case we will deduct these costs from the total claim above.

Example: Partial loss

A car that has a carrying capacity of not more than 2 tonnes is comprehensively insured for **market value**. The vehicle is stolen and subsequently recovered, damaged, 25 days later. We assess the cost of repairs to be \$5,500. The basic **excess** is \$500.

How much we pay		Further information
Damage to vehicle	\$5,500	We normally decide a vehicle is repairable if the cost of repairs is significantly less than the market value .
Less excess	- \$500	Only the basic excess applies in this example. We normally require you to pay the excess directly to the repairer.
Total claim	\$5,000	We would normally pay this amount directly to the repairer in a partial loss situation.

If **personal effects** to the value of \$350 are also stolen during the theft:

Plus personal effects	+ \$350	Personal effects cover is limited to \$1,000 per event. This extra cover's sub-limit is in addition to the market value of the vehicle.
Total claim	\$5,350	We normally pay the \$350 for personal effects to you (and the remaining \$5,000 directly to the repairer).

If a **replacement vehicle** of a similar type for a cost of \$100 per day is arranged by us:

Plus vehicle hire cost	+ \$2,500	The cost per day times the number of days from the date of theft until the date of recovery is 25 x \$100. This benefit has a limit of up to 30 days and we will not pay more than \$3,000. Note: This benefit would not apply if the vehicle was damaged in an accident instead of stolen, unless you also selected optional benefit 2 'Rental vehicle following accident'.
Total claim	\$7,850	We normally pay the \$2,500 for vehicle hire directly to the hire company (the \$350 to you and the \$5,000 to the repairer).

Example: Legal liability

A vehicle is insured for Legal Liability cover. The vehicle is involved in an accident and the other driver claims that the driver of your vehicle has a legal liability for the accident. The damage to the other vehicle would be assessed by a court at \$12,500. There is a basic **excess** of \$500 on your **policy**. The legal costs to defend your legal liability are \$3000.

How much we pay		Further information
Damage to other vehicle	\$12,500	We normally pay the cost of repairs directly to the third-party claimant.
Less excess	- \$500	Only the basic excess applies in this example. We normally require you to pay this amount to us before we act on your behalf.
Plus our legal costs	+ \$3,000	We incur and do not charge you for these costs providing you have paid your excess prior to legal costs being incurred.
Total claim	\$15,000	
<p>If the driver of your vehicle was not at fault and the driver of the other vehicle was at fault but was not insured, and you provide us with the details of the other driver. The basic excess is \$500. For the purposes of this example it is assumed that your vehicle is not comprehensively insured:</p>		
Damage by uninsured drivers Extra Cover	\$4,500	Your vehicle is not covered for own damage because Legal Liability Only cover was purchased. However, the 'damage by uninsured drivers' Extra Cover provides limited cover in these circumstances for up to \$5,000. For the purposes of this example, we assess that the damage to your vehicle will cost more than its market value of \$4,500. We decide it is not repairable.
Less ITC	- \$409.09	If you are registered for GST and entitled to an Input Tax Credit (ITC) we will deduct this entitlement. In this example you are entitled to a full Input Tax Credit (100%).
Less excess	- \$500	Only the basic excess applies in this example. We deduct this from the amount we pay you.
Less residual value of wreck	- \$500	The remaining value of your damaged vehicle. We deduct this from the amount we pay you.
Total claim	\$3,090.91	We normally pay this directly to you. You will keep the damaged vehicle.
