How to make a claim

When something happens that You believe You can claim for, please contact Us or Your intermediary.

Details about making a claim are shown in the Policy under 'Claims Procedures'.

The amount you pay for this insurance

The premium payable by You for this insurance will be shown on Your Schedule.

The key factors that influence the premium calculation are reflected in the questions asked, and information sought, at the time of Your enquiry or application for insurance. We take into consideration a number of factors in setting Our premiums.

These factors include the make, model and type of Vehicle being insured including Modifications made to the Vehicle, the age and driving experience of people who will be driving the Vehicle, where and how the Vehicle is used, the type of cover, the place where Your Vehicle is garaged, and Your previous insurance and claims history.

Your premium also includes amounts that take into account Our obligation (actual or in some cases estimated) to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty, GST and Fire Services Levy) in relation to the Policy. Where We are required to pay an estimated amount (e.g. for a Fire Services Levy) based on criteria set by the government, We allocate to the Policy Our estimate of the amount We will be required to pay. We may over or under recover in any particular year and We do not adjust Your premium because of this.

The premium charged together with the actual amount of these individual taxes and/or charges will be displayed in the Policy Schedule. You can ask Us for more detail.

If You change the Policy in any way, You may be entitled to a partial refund of premium or be required to pay an additional amount.

If We are unable to issue Your insurance when We receive Your application, We are required to hold Your premium in a trust account on Your behalf until Your insurance can be issued.

We will retain any interest payable by Our bank to meet, among other things, bank fees and other bank costs We incur in operating the account.

How to resolve a complaint or dispute

1. Talk to us first

If You have a complaint, the first thing You or Your insurance intermediary should do is speak to one of Our staff. No Claims Bonus

A 'no claims bonus' is a discount that can be earned on comprehensive policies in recognition of a claims-free record. For each year there is no at-fault claims made on the Policy, We allow a discount from the basic premium. The discount increases each claims-free year until the maximum is reached. The no claims bonus discount that applies to Your basic premium is shown in Your current Schedule.

Protecting your No Claims Bonus

This only applies to Private Vehicles listed on the Schedule. When You have one claim in any one year, We will not reduce Your no claim bonus when:

- Your insurance has been with Us for at least two consecutive years prior to the claim; and
- Your no claim bonus has been on the maximum that We allow during that two-year period; and
- Your Vehicle has been comprehensively insured during that period.

We will reduce Your no claim bonus at the next renewal of Your Policy if You have any further claims.

You will not lose any no claims bonus with Us on renewal if:

- Your claim involves a collision in which We agree the other driver was completely at fault and You give Us the correct name and address of the other driver and Vehicle registration number, or
- Your claim is only for window glass in a single accident.

- twenty one (21) years of age and over and under twenty five (25) years of age.

- Inexperienced driver Excess:

- twenty five (25) years and over with less than two (2) years licence in Australia.

This is only a summary of how Excesses will be applied. For full details, please refer to 'Excess – when and how much' in the Claims Procedures section and Your Schedule.

Losing your No Claims Bonus

In all other cases, at the next renewal You will lose part of Your no claims bonus following each at-fault claim. The discount then increases again after each claims-free year up to the maximum.

- We will pay to replace one windscreen or one window of Your Vehicle. We will only do this once during Your Period of Insurance
- repair or replacement of a windscreen or window once during the Period of Insurance will not affect Your no claim bonus and You will not have to pay an Excess if there is no other damage to Your Vehicle

- Your Schedule will show 'windscreen extension applicable' if You have selected this option.

How we pay a claim on your vehicle

If Your Vehicle is damaged, stolen or burnt We will do one of the following:

- pay You the Sum Insured shown in the Schedule or Market Value of Your Vehicle whichever is the lesser; or
- repair or replace Your Vehicle,

We will elect which one We will do.

If Your Vehicle is:

- a) less than twenty four (24) months old from the date Your Vehicle was first registered; and is less than two (2) years old, and has not travelled more than 30,000 kilometres; or
- b) more than two (2) years old but less than three (3) years old, and has not travelled more than 50,000 kilometres
- c) declared a Total Loss
- d) a Vehicle that has a maximum carrying capacity up to and including two (2) tonnes.

We will replace Your Vehicle with a new Vehicle of the same make and model and with the same Accessories, (or if unavailable, a Vehicle of similar make and model and with similar Accessories), including registration fees, compulsory third party insurance, delivery charges and stamp duty.

Upon delivery of the replacement Vehicle, You will need to pay:

- a) any Excess that applies to Your claim; and
- b) any outstanding premiums; and
- c) the unused portion of registration fees and compulsory third party insurance of the Total Loss Vehicle.

You are fully Insured again for Your Vehicle for the amount shown in Your Schedule following a claim. This does not apply when Your claim is for a Total Loss as the cover for Your Vehicle will end then.

If We elect to repair Your Vehicle:

- a) You can suggest a repairer, or We can suggest one for You. If We do not accept Your choice of repairer, You must still cooperate with Us to select another repairer that We both agree on.
- b) when Your Vehicle is repaired, the repairer may use reusable parts or parts that are not manufactured by a supplier to the Vehicle's original manufacturer which:
 - i. are consistent with the age and condition of the Vehicle
 - ii. do not affect the safety or the structural integrity of the Vehicle
 - iii. comply with the Vehicle manufacturer's specifications and applicable Australian Design Rules
 - iv. do not adversely affect the post repair appearance of the Vehicle, and
 - v. do not void or affect the warranty provided by the Vehicle manufacturer.
- c) in repairing Your Vehicle, We may arrange for a part of the repair to be carried out by a specialist service provider, for example windscreen repairs.

You may have to pay an Excess towards any claim (See Claims Procedures section).

We guarantee workmanship of repairs authorised by Us.

This guarantee is for the life of the Vehicle and is in addition to Your statutory rights against the repairer and warranties that You have from the repairer directly. Wear and tear is not covered by this guarantee. We will arrange for repairs authorised by Us to be rectified at no cost to You if We agree that the repairs are defective. Before We can arrange any defective repairs to be rectified, You must give Us the opportunity to inspect the Vehicle.

When We have settled a claim as a Total Loss:

- a) the wreckage becomes Our property
- b) any proceeds of any salvage sale becomes Ours; and
- c) the insurance on the Vehicle terminates without refund of premium.

By you

You can cancel this Policy at any time. To do this You must ask Us in writing to cancel Your Policy. The Policy will end when We receive Your request.

- fail to comply with the conditions of this Policy
- fail to pay the premium for this insurance
- are not fair and open in Your dealings with Us
- make a claim during the period of this Policy that is not true. The claim does not have to be under this Policy and can be with Us or another insurance company.

We may cancel this Policy if You fail to notify Us of a change in the circumstances of the risk during the Period of Insurance.

We may cancel this Policy if You do not do what We have told You that You are required to do.

If We cancel this Policy, We will tell You in writing.

Return of premium

If Your Policy is cancelled before the due date:

- We will return to You the premium that applies to the period from the date the Policy ended to the due date of the Policy.

Total Loss

Where a Total Loss settlement has been made and We decide to pay the Market Value or if We pay for the replacement of Your Vehicle, then cover on Your Vehicle is fully used and therefore Your Policy comes to an end without refund of premium.

However:

- if Your premium is payable by instalments, We shall deduct the instalments for the remaining period of insurance from the amount We pay You.
- if Your claim is for a collision and We decide the other driver was completely at fault, We will allow this Policy to continue for a replacement Vehicle. You only pay any extra premium We require (because of the change in risk or circumstances or type or value of Vehicle) for the time remaining on Your Policy.

You cannot give anyone else an interest in this Policy without Our written consent.

Claims procedures Applicable to all sections

Excess: When and how much

An Excess is the amount You must pay towards every claim for each Vehicle insured by Your Policy.

We will reduce the amount We pay for Your claim by the Excess.

- The Excess amount shown on Your current Schedule applies to every claim.
 - The age Excess and inexperienced driver Excess amounts, if any, as shown on Your current Schedule, apply (as below) only when Your Vehicle is actually being driven by people allowed to drive. They do not apply if Your Vehicle is not being driven, or if Your claim is for window damage only, fire, theft or storm damage.
 - Age Excess applies when the driver is under twenty five (25) years of age. The Schedule may show different amounts for certain age groups.
 - Inexperienced driver's Excess applies if the driver is twenty five (25) years of age or older and:
 - has been licensed for less than two (2) years to drive the class of Vehicle being driven, or
 - is licensed but does not hold a licence issued in Australia or New Zealand.
 - Age Excess or inexperienced driver's Excess does not apply to a driver holding a valid learners permit and driving the Vehicle in accordance with the relevant State or Territory regulations. However the age Excess or inexperienced driver's Excess will apply to the supervising driver of the Vehicle if the supervising driver, had they been the driver of the Vehicle, would have been subject to the age Excess or inexperienced driver's Excess.
 - Additional Excess
 - Other additional Excesses may be specified in the Schedule.
 - Unless stated otherwise in the Policy Schedule, an additional Excess of \$500 applies if:
 - any hydraulic lifting or tipping mechanism is operating on Your Vehicle or on an attachment to Your Vehicle
 - any tarpaulins, gates or other load-securing devices are damaged or stolen
 - Your Vehicle has a convertible roof or open top and You claim for damage to or theft of the roof material or anything inside the Vehicle. However, this does not apply in the event of a collision.
- Total Excess:

The total Excess that applies to a claim is the Excess shown in Your current Schedule, plus any additional Excesses that apply.

How the Goods and Services Tax affects your claim

Where We make a payment under this Policy for the acquisition of goods, services or other supply, We will reduce the amount of the payment by the amount of any input tax credit that You are, or will be, or would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 in relation to that acquisition, whether or not that acquisition is actually made.

Where We make a payment under this Policy as compensation instead of payment for the acquisition of goods, services or other supply, We will reduce the amount of the payment by the amount of any input tax credit that You would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 had the payment been applied to acquire such goods, services or other supply.
