Our agreement with You

This policy is a legal contract between you and us. Your Policy

Your policy consists of Prestige Motor Vehicle Insurance Policy Terms and Conditions in this document and the Certificate of Insurance we give you.

Please read this policy carefully, and satisfy yourself that it provides the cover you require.

If you need more information about any part of your policy, please ask your financial service provider or MB. The address and telephone number of MB is provided on the last page of this document, or on your Certificate of Insurance.

Preventing Our right of recovery

If you have agreed not to seek compensation from another person who is liable to compensate you for any loss, damage or liability which is covered by this policy we will not cover you under this policy for that loss, damage or liability.

1. DEFINITIONS

Agreed value means your vehicle is insured up to the fixed amount shown in the Certificate of Insurance and is the maximum amount payable by us under this policy.

Approved driver means we will only cover you under this policy while your vehicle is being driven by an approved driver. This is fully defined in section 4.1.

Certificate of Insurance is the attachment that forms part of the policy document. It shows your policy number and other important details of your cover.

Excess is the amount of money you contribute to the cost of the claim and is the amount shown in the Certificate of Insurance. You have to pay this amount if you make a claim and you cannot satisfy us that you were not at fault. This is fully explained in section 6.1 of the policy.

No claim bonus is a reward for a good insurance record. The more years you hold insurance cover without making a claim, the higher your no claim bonus discount and the less you pay for your insurance cover, until you reach the maximum discount, which is 60%.

Personal effects are all those items belonging to you or passengers or approved drivers that are in your vehicle. These include clothing, bags, sports gear, portable GPS devices and other items that are personal effects. They do not include cash, cheques, credit cards, negotiable instruments, tools of trade or items used in conducting a business.

Substitute vehicle means any vehicle being driven by an approved driver provided that the substitute vehicle is being used because your vehicle cannot be used as a consequence of an accident or theft or is being serviced.

Period of Your Insurance is the period when your vehicle is covered by this policy. That period is shown in the Certificate of Insurance. If we agree to renew this policy for a further period, it will become that period as shown in the renewal Certificate of Insurance issued by us.

2. IF YOUR VEHICLE IS DAMAGED, DESTROYED OR STOLEN

IF YOU HAVE COMPREHENSIVE COVER

If your vehicle is damaged or destroyed because of an accident, fire, flood or storm, or is stolen during the period of your insurance with us, we may choose, subject to section 2.2 below:

- ◆ to repair your vehicle

up to the agreed value.

You may choose a repairer of your choice to repair your vehicle, provided the cost of repairs do not exceed the agreed value less any salvage and the costs do not exceed the adjusted repair cost assessed by an external assessor.

We will not pay for any proportion of the cost of repair that will put your vehicle in a better condition than it was prior to the accident, fire, flood, storm or theft.

If we decide that your vehicle is a total loss then we will pay the agreed value and we will not provide any further cover under this section of the policy.

We will consider your vehicle a total loss when:

- ◆ it is stolen and not recovered; or
- ◆ it is damaged so badly that in our opinion it cannot be economically or safely repaired.

2.1 If we do pay the agreed value or replace the vehicle then:

- ◆ the policy is finished; and
- ◆ no premium is refundable; and
- ◆ we can keep whatever is left of your vehicle.

If your vehicle is 25 years old or more, you may keep whatever is left of your vehicle (unless your vehicle is stolen and we have paid the agreed value) and you will have to pay any costs incurred in the recovery, storage or transportation of your vehicle.

2.2 Four Year New Car Replacement

If your vehicle is declared a total loss then we will provide you with a new replacement vehicle of the same make and model with the same accessories and equipment (if one is available for retail sale in Australia at the time of loss) provided:

- ◆ your vehicle was purchased new or as a dealer demonstrator with less than 1,000kms on the odometer, and
- ◆ you are the original owner other than the dealer, and
- ◆ you insured your vehicle during the first 12 months following the purchase date and have insured with us continually since then, and
- ◆ your vehicle is damaged so badly that in our opinion it cannot be economically or safely repaired or is stolen and not recovered.

If your vehicle has been superseded and is no longer available at the time of loss you can choose to accept the nearest equivalent vehicle provided that the purchase price does not exceed 105% of the original agreed value as shown in your original Certificate of Insurance with us.

If your vehicle is financed, we will require written consent from your financier in order to provide a replacement vehicle.

If you choose not to accept a replacement vehicle then we will pay you the original agreed value as shown in your original Certificate of Insurance with us.

2.3 On-Road Costs

Where you elect to accept a replacement vehicle under section 2.2 then we will also pay for the on-road costs of the new vehicle. You must pay us any refund amount obtained from your registration and compulsory third party insurance when we replace your vehicle as defined in section 2.2.

On-road costs are limited to 12 months registration and compulsory third party insurance, stamp duty and reasonable dealer delivery charges.

2.4 Express Air Freight

If you make a claim which is covered by this policy we will pay up to \$5,000 towards the cost of express air freight to import the parts necessary to repair your vehicle, if the parts are not obtainable in Australia.

2.5 Finance Gap

If your vehicle has suffered a total loss or has been stolen and not recovered, and your finance provider requires more money than the agreed value, we will pay 75% of the difference between the agreed value and the amount the finance provider requires to pay out the loan or lease for your vehicle.

But we will not pay:

- ◆ loan or lease payments in arrears
- ◆ penalties as a result of loan or lease payments in arrears
- ◆ any amounts refinanced into your finance contract.

2.7 Temporary Repairs

If you need to have emergency repairs done to your vehicle after an accident or theft covered by this policy so you can get your vehicle to your destination or a garage, then we will pay up to \$500 for essential repairs.

2.8 Accommodation and Travel in an Emergency

If you are more than 100 kilometres from your current residential address and your vehicle cannot be made roadworthy after an accident or theft covered by this policy, then we will pay up to \$1,500 for the cost of getting you to your intended destination, residence or place of employment, including any temporary overnight accommodation.

2.9 Re-Keying and Re-Coding

If the keys to your vehicle are stolen we will pay for the replacement of your vehicle's keys and the necessary re-coding or replacement of your vehicle's locks.

This benefit will only apply if the theft of your keys has been reported to the police.

2.10 Personal Effects

If your personal effects are stolen from or damaged in your vehicle following an accident or theft covered by this policy, then we will pay the amount of loss or damage, or repair or replace the personal effects, up to \$500 for any one claim.
