This PDS will help you to:

- decide whether this product will meet *your* needs; and
- compare this product with other products *you* may be considering.

The information contained in this PDS is general information only. It is important *you* read *your* policy to ensure *you* have the cover you need.

We capitalise or italicise terms in this PDS, to show that words are abbreviations or have a particular defined meaning. *You* should refer to the Definitions sections of the policy wording to obtain the full meaning of such terms.

How to apply for this insurance

Throughout this document when we are referring to *your* insurance broker or adviser, we simply refer to them as *your* intermediary.

If *you* are interested in buying this product or have any inquiries about it, *you* should contact *your* intermediary who should be able to provide *you* with all the information and assistance *you* require.

If *you* are not satisfied with the information provided by *your* intermediary *you* can contact us at the address or telephone number shown on the back cover of this document. However, we are only able to provide factual information or general advice about the product. We do not give advice on whether the product is appropriate for *your* personal objectives, needs or financial situation.

Our Corporate Travel Insurance

Zurich Corporate Travel Insurance allows *you* to tailor the cover for *your* requirements. Cover can be arranged by *you* (referred to as the *insured*) to cover yourself or some other person(s) (referred to as the *insured person(s)*).

The policy operates 24 hours a day, seven days a week, anywhere in the world, while an *insured person* is on a *journey*.

For a summary of additional benefits available to *you*, see 'Benefits of cover available' on page 8.

Our contract with you

This policy is a contract of insurance between the *insured* and Zurich and contains all the details of the cover that we provide.

The policy is made up of:

- the policy wording which begins at page 12 of this document. It tells *you* what is covered, sets out the claims procedure, exclusions and other terms and conditions of cover;
- the proposal, which is the information *you* provide to us when applying for insurance cover;
- *your* most current policy *schedule* issued by us. The *schedule* is a separate document unique to *you*, which shows the insurance details relevant to *you*. It includes any changes, exclusions, terms and conditions made to suit *your* individual circumstances and may amend the policy; and
- any other written change otherwise advised by us in writing (such as an endorsement or a supplementary PDS). These written changes vary or modify the above documents.

Please note, only those Sections with a *sum insured* or Limit of Liability shown as covered in *your schedule* are insured.

This document is also the PDS for any offer of renewal we may make, unless we tell *you* otherwise. Please keep *your* policy in a safe place. We reserve the right to change the terms of this product where permitted to do so by law.

About an insured person

An *insured person* has a right to recover under this policy only through Section 48 of the Insurance Contracts Act 1984 (Cth) and is not a party to the contract of insurance. Only the *insured* is able to vary or cancel the policy.

When the insured person's cover starts and ends

An *insured person's* ability to access cover:

- starts at the time the relevant person becomes an *insured person*; and
- ends when the relevant person no longer meets the criteria specified in the *schedule* for an *insured person* or at the end of the *period of insurance* (whichever is the earliest).

Please refer to the Definitions section for the definition of *period of insurance*.

Significant issues to consider

Insurance contracts contain policy exclusions, policy terms and conditions and policy limits and sub-limits that *you* should be aware of when deciding to purchase our product. These things may affect the amount of the payment that we will make to *you* if *you* have a claim.

We may express some policy terms, policy limits or sub-limits as being either a dollar amount or a percentage of *your sum insured* shown in *your schedule* or some other amount, factor or item specified in the relevant clause of the policy. *You* should be aware of the following matters in considering whether this product is suitable for *your* needs.

Excesses can apply

An *excess* may apply to claims made under each Section of the policy. An *excess* is not an additional fee, charged by us at the time of making a claim. Rather, it is the uninsured first portion of a loss for which *you* are otherwise covered, i.e. the amount that *you* must contribute towards each claim.

We are able to provide options to quote higher or lower *excess* alternatives in certain circumstances, which will either decrease or increase *your* premium, depending upon the options requested.

Any *excess* applicable to a Section of the policy is specified in the *schedule*. There are also other *excesses* which are specified in the policy wording.

Exclusions

This policy contains a number of exclusions, some of which are common in insurance policies of this type. For example, we may not pay for death, *injury*, *sickness* or disability arising from:

- radioactivity or the use, existence or the escape of nuclear fuel, material or waste; or
- any deliberate, illegal or criminal acts inflicted by or on behalf of an *insured person*, or any other person acting with their consent or at their direction.

Some of the exclusions may be less common, and as such may be unexpected. For example, this policy excludes cover for death, *injury* or *sickness* arising from training for or participation in any *professional sport*. Please refer to page 13 for the details of this exclusion.

Before making a decision about whether to purchase this policy, you should read the full details of all relevant exclusions, which are contained in the policy wording.

Some may not be relevant to *you* however *you* should make yourself aware of all the exclusions that apply to all Sections. Please refer to General Exclusions Applicable to All Sections on page 14 and any additional exclusions specific to each Section.

Terms and Conditions

General Terms and Conditions Applicable to All Sections set out *your* general obligations with which *you* need to comply. Please refer to page 15. Other terms and conditions relevant to each Section also apply and are explained in each Section. *You* should read the policy wording and make yourself aware of all the terms and conditions that apply. If *you* do not meet them, we may be able to decline or reduce the claim payment or cancel *your* policy.

Age Limits

There is no maximum age limit for *insured persons* under this policy, however the following conditions apply.

Under Sections 1 and 2:

- benefits payable in respect of an *insured person* aged 90 years or more are limited to a maximum of \$100,000 for each of Sections 1 and 2; and
- an excess of \$5,000 applies to each and every claim in respect of an *insured person* aged 90 years or more.

Under Section 3:

- no benefits will be payable in respect of *permanent total disablement*, *temporary total disablement* or *temporary partial disablement* of an *insured person* over the age of 80 years;
- for Injury Type 1 (Accidental Death) in the Table of Benefits, the maximum benefit payable in respect of an *insured person* aged 90 years or more will be \$25,000, unless otherwise agreed in writing by us; and
- no benefits will be payable in respect of an *insured person* aged 90 years or more for Injury Types 3-19 in the Table of Benefits.

Make sure you have the cover you need

You should discuss with *your* intermediary the appropriate amounts and risks for which *you* need to be insured. If *you* do not adequately insure for the relevant risks *you* may have to bear any uninsured losses yourself.

You should also advise *your* intermediary to notify us as soon as possible, when *your* circumstances change which are relevant to *your* policy.

Duty of Disclosure

For *insureds* who are not a natural person, before *you* enter into an insurance contract, *you* have a duty to tell us anything that *you* know, or could reasonably be expected to know, may affect our decision to insure *you* and on what terms.

You have this duty until we agree to insure *you*.

You have the same duty before *you* renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure *you* for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive *your* duty to tell us about.

Individuals

If *you* are the *insured* and *you* are a natural person, a different duty of disclosure to the one set out above applies to *you*. Contact *your* intermediary or us to ensure *you* are notified of *your* duty.

If you do not tell us something

If *you* do not tell us anything *you* are required to, we may cancel *your* contract or reduce the amount we will pay *you* if *you* make a claim, or both.

If *your* failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Cooling-off period

After *you* apply for a Zurich product and *you* have received the policy document, *you* have 21 days to check that the policy meets *your* needs. Within this time *you* may cancel the policy and receive a full refund of any premium paid, unless *you* have:

- made a claim or become entitled to make a claim under *your* policy; or
- exercised any right or power *you* have in respect of *your* policy or the policy has ended.

Your request will need to be in writing and forwarded to us via *your* intermediary or to the address shown on the back cover of this document.

You can cancel *your* policy at any time after the cooling-off period. Please refer to 'Cancellation' under General Terms and Conditions Applicable to All Sections on page 16.

How we calculate your premium

The premium amount that *you* must pay for *your* insurance cover is set out in *your* policy *schedule*. The amount of *your* premium is determined by taking a number of different matters into account. *You* can seek a quote at any time.

It is important for *you* to know in particular that the premium varies depending on the information we receive from *you* about the risk to be covered by us. The higher the risk is, the higher the premium will be. Based on our experience and expertise as an insurer, we decide what factors increase our risk and how they should impact on the premium. Each insurer can do this differently.

In this product the factors that are taken into consideration include the following:

- the business of the *insured*;
- the estimated number of *journeys* (both international and domestic) per year;
- the average duration of *journeys*;
- benefit limits chosen; and
- the *excess* amount *you* elect. This means that when *you* purchase a policy *you* may elect to take a larger *excess* amount in the event of a claim, which will reduce the cost of *your* premium. If *you* are interested in this, *you* should ask *your* intermediary to supply *you* with quotes based on differing *excess* amounts.

Your intermediary can arrange for *you* to be provided with a quote for a premium. *You* will need to give *your* relevant personal details to *your* intermediary at this time to enable us to calculate the premium.

Another important thing to know is that *your* premium also includes amounts that take into account our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty and GST) in relation to *your* policy. These amounts will be set out separately in *your schedule* as part of the total premium payable.

How and when you pay your premium and what happens if you don't pay?

Your premiums are charged and are payable on a yearly basis. *Your* intermediary can also tell *you* what other methods are available to make *your* premium payments.

Your intermediary should send *you* an offer of renewal of *your* insurance once a year, before *your* current *period of insurance* expires. If *you* do not pay *your* premium when due, *your* policy may lapse after 30 days and *you* will not be covered. *You* may be able to reinstate *your* policy after it lapses, but *you* must submit an application to us, which is subject to our reassessment of *your* personal circumstances and the circumstances of all persons to be insured at the time of application.

Taxation

The following taxation information is a guide only and is based on the current law and its interpretation. *Your* individual circumstances will be important to and may affect the tax treatment of any premiums *you* pay or benefits *you* receive. *You* should consult *your* tax adviser regarding *your* individual circumstances.

Income Tax

Generally, if *you* are entitled to receive weekly benefits, the premium *you* pay may be tax deductible. Premiums may also be tax deductible if *you* have taken out *your* policy for a revenue purpose.

Generally, if *you* receive weekly benefits, these benefits may be assessable to *you* and subject to tax at *your* marginal income tax rate. However, lump sum amounts, such as accidental death are generally capital in nature therefore the benefits that *you* receive are generally not taxable and any referable component of premium will not generally be deductible to an individual.

This information is a guide only, and is based on current taxation laws, their continuation and their interpretation. For information about your individual circumstances, contact your tax adviser.

Goods and Services Tax

Generally, *you* will not be required to pay Goods and Services Tax (GST) on any benefits *you* receive under *your* policy. However, *you* must advise us if *you* are entitled to claim an input tax credit in relation to any GST payable on *your* premium and the extent of that entitlement. If *you* do not provide this information to us, *you* may be liable to pay an amount of GST on benefits *you* receive.

If *you* are registered for GST, any payment we make for funeral expenses, overseas medical expenses, modification expenses or accommodation expenses will be reduced by the amount of any input tax credit *you* or another person are entitled to for those expenses.

How to make a claim

If *you* need to make a claim against this policy, please refer to Claims Procedures on page 14.
