DUTY OF DISCLOSURE

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

Subject to the Cancellation General Provision, if you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

CLAIMS MADE AND NOTIFIED

Section 1 C (Third Party Liability) of this policy and some **Additional Coverage Sections** contain *claims-made and notified* Insuring Clauses. This means that those Insuring Clauses will only cover **Claims** first made against you during the **Policy Period** and notified to the **Insurer** as soon as practicable in the **Policy Period** or any applicable extended reporting period. Section 40(3) of the *Insurance Contracts Act 1984* provides that where you gave notice in writing to an insurer of facts that might give rise to a claim against you as soon as was reasonably practicable after you became aware of those facts but before insurance cover provided by an insurance contract expires, the insurer is not relieved of liability under the contract in respect of the claim, when made, by reason only that it was made after the expiration of the period of insurance cover provided by the contract.

This Policy excludes prior **Insured Events, Claims** and circumstances as outlined in the Exclusion 3.9 (Prior Claims and circumstances).

The cover provided under this **Policy** is granted solely with respect to **Claims** first made against an **Insured**, and **Insured Events** first discovered, during the **Policy Period**.

For the purpose of Section 4 (Conditions / Claims), an **Insured Event** is first discovered when the **Insured** first learns of the **Insured Event** or learns of information from which it would have discovered the **Insured Event** following reasonable investigations.

The **Insured** shall, as a condition precedent to the obligations of the **Insurer** under this **Policy** (a) provide notice to the **Insurer** of any **Claim** made against the **Insured** as soon as practicable after the **Company's**

Responsible Officer first becomes aware of such **Claim**; or (b) provide notice to the **Insurer** of any other **Insured Event** as soon as practicable after the **Insured Event** first arises. In all events, notice must be given no later than ninety (90) days after the end of the **Policy Period**.

The extended reporting period referred to immediately above may be further extended from the end of the **Policy Period** provided that the **Policyholder** requests the extension in writing and pays the applicable additional premium listed under item 10 in the schedule, and the **Insurer** agrees to the request, within 30 days prior to the expiry of this policy.

The **Company's Responsible Officer** may, during the **Policy Period**, notify the **Insurer** of any circumstance reasonably expected to give rise to a **Claim** or an **Insured Event**. The notice must include the reasons for anticipating such a **Claim** or such an **Insured Event**, and full relevant particulars with respect to dates, the alleged, suspected, potential or supposed breach, the potential **Insured** and claimant(s) concerned, an estimate of possible loss and the potential media or regulatory consequences.

All notifications relating to **Claims, Insured Events** or circumstances must be sent in writing by email to the address specified at Item 13 of the Schedule.

4.2 Related Claims and Insured Events

If notice of a **Claim** or an **Insured Event** is given as required by this **Policy** then any subsequent **Claim** or **Insured Event** that, together with the first **Claim** or **Insured Event**, would constitute a **Single Claim**, shall be considered to have been made or discovered and reported to the **Insurer** at the time the required notices with respect to the first **Claim** or **Insured Event** were first given.

4.3 Fraudulent Claims

If any **Insured** shall give any notice or claim cover for any **Loss** under this **Policy** knowing such notice or claim to be false or fraudulent as regards amounts or otherwise, such **Loss** shall be excluded from cover under the **Policy**, and the **Insurer** shall have the right, in its sole and absolute discretion, to avoid its obligations under or void this **Policy** in its entirety, and in such case, all cover for **Loss** under the **Policy** shall be forfeited and all premium deemed fully earned and non-refundable.

5 DEFENCE AND SETTLEMENT

5.1 Defence

The **Insured** must render all reasonable assistance to and cooperate with the **Insurer** in the investigation, defence, settlement or appeal of a **Claim**, an **Insured Event** or circumstance, and provide the **Insurer** with all relevant information pertaining to any **Claim, Insured Event** or circumstance, as the **Insurer** may reasonably require. In the event of a **Claim, Insured Event** or circumstance each **Insured** shall take reasonable steps to reduce or diminish any **Loss**.

The **Insurer** does not assume any duty to defend and the **Insured** shall have the obligation to defend and contest any **Claim** or **Insured Event** made against them. The **Insurer** shall be entitled to participate fully in the defence and in the negotiation of any settlement that involves or appears reasonably likely to involve the **Insurer** making payment under the **Policy**.

5.2 Insurer's Consent

As a condition precedent to cover under this **Policy**, the **Insured** shall not admit or assume any liability, enter into any settlement agreement, or consent to any judgment or incur any **Defence Costs** or incur any amounts covered under any Insurance Cover or incur any amounts where consent is required under any **Additional Coverage Section** without the **Insurer's** prior written consent (which shall not be unreasonably delayed or withheld). Only liabilities, settlements and judgments resulting from **Claims** defended in accordance with this **Policy** or other **Insured Events** handled in accordance with this **Policy** shall be recoverable as a **Loss** under this **Policy**.

Compliance with a legal obligation to give notice in respect of an actual or potential breach of **Data Protection Legislation** will not be considered as an admission of liability for the purposes of this Section 5.2 (Insurer's Consent).

5.3 Insured's Consent

The **Insurer** may make any settlement of any **Claim** or **Insured Event** it deems expedient with respect to any **Insured**, subject to such **Insured's** written consent (which shall not be unreasonably withheld or denied). If any **Insured** withholds consent to such settlement, the **Insurer's** liability for all **Loss** on account of such **Claim** or **Insured Event** shall not exceed the amount for which the **Insurer** could have settled such **Claim** or **Insured Event**, plus **Defence Costs** incurred as of the date such settlement was proposed in writing by the **Insurer**, less coinsurance (if any) and the applicable **Retention**.

5.4 Subrogation and Recovery

If any payment is to be made under this policy in respect of a **Claim** or **Insured Event**, the **Insurer** shall be subrogated to all rights of recovery of the **Insured** whether or not payment has in fact been made and whether or not the **Insured** has been fully compensated for its actual loss. The **Insurer** shall be entitled to pursue and enforce such rights in the name of the **Insured**, who shall provide the **Insurer** with all reasonable assistance and co-operation in doing so, including the execution of any necessary instruments and papers. The **Insured** shall do nothing to prejudice these rights. Any amount recovered in excess of the **Insurer's** total payment shall be restored to the **Insured** less the cost to the **Insurer** of such recovery. The **Insurer** agrees not to exercise any such rights of recovery against any employee unless the **Claim** or **Insured Event** is brought about or contributed to by serious or wilful misconduct of the employee in the course of or arising out of the employment. In its sole discretion, the **Insurer** may, in writing, waive any of its rights set forth in this "Subrogation Clause".

5.5 Allocation

Where any loss or liability is incurred in respect of any **Claim** or **Insured Event** which arises from both covered matters and matters not covered by this policy, the **Insurer's** liability under this policy is limited to the proportion of the such loss or liability which represents a fair and equitable allocation between each **Insured** and the **Insurer**, taking into account the relative legal and financial exposures attributable to covered matters and matters not covered under this policy.

Where the **Insurer's** liability under this policy is limited under this clause, the **Insured** and **Insurer** must use their best endeavours to agree upon the allocation to be adopted by them as the fair and equitable allocation.

5.6 Allocation Disputes

If the parties are unable to agree, then the fair and equitable allocation is to be determined by a senior lawyer (to be mutually agreed upon by the **Policyholder** and the **Insurer**, or in the absence of agreement, to be appointed by the President of the Law Society, or equivalent organisation, in the jurisdiction in which the loss or liability was incurred).

The senior lawyer is to determine the fair and equitable allocation as an expert, not as an arbitrator. The **Policyholder** (or its designee) and the **Insurer** may make submissions to the senior lawyer. The senior lawyer is to take account of the parties' submissions, but the senior lawyer is not to be fettered by such submissions and is to determine the fair and equitable allocation in accordance with his or her own judgment and opinion, the senior lawyer's determination shall be final and binding. The costs of the senior lawyer's determination are to be borne by the **Insurer**.

For so long as the proportion of **Defence Costs** or other fees, costs or expenses to be paid under the policy remain unagreed and undetermined, the **Insurer** shall pay the proportion of the **Defence Costs** and other fees, costs or expenses which it considers represents a fair and equitable allocation. The fair and equitable allocation finally agreed or determined shall be applied retrospectively to any **Defence Costs** incurred prior to agreement or determination.

6 LIMIT OF LIABILITY AND RETENTION

6.1 Limit of Liability

The total amount payable by the **Insurer** under this **Policy** and any **Additional Coverage Section** (as applicable) shall not exceed the **Limit of Liability**.

Each Sublimit and any **Additional Coverage Sections** are part of the **Limit of Liability**. The **Insurer** shall have no liability in excess of all such limits, irrespective of the number of **Claims, Insured Events, Insured's** or amount of any **Loss**, including with respect to all **Claims** and **Insured Events** that constitute a **Single Claim** whenever first made or arising.

In the event that another insurance is provided by the **Insurer** or any member company or affiliate of the **Insurer**, then the maximum amount payable by the **Insurer** under all such policies shall not exceed the **Limit of Liability** of that policy referred to above which has the highest applicable **Limit of Liability**. Nothing contained herein shall be construed to increase the **Limit of Liability** of this **Policy**. To the extent that another insurance policy imposes upon the **Insurer** a duty to defend a claim, defence costs arising out of such a claim shall not be covered under this **Policy**.

6.2 Retention

The **Insurer** will only pay for any amount of **Loss** which is in excess of the **Retention**. The **Retention** amount is to be borne by the **Company** and shall remain uninsured.

No **Retention** is applicable to Insurance Covers Section 1 A.1 (Legal Services) for **Legal Services** performed during the first 72 hours from when the **Responsible Officer** of the **Policyholder** first notifies the **Response Advisor** of the **Breach of Personal Information, Breach of Corporate Information** or **Security Failure**. Any payment by the **Insurer** for **Legal Services** incurred during that first 72 hours will not be deemed to constitute an acceptance by the **Insurer** that coverage is necessarily available under this **Policy** for the **Insured Event**.

No additional **Retention** is applicable to **Additional Coverage Sections** that are subject to a Waiting Hours Period stated under item 7 in the schedule.

A single **Retention** shall apply to **Loss** arising from all **Claims** and **Insured Events** that constitute a **Single Claim**.

In the event that a **Single Claim** triggers more than one **Retention**, then, as to such **Single Claim** the highest of such **Retentions** shall be deemed the **Retention** applicable to **Loss**.

7 GENERAL PROVISIONS

7.1 Sanctions

If, by virtue of any law or regulation which is applicable to the **Insurer**, its parent company or its ultimate controlling entity, at the inception of this **Policy** or at any time thereafter, providing coverage to the **Insured** is or would be unlawful because it breaches an applicable embargo or sanction, that **Insurer** shall provide no coverage and have no liability whatsoever nor provide any defense to the **Insured** or make any payment of defense or other costs, or provide any form of security on behalf of the **Insured**, to the extent that it would be in breach of such embargo or sanction.

7.2 Policy Purchase

In granting cover to the **Insured**, the **Insurer** has relied upon the material statements and particulars in the proposal together with its attachments and other information supplied.

7.3 Changes in Risk

The **Policyholder** shall notify the **Insurer** of any data which is materially different in quality, sensitivity or value from that which is disclosed in any proposal form, information or representation (a "**Data Change**"), provided to the **Insurer** prior to the inception date of the **Policy**. In the event of a **Data Change** cover may be extended under this **Policy** provided that the **Policyholder** gives the **Insurer** sufficient details to enable the **Insurer** to assess and evaluate the exposure with respect to such **Data Change** and the **Policyholder** accepts any consequential amendments to the **Policy** terms and conditions, including payment of additional premium required by the **Insurer**.

7.4 Assignment

This **Policy** and any rights under or in respect of it cannot be assigned without the prior written consent of the **Insurer**.

7.5 Cancellation

This policy may be cancelled by the **Policyholder** at any time only by written prior notice of at least 14 days to the **Insurer**. In such case, if no **Claim** has been made or other covered event has arisen and no circumstance has been notified prior to such cancellation, the **Insurer** shall retain an amount of the premium calculated in accordance with its short rate proportion rates. Otherwise, premium shall not be returnable and shall be deemed fully earned at cancellation.

This policy may be cancelled by the **Insurer** only as prescribed by the *Insurance Contracts Act 1984* (Cth). In such case, the **Insurer** shall be entitled to a pro-rata proportion of the **Premium**. Payment or tender of any unearned **Premium** by the **Insurer** shall not be a condition precedent to the effectiveness of cancellation, but such payments shall be made as soon as practicable.

7.6 Governing Law

Any interpretation of this **Policy** relating to its construction, validity or operation shall be made exclusively in accordance with the laws of Australia without regard to its laws related to conflicts of law.

7.7 Maintenance of Technology

The **Insured** will take all commercially reasonable steps to maintain data and information security procedures to no lesser standard than disclosed in the proposal form. The **Insured** will take all commercially reasonable steps to maintain software and hardware to current recommended industry standards.

The **Insured** will ensure that back-up systems and processes are maintained to no lesser standard than disclosed in the proposal form and that the ability to restore such data is regularly tested (at least every six (6) months).

7.8 Plurals, Headings and Titles

The descriptions in the headings and titles of this policy are solely for reference and convenience and do not lend any meaning to this contract. Words and expressions in the singular shall include the plural and vice versa. In this policy, words in **bold** typeface have special meaning and are defined or specifically mentioned in the Schedule. Words that are not specifically defined in this policy have the meaning normally attributed to them.
