Our Agreement

Your policy is a contract of insurance between you and us, and consists of the policy wording together with the schedule, and any endorsement(s) stated in your schedule.

How this Policy Works

Your policy is made up of several sections.

It is important to understand the type of cover you have purchased and how the limits apply. Not every financial loss caused by a cyber event is covered under the policy. The type of losses covered are set out in Sections A, B and C. Section D sets out our Optional Covers that we may

Section A – Losses To Your Business Section B - Loss To Others Section C - Cyber Event Response Costs

Section D - Optional Covers

Optional Covers may be available. There is an additional premium payable by you to us for each Optional Cover. Your schedule will list the Optional Covers chosen by you that we have agreed to provide. The limit, or sublimit, and excess for each Optional Cover will be stated in your schedule.

Section E - What Certain Words Mean

Explains the meaning of defined words used in the policy. These words may be used in one or more sections of the policy. The meaning of the words "cyber event" is also explained.

How to Notify Us if a Cyber Event Happens or a Claim is Made against You:

- 1. You must immediately ring the Emergence reporting line on 1300 799 562.
- 2. After contacting 1300 799 562 you must also notify Emergence in writing at emergenceclaims@ au.sedqwick.com of the cyber event and any claim received by you for loss arising out of the cyber event or multimedia injury.
- 3. You must report cyber theft, socially engineered theft, identity-based theft, telephone phreaking or **cryptojacking** to, respectively, the police, **your** financial institution and your telephone service provider, within 24 hours of it first being discovered by you.
- 4. We will assess whether cover applies under your policy.
- 5. You must do everything reasonably possible to preserve evidence to enable **us** to properly assess and investigate the claim.
- 6. If the claim is not covered under your policy, we will advise you to engage your own service resources.

This is a quick reference provided for your convenience. Please refer to Section G of the policy for a full listing of Claims Conditions.

Section F - Exclusions

Sets out what the policy does not cover. These are the policy's exclusions.

Note: This policy does not cover equipment breakdown, property damage or the cost of replacement of tangible property or equipment. Claims arising from the rendering or failure to render professional services, or from acting in the capacity as a director or officer, are not covered. This policy is not a substitute for fidelity or comprehensive crime insurance. You should speak to your insurance broker about what this **policy** covers and what other insurance covers you need.

Section G - Claims Conditions

Explains what you must do if there is a cyber event.

Section H - General Conditions

Which you have to comply with under the policy.

Claims Made Notice

Section B - Loss To Others of this policy is issued on a 'claims made and notified' basis. This means that Section B - Loss To Others responds to:

a. claims first made against you during the policy period and notified to us during the policy period, provided you were not aware at any time prior to the commencement of the policy of circumstances which would have put a reasonable person in your position on notice that a claim may be made against you; and

b. written notification of facts pursuant to Section 40(3) of the Insurance Contracts Act 1984 (Cth). Effectively, the facts that you may decide to notify are those which might give rise to a claim against you even if a claim has not yet been made against you. Such notification must be given as soon as reasonably practicable after you become aware of the facts and prior to the expiry of the policy period. If you give written notification of facts, the policy will respond even though a claim arising from those facts is not made against you until after the policy has expired. When the policy period expires, no new notification of facts can be made to us on the expired policy for a cyber event or multimedia injury first discovered or identified by you during the policy period.

Your Duty of Disclosure

Before you enter into an insurance contract, you have a duty to tell **us** anything that **you** know, or could reasonably be expected to know, that may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, replace, extend, vary, continue under a similar insurance or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If **you** do not tell **us** anything **you** are required to, **we** may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Your 'Cooling Off' Rights

You can return your policy to us within 14 days of its commencement, which is stated on your schedule. If we receive your written request to cancel this policy within the 14 day period, **we** will cancel the **policy** effective from the policy period commencement date and give you a full refund. You cannot use this right where, before the 14 day period ends, you have exercised any of your rights or powers under the **policy** (e.g. **you** have made a claim).

After the cooling off period ends **you** still have cancellation rights under the **policy** (see **our** General Conditions).
