We also provide cover under specific conditions for a range of incidents and additional benefits and covers, including **your** legal liability. **You** can also add 'optional covers' to **your** policy to either ensure valuable items are fully covered ('Specified valuable items') or to include the 'Home business extension'.

For a summary of benefits available to **you** under this policy, please see the 'Benefits summary' section beginning on page 20.

To find out what this policy covers please read this PDS to ensure **you** have the cover **you** need.

How to apply for this policy

Throughout this document when **we** are referring to **your** insurance broker or adviser, **we** simply refer to them as **your** intermediary.

If **you** are interested in buying this product or have any inquiries about it, **you** should contact **your** intermediary who should be able to provide **you** with all the information and assistance **you** require.

If **you** are not satisfied with the information provided by **your** intermediary, **you** can contact **us** at the address or telephone number shown on the back cover of this document. However, **we** are only able to provide factual information or general advice about the product. **We** do not give advice on whether the product is appropriate for **your** personal objectives, needs or financial situation. Therefore, **you** should carefully read this document before deciding whether to purchase this product or not.

Our contract with you

Your policy is a contract of insurance between **you** and the **insurer**.

Your policy is made up of:

- This PDS which incorporates the policy wording beginning with the 'Who we cover' section on page 22. This is common to all customers who buy **our** Blue Zebra Insurance Accidental Damage Home Buildings & Contents product. It tells **you** what is covered, sets out the claims procedures, exclusions and other terms and conditions of cover;
- **Your policy schedule** issued by **us** for the relevant **period of insurance**. The **policy schedule** is a separate document unique to **you**, which shows the insurance details relevant to **you**. It includes any changes, exclusions, terms and conditions made to suit **your** individual circumstances and may amend the policy; and
- Any other written change otherwise advised by **us** in writing (such as an endorsement or a supplementary PDS). These written changes vary or modify the above documents.

This document is also the PDS for any offer of renewal **we** may make, unless **we** tell **you** otherwise. Please keep **your** policy documents in a safe place.

We reserve the right to change the terms of this product where permitted to do so by law.

If there is more than one insured on the policy, then anything which any of the insureds says, does or omits to advise to **us**, applies to and affects the rights of all of the insureds.

Significant issues to consider

Insurance contracts contain policy exclusions, policy terms and conditions and policy limits and sub-limits that **you** should be aware of when deciding to purchase **our** product. These things may affect the amount of the payment that **we** will make to **you** if **you** have a claim.

We may express some policy terms, policy limits or sub-limits as being either a dollar amount or a percentage of **your** sum insured shown in **your policy schedule** or some other amount, factor or item specified in the relevant clause or this document.

You should be aware of the following matters in considering whether this product is suitable for **your** needs.

Exclusion for new business policies

We do not insure **you** for bushfire, grassfire, **storm, flood** or tsunami in the first 72 hours of **your** policy. Very limited exceptions apply. For full details see the 'General exclusions' section beginning on page 60.

Excesses can apply

For each of the available covers, an **excess** may apply. Please refer to the 'Excesses' section on page 11 for more details.

Exclusions

In some circumstances, this policy contains a number of exclusions, some of which are common in insurance policies. Before making a decision about whether to purchase this policy, **you** should read the full details of all relevant exclusions, which are contained in this PDS. Some may not be relevant to **you**, however **you** should make yourself aware of all the exclusions that apply in all sections of this PDS.

Please refer to the 'General exclusions' section beginning on page 60 for the specific details.

General terms and conditions

General terms and conditions applicable to all cover provided under this policy set out **your** obligations with which **you** need to comply. Please refer to the 'General terms and conditions' section beginning on page 58.

In addition, **you** should make yourself aware of all the terms and conditions that apply to the various covers detailed within this policy. If **you** do not meet them, **we** may be able to decline or reduce the claim payment or cancel **your** policy.

Make sure you have the cover you need

You should discuss with **your** intermediary the appropriate amounts and risks for which **you** need to be insured. If **you** do not adequately insure for the relevant risks **you** may have to bear any uninsured losses yourself.

You should also advise **your** intermediary to notify **us** as soon as possible when **your** circumstances change which are relevant to **your** policy. For instance, **you** may need to consider increasing **your** sum insured if **you** purchase expensive items of **contents** like jewellery or make renovations or alterations to **your buildings**. If **you** do not tell **your** intermediary of these changes, in the event of **you** suffering a loss or damage, **your** sum insured may not be adequate to cover **your** loss, or **you** may not even have any cover under **your** policy.

Your duty of disclosure

Before **you** enter into this contract of insurance, **you** have a duty of disclosure under the *Insurance Contracts Act 1984* (Cth).

If **we** ask **you** questions that are relevant to **our** decision to insure **you** and on what terms, **you** must tell **us** anything that **you** know and that a reasonable person in the circumstances would include in answering the questions.

You have this duty until **we** agree to insure **you**.

If you do not tell us something

If **you** do not tell **us** anything **you** are required to tell **us**, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to tell **us** is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

Renewal, extension, reinstatement or variation

A different duty of disclosure may apply in these circumstances. **We** will inform **you** of the duty of disclosure which applies when **you** renew, extend, reinstate or vary **your** policy.

Renewal

At least 14 days before the policy expires **we** will send **you** a renewal notice, outlining **our** renewal terms, if any. **You** are not obliged to renew the policy with **us**. **We** recommend that **you** check the new amounts to make sure they continue to cover **your** needs.

If **you** pay **your premium** by direct debit, **we** will automatically renew the policy and continue to debit **your** nominated bank account or credit card unless **you** tell **us** to stop. If **you** pay **your premium** annually, **you** must pay the full amount by the due date shown on **your** renewal invitation in order for cover to continue.

This PDS (together with any amendments, updates or endorsements that **we** give **you** in writing) also applies for any offer of renewal **we** make, unless **we** tell **you** otherwise or issue **you** with a new updated PDS.

Your cooling-off period continues to apply on each renewal.

Each renewal is a separate contract and not an extension of the prior contract.

How we determine your premium

The amount of **your premium** is determined by taking a number of different matters into account.

It is important for **you** to know in particular that the **premium** varies depending on the information **we** received from **you** about the risk to be covered by **us**. The higher the risk is, the higher the **premium** will be. Based on **our** experience and expertise **we** decide what factors increase **our** risk and how they should impact on the **premium**. Each insurer can do this differently.

In this product the following are some of the factors that are taken into consideration when determining the appropriate **premium**:

- **your** nominated sum insured;
- where **you** live (i.e. the location of the **insured address**);
- the materials used in the construction of **your buildings**;
- what **your buildings** are used for (e.g. private residence, holiday home, rental property);
- security measures used for **your buildings** and/or **contents**;
- whether **you** have chosen any optional covers or not;
- the **excess you** have chosen for **your buildings** and/or **contents**. If **you** elect to take a higher **excess** in the event of a claim, this will reduce the cost of **your premium**. **Your** intermediary can supply **you** with quotes based on differing amounts of **excesses**.

Your intermediary can arrange for **you** to be provided with a quote for a **premium**. **You** will need to give all **your** relevant personal details to **your** intermediary at this time to enable **us** to calculate **your premium**.

Another important thing to know is that **your premium** also includes amounts that take into account **our** obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty, GST and Fire Services Levy) in relation to **your** policy. These amounts will be set out separately on **your policy schedule** as part of the total **premium** payable.

Also, minimum **premiums** may apply. Any discounts or entitlements may be subject to rounding and only apply to the extent any minimum **premium** is not reached.

BZI may also add an agency fee to the **premium** that is charged, and this will be shown on **your policy schedule**. The agency fee will only be refunded when the policy is cancelled within the cooling-off period (see page 18) or where the cancellation is effective from the start of the **period of insurance**.

How to pay your premium

There are three ways that **you** can pay **your premium**:

- an annual payment to **your** intermediary;
- if provided, an annual payment directly to **BZI** from **your** credit card or from **your** bank account which can be arranged by **you** or **your** intermediary; or
- if provided, in monthly instalments by automatic deduction from **your** credit card or from **your** bank account which can be arranged by **you** or **your** intermediary.

You must pay **your premium** in the manner set out on **your policy schedule**.

How to pay your premium via your intermediary

If **you** are paying **your** annual **premium** via **your** intermediary, **you** must pay them by the due date shown on **your policy schedule**. If **your premium** is unpaid by the due date **we** may be entitled to reduce or refuse to pay a claim and cancel this policy.

How to pay your annual premium directly to BZI

If **you** are paying **your** annual **premium** directly to **BZI**, **we** will deduct **your** annual **premium** from **your** nominated bank account or credit card within three business days after the day the details of the credit card or bank account have been provided to **us**.

If an attempt to deduct **your** annual **premium** is dishonoured for any reason, **we** will notify **you** and/or **your** intermediary and provide details on:

- any actions required by **you**; and
- when **we** will next attempt to deduct the annual **premium**.

After three unsuccessful attempts to deduct the annual **premium**, **we** may cancel this policy. **We** will send a notice to **you** and/or **your** intermediary with details of the action **we** intend to take and when the cancellation will become effective.

How to pay your instalment premium

We will deduct **your** instalment **premiums** each month from **your** nominated bank account or credit card on the day of the month shown on **your policy schedule** as **your** payment date (or the next business day if **your** payment date falls on a weekend of public holiday in any given month).

When **you** renew **your** policy, **we** will continue to deduct **your** instalment **premiums** for **your** renewed policy on the same day of the month, unless **you** tell **us** otherwise.

Further details of **your** instalments are shown on **your policy schedule**.

If any instalment **premium** is dishonoured for any reason, **we** will notify **you** and/or **your** intermediary and provide details on:

- any actions required by **you**; and
- when **we** will next attempt to deduct that instalment **premium**.

After three unsuccessful attempts to deduct a given instalment **premium**, **we** may cancel this policy. **We** will send a notice to **you** and/or **your** intermediary with details of the action **we** intend to take and when the cancellation will become effective.

If the first instalment in the **period of insurance** is dishonoured and remains unpaid after three attempts at being deducted, this policy will not operate and there will be no cover.

In the event that **you** fail to make any of **your** instalment **premium** payments when they are due, **you** may be responsible for any administration or dishonour fees which may be charged by **BZI**, **BZI's** financial institution, and/or **your** financial institution.

We are entitled to deduct any unpaid **premium** instalments from any amount **we** pay **you** under a claim.

We may not pay a claim under this policy if, at the time the claim occurred, any instalment of **premium** has remained unpaid for 14 days or more.

You must tell **us** if **your** nominated bank account or credit card details change. **You** must do this no later than 7 days before **your** next instalment is due.

If **your** policy has been included as part of a 'package' of **BZI** policies then the instalment **premiums** for all policies on that package will be combined and one instalment will be collected on each instalment date. The details of the combined instalment schedule for the package will be shown on **your** package schedule which **your** intermediary should provide to **you**.

If an instalment for a package is dishonoured for any reason then the approach detailed above will apply to all policies in that package. In particular, after three unsuccessful attempts to deduct a given instalment **premium** for a package, **we** may cancel all policies in the package.

About your sum insured

Your buildings sum insured and/or **contents** sum insured are shown on **your policy schedule**. For **contents** cover the general **contents** sum insured on **your policy schedule** represents the nominated sum insured for **contents** excluding any specified valuable items added under the optional cover 'Specified valuable items' (see page 45) which will be shown separately.

You should make sure that **your** sum insureds are adequate to cover **you** for the full replacement value of **your buildings** and/or **contents**, and are reviewed whenever **your** circumstances change (for example, after renovations to **your buildings** or purchasing new **contents** items). If **you** have any questions regarding the adequacy of **your** sum insureds, please contact **your** intermediary.

The sum insured values that **you** choose should exclude GST.

During each **period of insurance** the sum insured for **buildings** and/or general **contents** will be automatically increased by 0.5% per month (6% per annum) until the end of the **period of insurance**. The sum insureds after this adjustment represent the most **you** can claim for any one incident unless stated otherwise in this PDS. This is prior to the application of any 'additional benefits' or 'additional covers' which may be applicable to the claim.

Your buildings sum insured and/or general **contents** sum insured will be automatically adjusted at renewal to take into account various factors including inflationary trends. If **you** need to change the value associated with any specified valuable items (see page 45), please advise **your** intermediary.

About making a claim

How to make a claim

If **you** need to make a claim under this policy, please contact **your** intermediary to assist **you** in lodging the claim with **us**.

Alternatively, if it is an emergency outside business hours or **you** would like to lodge the claim with **us** directly, please use one of the following methods to do so:

- phone **us** on 1300 253 692 (toll free) or +61 2 9301 8018 (if dialling from overseas); or
- register **your** claim online at www.bzi.com.au/newclaim and **our** claims staff will contact **you**.

What you must do

As soon as **you** are aware of any circumstances that are likely to result in a claim that would be covered under this policy, **you** must:

- take any reasonable steps to reduce the damage and avoid any further loss;
- inform the police immediately if property is lost, stolen or subject to **malicious damage** or vandalism; and/or
- keep any damaged property for which **you** intend to make a claim (so that **we** may inspect it).

What you must not do

If **you** believe that **you** are likely to make a claim that would be covered under this policy, **you** must not:

- carry out any repairs without **our** authority, except in the case of an emergency where **you** are required to prevent further loss or damage to **your buildings** and/or **contents** as a result of that emergency, in which case **we** give **you** the authority to arrange reasonable emergency repairs on **our** behalf;
- admit responsibility for any loss, damage or destruction, if another person's property is involved;
- make any false statements in connection with **your** policy or any claim **you** make;
- negotiate a reduced settlement with another person for damage they have caused.

If **you** do not follow these steps, **we** can reduce any claim by an amount that fairly represents the extent to which **our** interests have been prejudiced.

Excesses

For each of the available covers, an **excess** may apply. An **excess** is not an additional fee charged by **us** at the time of making a claim. Rather, it is the uninsured first portion of a loss for which **you** are otherwise covered, i.e. the amount that **you** must contribute towards each claim.

Details of the **excess** amounts and circumstances in which they will be applied are set out in the definition of **excess** (see 'Definitions' section beginning on page 62) and the relevant section of this PDS that outlines the cover **we** provide.

If a single event results in claims to both **buildings** and **contents**, **you** will only be required to pay one amount of basic **excess** – that which is the greater of the applicable **excesses**.

The amount of any **excess you** will be required to pay will appear on **your policy schedule**.

How we settle your claim - buildings

When **your buildings** are destroyed or damaged during the **period of insurance** we will pay for the cost of repair or replacement with new material without deducting an amount for wear and tear and depreciation.

If the damage to **your buildings** requires them to be rebuilt, **you** have the option of rebuilding at the **insured address** where the damage happened or a different site in the same general area, on the condition that:

- **we** will not pay more than the cost that would have been incurred if reinstatement of **your buildings** that are damaged had taken place at the location where the damage happened; or
- if the actual cost of rebuilding is less than the cost of reinstatement at the location where the damage happened, then **our** payment is limited to the actual cost of rebuilding.

If **you** request a cash settlement or if reinstatement is not carried out, **we** will only pay the equivalent of the cost of repair or replacement with similar material less a reasonable amount for wear and tear and depreciation.

Any rebuilding or repairing of **your buildings** must commence within 6 months of the date that the destruction or damage occurred. If it does not commence within 6 months (or any other period which **we** agree with **you** in writing) **you** may have to pay any increase in cost caused by the delay.

We will pay for the damaged portion of fixed coverings to walls, floors and ceilings only in the room, hall or passage where the damage occurred. **We** will not pay any costs for replacing undamaged property.

We will try to match any material used to repair **your buildings** with the original materials, however if **we** are unable to do so **we** will use the nearest equivalent available to the original materials. However, in situations where:

- it is impossible to acquire new material to replace the damaged material that reasonably matches the undamaged portion to a similar extent as immediately prior to the loss or damage occurring; and
- the amount of damaged material that cannot be matched to the undamaged material is more than 40% of the total material that would have to be replaced if all the matching damaged and undamaged material was replaced;

then **we** will replace both the damaged and undamaged material.

How we settle your claim - contents

When **your contents** are destroyed, lost or damaged during the **period of insurance** we will decide which of the following **we** will do to settle **your** claim:

- repair the **contents** item(s) to the condition it was in immediately before it was destroyed, lost or damaged;
- replace the **contents** item(s) with the nearest equivalent new item; or
- pay **you** the cost of the replacement or repair.

As noted in the additional benefit 'Environmental improvements' on page 37, if **we** have agreed to replace any refrigerators, washing machines, clothes dryers or dishwashers that have been lost or damaged, **we** will replace them with items that have at least a 3-star energy rating regardless of whether the original item had such a rating.

We will pay for the cost of replacing any damaged:

- carpets;
- wall, floor and ceiling coverings; and
- internal blinds and curtains;

but only in the room, passage or hall where **your contents** were destroyed, lost or damaged.

When a destroyed, lost or damaged item of **your contents** is part of a pair, set or collection, **we** will only pay for the value of the destroyed, lost or damaged item itself, unless **you** have chosen to specify that pair, set or collection as a 'valuable item' (see optional cover 'Specified valuable items' beginning on page 45). The most **we** will pay is the value that the item has as a proportion of the combined pair, set or collection. **We** will only pay the cost of replacing the item even though the pair, set or collection to which it belongs is less valuable because it is incomplete.

After your claim is accepted

After **we** have paid a claim under **your** policy, either in total or in part, **we** have the right to take over any legal right of recovery which **you** have. If **we** do this, it will be for **our** benefit and at **our** expense (if **you** have been fully reimbursed). **You** must provide full co-operation. **You** must not limit or restrict **your** rights of recovery against any third party without **our** prior written consent.

We have the right to keep any damaged property **we** have paid for under **your** policy, including any proceeds if the items are sold.

If **we** recover more than the amount **we** paid **you**, **we** will pay **you** the balance after deducting any expenses incurred by **us** in undertaking the recovery.

If any person compensates **you** for the insured damage of any property for which **we** have paid a claim, **you** must reimburse **us** for that payment. **You** must do this as soon as the compensation is made.

Reinstatement of cover following a claim

If **you** have a **buildings** or **contents** claim that does not result in **us** paying **you** the full amount of the **buildings** sum insured or general **contents** sum insured respectively, **your** cover for **buildings** and/or **contents** will continue up to the sum insured shown on **your policy schedule** (including the adjustments in the 'About your sum insured' section beginning on page 10).

If **you** have a claim for **your contents** that results in **us** paying **you** the general **contents** sum insured, the cover for **your contents** will end. However, **we** will provide temporary cover for **contents** for a sum insured of **\$5,000** for 3 months from the date of the destruction, loss or damage that resulted in that claim.

If **you** have a claim for **your buildings** that results in **us** paying **you** the sum insured, the cover for **your buildings** will end but liability cover will remain in force until the expiry date of the policy. However, liability cover in relation to **your buildings** formerly occupied by **you** will continue until the earliest of the expiry of **your** policy and:

- any construction commencing at the **insured address**;
- the sale of the **insured address** or any part of it;
- another policy that includes liability cover being taken out in relation to the **insured address**;
- the commencement of construction of a building to replace the insured **buildings** at another site;
- or
- 6 months from the date of the destruction, loss or damage that resulted in that claim.

Lifetime guarantee on building repairs

If **you** have a **buildings** claim then **we** guarantee that if a defect arises in **your buildings** as a result of poor quality workmanship or poor quality materials when **we** replace, repair or rebuild **your buildings**, provided that **we**:

- have directly authorised the replacement, repairs or rebuilding;
- have arranged the replacement, repairs or rebuilding; and
- have paid, or have a legal liability to pay, the supplier, repairer or builder directly for this work;

then **we** will rectify the problem by arranging, directly authorising and paying for further replacement, repair or rebuilding. **We** will, at **our** discretion, decide what needs to be done to rectify the problem.

This guarantee does not apply to:

- replacement, repairs or rebuilding that **you** arrange, authorise or make yourself (this applies even if **we** give **you** or a supplier, repairer or builder a cheque for all or part of the repair cost);
- loss, damage or failure of any electrical or mechanical appliances or machines that form part of **your buildings**; or
- wear and tear consistent with normal gradual deterioration of **your buildings** (e.g. paint peeling off as part of its normal life cycle, wood rotting from moisture in the air or ground, roofs weathering or a hot water system leaking as a result of normal gradual deterioration).

Claims examples

Below are some examples of claim scenarios that are included here to show how a claim payment might typically be calculated. These examples are a guide only and do not cover all of the potential scenarios or all benefits that may be paid under this policy. They do not form part of the terms and conditions of this policy.

BZI will determine actual claims payments on an individual basis taking into consideration the facts applicable to the claim and **our** assessment of any loss or damage, as well as the coverage, exclusions and **excesses** set out in this policy and on **your policy schedule**.

Example 1 – partial loss to buildings & contents

You have **your buildings** and **contents** insured under a **BZI** Home Buildings and Contents Accidental Damage policy, with the following details:

- **Buildings** sum insured: \$600,000
- General **contents** sum insured: \$120,000
- **Buildings excess**: \$1,000
- **Contents excess**: \$500

Your town suffers a major bushfire event that results in damage to some of **your buildings** and some of **your contents** at the **insured address**.

We assess the claim and determine that:

- the cost to rebuild the **buildings** will be \$350,000;
- it will cost \$50,000 to remove the debris;
- architect's fees will be \$30,000;
- temporary accommodation whilst rebuilding takes place will be \$35,000;
- the general **contents** damaged or destroyed are valued at \$60,000.

How much we pay		Explanation
Cost to rebuild your buildings	\$350,000	The buildings sum insured is sufficient to cover the cost of rebuilding without the need to rely on the 30% sum insured safety net.
Removal of debris	\$50,000	Paid in addition to the buildings sum insured.
Rebuilding fees	\$30,000	Paid in addition to the buildings sum insured.
Temporary accommodation	\$35,000	Paid in addition to the buildings sum insured.
Replacement cost for contents	\$60,000	Based on the assessment of the value of the contents damaged or destroyed.
Less excess payable	-\$1,000	Only one excess is payable, the higher of the buildings and contents excesses .
Total claim payment	\$524,000	

Example 2 – theft of valuable item

Your contents are insured under a **BZI Home Buildings and Contents Accidental Damage** policy. **You** have a watch valued at \$15,000 and because there is a 'flexible limit' of \$10,000 per item for jewellery and watches **you** have chosen to list it is a 'specified valuable item' on **your** policy with \$15,000 as the specified value (as detailed on **your policy schedule**).

During a burglary at **your** property the watch is stolen.

How much we pay		Explanation
Cost to replace your watch	\$15,000	We pay the jeweller \$15,000 to replace your watch.
Less excess payable	-\$0	No excess is payable because the claim is only under the 'specified valuable items' optional cover.
Total claim payment	\$15,000	

Example 3 – legal liability

Your buildings are insured under a **BZI Home Buildings and Contents Accidental Damage** policy with a standard **excess** of \$1,000.

At a social gathering at **your** property one of **your** guests trips over an uneven tile in **your** backyard and breaks their leg. They make a claim for loss of wages for an 8-week period and some out of pocket expenses. After **we** assess the circumstances behind the claim **we** determine that **you** are legally liable for this claim and that the amount **you** are liable for is \$12,000.

How much we pay		Explanation
Total amount of claim	\$12,000	Paid to the injured party. The amount is below the limit of \$30,000,000 in this policy.
Less excess payable	-\$0	No excess is payable because the claims is only under the 'Legal liability' cover.
Total claim payment	\$12,000	

Goods and Services Tax

You must advise **us** of **your** correct input tax credit percentage, where **you** are registered as a business and have an Australian Business Number.

We will not indemnify **you** for any GST liability, fines or penalties that arise from or are attributable to **your** failure to notify **us** of **your** entitlement (or correct entitlement) to an input tax credit on the **premium**.

The sum insured values that **you** choose should exclude GST and all dollar amounts in this PDS are exclusive of GST unless stated otherwise.

In the event of a claim, if **you** are not registered for GST, **we** will reimburse **you** the GST component, in addition to the amount **we** pay **you**. If **you** are registered for GST the amount that **we** are liable to pay under this policy will be reduced by the amount of any input tax credit that **you** are or may be entitled to claim for the supply of goods or services covered by that payment. If **you** are liable to pay an **excess** under this policy, the amount payable will be calculated after deduction of any input tax credit that **you** are or may be entitled to claim on payment of the **excess**.

If **you** are unsure about the taxation implications of this policy, **you** should seek advice from **your** accountant or tax professional.

When **you** ask **us** to increase the limit for any of these items:

- **we** may ask for an additional **premium**;

WHAT YOU ARE COVERED FOR

What you are covered for – buildings and/or contents

Subject to the terms, conditions, limits and exclusions of the policy, **your buildings** and/or **contents** as set out on **your policy schedule** will be covered if they are accidentally destroyed, accidentally lost or accidentally damaged during the **period of insurance**.

However, in certain circumstances the cover will only apply when specific conditions are met:

- Landslide or subsidence

The cover for landslide or subsidence only applies if the loss or damage occurs within **72 hours** of, and as a direct result of, one of the following:

- **storm** including rainwater, hail, snow or wind;
- **flood**;
- earthquake or tsunami;
- explosion; or
- escape of liquid from a fixed pipe or something attached to a pipe, fixed gutter, fixed tank apparatus or drain.

- Unoccupied **buildings**

You are not covered for destruction, loss or damage if the **buildings** at the **insured address** have remained **unoccupied** for a continuous period of **100 days** or more, unless the destruction, loss or damage is a direct result of:

- earthquake or tsunami;
- lightning or thunderbolt;
- riot and civil commotion; or
- impact by a vehicle, aircraft, watercraft, space debris, rocket, satellite or a tree branch, however **we** will not cover any subsequent resultant damage (for example, water entering the **buildings** following earthquake damage).

If the **buildings** at the **insured address** are going to be **unoccupied** for more than **100 days** then **you** can ask **us** to provide cover and if **we** agree to do so **we** will advise **you** in writing.

The cover that is provided under this policy should also be considered in conjunction with the 'What you are not covered for – buildings and/or contents' section (page 31) and the 'General exclusions' section (beginning on page 60).

If **you** select cover:

- only for **your buildings**, the cover provided under this policy for destruction, loss or damage does not apply to any **contents**; or
- only for **your contents**, the cover provided under this policy for destruction, loss or damage does not apply to any **buildings**.

Your policy schedule will show if **you** have **buildings** and/or **contents** cover.

What you are not covered for – buildings and/or contents

In addition to the 'General exclusions' section (beginning on page 60) **we** will not provide cover for **your buildings or contents** when they are destroyed, lost or damaged by any of the following events:

- landslide or subsidence, except as described in the 'What you are covered for' section above;
- erosion;
- settling, shrinkage or any movement of the earth;
- water entering the building through any opening made for the purposes of building repairs or renovation;
- rust, corrosion, gradual deterioration, depreciation, wear or tear;
- insects, vermin or rodents, however we will cover any resulting damage from a fire or escape of liquid that is caused by them.;
- roots from trees, plants, shrubs or grass. However, this exclusion only applies to damage caused directly by the roots. For example, if tree roots damage and block a pipe, **we** will pay for the resultant damage to the **buildings** caused by the water overflowing into the **buildings**. **We** will not pay for the damage to the pipe;
- any process of cleaning involving the use of chemicals other than domestic household chemicals;
- a defect in an item, faulty workmanship, structural defects or faulty design that **you** knew about (or should reasonably have known about) and did not fix before the loss or damage occurred (e.g. if there are signs that a defect previously caused damage, **we** will not pay a later claim for further damage from this defect);
- **malicious damage** or vandalism by **your** tenant;
- theft by **your** tenant;
- deliberate or intentional acts by **your** tenant;
- mechanical or electrical breakdown unless covered under the additional cover 'Mechanical or electrical breakdown' on page 39. However, this exclusion does not apply to the resultant loss or damage to **your buildings**.

ADDITIONAL BENEFITS

If we accept **your** claim for **your buildings** or **contents** being accidentally destroyed, accidentally lost or accidentally damaged during the **period of insurance**, we will also provide the following additional benefits. These additional benefits will be paid in addition to the **buildings** or general **contents** sum insureds shown on **your policy schedule**, up to the limits shown below for each of the additional benefits.

There are some things which are excluded under these additional benefits and these are shown below. In addition, the information in the 'General exclusions' beginning on page 60 should also be referred to when determining whether any additional benefit will be paid.

Sum insured safety net

If **you** have cover for **your buildings** and:

- they are accidentally destroyed or accidentally damaged; and
- **we** determine that the cost of repairing or replacing **your buildings** exceeds the **buildings** sum insured shown on **your policy schedule**,

then **we** will pay up to **30%** more than the **buildings** sum insured to either:

- repair or replace **your buildings**; or
- pay **you** the amount it would have cost **us** to repair or replace **your buildings**.

This additional benefit does not change the **buildings** sum insured that is used in determining any other additional benefit or additional cover – they will be calculated based on the **buildings** sum insured shown on **your policy schedule**.

You must ensure that if **you** make any changes to **your buildings** such as renovations to increase their size or quality, then the **buildings** sum insured on **your** policy is updated to reflect these changes.

for the period it takes to repair or rebuild **your buildings** so they can be lived in again.

The most **we** will pay under this additional benefit for any one claim is **20%** of **your buildings** sum insured as shown on **your policy schedule**.

- any necessary costs to remove and store **your contents** and then return them to the **buildings**,

for the period it takes to repair or rebuild the **buildings** at the **insured address** so they can be lived in again.

The most **we** will pay under this additional benefit for any one claim is **20%** of **your general contents** sum insured as shown on **your policy schedule**.

The amount **we** pay under this additional benefit may be reduced by any amounts that can be recovered for temporary accommodation costs under another insurance policy including any insurance policy taken out by a body corporate or similar entity.

We will not pay temporary accommodation costs if:

- **you** were not permanently living in the **buildings** at the **insured address** at the time they were accidentally destroyed or accidentally damaged;

Net costs are the costs after any rebates **you** were eligible for at the date of the loss under any government or council schemes.

If **you** have **contents** cover and **we** have agreed to replace any refrigerators, washing machines, clothes dryers or dishwashers that have been lost or damaged then **we** will replace them with items that have at least a 3-star energy rating regardless of whether the original item had such a rating.

If **you** have added the 'Home business extension' optional cover and:

- the **buildings** and/or **contents** at the **insured address** are accidentally destroyed, accidentally lost or accidentally damaged; or
- **you** are unable to access **your home business** at the **insured address** as a direct result of accidental destruction, loss or damage to neighbouring premises that would be covered under this policy if it had occurred at **your insured address**,

and

- there is a **shortage in trended revenue** for **your home business** that occurs during the **indemnity period** of up to **6 months** as a direct result of the destruction, loss or damage,

then **we** will cover:

- the **shortage in trended revenue** during the **indemnity period**; and

We will also provide cover if there is a loss of accounts receivable **you** cannot recover from **your** debtors resulting from covered loss or damage to business records and/or **electronic data** up to **\$5,000**.

Below is an example of a claim scenario under the 'Home business revenue protection' benefit which is included here to show how a claim payment might typically be calculated. This example is a guide only and does not cover all of the potential scenarios or all benefits that may be paid under this policy. It does not form part of the terms and conditions of this policy.

Claims example – Home business revenue protection	
<p>You operate a social media consultancy business from your home and have purchased the 'Home business extension' under this policy.</p> <p>During the period of insurance there is a fire at the insured address which destroys your home office and forces you to find a new location to operate your home business. Your home is uninhabitable for 8 months while the repairs are undertaken and alternative premises are required to run your home business.</p> <p>Your actual trended revenue in the 12 months leading up to the date of damage was \$250,000. The claim payment would be calculated as follows:</p>	
<p>While the home business is interrupted for 8 months, the maximum indemnity period is 6 months.</p> <p>Actual trended revenue \$250,000 x $\frac{6 \text{ months}}{12 \text{ months}}$</p>	\$125,000
<p>You incur some increased costs as a result of the interruption to your home business and these costs are incurred to resume business services and avoid further shortage in trended revenue.</p>	\$30,000
<p>There are expense savings as a consequence of not operating your business for 1 month whilst you re-locate your premises.</p>	-\$2,000
<p>Less the actual revenue generated whilst operating from alternative premises during the indemnity period.</p>	-\$80,000
Total claim payment	\$73,000
