About this Insurance

This is an important document. You should read it carefully before making a decision to purchase this insurance.

It will help You to:

- decide whether this insurance will meet Your needs; and
- compare it with other products You may be considering.

Please note that any recommendation or opinion in this document is of a general nature only and does not take into account Your objectives, financial situation or needs.

You need to decide if this insurance is right for You and You should read all of the documents that make up the Policy to ensure You have the cover You need.

Our Contract with You

Where We agree to enter into a Policy with You it is a contract of insurance between Us and You (see the definition of "You" for details of who is covered by this term).

The Policy consists of:

- this document which sets out the standard terms of Your cover and its limitations;
- Your current Schedule issued by Us. The Schedule is a separate document, which shows the insurance details relevant to You. It may include additional terms, conditions and exclusions relevant to You that amend the standard terms of this document. Only those sections shown as covered in Your Schedule are insured; and

- any other change to the terms of the Policy otherwise advised by Us in writing (such as an endorsement) before the Insured enters into the Policy. These written changes may vary or modify the above documents where required or permitted by law.

These are all important documents and should be carefully read together and kept in a safe place for future reference.

We reserve the right to change the terms of this insurance where permitted to do so by law.

Any new or replacement schedule We may send You, detailing changes to Your insurance or the period of insurance, will become the current Schedule, which You should carefully read and retain.

Renewal Procedure

Before Your Policy expires, We will advise You whether We intend to offer renewal and if so on what terms.

This document also applies for any other renewal We make, unless We tell You otherwise.

It is important that You check the terms of any renewal before renewing to satisfy yourself that the details are correct. In particular check the sum insured amounts to ensure the levels of cover are appropriate for You or if You are insuring for reinstatement or replacement value, the full replacement value of Your property, to ensure that You are properly covered in the event of a major loss.

Please note that You need to comply with Your Duty of Disclosure before each renewal (see below).

Average/Underinsurance

Both Section 1 Material Loss or Damage and Section 2 Consequential Loss are subject to Average/Underinsurance clauses that may limit the amount that We pay when You have a claim. This will only happen if You understate a Declared Value.

Examples

Section 1. Material Loss or Damage – 85% Average/Underinsurance clause

Property Assets Declared	\$3,000,000
Damage to Property	\$500,000
The value of Your Property Assets at the commencement of the Policy	\$6,000,000
Policy Deductible/Excess	\$5,000

Claim payment	
Step 1: \$6,000,000 @ 85%	= \$5,100,000
Step 2: \$3,000,000/\$5,100,000	= 0.5882
Step 3: \$500,000 @ 0.5882	= \$294,100
Step 4: \$294,100-\$5,000	= \$289,100 payable

The 85% Average/Under-insurance clause does not apply if the Declared Value is greater than 85% of the actual value, or where the amount of the loss is less than 5% of the Declared Value.

Section 2. Consequential Loss (Gross Profit and Pay-Roll)

– 100% Average/Under-insurance clause

Gross Profit Declared \$2,000,000

Loss of Gross Profit \$400,000

Value of Gross Profit at the
commencement of the Policy \$2,500,000

Claim payment

Step 1: $\$2,000,000 / \$2,500,000 = 0.8$

Step 2: $\$400,000 \times 0.8 = \$320,000$ payable

- 4.3 On buildings, machinery, plant and all other property and contents other than those specified in 4.9 to 4.17 below, the Basis of Settlement shall be the **Reinstatement Value** and the provisions of 4.4 to 4.8 shall apply.

Reinstatement Provisions applying to buildings, machinery and all other property other than property referred to in 4.9 to 4.17

- 4.4 4.4.1 The replacement, repair or rebuilding may be carried out upon any other site(s) and in any manner suitable to the requirements of the Insured, but subject to the liability of the Insurer not being thereby increased.
 - 4.4.2 Such work must be commenced and carried out with reasonable despatch, failing which the Insurer shall not be liable to make any payment greater than the **Indemnity Value**. The claim will not be affected to the extent that the Insurer caused or contributed to the delay.
 - 4.4.3 Where any Property Insured is damaged in part only, the liability of the Insurer shall not exceed the sum representing the cost which the Insurer could have been called upon to pay by way of **Reinstatement Value** if such property had been totally destroyed.
 - 4.4.4 The Insurer shall not be liable to make any payment beyond the **Indemnity Value** of the Property Insured until a sum equal to the **Reinstatement Value** has actually been incurred by the Insured in the replacement, repair or rebuilding of the property, provided that where the Insured repairs or rebuilds any Damaged Property Insured at a cost which is less than the cost of reinstatement but greater than the value of such property at the time of the Damage, then the cost so incurred shall be deemed to be the cost of reinstatement. The Insurer may make progress payments in settlement of any claim for reinstatement of any property.

4.5 Extra Cost of Reinstatement

The Insurer will also pay the extra cost of reinstatement (including demolition or dismantling) of Property Insured which has been Damaged necessarily incurred by the Insured to comply with the requirements of any statute or regulation or of any municipal or statutory authority, provided that:

- 4.5.1 the Insurer shall not pay for any additional cost incurred in complying with any such requirement with which the Insured had been required to comply prior to the happening of the Damage.

4.5.2 the Average/Underinsurance Clause shall not apply to any amount recoverable under this Clause 4.5 and any amount payable shall not be taken into account for the purpose of the application of the Average/Underinsurance Clause.

4.5.3 if the cost of reinstatement of Damaged Property Insured is less than 50% of the cost of reinstatement if such property had been totally destroyed, the indemnity under this clause 4.5 shall be limited to the extra cost necessarily incurred in reinstating only that portion Damaged or the Sub-Limit of Liability stated in the Schedule, whichever is the lesser. If no Sub-Limit of Liability is stated, the Insurer's liability shall be limited to the extra cost necessarily incurred in reinstating only that portion Damaged.

4.6 Output Replacement

Where any Property Insured consists of equipment, machinery or plant having a measurable function, capability or output and if, by reason of the application of the Basis of Settlement Clause, it is necessary to replace such property with a new item or items which perform a similar function or functions, then the Basis of Settlement for such property shall be as follows:

4.6.1 Where any property is to be replaced by an item or items which have the same or a lesser total function, capability or output, then the Basis of Settlement is the new installed cost of such replacement item or items as would give the same total function, capability or output as the property.

4.6.2 Where any property is to be replaced by an item or items which have a greater total function, capability or output and the new installed cost of such replacement property is no greater than the replacement value of that property, then the Basis of Settlement is the new installed cost of the item or items so replaced.

4.6.3 Where any property is to be replaced by an item or items which have a greater total function, capability or output and the new installed cost of such replacement property is greater than the replacement value of the property, then the Basis of Settlement is the lesser of the **Reinstatement Value** or that proportion of the new installed cost of the replacement item or items which the output of the property Damaged bears to the output of the replacement item or items.

4.7 Floor Space Ratio Index (Plot Ratio)

If a building being Property Insured is Damaged and the cost of reinstatement is more than 50% of the cost of reinstatement if the building had been totally destroyed and reinstatement is only permissible by reason of any requirement of any law or local government or other statutory authority subject to a reduced floor space ratio index, the Insurer will pay in addition to any other amount payable on reinstatement of the building the difference between the actual cost of reinstatement incurred in accordance with the reduced floor space ratio index and the cost of reinstatement which would have been incurred had a reduced floor space ratio index not been applicable. In calculating the amount payable under this Clause 4.7, any payment made by the Insurer shall include the extra cost payable under Clause 4.5 above.

Any amount payable under this Clause 4.7 shall be paid upon completion of the rebuilding works as certified by the architect acting on behalf of the Insured in the reinstatement of the building.

4.8 Undamaged Foundations

Where any Property Insured being a building or an installation constructed on its own foundations is Damaged but its foundations are not destroyed and due to the requirement of any law or of any local government or other statutory authority reinstatement of the building has to be carried out upon another site, the abandoned foundations shall be considered as having been destroyed.

If, however, the resale value of the original building site is increased by virtue of the presence of the abandoned foundations, then such increase in resale value shall be regarded as salvage and that amount shall be paid to the Insurer by the Insured upon completion of the sale of the site, or shall be deducted from the final amount of any moneys payable by the Insurer under this Policy, whichever shall occur later.

Provisions applying to specific items of property

4.9 In the case of raw materials, supplies and other merchandise not manufactured by the Insured, the Basis of Settlement shall be the replacement cost calculated at the time and place of replacement, provided that replacement shall have been carried out with reasonable despatch, or if not replaced the **Indemnity Value**.

4.10 In the case of materials in process of manufacture, the Basis of Settlement shall be the replacement cost of the raw materials and the cost of labour and other overhead charges expended on them calculated at the time and the place of the Damage.

- 4.11 In the case of finished goods manufactured by the Insured, the Basis of Settlement shall be either the replacement cost of the raw materials and the cost of labour and other overhead charges expended on them without any allowance for profit calculated at the time and place of the Damage or the cost of restocking such goods within a reasonable time, whichever is the lesser.
- 4.12 In the case of computer systems records, documents, manuscripts, securities, deeds, specifications, plans, drawings, designs, business books and other records of every description, the Basis of Settlement shall be the cost of repairing, replacing, reproducing or restoring them, including the information contained on or in them, but excluding the value to the Insured of that information. If repair, replacement, reproduction or restoration is not required, the Basis of Settlement shall be the replacement cost of the materials as blank stationery calculated at the time and place of the Damage, provided that replacement shall have been carried out with reasonable despatch. The claim will not be affected to the extent that the Insurer caused or contributed to the delay.
- 4.13 In the case of patterns, models, moulds, dies or lasts, the Basis of Settlement shall be the **Reinstatement Value** (if replaced with reasonable despatch), otherwise the value of such property to the Insured calculated at the time and place of the Damage, but not exceeding **Reinstatement Value**. The claim will not be affected to the extent that the Insurer caused or contributed to the delay.
- 4.14 In the event of any claim, any salvage of branded goods or merchandise owned by the Insured or held by the Insured in trust or on commission and any goods sold but not delivered shall not be disposed of by sale without the consent of the Insured. If such salvage is not disposed of by sale, then the Basis of Settlement shall be the market value of the goods after brands, labels or names have been removed by or on behalf of the Insured.

8.3 **Indemnity Period** means:

the period beginning with the occurrence of the Damage and ending not later than the number of months specified in the Schedule thereafter during which the results of the Business shall have been affected in consequence of the Damage.

8.4 **Pay-Roll** means:

Adjustments shall be made to the Rate of Gross Profit, Annual Turnover, Standard Turnover and Rate of Pay-Roll as may be necessary to provide for the trend of the Business and for variations in or other circumstances affecting the Business either before or after the Damage or which would have affected the Business had the Damage not occurred, so that the figures thus adjusted shall represent as nearly as may be reasonably practicable the results which but for the Damage would have been obtained during the relative period after the Damage occurred.

8.8 Shortage in Turnover means:

the amount by which the Turnover during a period shall, in consequence of the Damage, fall short of the part of the Standard Turnover which relates to that period.

9.1 Provided that the Insured has paid or agreed to pay the premium stated in the Schedule, the Insurer will indemnify the Insured in accordance with the provisions of Clause 10 (Basis of Settlement) against loss resulting from the interruption of or interference with the Business, provided the interruption or interference is caused by Damage occurring during the Period of Insurance to:

9.1.1 any building or any other property or any part thereof used by the Insured at the Premises for the purposes of the Business;

9.1.6 property in any commercial complex of which the Premises forms a part or in which the Premises are contained which prevents or hinders the use of or access to the Premises which results in cessation or diminution of trade, including any cessation or diminution of trade due to temporary falling away of potential custom;

9.1.7 any registered vehicles or trailers which are owned or operated by the Insured, while such vehicles or trailers are at the Premises, but not while any such vehicles or trailers are being used on any public highway or thoroughfare.

9.2 If the building or other property which is subject to the Damage is owned by the Insured, such Damage must be the subject of indemnity under a policy of insurance covering the circumstances in which it occurred (other than where caused by any cause referred to in Clause 6.2.16 and other than indemnity not applying only because of the application of a Deductible).

9.3 In the case of any other property which suffers Damage, that Damage must occur in circumstances in which indemnity would apply as if that property were insured under Section 1 of this Policy other than indemnity not applying only because of the application of a Deductible.

9.4 Indemnity under Clause 9.1 is also subject to:

9.4.1 the Limits and Sub-Limits referred to in the Schedule;

9.4.2 the loss being calculated in accordance with the Basis of Settlement Clause 10.

shall be deemed to be loss resulting from Damage to property used by the Insured at the Premises for the purpose of the Business under paragraph 9.1.1. above.

Provided that paragraphs 9.5.1, 9.5.2 and 9.5.3 will not indemnify loss resulting from interruption of or interference with the Business directly or indirectly arising out of or in any way connected with Highly Pathogenic Avian Influenza in humans or any other disease declared to be a listed human disease under the Biosecurity Act 2015 (Cth) (including amendments), or listed under successor Commonwealth legislation dealing with quarantine or biosecurity matters (including delegated legislation).

Indemnity under this endorsement shall not exceed the Sub Limit of Liability per event and in the annual aggregate as expressed in the Schedule.

10. Basis of Settlement

10.1 Item No.1 (Actual Loss of Gross Profit due to Reduction in Turnover and Increase in Cost of Working)

The Insured is indemnified with respect to actual loss of Gross Profit calculated in the following manner, namely:

10.1.1 In respect of reduction in Turnover, the sum produced by applying the Rate of Gross Profit to the amount by which the Turnover during the Indemnity Period shall, in consequence of the Damage, fall short of the Standard Turnover; and

10.1.2 In respect of Increase in Cost of Working, the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in Turnover which, but for that expenditure, would have taken place during the Indemnity Period in consequence of the Damage, but not exceeding the sum produced by applying the Rate of Gross Profit to the amount of the reduction thereby avoided.

10.1.3 There shall be deducted from the amounts calculated in 10.1.1 and 10.1.2 any sum saved during the Indemnity Period in respect of such of the charges and expenses of the business payable out of Gross Profit as may cease or be reduced as a consequence of the Damage.

10.1.4 Cover under this Clause 10.1 shall be proportionately reduced if the Declared Value of Gross Profit stated in the Schedule is less than the sum produced by applying the Rate of Gross Profit to the Annual Turnover (appropriately increased if the Indemnity Period exceeds twelve (12) months).

This Condition 10.1.4 shall not apply if the amount of the claim does not exceed 5% of the Declared Value of Gross Profit under Section 2 of this Policy.

10.2 Item No.2 (Claims Preparation Costs)

The Insured is indemnified with respect to such reasonable professional fees and such other reasonable expenses as are necessarily incurred by the Insured with the consent of the Insurer for preparation of claims under Sections 1 and 2 of this Policy. In order to be sure that there is cover under the Policy, the Insured should always contact the Insurer for approval before incurring expenses the Insured wishes to claim. If not, the Insurer will pay for expenses up to the amount the Insurer would have authorised had the Insured asked first.

10.3 Item No.3 (Insured Pay-Roll being Loss in respect of Pay-Roll Calculated by Reference to Reduction in Turnover)

10.3.1 The Insured is indemnified for loss of Pay-Roll limited to loss due to Reduction in Turnover and Increase in Cost of Working, and the amount payable as indemnity shall be calculated in the following manner:

10.3.1.1 during the portion of the Indemnity Period beginning with the occurrence of the Damage and ending not later than the number of weeks thereafter specified in the Schedule calculated by applying the Rate of Pay-Roll to the Shortage in Turnover during that portion of the Indemnity Period less any saving during that portion through reduction in the amount of Pay-Roll paid in consequence of the Damage.

10.3.1.2 during the remaining portion of the Indemnity Period calculated by applying the Rate of Pay-Roll to the Shortage in Turnover during the remaining portion of the Indemnity Period less any saving during that portion through reduction in the amount of Pay-Roll paid in consequence of the Damage, but not exceeding the amount produced by applying the percentage of the Rate of Pay-Roll specified in the Schedule to the Shortage in Turnover during that remaining portion of the Indemnity Period, increased by such amount as is deducted for savings under Clause 10.3.1.1 above.

10.3.2 The Insured may at its option increase the number of weeks referred to in Clause 10.3.1.1 to the number of weeks specified in the Schedule under the heading "Consolidated Period", provided that the amount payable under Clause 10.3.1.2 shall not exceed such amount as is deducted under Clause 10.3.1.1 for savings effected during the increased number of weeks.

10.3.3 The Insured shall also be indemnified in addition to the amount payable under Clause 10.3.1 for so much of the additional expenditure described in Clause 10.1.2 as exceeds the amount payable under that Clause 10.1.2, but not more than the additional amount which would have been payable in respect of reduction in Turnover under the provisions of Clauses 10.3.1. and 10.3.1.2 had such expenditure not been incurred.

10.3.4 Cover under this Clause 10.3 shall be proportionately reduced if the Declared Value of Pay-Roll is less than the amount produced by applying the Pay-Roll Limits set out in the Schedule to the amount produced by applying the Rate of Pay-Roll to the Annual Turnover (or its appropriately increased multiple thereof, where the Indemnity Period exceeds twelve (12) months). This Clause 10.3.4 shall not apply if the amount of the claim does not exceed 5% of the Declared Value of Insured Pay-Roll under Section 2 of this Policy.

10.4 Item No.4 (Additional Increased Cost of Working)

The Insured is indemnified with respect to any additional Increased Cost of Working not otherwise recoverable under Section 2 of this Policy necessarily and reasonably incurred during the Indemnity Period in consequence of the Damage for the sole purpose of avoiding or diminishing reduction in Turnover or resuming and maintaining normal operation of the Business.

11. Conditions Applying to Section 2

11.1 Turnover Elsewhere after Damage

If during the Indemnity Period goods shall be sold or services shall be rendered elsewhere than at the Premises for the benefit of the Business either by the Insured or by others on behalf of the Insured, moneys paid or payable in respect of such sales or services shall be brought into account in arriving at the Turnover during the Indemnity Period.

11.2 Departmental Clause

If the Business is conducted in departments or business units the independent trading results of which are ascertainable, the provisions of Clauses 10.1.1, 10.1.2, 10.3.1.1, 10.3.1.2 and 10.3.2 shall apply separately to each department or unit affected by the Damage.

11.3 New Business

In the event of Damage occurring at the Premises before the completion of the first year's trading of the Business, the terms 'Rate of Gross Profit', 'Annual Turnover', 'Standard Turnover' and 'Rate of Pay-Roll' shall bear the following meanings and not those as stated in Clause 8 (Definitions):

Rate of Gross Profit means:

the proportion which the Gross Profit bears to the Turnover during the period between the date of the commencement of the Business and the date of the Damage.

Annual Turnover means:

the proportional equivalent, for a period of twelve (12) months of the Turnover realised during the period between the commencement of the Business and the date of the Damage.

Standard Turnover means:

the proportional equivalent, for a period equal to the Indemnity Period of the Turnover realised during the period between the commencement of the Business and the date of the Damage.

Rate of Pay-roll means:

the proportion which the Pay-Roll bears to the Turnover during the period between the date of the commencement of the Business and the date of the Damage.

Adjustments shall be made to the Rate of Gross Profit, Annual Turnover, Standard Turnover and Rate of Pay-Roll as may be necessary to provide for the trend of the Business and for variations in or other circumstances affecting the Business either before or after the Damage or which would have affected the Business had the Damage not occurred, so that the figures thus adjusted shall represent as nearly as may be reasonably practicable the results which but for the Damage would have been obtained during the relative period after the Damage occurred.

11.4 Accumulated Stocks

In adjusting any loss, account shall be taken and equitable allowance made if any Shortage in Turnover resulting from the Damage is postponed by reason of the Turnover being temporarily maintained from accumulated stocks.

11.5 Books of Account
