Product Disclosure Statement

Accident & Health International (AHI)

Accident & Health International Underwriting Pty Limited, ABN 26 053 335 952, AFS Licence No. 238261 (AHI) is an underwriting agency specifically created to provide Personal Accident, Medical and Travel insurance. AHI acts on behalf of Tokio Marine & Nichido Fire Insurance Co., Ltd, ABN 80 000 438 291, AFS Licence No. 246548 (TMNF), with full authority to quote and issue contracts of insurance, collect premiums and pay Claims.

For any queries about this Policy, please contact the appointed insurance advisor. Their details are shown in the Policy Schedule. In the event there is no appointed advisor, please contact AHI. Their details are in this document.

The Insurer

Tokio Marine & Nichido Fire Insurance Co., Ltd, ABN 80 000 438 291, AFS Licence No. 246548 (TMNF).

What is a Product Disclosure Statement

This Product Disclosure Statement (PDS) contains important information about the Policy to assist in making an informed decision when choosing this insurance. In this PDS:

1. 'We', 'Our', 'Us' means Tokio Marine & Nichido Fire Insurance Co., Ltd, ABN 80 000 438 291, AFS Licence No. 246548 (TMNF).
2. 'Insured' means the person or company who is named in the Policy Schedule as the Insured. The Insured is the contracting party for this Policy.
3. 'Insured Person' means any person shown by name, classification or meeting the criteria specified for an Insured Person in the Policy Schedule for the insurance cover selected by the Insured and with respect to who the premium has been paid. The Insured Person and the type of cover chosen will be set out in the Policy Schedule.

What the Policy consists of

The Policy consists of:

1. the Policy Wording document which sets out details of the Insured's cover, applicable terms, conditions, limitations and exclusions; and
2. a Policy Schedule, approved by Us, which sets out who is insured, the cover(s) selected, the Period of Insurance, the limits of liability, excesses and other important information. This is referred to as the Policy Schedule in this Policy document.

The Policy should be carefully read and retained by the Insured. These documents should be read together as they jointly form the contract of insurance between Us and the Insured. Any new or replacement Policy Schedule detailing changes to the Policy or the Period of Insurance We may send to the Insured will become the current Policy Schedule, which should be carefully read and retained by the Insured.

The Purpose of the Cover

This insurance is entered into with the Insured and provides cover in relation to Insured Persons. In some cases, the Insured may also be an Insured Person.

Insured Persons who are not the Insured are not parties to the contract between Us and the Insured. This means an Insured Person cannot cancel or vary the Policy in any way (only the Insured can do this).

Insured Persons who are not the Insured have a right to recover their loss in accordance with Section 48 of the Insurance Contracts Act. Section 48 states that Insured Persons have the same obligations in relation to a Claim made by them that the Insured would have to Us (for example, complying with Claims conditions such as subrogation) and may discharge the Insured's obligations in relation to a loss. We have the same defences to an action by an Insured Person as We would in an action by the Insured.

Where the Policy covers Insured Persons (other than the Insured), the Insured:

1. is not Our agent;
2. acts independently from Us in entering into this insurance to provide cover to Insured Persons; and
3. is not authorised by Us to provide any recommendations or options about the insurance or other financial services to an Insured Person.

Any notices of expiry, variation, avoidance or cancellation will be sent by Us to the Insured. We will not provide any notices in relation to this insurance to the Insured Persons. The Insured is required to notify Insured Persons when this occurs.

Our Agreement with the Insured

If We accept the application for cover, the Insured and Insured Persons will be insured under this Policy for:

1. loss or damage caused by one or more of the insured events set out in this Policy; and
2. the other Benefits, as set out in this Policy.

This cover will be given on the basis:

1. that the Insured has paid or agreed to pay Us the premium for the cover the Insured selected when cover was requested and which the current Policy Schedule indicates is in force; and
2. of the verbal and/or written information provided by the Insured to Us prior to inception of the Policy.

Your duty to take reasonable care not to misrepresent

Before you enter into an insurance contract with us, the Insurance Contracts Act 1984 requires you to take reasonable care not to make a misrepresentation.

What this means is that you must take care to ensure the accuracy of any information you provide to us, as our decision whether to enter into a contract with you, and if so on what terms, will be based on the information you provide. Your duty includes:

- Giving honest, accurate and complete answers to any questions we ask;
- Making reasonable enquiries to determine the accuracy of any information you give to us; and
- Taking care to ensure that any representation you make to us is accurate.

Every person who is insured under the policy must comply with this duty at the commencement of the policy and when you renew, vary, extend, reinstate or replace the policy.

If you or any person who is insured under the policy do not comply with this duty and fail to take care to ensure the accuracy of any representation made to us, we may cancel the policy, reduce the amount we pay if you make a Claim, or decline a Claim. If you breach this duty fraudulently, we may avoid the policy altogether and treat it as if it never existed.

Choosing the most suitable Cover

Cover is provided for the Insured (where the Insured is also an Insured Person) and the Insured Persons as set out in the Policy Schedule.

It is important that the Insured makes sure that the Sum Insured they have selected for each Benefit provides sufficient protection for their needs.

The Insured can select cover from any of the following Benefits included in the Policy:

Benefits

Some or all of the following Benefits may be included in this Policy. The Sum Insured for each is shown in the Policy Schedule. If the Sum Insured shown in the Policy Schedule is \$0.00 for a Benefit, no cover is provided under this Policy for that Benefit. The circumstances under which a Claim is payable for each of these covers is detailed under "Benefits" in the Policy Wording.

Death and Capital Benefits
Weekly Injury Benefit
Weekly Sickness Benefit
Broken / Fractured Bones Benefits
Driver Services Benefit
Family Accommodation and Transport Expenses Benefit
Funeral Expenses Benefit
Home and Vehicle Modification Benefit
Partner Training Benefit

Benefit Limits

Benefits may be subject to Benefit Limits. Benefit Limits may affect the amount payable in the event of a Claim. If a Benefit Limit is applicable to a Benefit, it will be shown in the

Policy Schedule below the Benefit it applies to, indented from the left margin of the Schedule of Benefits.

Age Limitation

Age limits apply to this policy. No cover is provided for Insured Persons who are not aged between the minimum and maximum age limits of the Policy at the time of an Event.

1. The maximum age limit is shown in the Policy Schedule against "Maximum Age Limit (sub limits may apply)". If "Maximum Age Limit (sub limits may apply)" is not shown in the Policy Schedule, no maximum age limit applies to the Policy.
2. The minimum age limit is shown in the Policy Schedule against "Minimum Age Limit (sub limits may apply)". If "Minimum Age Limit (sub limits may apply)" is not shown in the Policy Schedule, no minimum age limit applies to the Policy.

Specific age limits may also apply to each Benefit included on this Policy. Please refer to each Benefit for full details.

The most We will Pay

The Policy may include an Aggregate Limit of Liability which is the most We will pay for all Benefits in any one Period of Insurance under this Policy. If applicable, it is shown in the Policy Schedule against "Aggregate Limit of Liability". We may also include an Aggregate Limit of Liability for specific Benefits or Events. If We include a specific Aggregate Limit of Liability for a Benefit or an Event, such limit will be shown in the Policy Schedule. The Aggregate Limit of Liability does not apply to the Personal Liability Benefit or the Medical and Medical Evacuation Expenses Benefit if they are included on the Policy. In the event this limit is reached, the amount can be reinstated with Our agreement and payment of the appropriate additional premium (plus any charges).

Choosing a Sum Insured

It is important that the Insured makes sure that the Sum Insured they have selected for each Benefit provides sufficient protection for its needs or the Insured Persons' needs.

Policy Cost and Payment

The cost of the Policy will be shown on the quotation We provide, once We have received all required information to complete the quotation. The cost of the Policy is calculated according to various risk indicators such as:

- Age of Insured Persons
- Occupation of Insured Persons
- Activities undertaken during the Scope of Cover
- Previous claims experience for this type of risk
- Risk location
- The Benefit Sum Insured

The cost of the Policy is made up of premium, administration fees and government taxes (such as Goods & Services Tax (GST) and Stamp Duty), where applicable.

Renewal Procedure

Before this Policy expires We will normally offer renewal by sending a renewal invitation advising the amount payable to renew this Policy. It is important that the Insured checks the information shown before renewing each year to be satisfied that the details are correct.

Taxation Implications

This Policy may be subject to a Goods & Services Tax in relation to premium.

Depending on the location of the risk being insured, this Policy may be subject to Stamp Duty in relation to premium and GST.

Depending upon the Insured or Insured Person's entitlement to claim Input Tax Credits under this Policy, We may reduce the payment of any Claim by the amount of any Input Tax Credit.

Any Claim paid in respect of the Weekly Injury Benefit or Weekly Sickness Benefit is subject to personal income tax. Where We are required to do so, We will withhold personal income tax amounts from Claim payments We make and forward these amounts to the Australian Taxation Office on behalf of the Insured or Insured Person. Where required, We will provide the Insured a summary of the amounts withheld at the end of each financial year.

The Insured and /or Insured Persons should consult an authorised tax advisor if there are any questions that relate to their particular circumstances.

Making a Claim and what is an Excess, Deferral Period and Co-payments

If the Insured or Insured Person needs to make a Claim, please send a written notice of the Claim to AHI within thirty (30) consecutive days of the date of the incident occurring or as soon as reasonably possible. AHI will provide a copy of the claim form which will need to be completed to Our reasonable satisfaction and provided to Us as soon as reasonably practicable. Any costs involved in the collection of information for the form are the responsibility of the Insured or Insured Person.

At any time after a Claim has been lodged We may conduct enquiries into the circumstances of the Claim. We may ask for medical examinations or, in the event of death, We may request an autopsy. This will be done at Our expense.

Any payments will be made in Australian (AUD) dollars unless otherwise shown in the Policy Schedule.

Once a payment is made under this Policy, We may attempt to recover the amount We have paid to the Insured or

Insured Person if We find someone else is responsible for the loss or damage. We will do this in the name of the Insured or Insured Person as applicable. We may also need to defend the Insured or the Insured Person against allegations of loss or damage, in which case We require their full co-operation with Us at all times.

Depending on the circumstances of the Claim, an Excess or Deferral Period may apply, or the Insured or Insured Person may be required to contribute to the cost of the Claim as follows:

1. Excess - an Excess is the amount paid by the Insured or Insured Person when a Claim is made.
2. Deferral Period – a Deferral Period is the continuous period of time shown in the Policy Schedule during which no Benefits are payable.
3. Co-payments – a co-payment is an arrangement where We will reimburse a portion of an expense that has been incurred leaving the remainder to be paid by the Insured Person.

To see some example Claim scenarios please visit www.ahiinsurance.com.au/claims-examples .

Cooling-Off

The Insured has a cooling-off period of twenty-one (21) consecutive days from the date on which the Policy was issued to cancel the Policy. If the request is made to Us in writing to cancel the Policy within the twenty-one (21) consecutive days, We will cancel the Policy and provide a full refund of premium less charges or taxes which we are unable to recover, provided neither the Insured nor any Insured Person has exercised a right or power under the terms of the Policy in that period (e.g. Insured Person has started their Journey, the Policy has already expired or if any Claim has been made under the Policy).

Dispute Resolution

We and AHI will do everything possible to provide a quality service at all times. If there are any concerns or complaints about Our products or service, AHI staff are always available to listen and help where possible.

If, after speaking with an AHI staff member, the complaint remains unresolved to the Insured's or Insured Person's satisfaction, the matter can be referred (either in writing or verbally) and reviewed through AHI's Complaints and Dispute Resolution Process, which is free of charge. Please contact the Disputes Resolution Manager (please see contact details for AHI in this Product Disclosure Statement). The process will undertake to provide an answer to the Insured or Insured Person within fifteen (15) consecutive business days, subject to all necessary information being provided.

If the Insured or Insured Person is not satisfied with the outcome of the dispute resolution process or We cannot agree on alternative timeframe and would like to take the complaint further, the Insured may refer the matter to the Australian Financial Complaints Authority (AFCA), an

external dispute resolution body, subject to eligibility. Access to the AFCA process is free of charge.

Important Notice

Accident & Health International Underwriting Pty Ltd (hereinafter called AHI) gives notice that this contract has been effected under an Authority given to AHI by the Insurer(s). AHI has entered into the contract as an agent of the Insurer(s) and not an agent of the Insured. A commission is payable by Us to AHI for arranging this insurance.

All cover under this Policy is subject to:

1. the payment of premium; and
2. the terms and conditions contained in this Policy document and in the Policy Schedule; and
3. the limits of liability referred to in the Policy and in the Policy Schedule.

This Policy consists of several Benefits. An Insured Person is covered for insurance under only those Benefits selected by the Insured as shown in the Policy Schedule.

We hereby agree to insure such Insured Persons as nominated by the Insured from time to time on the terms, conditions, limitations and exclusions set out in this Policy.

There is a maximum amount payable under each Benefit of the Policy with respect to each Insured Person, and with respect to all Claims payable under this Policy during each Period of Insurance. The limit of Our liability is the Sum Insured against each Benefit as shown in the Policy Schedule and is subject to the overall maximum amount in any one Period of Insurance as also shown in the Policy Schedule against "Aggregate Limit of Liability".

Benefits

The Policy consists of a number of Benefits that provide the level of cover to the Insured and/or Insured Persons. Please refer to the relevant Benefits of the Policy and the Policy Schedule for full Benefits details. The General Conditions and Limitations and General Exclusions of this Policy apply to all Benefits of the Policy in addition to the specific Conditions and Exclusions of the Benefit. If the Sum Insured stated in the Policy Schedule is \$0.00 for a Benefit, no cover is provided under this Policy for that Benefit.

Each Benefit is formatted under four (4) applicable headings:

1. Extent of Cover – details the Events that are covered under each Benefit.
2. Compensation – details the way We will pay the Compensation under each Benefit.
3. Conditions – explains the conditions which are required to be met for an Insured or Insured Person to make a Claim against that Benefit and are in addition to the General Conditions and Limitations that apply to all Benefits under this Policy.
4. Exclusions – details when We will not pay a Claim under each Benefit and are in addition to the General Exclusions that apply to all Benefits under this Policy.

Benefit Limits

Benefits may be subject to Benefit Limits. Benefit Limits may affect the amount payable in the event of a Claim. If a Benefit Limit is applicable to a Benefit, it will be shown in the Policy Schedule below the Benefit it applies to, indented from the left margin of the Schedule of Benefits.

All definitions for terms used in each Benefit or Benefit Limit can be found under the AHI Standard Definitions heading of this Policy.

9. The Insured and any Insured Person must give Us written notice as soon as reasonably practicable if the Insured or any Insured Person take out any Other Insurance with any insurer providing for weekly compensations of a similar kind which, together with this insurance, will exceed the Insured Person's Income.
10. All Compensation shall be paid monthly in arrears.
11. In respect of Temporary Partial Disablement, the maximum We will pay is forty (40%) percent of the Compensation payable for Temporary Total Disablement.

Such persons will work with the Insured, the Insured Person's Employer and the Insured's nominated treating Medical Practitioner to explore and facilitate possible return to work strategies within the functional parameters of the medical condition. The Insured must give Us reasonable cooperation in participating in such injury management.
3. We may also at any time during a Claim ask for further information or appoint a person to conduct further enquiries into the nature and circumstances of the Claim.

If the Medical Practitioner (authorised by Us) forms an opinion that is contrary to the opinion of the initial Medical Practitioner, We will obtain an independent Medical Practitioner's opinion which will be the opinion used for the purposes of determining a Claim.

Premium Adjustments

This Policy may be subject to a premium adjustment if there are any changes to the underwriting information provided by the Insured. We may ask for updated underwriting information at the end of the Period of Insurance.

Any premium adjustment is subject to the Insured's Claims experience and the application of Our minimum premium (which is available on request).

Singular / Plural

If it is consistent with the context of any clause in this Policy, the singular includes the plural and vice versa.

1. If We make any payments under the Policy to an Insured or an Insured Person, then, to the extent the Insured or Insured Person may have a cause of action for loss or damage against any third party in respect of the facts, matters and circumstances which gave rise to the payments being made under the Policy, then We have a right of subrogation and repayment including any Claim for interest by way of an action which may be brought in the name of the Insured and/or Insured Person against such third party. Both the Insured and Insured Person must provide reasonable cooperation to Us in pursuing any such right.

2. If the Insured Person brings a Claim for loss or damage in their own name against a third party in respect of the facts, matters and circumstances which gave rise to the payments being made under this Policy, then the Insured Person must include in their Claim any payments which may be recoverable from the third party including a Claim for interest (recoverable payments) and should the Insured Person recover damages against the third party either by way of settlement or judgment then the Insured Person must repay to Us out of any such damages the recoverable payments which the Insured Person received under this Policy. We will provide reasonable cooperation to the Insured Person and their legal advisers in bringing any such action.
3. If the Insured Person has at any time entered into or enters into a contract or agreement with another party that prevents the Insured Person's entitlement, and hence Our entitlement, to recover under Our right of subrogation then We may be entitled to rely on Section 54(2) of the Insurance Contracts Act to deny indemnity and to advise that no Compensation is payable by virtue of Section 54(2) of the Insurance Contracts Act.
