SPDS Edition 1

This Supplementary Product Disclosure Statement (SPDS) was prepared on 28 July 2021 and will apply to all **Steadfast CGU Landlords Residential Property Insurance Product Disclosure Statement and Policies with Accidental Damage/Flood Cover** (Preparation date 03/07/2021) version CID0242_F REV11 07/21 (PDS) with a new business effective date on or after 2 December 2021, or with a renewal effective date on or after 2 December 2021.

The information in this SPDS updates the terms contained in the PDS, and should be read together with the PDS and any other applicable SPDS. These documents together with your policy schedule make up the terms and conditions of your insurance contract with us. Your current policy schedule outlines the cover you have chosen.

Changes to Your PDS

Change 1:

Addition to 'Calculating your premium'

Your PDS is amended by inserting the following new paragraph under the heading 'Calculating your premium' on pages 4-5, immediately before the heading 'How CGU protects your privacy':

Your premium, including any discounts you may be eligible for, are subject to minimum premiums. We consider the minimum amounts we are prepared to sell the policy for and may adjust your premium to ensure it does not fall below the minimum premium. Any discounts will be applied to your policy, only to the extent any minimum premium is not reached. This means that any discount you may be eligible for may be reduced. When we determine your premium on renewal, we may also limit any increases or decreases in your premium by considering factors such as your previous years premium amount.

Change 2:

Replacement of the complaints handling process

Your PDS is amended by deleting all of the terms in the 'How to resolve a complaint or dispute' section on page 8, and replacing those deleted terms with the following new terms:

We will always do our best to provide you the highest level of service but if you are not happy or have a complaint or dispute, here is what you or your insurance adviser can do.

If you experience a problem or are not satisfied with our products, our services or a decision we have made, you or your insurance adviser should let us know so we can help. Contact information can be found within this PDS or you can call us on 13 24 81.

We will try to resolve complaints at first contact or shortly thereafter.

Free Call: 1800 045 517

Email: Customer.Relations@iag.com.au

Customer Relations will contact you or your insurance adviser if they require additional information or have reached a decision. Customer Relations will advise you or your insurance adviser of the progress of your complaint and the timeframe for a decision in relation to your complaint.

We expect our procedures will deal fairly and promptly with your complaint. If you are unhappy with the decision made by Customer Relations you or your insurance adviser may wish to seek an external review, such as referring the issue to the Australian Financial Complaints Authority (AFCA). AFCA provides fair and independent financial services complaint resolution that is free to customers. AFCA has authority to hear certain complaints. AFCA will confirm if they can assist you:

How to resolve a complaint or dispute

1. Talk to us first

If you have a complaint, the first thing you or your insurance adviser should do is speak to one of our staff. If your complaint relates specifically to a claim, speak with the claims officer managing your claim.

If the staff member or claims officer are unable to resolve the matter for you, you or your insurance adviser may speak to a manager. The manager will usually provide you with a response to your complaint within 15 days. If the timeframe is impractical for any reason such as the need for more information or further investigation, they will discuss with you alternative timeframes. If you are not satisfied with our response or we cannot agree with you on alternative timeframes, you can go to step 2.

2. Seek a review

If the matter is still not resolved the manager will refer you or your insurance adviser to the relevant dispute handling department or area who will conduct a review of your dispute and will usually provide you with a response to your dispute within 15 business days. If the timeframe is impractical, we will discuss with you alternative timeframes.

If you are still not satisfied with our response to your dispute or we cannot agree on alternative timeframes, you can go to step 3.

3. Seek an external review

You are entitled to seek an external review of our decision. We will provide you with information about options available to you, including, if appropriate, referring you to the external dispute resolution scheme administered by the Australian Financial Complaints Authority (AFCA). The AFCA is contactable on 1800 931 678 (free call).

You will not be able to have your dispute resolved by the AFCA if you are not eligible under the AFCA's Terms of Reference.

Further information about our complaint and dispute resolution procedures is available by contacting us.

Your responsibilities to us

When you take out, renew, or change or vary a policy, you have a responsibility to answer our questions truthfully.

What you must do when you apply to take out this policy

When applying to take out insurance we will ask you certain questions. When answering these questions, you must be honest.

We will use your answers to help us decide whether to insure you and anyone else under this policy, and on what terms.

Who you are answering the questions for

It is important that you understand you are answering the questions in this way on behalf of yourself and anyone else that you want to be covered by the policy.

If you do not answer our questions in this way

If you do not answer our questions in this way, we may reduce the amount we pay for or refuse to pay a claim to the extent we are prejudiced by your noncompliance, or cancel the policy if we would not have issued you cover on the same terms had you complied, or do both. If you answer our questions fraudulently, we may refuse to pay a claim and treat the policy as never being in place. The course of action we take when you fail to tell us these things will be considered in each circumstance based on what impact or effect your failure caused or contributed to a claim or our decision to issue your policy.

The Steadfast Landlords Residential Property Insurance Policy

Your policy

Your policy is a contract of insurance between you and us.

Your policy includes information on the following:

- when you are covered
- who is covered under your policy
- what is insured
- what your policy does not cover
- excesses that may apply
- how we pay claims.

If we accept your application for insurance, you will receive a schedule that sets out details of the insurance you have taken out as described in this policy.

Our agreement with you is made up of your application, your current schedule and this policy, as well as any endorsements we send to you.

Together, they make up your insurance contract with us.

Read them carefully and store them together in a safe place.

We recommend that you keep receipts for major items you purchase.

When you are covered

Your insurance begins when we accept your application.

The commencement date of your insurance will be shown on the schedule we will send you.

We will not cover loss or damage as a result of flood within 14 days (336 hours) of the start date of this policy, **unless:**

- you took out your insurance with us immediately after another insurance policy covering flood and insuring the same building or contents expired, without a break in cover.

We will not cover your buildings and your contents for a period of 48 hours from the time of the commencement of your insurance for loss or damage caused by:

- bushfire or grassfire, **or**
- a named cyclone.

We will provide cover however if:

- this insurance commences directly after another insurance policy covering the same property expired without a break in cover
- you have entered into a contract of sale to purchase the property
- you have entered into a contract to lease the property.

The insurance applies for the period for which you have paid us (or agreed to pay us) the premium. You may pay your premium by cash, cheque or credit card. If your cheque or credit card is dishonoured by your financial institution, you are not insured.

You can also pay your premium by instalments direct from a financial institution account or from your credit card.

What happens if you don't pay on time

When you take out insurance, you need to pay your annual premium or any instalments by the due date specified on your schedule. An instalment is unpaid if it cannot be deducted from your nominated account or credit card. If your premium is overdue we will send you a notice outlining the overdue amount and when it needs to be paid.

If your premium remains unpaid after the time period specified in the notice we send, we will:

- cancel your policy for non-payment; and
- refuse to pay any claim for an incident occurring after the cancellation date.

If you pay by instalment, we will send you a second notice either before cancellation informing you of the effective date of cancellation, or within 14 days after cancellation confirming the effective date of cancellation.

If you need to make a claim when your policy is overdue, and before your policy has been cancelled for non-payment, we will require you to pay the overdue amount as part of the claim settlement process. Alternatively where the settlement method allows we can reduce the settlement payment by the overdue amount.

If you have a total loss, we shall deduct the instalments for the remaining period of insurance from the amount we pay you.

Who is covered under this policy

The person whose name is set out in the schedule is insured. In this policy that person is called 'you' or 'your'.

Optional cover you can select

You can choose cover for:

- buildings
- contents
- loss of rent
- Strata Title Mortgagee Protection
- rent default and theft by a tenant
- liability
- Workers' Compensation in WA, Tasmania and NT.

Excess that may apply

If you make a claim under the policy, you may be required to pay one or more excesses. The descriptions of these excesses and the circumstances in which they are applied are shown in the policy wording under 'Policy excess' on page 25 and 'Excess' on page 37. The amount of each excess will be shown on your schedule other than the earthquake or tsunami excess which is shown on page 25 of the policy wording.

In most instances, you can select at the time of your enquiry or application for insurance the amount of policy excess you wish to pay should you have a claim. When you select a higher policy excess amount, we will normally reduce the amount of premium we charge you.

In some instances, we will require you to pay a specific amount of policy excess should you have a claim. In deciding the amount of policy excess, we take into consideration a number of factors in setting the amount of the policy excess.

These include factors relating to the type of property being insured, where the property is located, the type of construction of the property and your previous insurance and claims history. At the time of your enquiry or application for insurance, the amount of policy excess will be advised to you.

Additional things we will pay for when you have insured your buildings

The following will be paid in addition to the sum insured. These will only be paid when they relate to damage or loss that is covered by Section 1 “Buildings and Contents” of this policy.

- We will pay your legal costs to discharge your mortgage if your **claim** is for a total loss.
- We will pay the reasonable costs of demolishing and removing any building debris when damage or loss occurs. We will pay up to 15 per cent of your **buildings** sum insured.
- We will pay the reasonable costs of architects, surveyors and legal fees when damage or loss occurs. We will pay up to 15 per cent of your **buildings** sum insured.
- We will pay up to \$10,000 for **contents**. This will be paid in addition to any value of **contents** shown on your schedule.
- If you have a loss, we will increase your sum insured by the amount the Consumer Price Index (all groups) has increased since you took out your policy or last renewed it.
- You are fully insured again for your **buildings** for the amount shown in your schedule following a claim. This does not apply when your claim is for a total loss as your cover for **buildings**, including **contents** cover we provide shown on page 22 under “Additional things we will pay for when you have insured your buildings” will end then.
- We will pay up to an additional 15 per cent of the **buildings** sum insured if your **buildings** are damaged as a result of an event that the government declares a catastrophe or emergency.

We will only do this if:

- your **buildings** are considered by us to be a total loss

- the increased cost to rebuild or repair your **buildings** was caused solely by the event that the government declares a catastrophe or emergency
- the cost to rebuild or repair your **buildings** is greater than your **buildings** sum insured, **and**
- you rebuild or repair your **buildings** at the situation.

We will not pay the cost necessary to meet the requirements of any statutory authority in connection with rebuilding or repairing your **buildings** at the situation.

This benefit is only payable for additional building costs that have been caused as a result of increased demand on building material and labour costs by the catastrophe or emergency. This benefit will not provide any shortfall caused in your rebuilding costs if you have under insured your **buildings**.

Example (does not include costs necessary to meet the requirements of any statutory authority)

Your Building Sum Insured	\$200,000
Cost to rebuild your building immediately prior to event	\$250,000
Cost to rebuild your building immediately after the event	\$260,000
Benefit Payable	\$10,000

- a key to an external door lock of your **buildings**, or a key to an external window lock of your **buildings**, is stolen as a result of burglary or housebreaking, we will pay the reasonable costs of replacing the external lock, key or cylinder with a similar item. We will consider the individual circumstance in deciding which one we will do. The most we will pay is \$1,000. The burglary or housebreaking must be reported to the Police.

Additional things we will pay for when you have insured your contents

The following will be paid in addition to the sum insured. These will be paid when they relate to **malicious damage or vandalism**. This does not include **deliberate or intentional damage**.

- We will pay up to \$25,000 if a tenant or their visitors, or the children of a tenant or their visitors, or the pets of tenants or their visitors damage your Body Corporate building and you are legally liable for the damage.

The following will be paid in addition to the sum insured. These will only be paid when they relate to damage or loss that is covered by Section 1 “Buildings and Contents” of this policy.

- We will pay the reasonable costs of removing any **contents** debris when damage or loss occurs. We will pay up to 15 per cent of your **contents** sum insured.
- If you have a loss, we will increase your sum insured by the amount the Consumer Price Index (all groups) has increased since you took out your policy or last renewed it. This increase does not apply to any special contents you have insured.
- You are fully insured again for your **contents** for the amount shown in your **schedule** following a claim. This does not apply when your claim is for a total loss as your cover for **contents** will end then.
- If a key to an external door lock of your **buildings**, or a key to an external window lock of your **buildings**, is stolen as a result of burglary or housebreaking, we will pay the reasonable costs of replacing the external lock, key or cylinder with a similar item. We will consider the individual circumstance in deciding which one we will do. The most we will pay is \$1,000. The burglary or housebreaking must be reported to the Police.

Limit for the value of contents

The most we will pay for any one item, pair, set, collection or system is \$20,000. This does not apply to carpets, curtains and internal blinds. You can insure items that are worth more than \$20,000 each as a “special contents” item. To do this you must advise us and the items will be listed on your **schedule**.

Paying claims

Policy excess

The amount of your **excess** is shown on your **schedule**.

Your **excess** will be increased by \$250 for any **claim** for damage or loss arising from earthquake or tsunami. Damage or loss from earthquake must occur within 72 hours of the earthquake.

When a **claim** is paid for damage to, or loss of, **buildings** and **contents**, the **excess** amount will only apply once. When a **claim** is submitted for one or more separate identifiable events, the **excess** will be applied to each separate identifiable event.

The most we will pay for your buildings or contents

The most we will pay for any **claim** for **buildings** or **contents** is the sum insured shown on your **schedule**, less any applicable **excess**. This does not apply to amounts payable under “Additional things we will pay for when you have insured your buildings” or “Additional things we will pay for when you have insured your contents”.

How we pay a claim for your buildings

When damage or loss occurs to your **buildings** we will pay the cost of rebuilding your **buildings** or repairing the damaged portions to the same condition as when they were new. We will only do this when your **schedule** shows “including replacement benefit”. If your **schedule** does not show “including replacement benefit” and there is damage or loss to your **buildings**, your claim will be settled as shown on page 31 of this policy booklet.

We will also pay any additional costs required for your **buildings** to comply with government or local authority bylaws. We will not pay these additional costs if you were required to comply with these bylaws, and had not done so, before the damage or loss occurred. Where the damage is less than 50 per cent of the costs of rebuilding your **buildings**, we will only pay for the additional costs in the damaged portions.

Rebuilding or repairing your **buildings** must commence within six months of the damage or loss occurring, otherwise we will not pay any additional costs caused by any delay caused by you or any builder or supplier you engage or appoint for the repair or rebuilding work.

If it does not commence within six months, we will do one of the following:

- reinstate or repair the **buildings** to the condition they were in just before the damage or loss occurred, **or**
- pay you the cost of reinstating or repairing the **buildings** to the condition they were in just before the damage or loss occurred, **or**
- pay you the value of the land and **buildings** just before the damage or loss occurred. We will reduce this payment by the value of your land and **buildings** after the damage or loss occurred.

Our choice will have regard to the circumstances of your claim and consider any preference you may have.

If we decide to repair, rebuild or pay you the cost to repair or rebuild, we will only repair the damaged parts of your buildings.

We do not pay for materials to match the undamaged parts of your building to create a uniform appearance. In the event of repairs, we will make a fair and reasonable attempt to match the repairs to undamaged areas, using the closest match available.

If you are not satisfied with the closest match, you are able to:

- pay the extra cost of repairing undamaged areas to achieve a matching appearance, **or**
- we will pay you what it would have cost to repair the damaged area provided that cost is available to or actionable by you.
- If the damage or loss was caused to the **buildings** by liquid escaping:
 - from a bath, basin, sauna, spa, shower base or shower wall, we will pay the costs to repair the **buildings**. We will not pay the cost to repair or replace the bath, basin, sauna, spa, shower base or shower wall
 - we will pay the cost to:
 - identify and locate where the liquid escaped from

- replace the defective part from where the liquid escaped from.

However we will not cover:

- fixing or finding leaks that have not caused loss or damage to your buildings or contents.

If the rebuilding or repair is limited by government or local authority bylaws that reduce the floor area of the **buildings** we will:

- pay the actual cost of rebuilding or repairing the reduced floor area of the **buildings, and**
- pay the difference between the actual costs of rebuilding or repairing the reduced floor area of the **buildings** and the estimated costs of rebuilding or repairing had the limit not applied.

Provided your sum insured is not totally used for a **claim** we will also pay for any loss of land value following your **claim**. This loss must be as a result of government or local authority legislation that reduces the floor area of your **buildings**. Loss of land value is the difference between the value of the land just before the damage or loss occurred, and the value of the land just after the damage or loss occurred. We will reduce the amount we pay you for the loss of land value by any amount that you receive as compensation for this loss. The most we will pay is the unused portion of your sum insured.

Where you are entitled to use **bond money** to pay for or reduce the costs of any loss or damage, you must do so and the amount of that entitlement will be deducted from your **claim**.

How we calculate the amount if we choose to pay you

If your building is repairable, in some circumstances we will choose to settle your **claim** by deciding to pay you. We will pay you the reasonable costs of what it would cost provided that cost is available to or actionable by you.

What are some examples of when we do this?

- when you decide not to repair or rebuild your rental property.

- if you don't start repairing or rebuilding your rental property within 6 months of the loss or damage, or within any longer period we agree to in writing
- if not all the damage to your building is covered by this policy – you can find examples of these under “What Section 1 and Section 2 of the Policy do not cover” in this policy
- your building may have had some damage that existed prior to the event you are claiming for
- your building cannot be repaired until other work that is required to be done by you is completed, **or**
- when it is the only way to settle your claim.

Calculation of the amount

- We may ask you to obtain a quote or we will obtain a quote for the repairs from our builder or repairer.
- If we obtain the quote we will provide you with details of the work that has been included:
 - this will be detailed in the quote, **or**
 - for larger claims we may include a scope of works.
- We will confirm that the builder who has provided the quote is prepared to undertake the work – provided you have completed any work that is required to be done by you first.
- The amount we will pay you will not be more than the buildings sum insured.

Where a **claim** relates to the **contents** cover provided under “Additional things we will pay for when you have insured your buildings” it will be settled under the section “How we pay a claim for your contents”.

How we pay a claim for your contents

When damage or loss occurs to:

- any item that consists solely of fabric, **or**
- carpet which is 10 years old or more, **or**
- any other **contents** item that is 15 years old or more, we will do one of the following:
 - replace the property with property of the same condition. The replacement property will be no better than the property replaced, **or**

- repair the property to the same condition it was in before the damage or loss, **or**
- we will pay you the cost of replacement or repair. Our payment will be reduced to allow for wear, tear and depreciation.

Our choice will have regard to the circumstances of your claim and consider any preference you may have.

When damage or loss occurs to any other **contents** item we will do one of the following:

- replace the property with the nearest equivalent new property, **or**
- repair the property to the condition it was in when new, **or**
- pay you the cost of replacement or repair.

Our choice will have regard to the circumstances of your claim and consider any preference you may have.

We will pay for carpets, wall, floor and ceiling coverings, internal blinds and curtains, only in the room, hall or passage where the damage or loss occurred.

When a damaged or lost item is part of a pair, set, system or collection, we will only pay for the value of the item itself. The most we will pay is the value that the item has as a proportion of the combined pair, set, system or collection.

Where the loss or damage to an item that forms part of a pair or set results in the pair or set being completely inoperable, or if any replacement part does not function to enable operation with the remaining item/s in the pair or set, then we will pay you the cost to replace the entire pair or set.

Where you are entitled to use bond money to pay for or reduce the costs of any loss or damage, you must do so and the amount of that entitlement will be deducted from your claim.

How we calculate the amount if we choose to pay you

In some circumstances we will choose to settle your claim by deciding to pay you. We will pay you the reasonable costs of what it would cost us to repair or replace the items provided the cost is available to or actionable by you.

What are some examples of when we do this?

This may occur when the other settlement types under 'How we pay a claim for your contents' are unable to be used or when it is the only way to settle your claim.

Calculation of the amount

If we choose to settle your contents claim by paying you the reasonable cost to repair or replace the items we will calculate this amount in the following way:

- If it was based on the cost to replace the item included as part of your claim:
 - We will agree with you the appropriate replacement item to settle your claim.
 - We will obtain a quote from our supplier to replace the item and supply it to you.
 - We will use the quoted amount as the basis of the settlement.
 - The amount we pay you will not be more than contents sum insured in total and the maximum amount per item, set, pair, collection or system, as relevant.
- If it was based on the cost to repair the item included as part of your claim:
 - We will agree with you the repairs covered by your policy that are required to settle your claim.
 - We will obtain a quote from our supplier or repairer to repair the item for you.
 - The quote will include the details of the repairs required.
 - We will use the quoted amount as the basis of the settlement.

The amount we pay you will not be more than **contents** sum insured in total and the maximum amount per item, set, pair, collection or system, as relevant.

How we pay a claim for your buildings when your schedule does not show “including replacement benefit”

When damage or loss occurs to your buildings, we will do one of the following:

- reinstate or repair the buildings to the condition they were in just before the damage or loss occurred, **or**
- pay you the cost of reinstating or repairing the buildings to the condition they were in just before the damage or loss occurred, **or**
- pay you the value of the land and **buildings** just before the damage or loss occurred. We will reduce this payment by the value of your land and **buildings** after the damage or loss occurred.

Our choice will have regard to the circumstances of your claim and consider any preference you may have.

We will pay for the damaged portions of fixed coverings to walls, floors and ceilings only in the room, hall or passage in which the damage occurred.

If we decide to repair, rebuild or pay you the cost to repair or rebuild, we will only repair the damaged parts of your buildings.

We do not pay for materials to match the undamaged parts of your building to create a uniform appearance. In the event of repairs, we will make a fair and reasonable attempt to match the repairs to undamaged areas, using the closest match available.

If you are not satisfied with the closest match, you are able to:

- pay the extra cost of repairing undamaged areas to achieve a matching appearance, **or**
- we will pay you what it would have cost to repair the damaged area provided that cost is available to or actionable by you.

If the damage was caused by liquid that escaped from a bath, basin, sauna, spa, shower base or shower wall, we will pay the costs to repair the **buildings**. We will not pay the costs to repair or replace the bath, basin, sauna, spa, shower base or shower wall.

Provided your sum insured is not totally used for a claim, we will also pay for any loss of land value following your claim. This loss must be as a result of government or local authority legislation that reduces the floor area of your buildings. Loss of land value is the difference between the value of the land just before the damage or loss occurred and the value of the land just after the damage or loss occurred. We will reduce the amount we pay you for the loss of land value by any amount that you receive as compensation for this loss. The most we will pay is the unused portion of your sum insured.

Loss Of Rent

This section of the policy only applies when your **schedule** shows that you have requested cover for Loss of Rent.

It applies when accidental damage or accidental loss occurs on the same basis as set out in Section 1 “Building and Contents”. We will pay when the **building** or sections of the **buildings and/or contents** are:

- **unable to be lived in** after the accidental damage or accidental loss has occurred, **or**
- **unable to be leased or rented** when the property is used for short term rental after the accidental damage or accidental loss has occurred. We will deduct an amount equal to five days **rent** from our payment to you.

The cover also applies when accidental damage or accidental loss to other property located near the insured **buildings** is damaged and access to the **buildings** or contents is prevented.

We will pay the amount that is equal to the **rent** up to the period of time your **buildings** have been repaired or replaced. We will pay this for up to 24 months and the amount we pay will not be greater than double the sum insured shown on your **schedule**.

When accidental damage or accidental loss occurs to **buildings** that are subject to Rent Pool arrangements we will only pay where other sections of the **buildings** are not available for lease and a financial loss occurs.

Where the **buildings** are not used for short term letting, we will extend cover for up to 2 weeks after the **buildings** have been repaired or replaced.

Where you are entitled to use **bond money** to pay for or reduce the costs of any loss or damage, you must do so and the amount of that entitlement will be deducted from your **claim**.

Strata Title Mortgagee Protection

This section of the policy only applies when your **schedule** shows that you have requested cover for Mortgagee Protection.

It applies when you own part of a building that has been subdivided, usually into strata title units, and you have a mortgage on that part of the building. We will cover the part of the building that you own for any damage or loss covered by Section 1 “Buildings and Contents”.

We will pay up to the amount you owe on your mortgage but no more than the sum insured shown on your **schedule**, less any applicable **excess**. We will pay this to your mortgagee when you are required to pay your mortgage in full following a loss. We will only pay this when the Body Corporate has not insured the buildings, or it has not insured the buildings for damage that you can **claim** for under this policy.

Rent Default And Theft By A Tenant

This section of the policy only applies when your **schedule** shows that you have requested cover for Rent Default and Theft by a Tenant.

When we will pay for rent default

We will pay if your **tenant**:

- leaves your **buildings** before the end of the tenancy period stated in the **rental agreement** and does not give you or your agent notice, **or**
- stops paying **rent** owed to you or your agent, **or**
- is legally evicted from your **buildings**.

We will pay the weekly amount your **buildings** are rented for. The most we will pay is \$12,000. We will not pay you when your **buildings** are re-tenanted.

When we will pay for theft by a tenant

We will pay if there is theft of any part of your **buildings** or **contents** by your **tenant** or their visitors, or their visitors' children.

We will only pay for theft to:

- your **buildings** if you have insured your **buildings** under Section 1 of this policy. The most we will pay is the sum insured you have selected for your **buildings**, less any applicable **excess**. This includes \$10,000 for **contents** as set out under "Additional things we will pay for when you have insured your buildings"
- your **contents** if you have insured your **contents** under Section 1 of this policy. The most we will pay is the sum insured you have selected for your **contents**, less any applicable **excess**.

Paying claims

We will pay your claim for **rent default**, or theft by your **tenant** or their visitors, or their visitors children, of any part of your **buildings** and/or **contents**.

We will only pay when you and your tenant have a **rental agreement**.

We will only pay for **rent default** if the **tenant** breaches the **rental agreement**.

The cover for **rent default** will not apply if the **rent** is in arrears at the commencement date of this insurance. The cover will not commence until the **rent** arrears have been paid, and the **tenant** has paid agreed **rent** in accordance with the **rental agreement** for a period of not less than four consecutive weeks.

When we pay a **claim** for **rent** and/or legal expenses, the **claim** will be reduced by the balance, if any, of any **bond money** remaining after deduction of **allowable reletting expenses** and any other costs or expenses you are legally entitled to deduct from the **bond money**.

We will only pay a **claim** when you have taken all reasonable steps legally available to you under the Residential Tenancies Act or other relevant legislation, to remedy non payment and evict the tenant. Your **claim** for **rent default** ceases when the **rental agreement** could reasonably have been legally terminated by you.

If the **rental agreement** defaults to a **periodical tenancy agreement** we will only pay two weeks **rent** after the **tenant** vacates the **building** without notice.

We will not pay if your **tenant** leaves the **buildings** with or without notice, and you have failed to rectify a Notice of Remedy breach issued by the **tenant** to you.

Excess

If you make a claim, you will need to pay any excess that applies to your building or contents as part of the finalisation of your claim. The amount of your **excess** is shown on your **schedule**.

Additional things we will pay for when you make a claim for Rent Default and Theft by a Tenant

We will also pay legal costs you incur:

- to legally evict **tenants, or**
- to recover amounts owed to you by your **tenants, or**
- to recover amounts for items stolen by your **tenants** or their visitors, or their visitors' children.

We will not pay legal costs to recover any amount owed to you solely for the payment of any **excess** applicable to any **claim** under this policy.

The most we will pay for your legal costs is \$5,000. We will only pay your legal costs when we agree to pay them before they are incurred.

Section 2

The **occurrence** that results in a claim must occur during the period of insurance. We will also pay any legal costs you have to pay in relation to the **occurrence**. This includes costs awarded against you. The most we will pay, including costs, for any **occurrence** is the amount shown in your **schedule**. Where the **occurrence** takes place over more than one period of insurance, we will only pay the amount shown in your **schedule** once in respect of each **occurrence**.

Policy Information That Applies To Section 1 And Section 2 Of The Policy

When your insurance cover does not apply

Your insurance for your **buildings** and **contents** will not apply if, for a continuous period of 90 days or more, no one has lived at your **situation**. This does not apply to holiday lettings.

You can ask us to provide cover if no one is going to be living at your **situation** for more than 90 days. If we agree to provide cover we will advise you in writing.

Section 3

Workers' Compensation

This section of the policy only applies when your **schedule** shows that you have requested cover for Workers' Compensation for persons employed in connection with owning, operating and managing the **buildings**.

Some circumstances make Workers' Compensation compulsory if you have employees. If you are unsure, check with your local Workers' Compensation Authority.

We will pay the amount you are liable to pay if a person you employ is injured while working for you. We will only pay if the person is doing work for you in respect of owning, operating and managing the **buildings** insured under Section 1. We may cancel this policy if you fail to notify us of a change in the circumstances of the risk during the period of insurance if the change materially increases the risk under your policy.

If we cancel this policy we will advise you in writing. To do this, a notice will be delivered or posted to you.

Return of premium if your policy is cancelled before the due date

If your policy is cancelled before the due date:

- we will keep the premium for the period that the policy was in force
- we will return to you the premium for the period from the date the policy ended to the due date of the policy.

How the Goods and Services Tax affects your claim

Where we make a payment under this policy for the acquisition of goods, services or other supply, we will reduce the amount of the payment by the amount of any input tax credit that you are, or will be, or would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 in relation to that acquisition, whether or not that acquisition is actually made.

Where we make a payment under this policy as compensation instead of payment for the acquisition of goods, services or other supply, we will reduce the amount of the payment by the amount of any input tax credit that

you would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 had the payment been applied to acquire such goods, services or other supply

The law that applies to this policy

Any disputes arising from this policy will be determined by the courts, and in accordance with the laws, of the state or territory of Australia where this policy is issued.

How To Make A Claim

Please contact your nearest CGU Insurance office when something happens that you believe you can claim for.

What you must do when you make a claim

You must make your claim as soon as reasonably possible after you suffer a loss. If you do not make it within a reasonable time, we may reduce what we pay you by an amount to take account of any disadvantage we suffer by the delay.

You must also:

- take all reasonable steps to stop any further loss from occurring, including all remedies available to you under any relevant state Residential Tenancy Act
- advise the nearest police station if your property is lost or stolen, vandalised or maliciously damaged. We may ask you to give us a written report from the police. If we ask you and you are unable to obtain a written police report, please contact us to discuss alternatives.
- keep the property that has been damaged so we can inspect it provided it is reasonable and safe to do so.
- tell us about any prosecution or inquest that may be held
- send us any document relating to your claim as soon as reasonably possible after receiving the document.

What you must not do when you make a claim

You must not do any of the following:

- repair or replace any damaged property without our consent
- pay, promise to pay, or offer payment, or admit responsibility for a **claim**.

You give us your rights to claim from anyone else

If you have a right to claim against someone else for a claim you made under this policy, you give us your rights to make that claim. You also give us your rights to conduct, defend or settle any legal action and to act in your name.

You must not do anything which prevents us from doing this and you must give us all the information and co-operation that we reasonably require.

We will only request information and cooperation that is relevant to our entitlement to make a claim against anyone else, or conduct, defend or settle any legal action, and we will explain why such information and cooperation is needed.
