You will not receive a refund if you have made a claim under your policy.

How to apply for insurance

Complete our application form. If we accept your application for insurance, you will receive a schedule that sets out details of the insurance you have taken out.

How to make a claim

When something happens that you believe you can claim for, please contact your nearest CGU Insurance office, or call 13 24 80 (13CGU0). Details about making a claim are shown in the insurance policy terms and conditions under 'How to make a claim'.

Calculating your premium

The premium payable by you for this insurance will be shown on your schedule. The key factors that influence the premium calculation are reflected in the questions asked, and information sought, at the time of your enquiry or application for home insurance. These include factors relating to the type of property being insured, where the property is located, the type of construction of the property and your previous insurance and claims history.

Your premium, including any discounts you may be eligible for, are subject to minimum premiums. We consider the minimum amount we are prepared to sell the policy for and may adjust your premium to ensure it does not fall below the minimum amount. Any discounts will be applied to your policy, only to the extent any minimum premium is not reached. This means that any discount you may be eligible for may be reduced. When we determine your premium on renewal, we may also limit any increases or decreases in your premium by considering factors such as your previous year's premium amount.

Premiums are subject to Commonwealth and state taxes, charges and levies. These include the Goods and Services Tax, stamp duty and fire service levy. The amount of these taxes, charges and levies will be shown on your schedule.

Paying your premium

The insurance applies for the period for which you have paid us (or agreed to pay us) the premium.

You may pay your premium by cash, cheque or credit card. You can also pay your premium by instalments direct from a financial institution account or from your credit card.

You need to pay your annual premium or any instalments by the due date specified on your schedule. An instalment is unpaid if it cannot be deducted from your nominated account or credit card.

If your premium is overdue, we will send you a notice outlining the overdue amount and when it needs to be paid. If your premium remains unpaid after the time period specified in the notice we send, we will:

- cancel your policy for non-payment, and
- refuse to pay any claim for an incident occurring after the cancellation date.

If you pay by instalment, we will send you a second notice either before cancellation informing you of the effective date of cancellation, or within 14 days after cancellation confirming the effective date of cancellation.

If you need to make a claim when your policy is overdue, and before your policy has been cancelled for non-payment, we will require you to pay the overdue amount as part of the claim settlement process. Alternatively, where the settlement method allows, we can reduce the settlement payment by the overdue amount.

If you have a total loss, we shall deduct the instalments for the remaining period of insurance from the amount we pay you.

Interest on unallocated premium

If we are unable to issue your insurance when we receive your application, we are required to hold your Premium in a trust account on your behalf until your insurance can be issued. We will retain any interest payable by our bank to meet, among other things, bank fees and other bank costs we incur in operating the account.

Paying claims

Excesses that apply when you make a claim

An 'excess' is your contribution towards the cost of a claim. We will tell you if you need to pay an excess.

In most instances you can select, at the time of your enquiry or application for insurance, the amount of the excess you wish to pay should you make a claim. When you select a higher excess amount we will normally reduce the amount of the premium you will have to pay.

We take into consideration a number of factors in setting the amount of the excess. These include factors relating to the type of property being insured, where the property is located, the type of construction and your previous insurance and claims history.

At the time of your enquiry or application for insurance, the amount of the excess will be advised to you.

For each claim for your buildings and your contents, we will reduce the amount we pay you for your claim by the amount of the excess. The amount of your excess is shown on your schedule.

Your excess will be increased by \$250 for any claim for loss or damage arising from an earthquake or tsunami. This loss or damage must occur within 72 hours of the earthquake.

When a claim is paid for loss or damage to your buildings and your contents, the excess amount will only be applied once. You will not be required to pay any excess in the event that your buildings or contents are a total loss.

When a claim is paid under 'Additional things we will pay for when you have insured your buildings' only, 'Additional things we will pay for when you have insured your contents' only, or 'Additional things we will pay for when you have insured your buildings and/or contents' only, your excess will not apply.

The most we will pay for your buildings or your contents

The most we will pay for any claim for your buildings or your contents is the sum insured shown on your schedule. This does not apply to amounts payable under 'Additional things we will pay for when you have insured your buildings', or 'Additional things we will pay for when you have insured your contents', or 'Additional things we will pay for when you have insured your buildings and/or contents'.

There are some contents items that we will only cover up to a certain amount. See 'What are contents' on pages 25-27 for details of these contents items and the amounts we will pay.

How we pay a claim for buildings

When your schedule shows 'including replacement benefit'

When loss or damage occurs to your buildings, we will pay the cost of rebuilding your buildings or repairing the damaged portions to the same condition as when they were new.

We will only do this when your schedule shows 'including replacement benefit'.

We will also pay any additional costs required for your buildings to comply with government or local authority bylaws. We will not pay these additional costs if you were required to comply with these bylaws, and had not done so, before the loss or damage occurred.

Rebuilding or repairing your buildings must commence within six months of the loss or damage occurring, otherwise we will not pay any additional costs caused by any delay caused by you or any builder or supplier you engage or appoint for the repair or rebuilding work. If it does not commence within six months, we will do one of the following:

- reinstate or repair your buildings to the condition they were in just before the loss or damage occurred
- pay you the cost of reinstating or repairing your buildings to the condition they were in just before the loss or damage occurred
- pay you the value of the land and your buildings just before the loss or damage occurred. We will reduce this payment by the value of your land and your buildings after the loss or damage occurred.

Our choice will have regard to the circumstances of your claim and consider any preference you may have.

We will pay for the damaged portion of fixed coverings to walls, floors and ceilings only in the room, hall or passage where the damage occurred.

We will only repair the damaged part(s) of your buildings. We do not pay for materials to match the undamaged parts of your buildings to create a uniform appearance. In the event of repairs, we will make a fair and reasonable attempt to match the repairs to undamaged areas using the closest match available. If you are not satisfied with the closest match, you are able to:

- pay the extra cost of repairing undamaged areas to achieve a matching appearance, or
- we will pay you what it would have cost us to repair the damaged area provided that cost is available to or actionable by you.

If the damage was caused by liquid that escaped from a bath, basin, sauna, spa, shower base or shower wall, we will pay the costs to repair your buildings. We will not pay the costs to repair or replace the bath, basin, sauna, spa, shower base or shower wall.

How we calculate the amount if we choose to “pay you”

If your building is repairable, in some circumstances we will choose to settle your claim by deciding to pay you. We will pay you the reasonable costs of what it would cost us provided that cost is available to or actionable by you.

What are some examples of when we do this?

- when you decide not to repair or rebuild your home
- if you don't start repairing or rebuilding your home within 6 months of the loss or damage, or within any longer period we agree to in writing
- if not all the damage to your building is covered by this policy – you can find examples of these under “When we will not pay” in this policy
- your building may have had some damage that existed prior to the event you are claiming for
- your building cannot be repaired until other work that is required to be done by you is completed, or
- when it is the only way to settle your claim.

Calculation of the amount

- we may ask you to obtain a quote or we will obtain a quote for the repairs from our builder or repairer
- if we obtain the quote we will provide you with details of the work that has been included:
 - this will be detailed in the quote, or
 - for larger claims we may include a scope of works.
- we will confirm that the builder who has provided the quote is prepared to undertake the work – provided you have completed any work that is required to be done by you first
- the amount we will pay you will not be more than the buildings sum insured.

When your schedule does not show 'including replacement benefit'

When loss or damage occurs to your buildings and your schedule does not show 'including replacement benefit', we will do one of the following:

- reinstate or repair your buildings to the condition they were in just before the loss or damage occurred
- pay you the cost of reinstating or repairing your buildings to the condition they were in just before the loss or damage occurred
- pay you the value of the land and your buildings just before the loss or damage occurred. We will reduce this payment by the value of your land and your buildings after the loss or damage occurred.

Our choice will have regard to the circumstances of your claim and consider any preference you may have.

We will pay for the damaged portions of fixed coverings to walls, floors and ceilings only in the room, hall or passage where the damage occurred.

We will only repair the damaged part(s) of your buildings. We do not pay for materials to match the undamaged parts of your buildings to create a uniform appearance. In the event of repairs, we will make a fair and reasonable attempt to match the repairs to undamaged areas using the closest match available. If you are not satisfied with the closest match, you are able to:

- pay the extra cost of repairing undamaged areas to achieve a matching appearance, or

- we will pay you what it would have cost us to repair the damaged area provided that cost is available to or actionable by you.

If the damage was caused by liquid that escaped from a bath, basin, sauna, spa, shower base or shower wall, we will pay the costs to repair your buildings. We will not pay the costs to repair or replace the bath, basin, sauna, spa, shower base or shower wall.

How we pay a claim for your contents

When loss or damage occurs to any contents item, we will do one of the following:

- replace the item with the nearest equivalent new item
- repair the item to the condition it was in when new
- pay you the cost of replacement or repair.

Our choice will have regard to the circumstances of your claim and consider any preference you may have.

We will pay for the cost of replacement for:

- carpets
- wall, floor and ceiling coverings, **and**
- internal blinds and curtains

only in the room, hall or passage where the loss or damage occurred.

When an item is part of a pair, set, system or collection, we will only pay for the value of the item itself. The most we will pay is the value that the item has as a proportion of the combined pair, set, system or collection.

Where the loss or damage to an item that forms part of a pair or set results in the pair or set being completely inoperable, or if any replacement part does not function to enable operation with the remaining item/s in the pair or set, then we will pay you the cost to replace the entire pair or set. For example, where a single hearing aid is lost or damaged and a single replacement will not enable the pair to operate, we will replace both hearing aids.

How we calculate the amount if we choose to “pay you”

In some circumstances we will choose to settle your claim by deciding to pay you. We will pay you the reasonable costs of what it would cost us to repair or replace the items provided the cost is available to or actionable by you.

What are some examples of when we do this?

This may occur when the other settlement types under “Contents” are unable to be used or when it is the only way to settle your claim.

Calculation of the amount

If we choose to settle your contents claim by paying you the reasonable cost to repair or replace the items we will calculate this amount in the following way.

- if it was based on the cost to replace the item included as part of your claim:
 - we will agree with you the appropriate replacement item to settle your claim
 - we may ask you to obtain a quote or we will obtain a quote from our supplier to replace the item and supply it to you
 - we will use the quoted amount as the basis of the settlement
 - the amount we pay you will not be more than contents sum insured in total and the maximum amount per item, set, pair, collection or system, as relevant.
- if it was based on the cost to repair the item included as part of your claim:
 - we will agree with you the repairs covered by your policy that are required to settle your claim
 - we will obtain a quote from our supplier or repairer to repair the item for you
 - the quote will include the details of the repairs required
 - we will use the quoted amount as the basis of the settlement
 - the amount we pay you will not be more than contents sum insured in total and the maximum amount per item, set, pair, collection or system, as relevant.

Defence costs

In addition to the limit of your liability cover, if we agree you are entitled to liability cover under this policy in respect of an occurrence, we will also pay legal costs incurred with our consent to defend the claim. Valuable Items

This section of the policy only applies when your schedule shows that you have requested cover for valuable items.

Contents are automatically covered whilst temporarily removed in accordance with 'Cover for your contents away from your situation' on pages 28–29 however limits apply. If cover for higher amounts is required please select this cover.

What are valuable items

- jewellery and watches
- items that contain gold or silver (this does not include items thinly covered with gold or silver)
- collections of stamps, money (excluding cryptocurrency and non-fungible tokens (NFTs)) or medals
- special valuable and personal items which are listed on your schedule
- clothing
- pedal cycles
- personal effects specifically designed to be worn or carried on a person.

What are not valuable items

- unset precious and semi-precious stones
- items thinly covered with gold or silver
- motor vehicles, motorcycles, caravans, trailers, aircraft or accessories or spare parts of any of these items
- watercraft more than four metres long
- watercraft less than four metres long that require registration under state or territory legislation
- personal water craft (for example, jet skis)
- pedal cycles while they are being used
- money, cryptocurrency, non-fungible tokens (NFTs) or negotiable documents.

When we will pay

Your valuable items are covered for accidental loss or accidental damage, provided that the accidental loss or accidental damage happens within Australia or New Zealand. You only have cover for accidental loss or accidental damage that happens outside of Australia and New Zealand if the loss or damage occurs within 90 consecutive days after you leave Australia.

When we will not pay

We will not pay if the accidental loss or accidental damage is caused by the following:

- rust, corrosion, gradual deterioration, depreciation, wear or tear
- a defect in the item
- rats, mice or insects
- processes of cleaning involving the use of chemicals other than domestic household chemicals.

Paying claims

How we pay a claim for a valuable item

When accidental loss or accidental damage occurs to a valuable item, we will do one of the following:

- replace the item with the nearest equivalent new item
- repair the item to the condition it was in when new
- pay you the cost of replacement or repair.

Our choice will have regard to the circumstances of your claim and consider any preference you may have.

When a valuable item is part of a pair, set, system or collection, we will only pay the value of the item itself. The most we will pay is the value that the item has as a proportion of the combined pair, set, system or collection.

Where the loss or damage to an item that forms part of a pair or set results in the pair or set being completely inoperable, or if any replacement part does not function to enable operation with the remaining item/s in the pair or set, then we will pay you the cost to replace the entire pair or set. For example, where a single hearing aid is lost or damaged and a single replacement will not enable the pair to operate, we will replace both hearing aids.

We will reduce any payment for loss of, or damage to, an item under this section by the amount we pay you for the same item under your contents cover.

Policy excess

For each claim under this section, we will reduce the amount we pay you for your claim by \$250.

Limit for valuable items

The most we will pay for any one item, pair, set, collection or system is \$5,000 for valuable items.

You can insure items, pairs, sets, collections or systems that are worth more than the above limits for their actual value as 'special valuable' items.

To do this you must advise us and the items will be listed on your schedule. The most we will pay in total for all valuable items is the amount shown on your schedule.

What Section 1 and Section 2 of the policy do not cover

We will not pay claims for loss, damage or liability arising from:

- lawful destruction or confiscation of your property
- damage to a heating element. We will pay for any resultant damage following damage to a heating element
- mildew, atmospheric or climatic conditions
- mould, unless covered by an event covered under this policy
- fungi
- damage, loss or injury that you or anyone acting for you deliberately caused
- storm surge, the action of the sea, tidal wave, high water, or erosion
- landslide or subsidence, except as detailed on page 18
- any event that does not occur within the period of insurance.

We do not cover:

- any loss, damage, liability, injury or death caused by, arising from, occasioned by or through or in consequence directly or indirectly of war, invasion, acts of foreign enemy, hostilities (whether war be declared or not), civil war, insurrection, rebellion, revolution or military or usurped power
- any loss, damage, liability, injury, death, cost or expense directly or indirectly caused by, contributed to by, resulting from or arising out of or in connection with:
 - an act of terrorism, regardless of any other cause or event contributing concurrently or in any other sequence to the loss, or
 - any action taken to control, prevent, suppress, retaliate against, or respond to an act of terrorism
- mechanical, structural, electrical, hydraulic, or electronic breakdown or failure unless the breakdown or failure results in loss or damage to insured property. This exclusion does not apply to an electric motor burning out

- loss, damage, liability, claim, cost or expense directly or indirectly caused or contributed to by:
 - errors or omissions involving access to, processing of, use of or operation of any computer system or any unavailability or failure to access, process, use or operate any computer system, or
 - any unauthorised, malicious or criminal act (or any threat or hoax of this) involving access to, processing of, use of or operation of any computer system,

provided that this exclusion will not apply to physical loss or damage directly caused by an incident or event we cover you for under this policy except if caused by vandalism or a malicious, deliberate, or intentional act. For example, we will not cover you if your home's security system cannot be used because of a cyber attack, but we will cover you for loss or damage from theft from your home as covered under this policy after your home's security system is impacted by a cyber attack

- loss, damage, liability, claim, cost or expense directly or indirectly caused or contributed to by loss of use, reduction in functionality, repair, replacement, restoration or reproduction of any data including the value of any data
- consequential loss except if specifically covered under this policy. This means we will not pay for direct or indirect financial or economic loss, for example loss of use or enjoyment, loss of profits or depreciation
- seepage, pollution or contamination, or any loss, damage, liability, injury, death, cost, expense, fines, penalties, punitive or exemplary damages caused by, arising from or in connection with any seepage, pollution or contamination
- any loss, damage, injury or death arising from or directly or indirectly caused by, contributed to by, resulting from or in connection with a communicable disease, or the fear or threat (whether actual or perceived) of a communicable disease

We will not be liable to provide any cover, pay any claim or provide any benefit under this policy (including any refund of premium), to the extent that such cover, claim, benefit or refund may contravene or expose us to any sanction, prohibition or restriction under United Nations resolutions or any trade or economic sanctions, laws or regulations of any country.

Section 3

Workers' Compensation

This section of the policy only applies when your schedule shows that you have cover for workers' compensation. If you have employees, in some circumstances workers' compensation cover is compulsory.

If you are unsure, check with your local Workers' Compensation Authority.

We will pay the amount you are liable to pay if a person you employ is injured while working for you.

We will only pay if the person is doing domestic work for you. We will not pay if the person is working for you in your business, profession, trade or occupation.

The amount we will pay is subject to the relevant workers' compensation legislation in your state or territory.

Please refer to page 3 under 'Who is the insurer'.

Section 4

Policy information

When your cover does not apply

Your cover for your buildings, contents and valuable items will not apply if, for a continuous period of 90 days or more, no one has occupied your buildings, unless the loss or damage results from lightning, thunderbolt or earthquake.

You can ask us to provide cover if your buildings are not going to be occupied for more than 90 days.

If we agree to provide cover, we will advise you in writing.

You cannot give your rights away

You cannot give anyone else an interest in this policy without our written consent.

What you are required to do for us

- You must pay us the premium for this insurance.
- You must tell us as soon as reasonable possible of anything that changes the facts or circumstances relating to your insurance.
- You must take reasonable precautions to prevent anything which could result in a claim under this policy.
- You must take reasonable steps to ensure that anyone doing anything on your behalf obeys all relevant laws.
- You must comply with the conditions of this policy.

Failure to do any of these things may affect our decision to continue your insurance cover. The course of action we take when you fail to do any of these things will be considered in each circumstance based on what impact or effect your failure to comply caused or contributed to the claim or our decision to issue your policy.

Cancelling your policy before the due date

You can cancel this policy at any time. To do this you must tell us in writing. The policy will end when we receive your notification.

We can cancel this policy if you do any of the following:

- make a misleading statement to us when you apply for your insurance
- fail to tell us anything you should tell us when you apply for this policy, renew this policy and when you change or reinstate this policy
- fail to comply with the conditions of this policy
- fail to pay the premium for this insurance
- are not fair and open in your dealings with us
- make a claim during the period of this policy that is not true. The claim does not have to be under this policy and can be with us or another insurance company.

We may cancel this policy if you fail to notify us of a change in the circumstances of the risk during the period of insurance.

If we cancel this policy, we will advise you in writing. To do this, a notice will be delivered or posted to you.

Return of premium if your policy is cancelled before the due date

If your policy is cancelled before the due date:

- we will keep the premium for the period that the policy was in force
- we will return to you the premium for the period from the date the policy ended to the due date of the policy.

How the Goods and Services Tax affects your claim

Where we make a payment under this policy for the acquisition of goods, services or other supply, we will reduce the amount of the payment by the amount of any input tax credit that you are, or will be, or would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 in relation to that acquisition, whether or not that acquisition is actually made.

Where we make a payment under this policy as compensation instead of payment for the acquisition of goods, services or other supply, we will reduce the amount of the payment by the amount of any input tax credit that you would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 had the payment been applied to acquire such goods, services or other supply.

The law that applies to this policy

Any disputes arising from this policy will be determined by the courts, and in accordance with the laws, of the state or territory of Australia where this policy is issued.

How to make a claim

Please contact your nearest CGU Insurance office when something happens that you believe you can claim for.

What you must do when you make a claim

You must make your claim as soon as reasonably possible after you suffer a loss. If you do not make your claim within a reasonable time, we may reduce what we pay you by an amount to take account of any disadvantage we suffer by the delay.

You must also:

- take all reasonable steps to stop any further loss from occurring
- advise the nearest police station if your property is lost or stolen, vandalised or maliciously damaged. We may ask you to give us a written report from the police
- keep the property that has been damaged so we can inspect it provided it is reasonable and safe to do so
- tell us about any prosecution or inquest that may be held
- send us any document relating to your claim as soon as reasonably possible after receiving the document.

What you should not do when you make a claim

You should not repair or replace any damaged property without our consent. You should seek our agreement before incurring any out-of-pocket expenses to ensure you will be able to claim those costs back on your policy. If you do not obtain our agreement first, we will only pay the reasonable costs. Refer to the 'Calculation of the amount' sections of this document for information in relation to what are reasonable costs.

What you must not do when you make a claim

You must not pay, promise to pay, or offer payment, or admit responsibility for a claim.

You give us your rights to claim from anyone else

If you have a right to claim against someone else for a claim you made under this policy, you give us your rights to make that claim. You also give us your rights to conduct, defend or settle any legal action and to act in your name.

You must not do anything unreasonable which prevents us from doing this and you must give us all the information and cooperation that we may reasonably require in connection with the conduct of proceedings. We will act reasonably in exercising our discretion in the conduct and defence of any legal proceedings and in the settlement of any claim while we conduct any recovery action. We will keep you reasonably informed and updated with the progress of proceedings. We will only request information and cooperation relevant to handling your claim and will explain why this is required.
