If You do not tell Us anything You are required to, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

YOUR DUTY OF CARE

You must at all times take all reasonable precautions to avoid or prevent any Occurrences that may give rise to a claim under this Policy.

In such cases, We may refuse to pay the claim.

If the Radius Restriction as shown on the Policy schedule has changed from what was originally agreed and the risk still falls within Our acceptance criteria, We may charge an additional reasonable premium which reflects the changed risk.

HOW WE SETTLE A CLAIM UNDER PART A SECTION 1

Total loss

Your Vehicle is a total loss if it is stolen and not recovered and We agree to accept a claim for theft of Your Vehicle, or if the cost of repairs to any Vehicle exceeds its Market Value less any Salvage value of the remains and components.

Where Your Vehicle is a total loss We will settle Your claim in one of the following ways:

A. Market Value

If Your Vehicle is insured for Market Value then Our settlement will be based on the Market Value of your Vehicle at the time of the loss, including the value of any accessories or modifications You have told Us about and We have agreed to insure, and which are noted on your Policy Schedule, less any applicable Excess(es) and ITC entitlement.

B. Sum insured or Market Value

If your Vehicle is insured for Sum Insured or Market Value whichever is the lesser, then Our settlement will be based on the amount shown in Your Policy Schedule or the Market Value of the Vehicle at the time of the loss, whichever is the lesser, including the value of any accessories or modifications You have told Us about and We have agreed to insure and which are noted on Your Policy Schedule, less any applicable Excess(es) and ITC entitlement.

C. New Vehicle Total Loss Cover

In accordance with the New Vehicle Total Loss Cover Additional Benefit if this benefit applies to Your Vehicle(s).

Applicable to A, B and C

If Your claim involves a payment by Us for the total loss of Your Vehicle Your insurance cover on that Vehicle will cease as soon as We accept liability and if the premium for that Vehicle has been fully paid there will be no refund. If there is a portion of the annual premium for the Vehicle still owing to Us at the time of the incident this outstanding amount will be deducted from the claims settlement.

This is because We have treated Your Vehicle as a Total Loss and paid You to the extent allowed under Your Policy.

After settling a claim where We have declared your Vehicle a total loss, that Vehicle including any unexpired registration or CTP, unless otherwise required by law, becomes Ours and We are entitled to receive the proceeds from any Salvage of the Vehicle.

Partial loss

When We authorise repairs, We will:

- authorise Your Vehicle to be repaired to a similar standard and condition as it was prior to the Damage which is the subject of the claim;
- authorise the use of new and used parts which are genuine or non-genuine and are consistent with the age and condition of Your Vehicle;
- replace damaged glass with glass which meets Australian design rules but may not be made by the original manufacturer;
- pay You the Market Value in respect of parts which We cannot obtain and or are obsolete;
- guarantee the quality of workmanship of the repairs We have authorised whilst You own the Vehicle.

We are not responsible for any costs or losses arising from any delay in obtaining/delivery of parts. If a part is not available within Australia We will pay the surface freight cost from a source of Our choosing.

You may have to contribute towards:

- the cost of repairs or replacement where Your Vehicle was in poor condition at the time the loss occurred. Poor condition includes unrepaired prior damage, corrosion, wear and tear or other deterioration; or
- the cost of repair or replacement of tyres, engines and other perishable items based on the useful remaining life of the damaged part/item;
- if, in the course of repairing Your Vehicle it is necessary to repair it in a manner which creates Betterment We may ask You to contribute the additional cost (above the cost which We reasonably believe represents the cost to repair the Vehicle to its pre Accident condition) that is required to repair Your Vehicle to the better condition.

- take all reasonable precautions to prevent further loss, damage, theft or liability;
- report the incident to the police where the incident must be reported by law;
- advise Us as soon as possible after the discovery of the event and, if requested, provide Us with a detailed and signed proof of loss with full details of the circumstances surrounding the incident;
- obtain full names, addresses and phone numbers of all drivers and passengers involved and any witnesses to the event. You will also need to obtain the vehicle registration numbers and insurance details of all vehicles involved;
- take all reasonable action to recover lost or stolen property that was in Your physical or legal control belonging to others to minimise the claim;
- as far as possible preserve any Goods or Conveying Vehicle or other items which might prove necessary or useful as evidence until We have had an opportunity of inspection;
- give Us all documentation, information, proof and assistance We may require to prosecute, defend or settle Your claim;
- tell Us as soon as possible if You receive demands, a notice of prosecution, details of any legal proceedings, inquest or similar communications from other parties involved in the event. If You delay in telling Us, we may not cover any legal or other costs that result from that delay.

You must never, without Our consent:

- admit guilt, fault or liability;
- offer or negotiate to settle any claim;
- authorise the repair or replacement of anything (other than repairs necessary to minimise or prevent further loss or Damage);
- accept any payment (including excess payments) from anyone unless We agree first.

When You make a claim, You agree to:

- provide Us with proof of ownership of any lost or damaged Vehicle or property;
- help Us manage the claim, which may include Us inspecting Your Vehicle or asking You questions, or You providing written statements to Us under oath;
- allow Us to take possession of damaged property (including the associated unexpired registration and CTP in the event of a total loss) that is the subject of a claim;

If the Excess has been requested but remains unpaid, we may deduct the Excess from any settlement amount We may pay.

CLAIMS CONDITIONS APPLICABLE TO ALL PARTS OF THE POLICY

Inspection and Report

Sometimes it may be necessary to arrange for a professional Inspection and Report to determine if there has been loss or damage covered by the Policy for which costs may initially be incurred by You or Us.

- If the claim is subsequently accepted as valid by Us, We will bear these costs subject to Sum Insured; and
- if the claim is not lodged or the claim is not subsequently accepted by Us, You agree to pay for these costs.

Our Rights of Subrogation

We have the right to recover any money paid by Us from any person whom You may be able to hold liable.

We are entitled to take over and conduct the defence of any claim made against You for damages by a third party. We have full discretion in conducting any negotiations, proceedings and the settlement of claims.

We will notify You if there is an opportunity to settle any action, claim or proceeding made against You. Where We decide to settle a claim or admit liability on Your behalf and You disagree or contest Our decision, liability will be limited to the amount which would have been accepted in full and final settlement of the claim.

You and any other party entitled to cover under this Policy must give all information and cooperation We may require.

Your failure to render the assistance required may affect Your entitlement to a claim under any section of this Policy.

We reserve the right of subrogation against any of Your subcontractors not solely and directly working under Your instructions and contract, or which have in place their own insurance arrangements covering their liability for loss or Damage to Goods they carry.

LATE LODGEMENT OF CLAIMS AND HOW IT AFFECTS YOUR POLICY

Additional costs for claims from third parties

Changes to Your Policy premium

When calculating Your renewal premium, all claims that occur during the Period of insurance will affect the renewal premium for the upcoming year.
