You will only be entitled to the cover provided by this insurance for which You have paid the applicable premium and which is shown on Your Certificate of Insurance.

There are limits to the cover provided and while some of these are fixed, others may be extended by simply notifying Us of the items You own and their value.

Certain words have defined meanings You need to understand and which are detailed in the definition section of the Policy.

The Policy is subject to terms, conditions, limitations, special provisions, and exclusions. It is important that You read the Policy carefully to familiarise Yourself with these provisions. Specifically, please take special note of the following matters.

- The Policy Wording contains a Definitions section and General Conditions that apply to this insurance.
- There are some circumstances where cover cannot be provided. These are covered in the Policy Wording.
- There are some Exclusions applicable to all sections of the Policy listed in the General Exclusions.

Please note that this is a limited summary only and not a full description of the covers. Each cover noted is subject to terms, conditions, exclusions and limitations that are not listed in the summary. You need to read this PDS and Policy in full to properly understand the cover provided.

In addition to assist with Your decision to purchase this cover and to manage Your expectations in the event of a claim We believe it is important to highlight some important terms and the main areas where cover is or is not available or where limited cover is available under this Policy, regardless of the situation. These are detailed below. Depending on Your insurance needs, You may elect to take out one or more of the following covers:

PROPERTY COVER

Coverage against risks of direct Physical Loss or Damage to Your Boat and its Contents and Personal Effects while on board Your Boat caused by an Occurrence. This coverage is subject to the Geographic Limits and all Policy terms, Policy conditions, Policy exclusions and written endorsements.

LEGAL LIABILITY COVER

Coverage for Damages You may become legally obligated to pay for Bodily Injury or Property Damage arising from the ownership, operation, maintenance or use of Your Boat and caused by an Occurrence covered in this Policy and subject to the Geographic Limits. This coverage is also subject to all Policy terms, conditions and exclusions.

PERSONAL ACCIDENT COVER

In the event of: death; or an injury causing permanent and total Loss of:

- sight of an eye;
- the use of a limb; or
- the thumb or any finger,

caused directly and solely by an Occurrence while You are using Your Boat for private pleasure purposes or voluntary rescue work, We will indemnify You for a fixed sum specified in the Policy wording and Your Certificate of Insurance.

Applying for Cover

When You apply for this insurance, You will need to complete a proposal. We will use and rely on the information supplied by You to decide the terms of cover We will provide.

You are responsible for deciding the amount of Your Sum Insured. If You are having difficulties working out the values please seek the advice of a Boat or yacht broker.

Your Boat can be insured on the following bases:

Agreed Value

When You are the first registered owner of a brand new boat, purchased through a Marine Dealership or Boat Broker, We will agree to insure Your Boat for the purchase price paid for the first two calendar years, from the date You purchased the Boat. At the end of the two calendar years, at renewal the Policy will transfer to a Market Value basis, reflected in any offer of renewal from our office at this time.

When purchasing this insurance or at any time when Your Policy insures Your Boat for its Market Value, You can request that Your Boat be insured for an Agreed Value, in which case, You must provide Us with details of Your requested Sum Insured and a detailed Valuation, from a recognised Marine Dealership or Boat Broker. We will then inform You of the Sum Insured We will agree to insure Your Boat for, and the additional premium, if any, We will require.

If We do not agree to insure Your Boat for an Agreed Value or We cannot agree on the Sum Insured value with You, the Policy will insure Your Boat for its Market Value.

The purchase price and date of purchase of Your Boat must be advised to Us at the time of entering into the Policy.

Market Value

In the event of a Total Loss, We will pay up to the Market Value of Your Boat, but never more than the Sum Insured shown on Your Certificate of Insurance.

Your Policy with Us is made up of:

- this PDS;
- Your Certificate of Insurance; and
- any other document We tell You forms part of the terms and conditions of Your cover, including any endorsements issued by Us.

We provide cover to You on the terms contained in these documents and any other document that We tell You forms part of the terms and conditions of Your cover, including Your Certificate of Insurance.

Your Certificate of Insurance will contain important information relevant to Your insurance including the Period of Insurance, Your premium, details of Your insured property and the cover selected by You, the Excess(es) that will apply to You and others and whether any standard terms have been varied by way of endorsement.

You need to keep these documents in a safe place together with receipts and other evidence of ownership and value of items You insure.

If You are not eligible for cover under this Policy, then You can see if there are alternative options by contacting either the National Insurance Brokers Association or the Insurance Council of Australia. If You are not happy with Our reasons as to why You are not eligible for cover, You can lodge a complaint with Us by following the complaints procedure outlined in this PDS.

Determining Your Premium

When You buy Your insurance, We tell You the premium You must pay and show it on Your Certificate of Insurance.

To determine Your premium We consider many factors which can include, but is not limited to the cover You want, the Boat You want to insure, the age and construction of the Boat, where it is stored, the limits and Excesses that will apply, Your insurance history and whether You are paying by instalments or not. Please note a minimum premium may apply.

It also includes an administration fee and amounts that take into account Our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty and GST) for Your insurance. We show these on Your Certificate of Insurance.

You are responsible for ensuring that Your premiums are paid or Your cover could be put at risk. Please call Us if You are ever unsure about Your premiums.

YOUR DUTY TO TAKE REASONABLE CARE NOT TO MAKE A MISREPRESENTATION

This is a consumer insurance contract under the Insurance Contracts Act 1984 (Cth).

Under the Insurance Contracts Act 1984 (Cth) You have a duty to take reasonable care not to make a misrepresentation to Us. This duty applies when You enter into, renew, extend or vary this contract of insurance.

Before You enter into, renew, extend or vary this contract of insurance We will ask You questions that are relevant to Our decision to insure You and on what terms. When You answer the questions You must not give a false or misleading account of matters. Your response should tell Us everything that You know about the question. Your response is relevant to whether We offer You insurance and the terms that are offered.

It is important You understand You are answering Our questions in this way for yourself and anyone else that You want to be covered by the contract.

A misrepresentation made fraudulently is made in breach of the duty to take reasonable care not to make a misrepresentation.

Consequences of failure to take reasonable care not to make a misrepresentation

If You do not take reasonable care not to make a misrepresentation to Us, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

If Your failure to take reasonable care not to make a misrepresentation to Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

Circumstances relevant to Your duty

Whether or not You have taken reasonable care not to make a misrepresentation is to be determined with regard to all the relevant circumstances.

If We know, or ought to know about Your particular characteristics or circumstances, these characteristics or circumstances are taken into account in determining whether You have taken reasonable care not to make a misrepresentation to Us.

Under the Insurance Contracts Act 1984 (Cth) the following matters may be taken into account in determining whether You have taken reasonable care not to make a misrepresentation:

- (a) the type of consumer insurance contract in question, and its target market;
- (b) explanatory material or publicity produced or authorised by Us;
- (c) how clear, and how specific, the questions We asked were;
- (d) how clearly We communicated to You the importance of answering those questions and the possible consequences of failing to do so;
- (e) whether or not an agent/insurance broker was acting for You;
- (f) whether the contract was a new contract or was being renewed, extended, varied or reinstated.

You are not to be taken to have made a misrepresentation merely because You:

- (g) failed to answer a question; or
- (h) gave an obviously incomplete or irrelevant answer to a question.

Our obligations to you

RENEWING THE POLICY

At least 14 days before the Policy expires, We will send You a renewal notice advising whether we are prepared to renew the Policy and if so, on what terms.

If We arranged for You to finance Your premium and We are prepared to renew the Policy, Our renewal notice will tell You that We will automatically renew the Policy on the terms contained in it and any other Policy documents that accompany it.

Before Policy renewal:

- You must comply with Your Duty to Take Reasonable Care Not to Make a Misrepresentation – this includes telling Us if any information in Our renewal notice is incorrect or incomplete; and
- You should check the amount of Your Sum Insured to ensure Your level of insurance cover is still appropriate for You.

You are not obliged to renew the Policy with Us and can contact Us at any time prior to its expiry, to ask Us not to renew it.

Your cooling off period continues to apply on each renewal. Each renewal is a separate contract of insurance and not an extension of the prior contract.

CANCELLING YOUR INSURANCE

You can cancel the Policy at any time by calling Us. We will explain the cancellation process to You. We will refund any premium You have paid, less an amount that covers the period for which You were insured, less any taxes or duties we cannot recover, unless there has been a Total Loss in which case there is no premium refund.

We can cancel Your insurance to the extent permitted by law, for example if You do not comply with the Policy terms and conditions, fail to pay Your premium, make a fraudulent claim or if You did not comply with Your Duty to Take Reasonable Care Not to Make a Misrepresentation when You entered into the Policy. If We cancel the Policy We will send You a cancellation letter.

CONFIRMING TRANSACTIONS

You may contact Us in writing or by phone to confirm any transactions under Your insurance if You or Your adviser do not already have the required Policy confirmation details.

Pursuant to the ASIC Corporations (Basic Deposit and General Insurance Product Distribution) Instrument 2015/682, certain persons, including selected boat dealers, finance brokers, and occasionally other persons have been authorised by NM Insurance under its AFSL as its general insurance distributors to deal in this insurance on NM Insurance's behalf. These persons are not authorised to provide any advice on this insurance and have no binding authority to enter into any Policy or settle any claim or otherwise act on behalf of ZAIL.

Any person who provides financial services to You as NM Insurance's general insurance distributor will tell You that they are acting in that capacity and ensure you are provided with NM Insurance's Financial Services Guide which contains information about how they are remunerated, and details of NM Insurance's complaints process and how it can be accessed.

DISTRIBUTORS' REMUNERATION

Distributors such as Your Insurance Broker and general insurance distributors appointed by NM Insurance receive a commission whenever You enter into a Policy arranged by them (including renewals and some variations which increase the premium payable). The commission excludes GST and is a percentage of base premium (i.e. premium excluding any amounts relating to stamp duty, fire service levy, GST or any other government charges, taxes, fees or levies). The commission is included as part of Your premium.

HOW NM INSURANCE IS REMUNERATED FOR THE SERVICES PROVIDED

NM Insurance also receives a commission whenever You enter into a Policy (including renewals and some variations which increase the premium payable).

ZAIL may also advance NM Insurance other money in the period to cover marketing and other costs and expenses which is agreed on a case by case basis.

For services in administering this insurance NM Insurance may be paid a profit share amount in relation to such insurance entered into in each annual period. The amount NM Insurance can receive is a percentage of the net profit amount (if any) which is determined by ZAIL and is based on the total premium excluding certain costs, expenses, fees and liabilities in relation to the policies (e.g. taxes and charges on the Policy, reinsurance costs, claims payments, commission paid and administrative costs) over a 12 month period.

If there is no net profit in the annual period, NM Insurance receives no profit share. Any profit share amount is paid 3 months after the annual period ends.

NM Insurance will also charge You an administration fee, which varies depending on the dealing service it provides You with. The fee is paid in addition to the premium and is shown on Your Certificate of Insurance.

NM Insurance staff receive an annual salary that may include bonuses based on performance criteria (which can include sales performance) and the achievement of company goals.

REMUNERATION PAID TO REFERRERS

NM Insurance will pay commission to certain people and organisations if they refer You to NM Insurance and You subsequently buy (and in some cases renew or vary) this insurance.

The commission excludes GST and is a percentage of base premium (i.e. premium excluding any amounts relating to stamp duty, fire service levy, GST or any other government charges, taxes, fees or levies). The commission is included as part of Your premium.

FURTHER INFORMATION ABOUT REMUNERATION

The NM Insurance Financial Services Guide contains more information about the remuneration (including commission) or other benefits NM Insurance, its distributors or referrers receive. If you'd like additional information please ask for it within a reasonable period after You receive this document and before this insurance is issued to You.

Notwithstanding the foregoing, any fraudulent deliberate misrepresentation or concealment of information will void this Policy from inception. If this happens, the Insured Person will lose any benefit that may have been due to them and must pay back any benefit that We have already paid them.

- **Bankruptcy or Death**

The filing of voluntary or involuntary bankruptcy proceedings by You (or filing for similar relief) shall not relieve Us of any of Our obligations. However, an Insured Person must notify Us promptly upon filing or service of legal documents initiating any such proceedings. Further, if an Insured Person dies or becomes bankrupt or insolvent during the Period of Insurance, this Policy, unless cancelled, will cover the Insured Person's legal representative for the remainder of the Period of Insurance.

- **Law**

This Policy shall be governed by and construed in accordance with the laws of the State of New South Wales.

- **Jurisdiction**

Unless the Certificate of Insurance provides to the contrary this Policy is subject to the exclusive jurisdiction of the courts Australia which shall have exclusive jurisdiction in any dispute arising hereunder.

If any provision contained within this Policy is, for any reason, held to be invalid, illegal, unenforceable in any respect, such invalid, illegal or unenforceable provision shall have no effect on any other valid, legal and enforceable provisions of this Policy, and the valid, legal and enforceable provisions of this Policy will continue to remain in full effect. Any invalid, illegal or unenforceable provision shall where permitted be construed by limiting it so as to be valid, legal and enforceable to the extent compatible with applicable law.

- Fraud

Any fraud, deliberate dishonesty, or hiding of information connected with a claim by an Insured Person, will make this Policy invalid so far as concerns that Insured Person. If this happens, the Insured Person will lose any benefit due to them and they must pay back any benefit that We have already paid. If this happens, We will not refund any premiums.
