Policy Wording

This Policy is issued by QBE Insurance (Australia) Limited
ABN 78 003 191 035 AFSL 239545.

Our agreement with you

Your Policy is an agreement between you and us, made up of:

- This Policy Wording;
- Any applicable Supplementary Product Disclosure Statement; and
- Your Policy Schedule, which sets out the cover you've chosen and any terms specific to you.

The cover under this Policy is provided during the period of insurance once you've paid us your premium. There are also:

- Conditions and exclusions which apply to specific covers or sections;
- General exclusions which apply to any claim you make under this Policy;
- General conditions which set out your responsibilities under this Policy;
- Claims conditions which set out our rights and your responsibilities when you make a claim; and
- Other terms, which set out how this Policy operates.

Excesses

An excess is the amount you may be required to pay if you have a claim. The excesses which you have to pay are set out in this Policy Wording or on your Policy Schedule.

Apart from claims under motor vehicle and boat sections, if more than one excess applies to a claim or series of claims arising from the one event, we'll only ask for the highest excesses that applies. We won't total the excesses up.

However, for claims under Section 2 - 'Private motor vehicle', Section 3 - 'Boat' and Section 7 - 'Farm vehicle' you may have to contribute more than one excess.

How much we'll pay

The most we'll pay for a claim is the sum insured that applies to the cover or section you're claiming under, less any excess.

Paying your premium

The cost of this Policy

Premium is what you pay us for this Policy. It's made up of the amount we've calculated for the risk and any taxes and government charges.

When calculating your premium, we take several factors into account, including:

1. the type of farm you operate, which cover sections you choose and the sum insured that is relevant to your farm business;
2. your age, experience and claims history;
3. if you decide to have a higher or lower excess where this is an option;
4. if you choose to take out any optional benefits where they are available;
5. for Section 1 - 'Home', the cover you have selected, the location type, age, condition use and sum insured of your home and contents as well as the construction of your home;
6. for Section 2 - 'Private Motor Vehicle' and Section 7 - 'Farm Vehicle', the cover you have selected, method of settlement, the make, model, age, condition, location, sum insured, use, accessories and security features of the motor vehicle;

7. for Section 3 - 'Boat', the cover you have selected, method of settlement, the make, model, age, condition, location, sum insured, and security features of your boat;
8. the overall costs of doing business and other commercial factors.

Information relating to premium calculation

The list of factors in 'The cost of this policy' is not exhaustive. We may take other factors into account and add or remove factors. The importance we place on the factors we use to calculate the premium and how the factors combine, all affect calculation of the premium. Some factors will not affect all components of the premium and not all components of the premium may be subject to discounts in the same way or at all.

How the factors combine to calculate premium may also be impacted according to your circumstances and other underwriting considerations. The premium determined by a combination of the factors may be adjusted up or down to reflect your circumstances and underwriting considerations including the risk being insured and the value of any claims. An adjustment like this may increase or decrease the premium from the combination of factors and may limit discounts.

Minimum premium and your previous year's premium are commercial factors that may limit premium increases and decreases from the combination of the factors and any discounts. A minimum premium is the least amount of premium we will accept for the insurance and factors and any discounts will not reduce the premium below minimum premium. Your previous year's premium is taken into account on renewal and may limit premium increases and decreases from the combination of the factors and limit discounts.

The premium we calculate according to the factors, your circumstances and other commercial factors, including taxes and government charges, will be shown on your Policy Schedule.

Claims experience and your premium

A No Claim Discount is a way to reduce your premium when you select comprehensive cover under Section 2 - 'Private Motor Vehicle' or Section 7 - 'Farm vehicle'. The No Claim Discount is delivered through a rating factor that is applied in the calculation of the premium. The rating factor depends on your claims experience. Subject to 'Information relating to premium calculation', the larger the rating factor, the larger the premium reduction effect.

Where a No Claim Discount is applied to your Policy, 'No Claim Discount' and the relevant rating factor will be shown on your Policy Schedule.

Your Policy's rating factor will be adjusted at renewal based on claims accepted during the period of insurance, including the type, number and value of the claim(s), and it will:

- increase, for example where you only make 'not-at-fault' claims (but only up to the maximum rating factor of 60%);
- decrease, for example where you make a claim that we do not consider a 'not-at-fault' claim; or
- remain the same (which may occur where, for example, you have selected the 'Protected No Claim Discount' optional benefit under Section 2 - 'Private Motor Vehicle' and not made more than one claim that would normally decrease the rating factor).

Not-at-fault claims

A claim will be considered by us as a not-at-fault claim for the purposes of adjusting the rating factor on renewal where:

- the driver of your vehicle did not cause or contribute to the incident claimed and you provide us, where reasonably possible, with contact details for each responsible person and the registration number for each vehicle involved in the incident; or
- it is a windscreen or window glass only claim.

Paying your premium

We will let you know how much premium you need to pay us, how to pay it and when.

Annual premium

If you pay your premium annually, you need to pay your premium on time to ensure you are covered. If you don't pay the premium your Policy may be cancelled and we'll write to let you know when this will happen.

Instalment payments

If you pay your premium by instalment, your Policy Schedule will show the date and frequency of your instalments. If your direct debit details change you must tell us at least seven days before your next instalment is due to allow us to process the change in time.

At renewal

If you pay by instalments, and renew your Policy, we'll continue to deduct instalments for a renewed Policy, unless you tell us to stop your direct debit. This will be at the new premium level according to the same instalment pattern.

If you don't want to renew, you must tell us at least seven days before your Policy's end date so that we can arrange for the direct debit to stop in time.

What happens if you miss an instalment?

If you miss an instalment, we'll contact you to ask you to pay it or arrange to collect it from you. If you don't pay the missed instalment your Policy may be cancelled and we'll write to you to let you know when this will happen.

If you don't pay the missed instalment and a claim arises, then we will deduct the missed instalment from your claim.

If your payment details change

If your direct debit details change, such as you changing credit cards or bank accounts, you must tell us at least seven days before your next payment date to allow us to process the change in time.

Adjustment of premium on renewal

If we invite you to renew your Policy, we will send you a renewal invitation. If you make any changes to your Policy after we send you our renewal invitation, and we have agreed to continue to insure you, we will send you an updated renewal invitation. You will need to pay us any additional premium to ensure your cover is not affected.

A claim on your Policy may affect your renewal premium

If we send you a renewal invitation and the premium doesn't take into account a claim on your Policy, you agree to pay us any additional premium we would have charged if we had known about that claim.

If you tell us about the claim before your renewal takes effect and we agree to continue to insure you, we may apply specific conditions to your Policy (including applying an additional policy excess) and/or recalculate your renewal premium and send you an updated renewal invitation.

If your Policy has already renewed, we may ask you for an additional premium. If you're paying in instalments, any remaining instalments will be adjusted to reflect the additional premium. If you've already paid your renewal premium in full, you'll need to pay us any additional premium to ensure your cover is not affected. If you don't pay the additional premium by the due date then we may:

- deduct the outstanding premium amount from a claim payment; or
- cancel your Policy (see 'Cancelling your policy').

If it was reasonable in the circumstances for you to be unaware that you had a claim until after we issued your renewal invitation, we will not ask you to pay the additional premium for that renewal period however the claim may affect your future renewal premiums and/or future policy conditions (including the application of an additional policy excess).

Please note we may have other rights under this Policy or as permitted by law, depending on the circumstances.

If you have selected and paid for the optional benefit, it will be shown in your Policy Schedule.

Valuables

If you have selected and paid for this option, we insure you and your family for loss of or damage to unspecified or specified valuables anywhere in Australia or New Zealand, and anywhere else in the world:

- (a) for up to 60 days in any one period of insurance, if you have insured events cover; or
- (b) for up to 100 days in any one period of insurance, if you have accidental damage cover.

Unspecified valuables

The unspecified valuables option is only available if you have selected Insured events cover. Unspecified valuables are automatically covered by Additional benefit 1 - Cover for contents away from the address if you have selected accidental damage cover.

You can select unspecified valuables without having to specify individual items, but you need to nominate a total sum insured to cover all unspecified valuables. Your Policy Schedule will indicate if you have chosen cover for unspecified valuables and the total sum insured for unspecified valuables.

Specified valuables

Specified valuables cover is available if you have selected either Insured events or accidental damage cover.

If you select specified valuables cover, then you must specify each item you wish to insure as a specified valuable and provide valuations and/or receipts for each item, if we tell you that this is required. Your Policy Schedule will indicate if you have chosen specified valuables option.

If you have selected Insured events cover and require cover for valuables while they are temporarily removed from the address, and those valuables are not covered under Additional benefit 1. - Cover for contents away from the address, then you must specify each item you wish to insure as a specified valuable.

If you have selected accidental damage cover, Additional benefit 1. - Cover for contents away from the address automatically covers:

- (a) jewellery, gold or silver articles, furs, watches;
- (b) collections of any kind; and
- (c) mobile cellular telephones, portable electronic equipment (including portable computers, PDAs, hearing aids),

while they are temporarily removed from the address, up to \$10,000 per item and a total of \$20,000. In addition, other portable items that have sub-limits listed in the tables within section 'Maximum limits we will pay' are automatically covered up to their sub-limits under Additional benefit 1. - Cover for contents way from the address while they are temporarily removed from the address.

If you wish to insure any of these items while they are temporarily removed from the address for amounts greater than the limits provided under Additional benefit 1. - 'Cover for contents when away from the address', then you need to select and pay for this specified valuables option.

What you are not covered for

The following items are not covered under this optional benefit:

- (a) money, negotiables or financial transaction cards;
- (b) unset precious or semi-precious stones;
- (c) items being cleaned, repaired, restored, or on exhibition away from the address;
- (d) vehicles (including motorcycles and motor scooters), aircraft, aerial devices, watercraft or anything associated with these items;
- (e) property used in connection with a profession, trade or business, or otherwise for reward;
- (f) bicycles, unless you have insured them as specified valuables. Bicycles are not covered under unspecified valuables.

How much we will pay for loss or damage

The most we'll pay is:

- (a) for unspecified valuables, up to the total sum insured for unspecified valuables. However, for each unspecified item, we will not pay more than 25% of the sum insured for unspecified valuables on the Policy Schedule;
- (b) for specified items, up to the sum insured shown on the Policy Schedule against the item,

less any applicable excess(es).

 - gutters overflow and cause water damage due to a build-up of leaves or other debris;

However, this exclusion applies only to the extent that the relevant claim or loss, damage, injury or death, cost or legal liability is caused by, arises from or is made worse by one or more of the above circumstances, and you knew or a reasonable person in the circumstances would have known that the relevant condition of the home may cause, give rise to or make worse the claim or loss, damage, injury or death, cost or legal liability.

There is no cover under this section of your Policy for any claim, loss, cost, damage, injury, death or legal liability caused by or arising from renovations, alterations, additions or repairs undertaken or authorised by you, where you were aware or a reasonable person in the circumstances would have been aware that the work did not comply with building laws or regulations.

- hydrostatic pressure

For example, if you empty your swimming pool or spa, the pressure exerted on it by water in the surrounding ground due to heavy rain, can cause it to move, warp or lift out of the ground;

- mechanical, electronic or electrical breakdown other than under the Insured Event 12. fusion of an electric motor, however, we will cover resultant damage to the extent it's covered under the Insured Event,1 (a) fire;

- insects, vermin or rodents, however, we will cover resultant damage to the extent it's covered under the Insured Events 1 (a) fire or 9. bursting, leaking, discharging or overflow.

- or in connection with a cyber incident.

However, we will provide cover for physical loss or damage to insured property by an insured event which occurs as a direct result of a cyber incident. Conditions applicable to Section 1 Home

There are conditions set out in this section, in the Claims section and under each particular cover and section. When making a claim, you must have met and then continue to comply with the conditions of your Policy. Any person covered by your Policy, or claiming under it, must also comply with these conditions.

If you, or someone covered under your Policy, don't meet these conditions or make a fraudulent claim we may:

- refuse to pay your claim or reduce what we pay for your claim;
- cancel your Policy.

Lender's rights

If we're settling your claim by paying you (instead of paying our repairer or other service providers), and you have used all or part of your home or contents as security for a loan from a lender, we reserve the right to pay all or part of the payment to the lender.

The amount we pay to the lender will be the lesser of:

- the amount owing to them (with any balance paid to you); or
- the amount we agree to pay in settlement of the secured property.

A payment made to a lender will satisfy our obligation to you for the amount paid.

For more information about other interests in your Policy, see 'Interests in the policy.'

Unoccupancy

If your home is unoccupied for more than 100 consecutive days, the cover for home and contents is limited to:

- lightning or thunderbolt;
- earthquake or tsunami;
- riot and civil commotion;
- damage directly caused by impact by a vehicle, waterborne craft, space debris, aircraft, rocket, satellite, a branch.

The above will apply unless you have advised us and we agree to provide full policy cover in writing.

If we agree to continue your cover, we may impose conditions or exclusions.

Our agreement will take the form of an endorsement. We will send you a Policy Schedule to confirm your Policy has been extended to insure you for a greater period of time.

Burglary protection

If we have agreed to insure your contents only if burglary protection devices are installed, then this will be shown in your Policy Schedule.

If any of these devices are removed, altered, or left inoperative while you are absent from the address, without our prior consent, we may have the right to decline, or reduce a claim to which this action contributes.

Please refer to your Policy Schedule for further details.

Claims - applicable to Section 1

How we settle your claim

We only pay once for loss or damage caused by the same event covered by this Policy even if that loss or damage is covered under more than one section of the Policy.

How we settle home claims

We'll normally pay our supplier the necessary and reasonable cost to repair, replace or rebuild the damaged parts of the home to a condition substantially the same as, but not better than, when new. Where this happens, you'll receive our Lifetime guarantee on home repairs. See 'Lifetime guarantee on home repairs'.

If you don't use our supplier

We will pay you the reasonable cost to repair, replace or rebuild the damaged parts of your home to a condition substantially the same as but not better than when new if, for example:

- you decide to:
 - rebuild to a better standard; or
 - sell the land at the address; and/or
 - rebuild elsewhere.
- if it's not practical for us to repair, replace or rebuild your home due to the age, policy limit, inadequate sum insured, construction or condition of your home or if materials needed for repairs are not readily available;
- if you choose to go with a supplier (which includes a repairer or builder) of your choice.

To assess the cost of the necessary work required to repair, replace or rebuild the damaged parts of your home we will, where possible, obtain a scope of works and a quote from our supplier. If you agree with this, we will then pay you the amount quoted by our supplier.

If you're not happy with the amount quoted by our supplier, or if we're unable to obtain a scope of works from our supplier, we'll ask you to provide us with a fully itemised scope of works and quote from a supplier of your choice for us to consider. We'll review these to ensure they cover the necessary work and are within market rates. To determine this, we'll consider the following:

- our supplier's scope of works and quote (if we were able to obtain it);
- our own data and experience with similar repairs, replacements or rebuilding;
- third party cost estimation sources; and
- your circumstances, including the location and attributes of your home.

Following our review, we'll do one of the following:

- if we believe your supplier's scope of works and quote cover the necessary work and are within market rates, we'll pay you the amount quoted by them.
- if we believe your supplier's scope of works either omits or overstates aspects of the work required or their quote is significantly above market rates, we'll discuss this with you and/or them and seek agreement on the scope of works and quote.
 - If we come to an agreement with you or your supplier, we'll pay you the amount agreed.
 - If we're still unable to agree with you on the amount we'll pay you, we'll attempt to obtain a scope of works, quote or report (as required) from an alternative supplier we both agree on, and we'll review these together with you to arrive at a final scope of works and quote. If we're able to come to an agreement, we'll pay you the amount quoted by them.
 - If we're unable to agree on an alternative supplier, we believe the alternative supplier's scope of works either omits or overstates key aspects of the work required, or we believe their quote is significantly above market rates, we'll refer you to our complaints process.

When we pay you the reasonable cost to repair, replace or rebuild the damaged parts of your home, you will not be eligible for our Lifetime guarantee on home repairs because we won't have appointed the supplier or managed the works.

If your home sum insured is inadequate, we will only pay up to the sum insured or any applicable standard policy limits.

Building costs

Whether we arrange the repairs, replacement or rebuilding or pay you the cost to complete the repairs, replacement or rebuilding we'll also pay the necessary and reasonable costs as part of your home sum insured:

- to temporarily protect your address (this includes preventing access to limit the risk of theft, weather damage and injury);
- for demolition;
- to remove debris from your address;
- for an architect or surveyor; and
- to comply with current building codes and statutory requirements.

Where the home has architectural features and/or structural materials possessing an ornamental historical character or for which the original materials are not readily available we'll repair, replace or rebuild your home to a reasonably equivalent appearance and capacity using the original design and suitably equivalent locally available materials, or we may pay you the reasonable cost to do so.

Undamaged parts of your home

We won't pay for any undamaged parts of your home, even to restore those undamaged parts to achieve a uniform appearance, other than:

- to the extent set out in the table below in relation to internal building damage; or
- as described under 'Matching materials'.

External building damage	
Damage to roofs, doors, gates and fences	We'll only repair or replace the individual tiles, roof sheeting, doors, gates or fence panels that were damaged.
Damage to external walls	We'll only repair or replace the part of the wall that was damaged.
Paths/ driveways/ tennis courts etc.	We'll only repair or replace the areas that were damaged.

Internal building damage

Damage to internal flooring (excludes carpets unless the home is let out on an unfurnished basis - otherwise these are covered as contents)	We'll pay to repair or replace up to an existing change or join in the flooring, or an archway, doorway or similar opening, whichever is closest to the damage. We'll consider a combined lounge/dining room as one room if the opening between them is more than 82cm wide. This is a common width of a doorway. We won't pay to replace any undamaged materials in any other adjoining rooms, hallways or stairwells.
Damage to internal walls	We'll pay to repair or replace the damaged wall(s). We won't pay to replace the wall covering, for example wallpaper or paint on any adjoining walls or in any adjoining rooms, hallways or stairwells.
Damage to internal fixtures/ fittings	We'll pay to repair or replace fitted cupboards, sections of cabinets and sections of benchtops if they are continuously joined to, and made of the same material as, the damaged part.

Matching materials

If part of your home is damaged or destroyed by an insured event and we agree to pay your claim, or one of our suppliers has caused damage during exploratory work to locate the source of escaped water or other liquid, we'll match existing materials if they're commercially available in Australia when we repair, replace or rebuild the damaged property.

If not, we'll use the nearest equivalent materials that we can source locally. In this case, if the damage is inside your home, we will also pay up to \$1,000 to replace undamaged parts of the same room, hallway or stairwell (to the nearest doorway, archway, or other opening) so that it matches or complements the materials we've used. We'll consider a combined lounge/dining room as one room if the opening between them is more than 82cm wide (this is a common width of a doorway). If you're not satisfied with the nearest equivalent materials we source, we will pay you what it would have cost to repair, replace or rebuild with these materials.

Delays in repairing, replacing or rebuilding

If you delay repairing, replacing or rebuilding, for example by unreasonably delaying the review and approval of documents necessary to effect the repair, replacement or rebuilding, for more than six months from the date when the claim was approved, we'll only pay the reasonable cost that would have been incurred to repair, replace or rebuild your home at the time the claim was approved. You may have to pay any increase in cost caused by your delay.

If you believe that, due to special circumstances, you have a reason to delay the repair, replacement or rebuilding for more than six months, we will give consideration to those circumstances, and we may:

- not charge you for any increase in cost caused by the delay; or
- pay the reasonable cost that would have been incurred to repair, replace or rebuild your home at the time the claim was approved.

Rebuilding at an alternative location

If your home is a total loss, you may choose to rebuild at another address in Australia. We won't pay you more than it would have cost to rebuild at your address.

Lifetime guarantee on home repairs

We closely monitor the performance of our suppliers to help ensure the best outcome for our insureds. This enables us to guarantee that if we have:

- selected and authorised a supplier to replace, repair or rebuild your home; and
- paid, or have a legal liability to pay, the supplier, repairer or builder directly for this work;

and a defect arises in the lifetime of your home as a result of poor-quality workmanship or use of incorrect or poor-quality materials, we'll rectify the problem by arranging, authorising and paying for further replacement, repair or rebuilding.

If we have selected and authorised a supplier to replace, repair or rebuild your home and we are satisfied that the work requires rectification to such an extent that your home is unliveable, we'll arrange and pay the reasonable costs of temporary accommodation until the home is fit to live in.

We will also handle any complaint about the quality or timeliness of the work or conduct of the supplier as part of our complaints handling process.

This guarantee does not apply to:

- replacements, repairs or rebuilding that you arrange, authorise or make yourself (even if we give you the name of a possible supplier (which includes a repairer or builder) who is involved with the repair, replacement or rebuilding);
- home replacement, repairs or rebuilding that you arrange, authorise or make yourself (even if we give you or a supplier a cheque or other form of payment for all or part of the repair cost);
- loss, damage or failure of any electrical or mechanical appliances or machines that form part of your home; or
- wear and tear consistent with normal gradual deterioration (e.g. paint peeling as part of its normal life cycle, wood rotting or mould from moisture in the air or ground, roofs weathering or a hot water system leaking as a result of normal gradual deterioration).

Fences

When a claim for damage to a shared or dividing fence has been accepted, we will pay no more than your proportion of costs for the repair or replacement in accordance with the relevant legislation relating to dividing fences, for example Dividing Fences Act or Dividing Fences and Trees Act or any similar legislation. Typically, your proportion of the cost will be 50% of the repair or replacement cost of the fence.

If there is no legislation in place in relation to the amount that you are liable for, with respect to the repair or replacement of dividing fences, then we will pay no more than 50% of the cost of repair or replacement of the shared or dividing fence.

However, we will pay the full cost to repair, rebuild or replace the fence if:

- there's no neighbour who is liable to share the cost of repairing, rebuilding or replacing the fence; or
- the damage to the fence was caused by an Insured Event at your address and you're liable to pay the full cost of repairing, rebuilding or replacing the fence.

We will pay no more than the cost to repair, rebuild or replace a fence of the same quality and specification as the fence which was damaged.

The most we'll pay

The most we'll pay is your home sum insured plus any additional benefits payable on top of the home sum insured, less any applicable excesses.

Your home sum insured may be increased through the application of the Inflation adjustment additional benefit or if eligible, the Home sum insured safeguard.

Special benefit - Home sum insured safeguard

If the cost to repair or replace your home is greater than your home sum insured, then we will pay up to 30% more than your home sum insured to either:

- repair the home; or
- replace the home to a condition substantially the same as, but not better than when new; or
- pay the reasonable cost of its repair or replacement to a condition substantially the same as when new.

This special benefit applies only if:

- (a) this Policy insures your home; and
- (b) your home is so damaged by an event that is insured by this Policy that it is considered by us to be a total loss; and
- (c) the cost to repair or replace your home is greater than your home sum insured because either:
 - (i) the increased cost of repairing damage to your home was caused directly by a 'Catastrophic event'; or
 - (ii) you correctly used the QBE home sum insured calculator on the QBE website located at <https://www.qbe.com/au/home-insurance/calculators> to calculate your home sum insured and the QBE Insurance calculator estimated an inadequate sum insured for your home, provided:
 - › that you can demonstrate that you correctly used the QBE Insurance Home Building Sum Insured Calculator to determine your home sum insured; and
 - › your home is substantially the same as when you used the QBE Home Building Sum Insured calculator (for example, you have not added to or extended your home; and
 - › you have not reduced any sum insured that we have offered on any renewal invitation since you used the QBE Home Building Sum Insured Calculator.

This special benefit only relates to the home. It does not apply to any other insured property, Policy section 'Additional benefit' or other Policy feature.

How we settle contents claims

In this section when we say 'Contents' in the context of settling your claim, we're referring to contents including those listed under "Maximum Limits we will pay".

If a damaged item can be repaired, we'll normally pay our repairer the necessary and reasonable cost to repair your contents item to a condition substantially the same as, but not better than, when new.

If it's not economical to repair the item, or it's been lost or stolen, we'll replace the item with a new one that's substantially the same where it's practical to do so.

If the policy limit, maximum limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most we will pay is that limit or sum insured.

If you don't use our repairer, or we can't repair or replace the item

We will pay you the reasonable cost to repair or replace the lost, stolen or damaged contents to a condition substantially the same as, but not better than when new if, for example:

- you decide to replace those contents with items that are not substantially the same;
- you decide you do not want the contents repaired or replaced;
- if it's not practical for us to repair or replace your contents due to the age, style, type, condition or nature of your contents or if materials or skills needed for repairs are not readily and locally available;
- if you choose to go with a repairer of your choice.

If you don't want an item repaired, we will not pay to replace it we'll pay what it would have cost to repair it. See 'How the amount we'll pay is determined if the item is repairable'.

If the policy limit, maximum limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most we will pay is that limit or sum insured.

How the amount we'll pay is determined if the item is repairable

To assess the necessary work required to repair damaged contents items we will, where possible, obtain a report or quote from our repairer. If you agree with this, we will then pay you the amount quoted by our repairer.

If you're not happy with the amount quoted by our repairer, or if we're unable to obtain a report or quote from our repairer, we'll ask you to provide us with a report or quote from a repairer of your choice for us to consider. We'll review this to ensure it covers the necessary work and is within market rates. To determine this, we'll consider the following:

- our repairer's report or quote (if we were able to obtain it);
- our own data and experience with similar repairs;
- third party cost estimation sources; and
- your circumstances, including the location and attributes of your contents.

Following our review, we'll do one of the following:

- if we believe your repairer's report or quote covers the necessary work and is within market rates, we'll pay you the amount quoted by them.
- if we believe your repairer's report or quote either omits or overstates aspects of the work required or their quote is significantly above market rates, we'll discuss this with you and/or them and seek agreement on the report or quote.
 - If we come to an agreement with you or your repairer, we'll pay you the amount agreed.
 - If we're still unable to agree with you on the amount we'll pay you, we'll attempt to obtain a quote or report from an alternative repairer we both agree on, and we'll review this together with you to arrive at a final quote. If we're able to come to an agreement, we'll pay you the amount quoted by them.
 - If we're unable to agree on an alternative repairer, we believe the alternative repairer's report or quote either omits or overstates key aspects of the work required, or we believe their quote is significantly above market rates, we'll refer you to our complaints process.

If the policy limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most we will pay is the item limit or sum insured.

How the amount we'll pay is determined if the item is not repairable

For replacement items that are readily available including tools, devices and appliances, we will pay you an amount equal to the lowest price available to you from a reputable commercial retailer at the time we settle the claim.

If an item is not readily available, we'll pay you an amount equal to the lowest price available to you from a reputable commercial retailer at the time we settle the claim for an equivalent item with similar specifications and functionality.

How the amount we'll pay is determined if the item can't be replaced

If we can't repair the item, or it can't be replaced because of its antiquity or rarity, we'll pay the lesser of:

- the standard policy limit or, if it's a specified contents item, the specified limit noted on your Policy Schedule; and
- the fair market value based on enquiries made to independent and appropriately experienced or qualified professionals.

If your contents sum insured is inadequate, we will only pay up to the sum insured or any applicable standard policy limits.

The most we'll pay

The most we'll pay in total for your contents is your contents sum insured, plus any additional benefits payable on top of the contents sum insured, less any applicable excesses.

Your contents sum insured may be increased through the application of the Inflation adjustment benefit.

There are limits on what we'll pay for some individual contents items:

- the standard policy limit, where applicable (see 'Maximum limits we will pay');
- the specified item limit shown on your Policy Schedule for items you have listed as specified contents,

less any applicable excess(es).

The most we'll pay in total for your Valuables is either:

- if the loss or damage is to unspecified valuables, up to the total sum insured for unspecified valuables. However, for each unspecified item, we will not pay more than 25% of the sum insured for unspecified valuables on the Policy Schedule;
- for specified valuables, up to the sum insured shown on the Policy Schedule against the item,

less any applicable excess(es).

We treat the following items differently when we pay your claim:

Item	What we pay
Carpets	<p>We'll pay to repair or replace up to an existing change or join in the carpet or an archway, doorway or similar opening, whichever is closest to the damage.</p> <p>We'll consider a combined lounge/dining room as one room if the opening between them is more than 82cm wide. This is a common width of a doorway.</p> <p>We won't pay to replace any undamaged carpet in any other adjoining rooms, hallways or stairwells.</p>
Photographs and videos	<p>We'll pay for reproducing videos and hard copy photographs you have purchased from, or had produced by, a professional photographic business if the necessary electronic data is available. We do not pay to reconstruct any circumstances or conditions.</p>
Sets or pairs	<p>If we can't repair an item which forms part of a set or pair or it can't be replaced because:</p> <ul style="list-style-type: none"> we're unable to reasonably match it; or the functionality of the set or pair is lost (e.g., hearing aids/sporting equipment), <p>you can choose to either:</p> <ul style="list-style-type: none"> surrender the remaining item(s) to us, in which case we'll pay the replacement value of the set or pair, up to any applicable limit; or keep the remaining item(s), in which case we'll pay the replacement value of the lost or damaged item. <p>We don't allow for any special value the item may have as forming part of a set or pair, or for any reduction in value of the remaining part(s).</p>
Software	<p>If a claim is accepted where software is lost, damaged or destroyed, we pay the cost to replace it with the nearest equivalent new software. We do not pay for any software that was acquired by you at no cost.</p>

How we settle loss of rent claims

How we settle loss of rent claims - Lease Agreement

When we agree to pay a loss of rent claim, we pay the actual rent you lose, based on your current lease agreement, for the period your rental property is unliveable due to an event for which we agree to pay a claim. The limit of what we pay is shown in the Additional benefits section, see 'Additional benefit 23. - Loss of rent or temporary accommodation.'

If your home claim has been accepted but you decide not to rebuild, we'll only pay the rent you would have lost for the time it would have taken to repair or replace your home.

We do not pay for any fees or commissions normally charged by the estate agent for renting out and/or managing your rental property.

If at the time of the event that caused loss or damage, the rental property was untenanted (for a maximum period of 100 days), we will only pay for loss of rent if you can demonstrate that you were actively seeking a tenant. In this case, we will base the lost rent amount on your most recent lease agreement.

Excesses

An excess is the amount which you may have to pay each time you make a claim. If your claim comprises of more than one occurrence, you will have to pay the highest applicable excess shown in either the Policy or your Policy Schedule in relation to that occurrence.

Where one occurrence gives rise to a claim under more than one subsection of Section 1 - 'Home', only one amount is payable being the largest single excess applicable in relation to that occurrence.

If there is a claim for loss or damage under this section and Section 5 - 'Farm property' cover arising from the same occurrence, you need only pay the higher of the two or more excesses applicable to those sections.

If you are paid for one occurrence and also receive an additional benefit under any section, only one excess is payable.

We deduct the excess shown in the Policy or on the current Policy Schedule from the amount of your claim.

Where a maximum limit is applicable under 'Maximum limits we will pay', the excess will be applied to the claim prior to applying the maximum limit. For example, if a ring worth \$12,000 was stolen from the home and it has not been specified, the \$10,000 per

item jewellery maximum limit would apply. If a \$1,000 excess was applicable, this would be applied to the \$12,000 claim, rather than the \$10,000 maximum limit. Therefore, \$10,000 would be payable.

If the ring had been specified for \$12,000, we would pay \$11,000 - the \$12,000 claim less the \$1,000 excess.

If the stolen ring was worth only \$2,000, we would pay \$1,000 - \$2,000 less the \$1,000 excess.

Earthquake or tsunami damage

You must pay the first \$500 or the excess amount shown in your Policy Schedule, whichever is greater, in relation to claims for damage caused by earthquake or tsunami. All damage caused by earthquake or tsunami, occurring within seven days of the first damage occurring, will be regarded as damage resulting from one incident. If any earthquake or tsunami damage occurs after that, each subsequent seven-day period in which damage occurs will be regarded as a separate incident. An excess applies for each incident.

When you will not have to pay an excess

You will not have to pay an excess if we agree to pay a claim as a result of damage that renders your home, contents or both a total loss.

Optional benefits - Comprehensive cover only

If you choose comprehensive cover, you can also choose to have cover under any or all of the following optional benefits. When selected and you have paid any additional premium we ask for, we will provide the additional cover to you. The optional benefits you have selected will be listed on your Policy Schedule and apply to comprehensive cover on passenger vehicles only.

1. Hire vehicle cost following an accident

If your vehicle is damaged in an accident which is covered under this Policy, and your claim is accepted, we will arrange and pay the cost for a suitable hire vehicle on your behalf:

- for a maximum of 14 days; or
- until repairs authorised by us are completed; or
- until we pay the reasonable cost to repair your vehicle; or
- until we pay your claim after your vehicle has been assessed as a total loss,

whichever happens first.

The cover commences on the date your vehicle is taken to the repairer.

If you arrange and pay for the hire vehicle, we are not responsible for ensuring that a hire vehicle is available. We need you to provide us with a copy of the rental agreement or any receipts for the hire vehicle so that we can reimburse you.

If the cost of the hire vehicle is more than the maximum daily rate shown on your Policy Schedule, you will have to pay the difference.

We will not pay for:

- (a) additional hiring costs;
- (b) running costs, including the cost of fuel;
- (c) damage to the hire vehicle;
- (d) any insurance, insurance excess or other costs you may be liable for under the hire vehicle rental agreement.

2. Windscreen protection

If the only damage in an accident is a broken windscreen or window glass the standard excess shown in your Policy Schedule does not apply.

For the purpose of this optional benefit 'broken' means:

- a fracture that extends through the entire thickness of the glass;
- a fracture extending through all layers of the lamination, where the windscreen is laminated; or
- the damage is sufficient to prevent registration.

3. Protected No Claim Discount

This optional benefit is only available if you are on the maximum 'No Claim Discount' rating factor.

If you have this optional benefit and you make a claim that would normally reduce your 'No Claim Discount' rating factor, then it will not be reduced at renewal. This only applies for one such claim. Any subsequent claims that would normally affect your 'No Claim Discount' rating factor will decrease it at renewal.

See 'Claims experience and your premium' for information on the 'No Claim Discount' rating factor.

4. Tools and equipment

We will cover your tools and equipment of trade for loss or damage caused by:

- (a) fire, lightning, explosion, malicious damage or vandalism while they are secured on or in your vehicle;
- (b) theft following forcible and violent entry that causes visible damage to your locked vehicle;
- (c) theft if:
 - (i) they are securely attached to your vehicle through the use of locks or padlocks; and
 - (ii) the theft results in visible damage to the securing devices;
- (d) collision or overturning of the vehicle they are in or on.

We will pay up to \$1,000 per item and \$5,000 in total in any one period of insurance.

We will either pay the lesser of the:

- (a) cost to repair or replace the lost or damaged item; or
- (b) its current market value.

If only part of the item is damaged, we will only pay for that part plus the necessary cost to dismantle and reassemble it.

You must pay an excess of \$250 for each claim made under this optional benefit if no other excess applies to the claim.

Subsection 3 - Uninsured motorist's benefit

Applicable to Third party property damage only

We will either repair your vehicle to its condition immediately prior to the time of loss or pay you the reasonable cost of repairs to your vehicle resulting from accidental loss or damage to your vehicle, where:

1. the accident which gave rise to the claim was totally the fault of the driver of another motor vehicle (you may be able to help confirm this by providing a police report, expert reports, witness statements or photographs taken at the scene); and
2. you provide us with the registration number of the other motor vehicle and the name and address of the driver of the other motor vehicle; and
3. at the time of the loss or damage the driver of the other motor vehicle was not insured for their third-party liability (or we cannot confirm this through our enquiries within a reasonable time).

We will not provide this cover if you or any driver listed on your Policy Schedule is the owner or part-owner of the vehicle that is responsible for the accident.

The maximum amount we will pay under this benefit for all claims from any one accident or series of accidents arising out of the one cause or incident is the lesser of \$5,000 and the market value of your vehicle at the time of the loss or damage.

If we pay you the market value of your vehicle, then your vehicle in its damaged condition will become our property.

Exclusions applicable to Section 2 - Private Motor Vehicle

We will not pay for:

1. Damage to your vehicle's tyres caused by application of brakes, road punctures, cuts or bursting, unless the result of an accident covered under the type of cover you have selected or by people acting maliciously.
2. Loss of or damage to:
 - (a) to your vehicle due to depreciation, wear, tear, rust or corrosion;
 - (b) to your vehicle or any resultant mechanical damage caused by:
 - (i) failure or breakdown of a structural, electrical, mechanical or electronic nature;
 - (ii) faulty design or workmanship of your vehicle parts.

However, we do cover you for loss or damage to your vehicle resulting from faulty design or workmanship if such loss is otherwise covered by this Policy; or

 - (iii) continuing to drive your vehicle after it has been damaged or overheating;
 - (iv) loss of oil or coolant except while a thief drives your vehicle; or
 - (v) directly caused by a collision or fire resulting from such failure, faulty design or workmanship.
- (c) to your vehicle if it was not reasonably secured against further damage or theft, following an accident;
- (d) as a result of use of a fuel not intended for the specific make and model of your vehicle and engine.
3. Financial or non-financial consequential loss arising from loss of or damage to your vehicle, such as:
 - (a) lost profits or income because you can't use your vehicle;
 - (b) loss due to delay in repairs because a part isn't readily available;
 - (c) any diminished value of your vehicle after it has been properly repaired;
 - (d) if your vehicle is stolen or involved in an accident and you incur costs because you cannot use your vehicle - except as may be covered elsewhere in the Policy.
4. Loss of or damage to your vehicle:
 - (a) if it has been modified to materially increase its designed top speed or performance unless you notify us and we have agreed to this;
 - (b) if it is being used to carry more passengers or carrying or towing a heavier load than it was designed for, unless this did not contribute to the loss or damage;
 - (c) if it is being used to tow a caravan or trailer when you knew or should have known it was un-roadworthy or unsafe, unless this did not contribute to the loss or damage;
 - (d) while it is being used in any test, trial or experiment or demonstration other than for the purpose of selling the vehicle while on public roads or involved in a defensive driving course;
 - (e) is being used or tested in preparation for racing, pace making, reliability trial or a speed or hill climb;

- (l) if it was unroadworthy or in an illegal condition, unless its condition did not cause or contribute to the incident;
- (m) due to an intentional or reckless act by you or anyone acting with your permission except when it is to avoid or reduce damage which would otherwise happen;
- (n) due to any intentional or criminal or dishonest act by you or any person you've given permission to use your vehicle;

 - (i) who does not hold a legal driving licence to drive your vehicle in Australia; or

 - (iv) who, following an accident, refuses to provide or allow the taking of a sample of breath, blood or urine for testing analysis, as required by the law of any State or Territory in which the accident occurred.

However, we do give cover if you allowed another person to drive your vehicle, and you did not know or could not be reasonably expected to know that they were not so licensed or would be under the influence of alcohol or drugs. Where permitted by law, we reserve the right to recover the amount we pay from the driver of your vehicle at the time of the loss or damage.

5. Any fines, penalties, aggravated, punitive, exemplary or multiple damages.
6. Your failure to comply with a condition of this Policy.
7. Your failure to take reasonable care where this is a contributing factor, for example:
 - (a) leaving your vehicle keys inside your vehicle and leaving it unattended, such as when going to pay for petrol;
 - (b) failing to lock your car's windows and doors when you leave it unattended;
 - (c) not securing your vehicle after it has broken down, been damaged or you've been notified it has been found after it was stolen.

9. The illegal carrying of inflammable liquids, gases or explosives.
10. Loss or damage if your vehicle or substitute vehicle:
 - (a) is not registered for use on a public road;
 - (b) did not meet registration requirements in your state or territory.

However, we will cover your legal liability in respect of the unregistered vehicle on a public road if you have obtained the appropriate permit to drive the unregistered vehicle on a public road.
11. Legal liability arising from death or bodily injury.

Other loss or damage

There is no cover under this section of your Policy for any claim, loss, damage, cost, injury, death or legal liability that is caused by or arises from or in connection with a cyber incident.

However, we will provide cover for physical loss or damage to your vehicle arising from:

- damage to, failure of or unavailability of its electrical systems;
- loss of, corruption of, or loss of access to electronic data;

caused by a cyber incident if such loss is otherwise covered by this Policy.

How we settle your claim

If your claim is accepted, we will settle it in one of the following ways:

- repairing your vehicle; or
- paying the reasonable cost of repairing your vehicle; or
- if your vehicle is assessed as a total loss, we will pay the agreed value or market value, as shown on your Policy Schedule; or
- replacing your vehicle with a new one if the conditions for 'Replacement with a new vehicle' are met.

If your claim is for a replacement vehicle covered under the Additional Benefit - 'Change of vehicle', we'll follow the same process as explained above, except that a reference to market value will mean its fair market value just prior to the incident.

Repairing your vehicle

If we repair your vehicle, we will repair it to a similar condition to that which it was in before the loss or damage occurred. If it is necessary to repair it to a better condition than it was in before the loss or damage occurred, then we may ask you to contribute the additional amount to repair it to the better condition. If this may be necessary, we will talk to you beforehand about how you would like to proceed.

We are entitled to keep any parts or materials salvaged from the vehicle.

Following payment of a claim, other than for a total loss claim, your agreed value will remain unchanged unless you request otherwise.

We will normally use a QBE Accredited Smash Repairer or another licensed repairer we select. We will manage the repair process, including choosing the suitable repair method.

If your vehicle is safe to drive, you will need to take it to the repairer. If it's not safe to drive, we'll arrange for it to be taken there.

If you choose your own repairer

You may choose any licensed repairer to carry out the repairs. In this case, you'll need to:

- get a quote from an appropriately licensed and equipped repairer of your choice;
- allow us to assess the quote and your vehicle before we authorise repairs; and
- allow us to get a quote from another repairer if we need one.

We may invite, accept, adjust or negotiate estimates or arrange to move your vehicle to another repairer acceptable to both of us.

We may not accept your repairer's estimate if we believe:

- they don't have the equipment or expertise to repair your vehicle;
- the scope of repairs may not be correct; or
- their estimate is not competitive.

If you choose your own repairer and your vehicle is safe to drive, you will need to take it to the repairer. If it's not safe to drive, you will need to arrange to have it taken there. We'll contribute up to the amount it would have cost us to tow it to the repairer we would have otherwise arranged to repair your car.

When you choose your own repairer and we authorise the repairs, our repair guarantee will apply as long as we manage those repairs to completion.

Partial loss

If the loss or damage to your vehicle is considered as a partial loss, we may decide, in consultation with you, to repair your vehicle. We will repair it to a similar condition to that which it was in before the loss or damage occurred.

If it is necessary to repair it to a better condition than it was in before the loss or damage occurred, then we may ask you to contribute the additional amount to repair it to the better condition. We will discuss this with you before commencing the repairs.

If you have insured any accessories we will either:

- repair them; or
- pay for the cost to replace them as new, less an amount for depreciation, wear and tear.

Our parts policy

If your vehicle was first registered:

- less than three years ago, we will use genuine new parts when they are reasonably available.
- more than three years ago:
 - for mechanical parts we will only use genuine new or genuine reconditioned parts;
 - for other parts we will use genuine new parts unless they are not reasonably available. If they are not available, we will use genuine used parts.

Regardless of your vehicle's age, we may use quality non-genuine parts for windscreen, sunroof, window glass, radiator or air conditioning repairs or replacements. When we use non-genuine parts, they will:

- be consistent with the age and condition of your vehicle;
- not affect the safety or structural integrity of your vehicle; and
- comply with applicable Australian Design Rules.

If a certain part isn't readily available, we'll pay you the last known manufacturer's Australian recommended list or retail price of that part from a reputable commercial retailer at the time we settle the claim.

Our repair guarantee

We'll guarantee the quality of workmanship and materials used in repairs we authorise and manage, for as long as the owner of your vehicle does not change.

This guarantee does not apply to damage due to lack of maintenance or wear and tear (such as faded or damaged paintwork caused by exposure to the elements).

If you have concerns about the repairs to your vehicle you must:

- contact your financial services provider; and
- allow us to inspect your vehicle and arrange any additional repairs that we agree with you are needed. We will not pay for any additional repairs we don't authorise.

If additional repairs are needed and it's not safe or economical to carry them out, your vehicle will be assessed as a total loss. If this happens after your vehicle is no longer insured with us, we'll pay its market value, calculated at the time your vehicle is assessed as a total loss.

Paying the reasonable cost of repairs

We'll pay reasonable costs to have your vehicle repaired. Reasonable costs are determined by a number of factors, which may include:

- the advice of an experienced motor vehicle assessor we've appointed;
- a quote from another repairer of our choice; and
- any adjustment allowing for method of repair.

We'll pay your vehicle's owner the reasonable cost of repairing your vehicle in the following circumstances:

- if you disagree with our assessment of required repairs or their cost;
- if parts needed for repairs are not readily available;
- if we are concerned about the pre-incident condition of your vehicle;
- if we are concerned about the timing or conduct of repairs; or
- if you have chosen your own repairer and we cannot agree with you or your chosen repairer, about the quote or the repair method for example.

To help determine the reasonable cost of repairs we may organise a quote and scope of repairs from an alternative licensed repairer we both agree on. This may require your vehicle to be moved. When we pay the reasonable cost of repairing your vehicle or reasonable cost of replacing parts for your car, you will need to pay the applicable excess and arrange the repairs to your car.

Total loss

An MVIRI Code approved assessor will assess your vehicle to be a total loss if it is:

- damaged and uneconomical to repair; or
- stolen and not found within 14 days of its theft being reported to police, and your claim is in order.

In any assessment of whether your vehicle is a total loss, we will also have regard to the applicable State or Territory laws or regulations as to when a vehicle is considered a write off.

When your vehicle has been assessed as a total loss:

- we are entitled to keep it;
- cover under this section for that vehicle is exhausted and comes to an end; and
- there is no premium refund as you have received the benefits under the Policy and we have fulfilled our contract with you.

When the cover ends, we will still pay for the following additional benefit if it applies to your cover, it is directly connected to the total loss and it continues to be relevant:

- Travel and accommodation expenses.

Paying the agreed or market value

If your vehicle has been assessed as a total loss, and if the conditions in 'Replacement with a new vehicle' are not met, or you choose not to accept a new vehicle, we will pay the agreed value or market value, as shown on your Policy Schedule.

We will deduct the following from our payment:

- any excesses that apply to your claim;
- any remaining premium instalments for the period of insurance in which the incident occurred; and
- the value of your damaged vehicle only if we agree with you that you can keep it.

When your vehicle is a total loss, and it is not security for any finance arrangement and the name of the financier is not noted on the Policy Schedule, we will pay its owner the settlement amount. If your vehicle is security for any finance arrangement and the name of the financier is noted on the Policy Schedule, we will pay them what they're entitled to receive and pay the owner any balance up to the value of the claim. We will not pay any financier's late fees, interest or other administration fees. The owner will need to remove any registered security interest in your vehicle after we settle your claim as a total loss.

Finance payout

If your vehicle is security for any finance arrangement and the name of the financier is noted on the Policy Schedule, we will pay them what they're entitled to receive and pay the owner any balance up to the value of the claim.

We will not pay any financier's late fees, interest or other administration fees. The owner will need to remove any registered security interest in your vehicle after we settle your claim as a total loss.

Replacement with a new vehicle

We will replace your vehicle with a new vehicle of the same make, model or series so long as it is available in Australia and:

1. your vehicle has been assessed as a total loss;
2. you purchased it new from the manufacturer or their dealer or as a demonstrator vehicle;
3. your vehicle is less than 24 months old from when it was first registered; and
4. where your vehicle is financed, your financier has given us written consent.

If a new replacement vehicle is not available, we will replace your vehicle with a new vehicle that is of a similar make and model. The new vehicle will have the same or equivalent factory-fitted and legal aftermarket accessories and modifications that your vehicle had.

If we cannot agree on a replacement vehicle or you choose not to accept it, we'll pay the agreed value or market value, as shown on your Policy Schedule.

When we replace your vehicle, we'll also pay for its initial stamp duty and registration fees, but not compulsory third party insurance if this is sold separately where your vehicle was last registered. We won't pay to purchase or transfer any extended warranty for the new car.

When we replace your vehicle, you will need to pay us:

- any excesses that apply to your claim;
- any remaining premium instalments for the period of insurance in which the incident occurred; and
- the value of your damaged vehicle only if we agree with you that you can keep it.

Settling your total loss claim

Where your vehicle is a total loss, and your claim is accepted, your Policy comes to an end. How your claim is settled will depend on whether you have taken out an agreed value policy or a market value policy.

- (a) If a security interest is registered over your vehicle, we will:
 - (i) pay the financier the sum insured, up to the amount required to discharge your loan or finance agreement; and
 - (ii) pay you the remaining balance of the settlement sum.
- (b) If no security interest is registered over your vehicle, we will:
 - (i) pay you the sum insured; or
 - (ii) replace your vehicle if a similar make and model is available.

Any payment made to the financier will satisfy our obligation to you under this Policy for the amount paid.

Excesses

In most cases, you'll need to contribute an amount towards the cost of any claims you make under this Policy.

Depending on the age or experience of the driver, and whether you have told us about them and we have noted them on your Policy Schedule, you may have to contribute more than one excess. Each excess is shown in your Policy Schedule and is explained below.

Where more than one motor vehicle is covered under this Policy and those motor vehicles are involved in the same incident which gives rise to a claim, you will have to pay the applicable excesses in respect of each motor vehicle insured under the Policy.

How we collect the excess

When an excess applies to your claim, we'll let you know when and how to pay the excess as this will depend on how your claim is settled. For example:

- if we repair your car, we'll normally ask you to pay the excess to the repairer before they start the work;
- in some instances, we'll ask you to pay your excess to us such as where a repairer or supplier is not able to accept an excess payment or your vehicle is a total loss and we replace it with a new one;
- if we pay you the reasonable cost to repair your vehicle, we will deduct the excess from the amount we pay you;
- if your vehicle is a total loss and we pay you the agreed or market value for your car, we will deduct the excess from the amount we pay you.

We will not pay for any costs that result from a delay in paying an excess.

Excess Type	When applicable
Standard	<p>In most cases you will need to contribute an amount towards the cost of any claims you make. This amount is shown in your Policy Schedule as the standard excess. The standard excess applies to all claims unless:</p> <ul style="list-style-type: none"> • your claim is for a not-at-fault vehicle accident; or • the incident you are claiming for is malicious damage, theft or attempted theft and you provide us with the full name and address of the person responsible for the incident; or • your claim is only under the Optional cover - 'Windscreen Protection.' <p>If you are unable to provide us with the full name and address of the person responsible for the incident, we are unable to waive the excess. We need these details in order to be able to conduct a settlement or recovery.</p>
Age or inexperienced driver	<p>Applies to passenger vehicles only</p> <p>In addition to the standard excess, you will have to contribute an age excess or inexperienced driver's excess if at the time of any incident giving rise to a claim your vehicle is driven, used or controlled by a person who:</p> <ol style="list-style-type: none"> 1. is under the age of 25; or 2. is aged 25 or more but has not held an Australian driver's licence for two or more years for the type of vehicle being driven at the time of the accident. <p>The amount of the age or inexperienced driver excess is shown in your Policy Schedule.</p> <p>You will not have to pay this additional excess if the only damage to your vehicle is a broken windscreen or window glass or is caused by storm or hail, or your vehicle is damaged while parked or unattended.</p>

Excess Type	When applicable
Undeclared driver	<p>Applies to passenger vehicles only</p> <p>In addition to any other excesses that apply, you will have to contribute an undeclared driver's excess if, at the time of an incident which gives rise to a claim, your vehicle was being driven by or in the charge of a person:</p> <ul style="list-style-type: none"> • who is a member of your family; and • whose name isn't listed as a driver in your Policy Schedule. <p>You will not have to pay this excess if:</p> <ul style="list-style-type: none"> • the driver of your vehicle is over 25 years of age and, in the five years immediately before the accident or loss, has not: <ul style="list-style-type: none"> ◦ been convicted of driving under the influence of alcohol; or ◦ had their licence suspended or cancelled; • an emergency existed; • the use of your vehicle is shown as business or commercial in your Policy Schedule; • the only damage to your vehicle is a broken windscreen or window glass, hail damage, or loss or damage which occurs when your vehicle is parked or unattended; or • the driver of your vehicle has their own vehicle insured, and they are noted as the main driver of that vehicle. <p>The amount of the undeclared driver's excess is shown in your Policy Schedule.</p>
Optional Benefit	Applies to Comprehensive cover only
Tools and equipment	<p>If you have comprehensive cover and this optional benefit is listed on your Policy Schedule you will have to contribute an excess of \$250 for each claim made under this optional benefit if no other excess applies to the claim.</p>

When you will not have to pay an excess

You will not have to pay an excess if the claim involves a collision with another vehicle and:

1. the collision which gave rise to the claim was totally the fault of the driver of another vehicle (you may be able to help confirm this by providing a police report, expert reports, witness statements or photographs taken at the scene); and
2. you provide us with the registration number of the other vehicle and the full name and address of the other driver; and
3. the amount of your claim exceeds the applicable excesses under the Policy.

We give this benefit only if we are allowed legally to recover the amount of any loss including any applicable excesses from the responsible person.

This benefit does not apply to windscreen damage and you will have to pay any excess applicable for windscreen only damage.

Where the driver of the other vehicle disputes who was at fault, you must pay any excess which applies but we will refund it if we are successful in establishing that the other driver was at fault.

Subsection 1 - Loss of or damage to your boat

Cover

1. Accidental damage

(a) We will cover you if your boat:

- is damaged accidentally; or
- sinks accidentally, provided it was in seaworthy condition at the time of sinking.

2. Theft (excluding personal watercraft)

We will cover you for theft of:

- the entire boat including trailer, outboard motor(s), equipment and accessories;
- part of your boat including trailer, outboard motor(s), equipment or accessories from:
 - your boat; or
 - the place of storage of your boat, trailer, outboard motor(s) or the equipment and accessories.

In the event of a claim, it will not be necessary for you to demonstrate that there is physical evidence of violent and forced entry, but it is a condition of this cover that you are at all times required to take reasonable measures to prevent theft (for example placing equipment / accessories or outboard motors temporarily removed from your boat in a secure place of storage).

3. Theft of personal watercraft (PWC)

We will cover you for theft of your PWC while:

- stored ashore in a locked garage or yard, provided there is physical evidence of violent and forcible removal from or entry to the place of storage; and
- on a trailer, but only if:
 - your trailer was immobilised by an anti-theft device; and
 - there is physical evidence of visible and violent and forcible removal of both your trailer and the anti-theft device.

'Anti-theft device' means a professionally-manufactured, purpose-designed anti-theft device, but does not include chains or padlocks.

4. Malicious damage

We will cover you for malicious damage to your boat.

5. Search costs

We will cover you for costs or expenses you reasonably incur for the hire or charter of any vessel or aircraft to be used in search of your boat presumed lost or in distress. These costs are subject to a limit of \$10,000 any one event.

6. Transit damage

We will cover you for accidental damage to your boat during transit on its own trailer by road, rail or ship, provided your boat is designed to be normally trailed by a boat trailer and you comply with all statutory requirements.

7. Damage caused by government authority

We will cover you for damage to your boat by a government authority in order to prevent or minimise a pollution hazard or threat of such a hazard resulting from damage to your boat, provided this has not resulted from your lack of due diligence.

8. Other expenses

If your boat gets into difficulties or is damaged accidentally, we will pay the reasonable cost of taking action to:

- (a) minimise loss or damage;
- (b) remove your boat to safety (including emergency towing);
- (c) dry all the electrical equipment in the motor(s);
- (d) clean and oil the motor(s); and
- (e) tow your boat to the nearest repairer in an emergency following a loss (provided your boat is designed to be towed by a trailer), limited to a total amount of \$750 for all claims during the period of insurance;
- (f) if your boat is stranded, we will pay the reasonable costs of inspecting the hull to see if it is damaged.

We won't deduct an excess from a claim for these costs.

You do not need our authority to take such action if it is an emergency and you are unable to contact us to obtain authority.

However, you must advise us as soon as possible after the action has been taken.

We'll pay these costs in addition to the sum insured of your boat. The additional amount we will pay is limited to the sum insured of the boat shown in your Policy Schedule.

What we will pay for

This is an agreed value Policy.

Where specified and shown in your Policy Schedule, there is an agreed sum insured for each of:

1. the hull;
2. the motor(s);
3. sails, masts, spars, standing and running rigging;
4. trailer; and
5. equipment and accessories.

Individual items of equipment and accessories have an agreed sum insured where specified by you. In the event of a claim, the maximum we will pay you for each item lost or damaged is the agreed sum insured for that item.

Where you have not specified a separate sum insured for either:

1. a part of your boat as above; or
2. an individual item,

then the maximum we will pay is the current market value of the part or item.

However, the maximum amount we pay will not exceed the total sum insured under any circumstances.

Any amount we pay will be reduced if the total market value of your boat including all items listed above exceeds the total sum insured shown in your Policy Schedule by more than 20%. The amount we pay will be reduced in proportion to the difference between the market value of the whole boat and the total sum insured.

Basis of settlement

We will either:

1. repair or replace your boat or the item involved; or
2. pay you the reasonable cost of repairing or replacing your boat or the item involved; or
3. pay you the sum insured (where specified) of your boat or the item involved and take ownership of any salvage; or
4. pay you the current market value of your boat or the item (where there is no agreed value) and take ownership of any salvage.

Repairing your boat

If we repair your boat, we will repair it to a similar condition to that which it was in before the loss or damage occurred.

If it is necessary to repair it to a better condition than it was in before the loss or damage occurred, then we may ask you to contribute the additional amount to repair it to the better condition. We will discuss this with you before commencing the repairs.

If you have insured any accessories, we will either repair them or pay for the cost to replace them as new, less an amount for depreciation, wear and tear.

Replacement of damaged parts

In the event of an accident covered under this Policy, should any part of your boat or other insured property become unavailable in Australia, we will reimburse you, in accordance with the basis of settlement, but in no circumstances will we be liable for more than the cost of the parts plus the cost of freighting such parts by sea transport.

Should the cost of these parts plus the cost of the repairs exceed the sum insured or market value, whichever is the lesser, we reserve the right to declare your boat a total loss.

Imported boats

If your boat has been imported and any part is not available in Australia, we will only pay for the cost of parts used in the repair of your boat up to the manufacturer's recommended list price in Australia.

However, if such list is not available, we will only pay for the cost of the parts plus the cost of freighting such parts by sea transport.

If there is a delay in the repair process due to the importation of parts, you are not covered for any loss of use of your boat during that time.

Total Loss

Where your boat is damaged or destroyed and the cost to repair it plus the value of any salvage (if applicable) exceeds the agreed value or market value; or your boat is stolen and not recovered within a reasonable period of time. We will either:

1. replace your pleasure craft with an equivalent new pleasure craft of the same make, specifications, model or series so long as it is available in Australia and provided that it is less than two years old. We will also pay any registration and/or stamp duty costs applicable;
2. pay the amount of loss or damage up to the sum insured or its market value, whichever is the lesser, if the words 'Market value' are shown in the Policy Schedule;
3. pay the sum insured as shown in the Policy Schedule.

Paying you the sum insured

You must take the necessary steps which we require to remove any security interest in your boat after your loan or finance agreement has been discharged.

Market value

If you have insured your boat for market value, we will either:

1. replace your boat with an equivalent boat or pay you its market value at the time of the total loss plus;
2. replace all insured accessories or pay you the cost to replace them as new, less depreciation.

Agreed value

If you have insured your boat for agreed value, we will either replace your boat with an equivalent boat or pay the agreed value shown in your Policy Schedule.

Replacement with a new boat

We will replace your boat with a new boat of the same make, model or series if:

1. your boat is a total loss;
2. you purchased it new from the manufacturer or their dealer or as a demonstrator boat;
3. your boat is less than 24 months old from when it was first registered; and
4. where your boat is financed, your financier has agreed in writing.

If a new replacement boat is not available, we will replace your boat with the nearest equivalent boat available in Australia.

If we cannot agree on a replacement boat, we will pay you the amount it would cost to buy the same boat as, or a near equivalent of, the old boat.

We also pay the registration, stamp duty and dealer charges for the period registered but not exceeding 12 months on the new boat but any refund of registration fees or stamp duty that applies must be refunded to us.

Discharging a security interest

You must take the necessary steps which we require to remove any security interest in your boat after your loan or finance agreement is discharged.

Depreciation

When we either replace an item, or pay the cost of replacing an item which has no agreed sum insured, then depreciation may apply and the amount payable is determined by:

1. comparing the value of an item with an item of similar age and condition; or
2. establishing the actual cost of an item of similar age and condition.

When we repair an item, the amount that we pay is limited by the actual value of the item being repaired compared with its age and condition.

If your boat is less than one year old, we will not apply depreciation in determining the amount paid to you.

Additional benefits

We provide the following additional benefits when we accept a claim as a result of an insured loss under this Policy section. They are in addition to the sum insured for boat unless otherwise specified.

1. Automatic reinstatement

When we pay a claim for your boat or an item under this section, we will automatically reinstate the sum insured for your boat or that item to the amount shown in your Policy Schedule, provided you:

- scuba diving, diving or diving operations;

If you replace your boat or any item shown in your Policy Schedule and we agree to cover the replacement, we will cover the new boat or item:

- (a) from the time you purchased it; and
- (b) up to the same value as your agreed sum insured.

However, the Policy will no longer cover the replaced boat or item.

We will cover the 'new' or replacement boat or item only if:

- (a) you give us its details in writing within 14 days of buying it; and
- (b) you pay us any additional premium that we ask for.

In giving you this cover, we will consider either the price you paid for the hull, motor(s), equipment and accessories, sails, masts, spars, standing and running rigging and its trailer, or valuation as the agreed sum insured for that time.

8. Sporting equipment

We will cover you for:

- (a) accidental damage to your sporting equipment on board your boat, but not while it is in use;
- (b) theft of your sporting equipment, provided there is visible evidence of forcible and violent entry into:

The most we will pay is \$1,000 for any one item and up to \$10,000 in total.

If a replacement boat is not available, we will:

- replace it with the nearest equivalent boat; or

Cover types

The two cover types that apply to this section are:

1. Insured events

Applies only to:

- livestock;
- mobile machinery; and
- unspecified mobile machinery,

when insured under this section of the Policy.

2. Accidental damage

Applies only to:

- buildings;
- contents;
- fences;
- hay, silage and grain;
- immobile machinery; and
- unspecified immobile machinery,

when insured under this Farm Property section of the Policy.

How we'll settle your claim

We'll rebuild, replace or repair the damaged part of your farm property to either:

- indemnity value; or
- reinstatement or replacement value.

Indemnity value

When we settle a claim on indemnity value, we look at the value of your farm property at the time of loss or damage, taking into consideration its age, condition and state of repair. We will make an allowance for wear, tear and depreciation. If new property replaces old property, we may ask you to make a contribution to take account of this improvement (also known as 'betterment'). We will discuss this with you if it might be the case.

We will either:

- pay you the indemnity value of the farm property;
- repair or replace, or pay you the cost to repair or replace, the damaged part of the farm property (with an allowance for wear, tear, depreciation and any improvement); or
- pay you the sum insured shown in your Policy Schedule for the item.

Reinstatement and replacement

We will either:

- repair or replace, or pay you the cost to rebuild, replace or repair to a standard similar to when new (but no better or more extensive than when new); or
- pay you the sum insured shown in your Policy Schedule for the item.

When we settle a claim on reinstatement or replacement value, we won't make a deduction for wear and tear or depreciation. We may make an allowance for improvement. We will discuss this with you if it might be the case.

Delays in repairing, replacing or rebuilding

If you delay repairing, replacing or rebuilding, for example by unreasonably delaying reviewing and approving documents necessary to effect the repair, replacement or rebuilding, for more than six months from the date when the claim was approved, we'll only pay the reasonable cost that would have been incurred to repair, replace or rebuild at the time the claim was approved. You may have to pay any increase in cost caused by your delay.

If you believe that, due to special circumstances, you have a reason to delay the repair, replacement or rebuilding for more than six months, we will give consideration to those circumstances, and we may:

- not charge you for any increase in cost caused by the delay; or
- pay the reasonable cost that would have been incurred to repair, replace or rebuild your home at the time the claim was approved.

Additional costs to comply with the requirements of a statutory authority

We'll also cover any additional costs to comply with the requirements of a statutory authority, unless you were required to comply with the requirement before the loss or damage occurred. We will only pay extra costs that relate to the damaged part of your farm buildings.

Conditions that apply to both methods of settlement

We settle claims for:

- building and contents on the basis of either:
 - indemnity value; or
 - reinstatement or replacement value, (your Policy Schedule shows which method of settlement you selected);
- fences, immobile machinery and unspecified immobile machinery on the basis of reinstatement or replacement value;
- livestock, grain, hay, silage, harvested produce, mobile machinery and unspecified mobile machinery on the basis of market value.

Rebuilding elsewhere

Farm property may be rebuilt at another location provided we agree in writing and you pay any additional costs to build or erect elsewhere. We will not unreasonably withhold our consent.

Total loss of any item

If we pay a claim for the total loss of any item of farm property, then all insurance on that item ends and you will not be entitled to any refund of premium.

If we pay a claim for total loss of livestock and you replace the insured livestock within 120 days of their death, we will pay the lesser of market value or 110% of the sum insured. Again, cover for that stock ceases, with no refund of premium.

Sum insured

The most we'll pay for any item is the sum insured shown in your Policy Schedule for that item.

Fences are insured for the cost of labour and materials

If this Policy insures fences, we will also cover the cost of labour and materials for fences.

You may relocate fences destroyed by fire, but we will not pay:

- any more than the cost to repair or replace the fence where it was originally located; or
- to relocate any undamaged part of the fence.

If a fence sits on your boundary, we'll only cover the proportion of the cost of repair or replacement you would have to pay under the legislation dealing with dividing fences.

Excess(es)

For each occurrence which gives rise to a claim, you must pay the highest excess that applies to that occurrence. Either the Policy or your Policy Schedule will show the excesses.

If there is a claim for loss or damage under this section and Section 1 - 'Home' arising from the same occurrence, you need only pay the higher of the two or more excesses that apply to those sections.

If we pay a claim under this section and you also receive an additional benefit, we won't apply an excess to the additional benefit.

You must pay the first \$250 or the excess amount shown in your Policy Schedule, whichever is greater, in relation to claims for damage caused by earthquake or tsunami. All damage caused by earthquake or tsunami, occurring within seven days of the first damage occurring, will be regarded as damage resulting from one incident. If any earthquake or tsunami damage occurs after that, each subsequent seven-day period in which damage occurs will be regarded as a separate incident. An excess applies for each incident.

Insured events

Insured events cover applies to livestock, mobile machinery and unspecified mobile machinery insured by this section.

We will pay for loss of or damage to your livestock, mobile machinery and unspecified mobile machinery caused by the following insured events 1. to 7.

1. Bursting, leaking, discharging or overflowing of liquid from a fixed apparatus or system. We will also pay for the cost of locating the burst or leak, or the cause of the discharge or overflow, including any damage resulting from doing so, provided the liquid has caused damage or loss which is insured.

We will not pay for:

5. Malicious damage, other than by you or anyone who lives with you permanently or temporarily;

6. Riot, civil commotion, industrial or political disturbance;

7. Storm or rainwater.

Mobile machinery is not covered for storm or rainwater while in the open air unless it is specifically designed to function without the protection of a building.

We will not pay for loss or damage to livestock caused by storm or rainwater.

Unspecified mobile machinery

If you have chosen to insure unspecified mobile machinery, we will pay up to the limit per item shown in your Policy Schedule for damage to any one item of unspecified mobile machinery caused by or arising from an occurrence covered by insured events.

We will not pay more than the sum insured for all unspecified mobile machinery which is shown in your Policy Schedule.

We will not pay for:

1. loss or damage which results from your failure to take reasonable steps following the discovery of liquid bursting, leaking, discharging or overflowing from a fixed apparatus or system;
2. the cost of repairing or replacing any defective item that causes the escape of liquid from a fixed apparatus or system;
3. storm, wind or rainwater damage to:
 - (a) textile blinds or textile awnings;
 - (b) tarpaulins, netting, plastic, PVC or other similar materials;

 - (f) grain unless it is contained in a silo at the time of the occurrence;
 - (g) livestock;
 - (h) contents and immobile machinery in the open air unless the property is designed to function without the protection of a building;
 - (i) buildings while they are being built that do not have all walls, doors and a roof completely fixed;
4. loss of or damage to:
 - (a) livestock, animals, birds and fish;
 - (b) growing crops, trees or any other plants;
 - (c) mobile machinery;
 5. theft of farm property;
 6. mechanical, electrical or electronic failure, breakdown or derangement, fusion of electric motors;
 7. deterioration and putrefaction of refrigerated goods.

Unspecified immobile machinery

If you have chosen to insure unspecified immobile machinery, we will pay up to the limit per item shown in your Policy Schedule for damage to any one item of unspecified immobile machinery, caused by or arising from an occurrence covered by accidental damage.

We will not pay more than the sum insured for all unspecified immobile machinery which is shown in your Policy Schedule.

The cost of professional fees and legal costs are included in the sum insured for buildings.

Specific conditions applying to this section

Unoccupancy

If at the time of an occurrence at your farm, your farm has been unattended for more than 100 consecutive days, we will only pay for loss or damage to your farm property as defined in Section 5 - 'Farm Property' if it is caused by storm, rainwater or earthquake, unless we have agreed otherwise in writing.

Section 6 - Business interruption

The words below have a special meaning in this section of your Policy.

Indemnity period	the maximum number of weeks we pay you for business interruption following an occurrence that interrupts your farm business. The indemnity period is shown in your Policy Schedule.

Uninsured working expenses	<ol style="list-style-type: none"> the cost to purchase stock; and working expenses you have chosen not to cover, shown in your Policy Schedule.

Cover types

The two cover types that apply to this section are:

- Subsection 1 - Increased cost of working only; and
- any or all of:
 - Subsection 2 - Loss of gross profit cover;
 - Subsection 3 - Payroll cover;
 - Subsection 4 - Additional increased cost of working cover; and
 - Subsection 5 - Claims preparation costs cover.

Subsection 1 - Increased cost of working

What you are covered for

If you have selected Subsection 1 - 'Increased cost of working' and we pay a claim that results from insured loss or damage to:

- property insured under Section 5 - 'Farm Property'; or
- tractors, seeders, planters, sprayers, cotton pickers, balers or motorised harvesters you have insured under Section 7 - 'Farm vehicle'.

we will pay you up to the sum insured shown in your Policy Schedule for any reasonable increase to the working costs:

- to maintain your farm business at a similar level as prior to the loss or damage;
- to rewrite your farm records.

Under this subsection we will only pay those costs that:

- result as a direct consequence of the insured events; and
- are additional to the normal operating costs associated with the damaged property or vehicle.

We'll pay these costs until the earlier of:

- when the damage is repaired, or could reasonably have been repaired; and
- 52 weeks after the loss or damage to your farm property or vehicle.

What you are not covered for

We will not pay any additional increased costs caused by:

- drought;
- a loss, expense or cost arising from farm property or a farm vehicle you haven't insured under this Policy;
- a loss, expense or cost arising from farm property or a farm vehicle:
 - that is insufficiently insured to rebuild, replace or repair; or
 - when any additional or optional benefit limit within that section is exhausted.

We will not pay for additional costs incurred to hire vehicles which are sedans, station sedans, utilities, vans, caravans, trucks or their trailers, goods carrying vehicles, motorcycles, all-terrain vehicles (ATVs), utility task/terrain vehicles (UTVs), gyrocopters or aircraft.

Additional benefits applicable to Subsection 1 - Increased cost of working

Loss of Pasture

If you have selected Subsection 1 - 'Increased cost of working', we will include any increases to your working costs when your pasture is destroyed by fire and livestock cannot be sustained at your farm.

Subject to the stocking rate and seasonal capacity of your farm and the destroyed paddock we will either pay for the reasonable costs to:

- transport your livestock to an alternative location;
- agist your livestock elsewhere;
- provide replacement fodder.

Claims preparation costs

We cover up to \$5,000 for reasonable costs for professional fees you incur to prepare a claim made under this section. We'll pay this in addition to the sum insured shown in your Policy Schedule.

Subsection 2 – Loss of gross profit

What you are covered for

If:

- you have selected Subsection 2 – Loss of gross profit; and
- we have agreed to pay a claim that results from loss or damage to farm property at the farm under Section 5 – ‘Farm Property’ during the period of Insurance,

we will cover you for loss of gross profit that results from an interruption to your farm business resulting from the insured damage.

We will also cover loss of gross profit that results from an interruption to your farm business due to loss or damage to public utilities located on or adjacent to your farm that would be claimable under Section 5 – ‘Farm property’ if the public utility was insured under that section.

A public utility is a company or statutory authority that supplies you with:

- external voice and data communication systems;
- electricity; or
- gas or water delivered to you through a reticulated system of pipes on or immediately adjacent to your farm.

How we will pay your claim

We assess your loss of gross profit by calculating the following amounts:

Amount	Calculation
(A) shortage in turnover	<ul style="list-style-type: none"> • your turnover during the indemnity period deducted from your turnover during the corresponding period in the previous year.
(B) gross profit	<ul style="list-style-type: none"> • the sum of: <ul style="list-style-type: none"> ◦ turnover; ◦ closing stock; and ◦ work in progress, • less the sum of: <ul style="list-style-type: none"> ◦ opening stock; and ◦ work in progress and uninsured working expenses.
(C) rate of gross profit	<ul style="list-style-type: none"> • the percentage obtained when you divide: <ul style="list-style-type: none"> ◦ your gross profit (B) during the financial year immediately before the occurrence that interrupts your farm business; ◦ by the turnover during that financial year.
Loss of gross profit	<ul style="list-style-type: none"> • your rate of gross profit (C) multiplied by the shortage in turnover (A).

We then adjust your loss of gross profit amount by:

- deducting from the loss of gross profit amount all costs you do not have to pay or agree to pay due to the interruption to your farm business; and
- adding increased costs you necessarily and reasonably incur to avoid or diminish a reduction in turnover (but only if these increased costs reduce the amount we would have to pay).

The most we'll pay is the sum insured shown in your Policy Schedule.

Additional benefit applicable to Subsection 2 – Loss of gross profit – Transport infrastructure

If:

- damage occurs within Australia, but outside your farm, to roads, bridges or rail lines over which property is conveyed to or from your farm (but not including damage by flood); and
- this damage is caused by or would be covered by an insured event listed in Section 5 – ‘Farm property’,

we will consider the resulting reduction of gross profit to be loss resulting from loss or damage to property you use at your farm.

Special condition applicable to Subsection 2 – Loss of gross profit – Underinsurance

If the sum insured for gross profit at the commencement of each period of insurance is less than the amount produced by multiplying the rate of gross profit to 80% of the annual turnover, then the amount we will pay will be reduced by the proportion the sum insured for gross profit bears to the actual gross profit.

Annual turnover means the turnover during the 52 weeks immediately before the occurrence that interrupts your farm business. If your indemnity period is longer than 52 weeks, then annual turnover is increased proportionately.

This special condition will not apply if your claim is for less than 5% of the sum insured for gross profit.

Subsection 3 – Payroll

What you are covered for

We will cover the reasonable and necessary payroll costs you incur during the indemnity period following a claim under this section to:

1. reduce or avoid loss of turnover;
2. maintain normal farm operations and services;
3. resume normal farm operations and services; and/or
4. pay out payroll in lieu of notice,

up to the amount of the sum insured shown in your Policy Schedule.

Special condition applicable to Subsection 3 – Payroll

If you are covered for Subsection 2 – ‘Loss of gross profit’, then payroll is an uninsured working expense and you agree that your gross profit will be reduced accordingly.

Subsection 4 – Additional increased cost of working cover

What you are covered for

We cover you up to the amount shown in your Policy Schedule for additional increased costs of working:

- you incur during the indemnity period;
- that are due to an occurrence; and
- that are not covered under any other subsection of this section (or the cover is insufficient).

Additional increased cost of working means the reasonable and necessary additional costs you incur during the indemnity period to reduce or avoid reduction in turnover.

Subsection 5 - Claims preparation costs

What you are covered for

We cover you for the reasonable costs of professional fees you incur to prepare a claim, up to the sum insured shown in your Policy Schedule.

Additional benefit applying to Subsection 5 - Re-writing of records

We will cover the reasonable clerical and professional costs you incur to re-write your necessary business records if they are damaged by an occurrence for which you are covered.

We will not pay for any financial loss caused by the loss of your records under this additional benefit.

The maximum amount we will pay for any occurrence is \$20,000, or the amount shown in your Policy Schedule, whichever is the greater.

This additional benefit is in addition to your sum insured.

Optional benefit applying to this section - Outstanding accounts receivable

Where you choose to have cover under the following optional benefit, and you have paid any additional premium we ask for, we will indemnify you up to the limit shown in your Policy Schedule for loss of outstanding accounts receivable resulting from loss or damage:

- to your farm business records contained at the address;
- caused by events insured by Section 5 - 'Farm property' or Section 9 - 'Theft' of this Policy.

The insurance is limited to:

- (a) the difference between:
 - (i) the outstanding accounts receivable; and
 - (ii) the total of the amount received or traced for those accounts.
- (b) the additional expenditure you incur with our consent to trace and establish outstanding accounts receivable after the damage, provided that:
 - (i) if the sum insured is less than the outstanding accounts receivable, we will reduce the amount payable proportionally;

Types of cover

We offer two cover types.

The type of cover you have selected is shown in your Policy Schedule.

1. Comprehensive cover

This insures you for:

- (a) accidental damage to, or theft of the insured motor vehicle; and
- (b) third party property damage.

Subsection 1 and Subsection 2 of this section apply.

2. Third party property damage

Applies to registered motor vehicles only

This insures your legal liability to pay compensation arising from damage you cause to other people's property.

Subsection 1 of this section does not apply.

Subsection 2 of this section applies in full.

Use of the motor vehicle

We will only insure your vehicle when it is being used:

1. in connection with your farm business;
2. for social, domestic and pleasure purposes;
3. in connection with servicing, repairing and subsequent testing;
4. for tuition when no payment is received for tuition;
5. for towing a vehicle when no payment is received for towing;
6. for demonstration for sale;
7. for voluntary work in relation to community groups, sporting or social clubs.

We will not cover you or any driver if you have hired out your vehicle to anyone unless we have agreed in writing.

Subsection 1 - Comprehensive Cover

What we will pay - Basis of settlement

We will pay for accidental loss or damage to your vehicle, including theft and malicious damage.

We will pay either:

1. the cost to repair, reinstate or replace your vehicle;
2. the agreed value or the lesser of the market value or the sum insured, depending on the cover shown on your Policy Schedule.

If the repairs to your vehicle put it into a condition better than it was in immediately before to the loss or damage, we may require you to contribute to the cost of repairs. If this may be necessary, we will talk to you beforehand about how you would like to proceed.

If the vehicle description and sum insured listed on your Policy Schedule for your harvesting machine includes equipment designed to be removable, we'll also cover that equipment while:

- it's attached to the harvesting machine; or
- separated for transportation or for cleaning, repair or storage.

Our parts policy

We may replace damaged parts with new, recycled, reconditioned or quality non-genuine parts that:

- are consistent with the age and condition of your vehicle;
- do not affect the safety or the structural integrity of your vehicle;
- comply with the vehicle manufacturer's specifications and applicable Australian Design Rules;
- do not adversely affect the post-repair appearance of your vehicle; and
- do not void or affect the warranty provided by the vehicle manufacturer.

If any part of your vehicle is damaged in an incident covered under this Policy, and is unavailable in Australia, we will reimburse you in accordance with 'What we will pay - Basis of settlement'. Under no circumstances will we be liable for more than the last known manufacturer's Australian recommended list or retail price of that part from a reputable commercial retailer at the time we settle the claim.

Our choice of repairer policy

If we repair your vehicle, we will recommend a QBE Accredited Smash Repairer or other licensed repairer we select, however you may choose any licensed repairer to repair your vehicle.

See qbe.com/au for a list of repairers with whom we have a supplier agreement.

If your vehicle is repaired by our recommended repairer, we will manage the repair process, including choosing the suitable repair method.

If you choose your own repairer, you'll need to:

- get a quote from an appropriately licensed and equipped repairer of your choice;
- allow us to assess the quote and your vehicle before we authorise repairs; and
- allow us to get a quote from another repairer if we need one.

We may invite, accept, adjust or negotiate estimates or arrange to move your vehicle to another repairer acceptable to both of us.

We may not accept your repairer's estimate if we believe:

- they don't have the equipment or expertise to repair your vehicle;
- the scope of repairs may not be correct; or
- their estimate is not competitive.

Our repair guarantee

We'll guarantee the quality of workmanship and materials used in repairs we authorise and manage, for as long as you own or lease the vehicle.

This guarantee does not apply to damage due to lack of maintenance or wear and tear (such as faded or damaged paintwork caused by exposure to the elements).

If you have concerns about the repairs to your vehicle you must:

- contact your financial services provider; and
- allow us to inspect your vehicle and arrange any additional repairs that we agree with you are needed. We will not pay for any additional repairs we don't authorise.

If additional repairs are needed and it's not safe or economical to carry them out, your vehicle will be assessed as a total loss. If this happens after your vehicle is no longer insured with us, we'll pay its market value, calculated at the time your vehicle is assessed as a total loss.

Accessories, equipment and tools

We will cover you for accidental loss or damage or theft during the period of insurance to your vehicle's extras while they are in, on or attached to your vehicle.

These are:

1. original manufacturer's:
 - standard accessories;
 - standard tools;
 - standard appliances; and
 - standard options, including built-in radio receivers, built-in music players and air-conditioning.
2. any gate, chains, dog and chain, strap, tarpaulin and the like attached to or on your vehicle (up to \$5,000 for one occurrence, or as stated in your Policy Schedule);
3. unspecified accessories including non-standard equipment, tools and spare parts used for your vehicle.

Replacement of tyres when we repair your vehicle under this policy

If any tyre is damaged in an incident for which we've agreed to pay a claim, we'll replace it with a new tyre of a similar make and specification unless:

- the condition of the damaged tyre's remaining tread does not conform with legal requirements at the time of the damage; or
- the tyre was either recapped or a retread.

In this case, we may ask you to contribute the additional amount to replace it with a new tyre.

Total loss

An MVIRI Code approved assessor will assess your vehicle to be a total loss if it is:

- stolen and not found within 14 days of its theft being reported to police; or
- unsafe or uneconomical to repair, including where the assessed cost of the repairs plus the salvage value exceed the agreed value or the lesser of the sum insured or market value, depending on the cover shown on your Policy Schedule.

In any assessment of whether your vehicle is a total loss, we will also have regard to the applicable State or Territory laws or regulations as to when a vehicle is considered a write off.

When your vehicle has been assessed as a total loss:

- we are entitled to keep it (however, if we do not take possession of your damaged vehicle, you cannot abandon your responsibilities for it);
- cover under this section for that vehicle is exhausted and comes to an end; and
- there is no premium refund as you have received the benefits under the Policy and we have fulfilled our contract with you.

If the listed motor vehicle is a harvesting machine and includes cover for equipment that is designed to be removable, a total loss can be declared for that item of removable equipment.

We will settle the claim based on the agreed value or the lesser of market value or sum insured, depending on the cover shown on your Policy Schedule.

Financier

If your vehicle is the security for any finance agreement, then:

1. we may make claim payments to the financier; and
2. any payment made to the financier satisfies our obligation to you under this Policy for the amount paid.

Miscellaneous farm bikes

If your Policy Schedule shows you have comprehensive cover for miscellaneous farm bikes, we will pay:

- up to \$5,000 per item; and
- up to the sum insured shown in your Policy Schedule for each occurrence.

Miscellaneous mobile machinery

If your Policy Schedule shows you have comprehensive cover for miscellaneous mobile machinery, we will pay the lesser of:

a maximum of:

- 20% of the sum insured shown in your Policy Schedule; or
- \$20,000 for any one item.

Up to the sum insured shown in your Policy Schedule for each occurrence.

- (b) cover is limited to 30 days;
- (c) cover ends once we pay your claim, or your vehicle is repaired if un-drivable;

we will pay:

- (a) the agreed total loss amount; plus
- (b) an additional amount of 25% of the total loss amount,

provided:

Following loss or damage covered under this Policy, we will cover the costs of:

- (a) towing your vehicle to:
 - (i) the nearest repairer;
 - (ii) a place of safety; or
 - (iii) to any other place that we first approve; plus
- (b) the reasonable cost of protecting your vehicle.

9. Trailer cover

We will pay for theft, or accidental loss of or damage to a trailer attached to your vehicle at the time of the occurrence up to a value of \$1,000 or market value, whichever is lesser. We don't cover a caravan or a trailer used on an articulated vehicle.

10. Protective clothing

If your protective clothing is damaged during an accident involving your motorcycle which is covered by this Policy, we will pay up to \$1,000 to repair or replace the protective clothing.

'Protective clothing' means any clothing worn by a motorcycle rider which is intended to reduce the likelihood of injury resulting from an accident.

Protective clothing includes helmets, jackets, gloves, trousers and boots.

Unlike the Additional benefits above, you can make a claim for the following Additional benefits even if the claim is not connected to an incident for which a claim has been accepted.

1. Automatic additions

We will cover you for 30 days during the period of insurance for any additional or replacement vehicles you purchase or lease that are of a like kind or similar nature to the motor vehicles presently insured under this Policy.

If the replacement vehicle is damaged or stolen before you give us full details, the most we will pay is the purchase price of the replacement vehicle up to \$300,000.

If you give us details of any new or replacement vehicle within 30 days of its purchase or lease, we will insure it for the remainder of the period of insurance, if it is acceptable to us and you pay any additional premium that we require.

We will not cover you if you do not advise us within 30 days of purchase or lease.

2. Locks and keys

We will pay up to \$5,000 during any one period of insurance to replace and recode locks and keys if:

Excesses that apply to this section

In most cases you'll need to contribute an amount towards the cost of any claims you make.

Depending on the age or experience of the driver, and whether a rigid body tipper or tipping trailer is insured under this section, you may have to contribute more than one excess. Each excess is explained below and the amount is either shown in the table below or in your Policy Schedule.

If your claim is accepted, you must pay the total amount of the excesses that apply either to us or the repairer. We will tell you to whom they must be paid. However, if your vehicle is a total loss, we may deduct any excess from any payment we make.

Where more than one motor vehicle covered under this section is involved in an accident giving rise to a claim, you will have to pay the applicable excesses in respect of each motor vehicle insured.

If you have not paid your excess and the compensation and costs to be paid to a claimant are greater than your limit of liability, we will only pay the limit of liability less your excess.

2. Discharge of liabilities

At any time, for all claims made against you for any one occurrence, we can pay to you or on your behalf:

We won't cover any claims of personal injury or property damage that happened before the acquisition, formation or assumption of management responsibility.

- cancel the Policy.

Any changes to your Policy will take effect when we issue a new Policy Schedule and/or an endorsement schedule, stating the change.

Nothing in this general condition will increase our limit of liability for any occurrence or period.

5. Prompt notification

You agree to report all claims to us as soon as possible or in any event, within 48 hours of you becoming aware of the death, accident, injury or illness. If you do not, we may reduce the amount of our payment, or not pay at all, if the delay:

- (a) prevents us from investigating the:
 - (i) cause; or
 - (ii) amount of the claim;
- (b) increases our costs to investigate the claim;
- (c) increases the amount of the loss.

- under each particular cover and section.

If any of these conditions aren't met:

- we may refuse a claim;
- we may reduce the amount we pay; or
- in some circumstances, we may cancel your Policy.

When making a claim, you must meet and then continue to comply with the conditions of your Policy. Anyone covered by your Policy, or claiming under it, must also comply with these conditions.

If you, or someone covered under your Policy, don't meet these conditions or make a fraudulent claim we may:

At all times when you deal with us you must:

- provide us with all reasonable assistance we may need;
- be truthful and frank;
- not behave in a way that's abusive, dangerous, hostile, improper or threatening;
- co-operate fully with us, even after we've paid a claim.

Alteration

We do not cover loss, damage or liability caused or contributed to by any change to the information you disclosed at the commencement or renewal of this Policy about:

1. the nature or type of your farm business;
2. any other changes in circumstances that affect the property insured that increases the risk of damage or the likelihood of liability losses.

However, we may agree in writing to cover these changes if:

- (a) you tell us about the change;
- (b) the changed risk is acceptable under our underwriting rules; and
- (c) you agree to pay any increased premium we ask for to reflect any increased risk of damage or liability losses.

If the change does not meet our underwriting rules, we may choose not to cover the change in your business. If this is the case we may:

- cancel your Policy and refund the unused portion of the premium to you.

We will not cover loss, damage, or liability caused or contributed to by, any alteration after the commencement of this Policy where:

1. your interest ceases by will or operation of law;
2. the farm business is wound up, carried on by an insolvency practitioner or permanently discontinued.

If you alter the risk in any of these ways, we may cancel your Policy.

1. the claim is for the total loss of a risk or item listed on your Policy Schedule;
2. the claims are for products liability under Section 8;
3. you request otherwise;
4. we tell you otherwise; or
5. we state otherwise in the relevant section.

Other interests

You must tell us of the interest of all parties (e.g. financiers, lessors or owners) your Policy will cover. We'll protect their interests only if you've told us about them and we've noted them on your Policy Schedule.

You must not transfer any interests in your Policy without our written consent, which will not be unreasonably withheld.

Any person whose interests you've told us about and we've noted on your Policy Schedule is bound by the terms of your Policy in relation to any claim they make.

If you have used all or part of your home or contents as security for a loan from a lender, we may pay the lender all or part of the payment made when settling your claim. For more information, see 'Lender's rights.'

Your obligations

You must:

1. maintain all property, fittings, appliances and equipment in sound condition;
2. obtain certificates of inspection for all equipment required by any statute or regulation to be so certified.

Claims

This section describes what you must do, as well as conditions that apply when you make a claim and at the time loss or damage occurs which is likely to give rise to a claim.

Please contact your financial services provider to make a claim. We will only accept responsibility for repairs or payments to third parties under a claim where you have advised us beforehand and we have accepted your claim.

What you must do

You must follow these procedures if something happens which causes loss or damage or injury which may lead to a claim. If you do not, we may refuse your claim or reduce the amount we pay you.

1. When loss or damage occurs

You must:

- (a) take all reasonable steps to reduce the loss or damage and to prevent further damage;
- (b) make a full report to the Police as soon as practicable and provide details of the report to us if:
 - (i) you know or suspect that property has been stolen;
 - (ii) someone has broken into your premises; or
 - (iii) someone has caused malicious damage to your property.

We may need the police report number to process your claim or our recovery action if there is a third party who is liable for your loss.

- (c) not make any admission of liability, offer, promise or payment in connection with any event;
- (d) promptly inform us by telephone or in person;
- (e) preserve any damaged property and make it available for inspection by our representative or agent (including a loss adjuster); and
- (f) not authorise the repair or replacement of anything without our agreement apart from essential emergency repairs.

2. If you want to make a claim

You must:

- (a) fill in our claim form if we require you to do so;
- (b) return it to us within 30 days of the event that gave rise to the claim;
- (c) give us all the information and documentation which we request. If we ask for it, you must provide us with a statutory declaration verifying the truth of your claim and any matters connected with it; and
- (d) send us any court document or other communication you receive about the claim as soon as possible. Do not take any action yourself or ask anyone else to do so on your behalf;
- (e) give us access to your property at the address; and
- (f) make insured property available to us for inspection.

3. Proceedings and negotiations

- (a) We control all claims. We will update you on the progress of proceedings if you ask us to.
- (b) You must give us any reasonable information and assistance we may need:
 - (i) to settle or defend claims; or
 - (ii) to recover from others any amount we have paid for a claim.

- (c) You must allow us to:
 - (i) make admissions, settle or defend claims on your behalf; and
 - (ii) take legal action in your name against another person to recover any payment we have made on a claim.

4. Discharge of our liabilities

We may at any time discharge our total liability to you for all claims against you which arise out of one occurrence or a series of occurrences by paying to you (or on your behalf) the lower of:

- (a) the sum insured; or
- (b) the total amount for which the claims can be settled.

In addition to such payment, we will also pay your charges, expenses and defence costs for the defence or negotiation of the settlement of the claims incurred up to the date of our payment if we have agreed previously in writing to pay such charges, expenses and defence costs.

Once we have made payment to discharge our liability as stated above:

- (a) we will hand the conduct and control of the claims to you;
- (b) we will not be liable to pay any further amounts; and
- (c) we remain entitled to exercise our subrogation rights as outlined in the general conditions of this Policy.

The sum for which the claim or claims can be settled is either:

- (a) the amount for which the claimants offer to settle all claim or claims; or
- (b) the amount assessed by a Senior Counsel, taking into account:
 - (i) the economics of the matter;
 - (ii) the damages and costs which the claimants are likely recover by;
 - (iii) the likely defence costs; and
 - (iv) your prospects of successfully defending the claim.

If you and we cannot agree on the Senior Counsel, we will ask the President of the Bar Association in the relevant State or Territory to nominate one.

We will include the cost of the Senior Counsel's opinion in your defence costs.

5. Limits and excess

- (a) We will not pay more than the sum insured for any claim, other than:
 - (i) benefits identified as payable in addition to the sum insured; or
 - (ii) legal costs or expenses in relation to a claim we agree in writing to pay.
- (b) You must pay the amount of any excess shown in your Policy Schedule for each claim you make. We may request payment of your excess when you lodge your claim or we may deduct it from our payment to you. We will discuss these options with you.
- (c) If you suffer damage which leads to a claim under more than one section of this Policy:
 - (i) the highest excess that applies is payable; but
 - (ii) only one excess is payable (other than Section 14 - 'Equine and Stud Stock').

Contribution and other insurance

When making a claim, you must notify us of any other insurance that you're aware will or may, whether in whole or in part, cover any loss insured under your Policy.

If at the time of any loss, damage or liability there's any other insurance (whether issued to you or any other person) which covers the same loss, damage or liability, you must provide us with any reasonable assistance we require to make a claim for contribution from any other insurer(s).

Policy comes to an end following a total loss

If your home, contents, motor vehicle, boat, or farm property is assessed as a total loss and we agree to pay your claim, then:

1. Insurance for the lost or damaged items ends. You will not be able to make any further claim under this Policy in relation to the items.
2. If the premium has been paid in full for the period of insurance, we won't refund any premium in relation to the items.
3. If the premium is paid by instalments, we will deduct the balance of the unpaid premium or instalments of premium in relation to the items from any claim.

Preventing our right of recovery

If you've agreed with or told someone who caused you loss, damage or liability covered by your Policy that you won't hold them responsible then, to the extent we've been prejudiced by this act, we won't cover you for that loss, damage or liability.

Providing proof or evidence

You must be able to demonstrate that you've suffered a loss your Policy covers for your claim to be accepted. We may ask you for this information if you make a claim under your Policy. So your claim can be assessed quickly, make sure you keep receipts of purchase or proof of the value of all property this Policy insures.

Salvage

We may keep any items or materials salvaged or recovered after we replace or pay to replace them. We may sell these items or materials and keep the proceeds.

If we don't take possession of the damaged property, you remain responsible for its disposal.

Subrogation

We may, at our expense and in your name, use all legal means available to you of securing reimbursement for loss or damage arising under your Policy. In the event we do so, you agree to give all reasonable assistance for that purpose.

Recovery action and uninsured loss

If you suffer loss as a result of the incident that your Policy doesn't cover, we may offer to attempt to recover this. You may also specifically ask us to recover this for you. You'll need to give us documents supporting your loss. Before we include any uninsured loss in the recovery action, we'll also ask you to agree to the basis on which we'll handle your recovery action. You may need to contribute to legal costs in some circumstances. We will agree this with you before incurring these costs.

Goods and Services Tax

All amounts in your Policy include GST, unless we say otherwise. There may be other taxation implications for you, depending on your circumstances. We recommend you seek professional tax advice.

Your GST status affects the amount we pay for claims. We will reduce your claim settlement to allow for any Input Tax Credit (ITC) entitlement for replacement goods or services. This is regardless of whether you replace those goods or services.

If you're a business you must tell us if you're registered, or need to register, for GST. If you are registered, or if you need to register, you need to tell us:

- your ABN if you have one;
- the percentage of any Input Tax Credit (ITC) you were entitled to claim on your premium (ITCE);
- any entitlement you may have to claim a GST credit on any goods or services you may buy to satisfy your claim (ITC or ITCE).

GST included in your Excess

When you pay an excess to a supplier or repairer, they will give you a tax invoice for your payment detailing the GST you may be entitled to claim. If you pay us the excess, you can't claim any GST credit on your payment.

GST on payments we make

The amount we pay you or a third party is below:

If the payment is to:	then:
the supplier of goods or services	we will pay the GST inclusive amount.
you, and: <ul style="list-style-type: none"> • you aren't registered for GST • you are registered for GST and you have a 100% ITC • you are registered for GST and you have a partial ITC entitlement 	<ul style="list-style-type: none"> • we'll pay the GST inclusive amount; • we'll pay the GST exclusive amount; • we'll reduce the payment by the percentage of ITC you would have been entitled to had you bought the replacement goods or services (regardless of whether you choose to use the cash settlement to buy replacement goods or services).
your finance company	we'll treat the payment the same way we treat a payment to you. So, we pay no more than the amount we would pay you.
to a third party (other than a supplier of goods and services) who: <ul style="list-style-type: none"> • isn't registered (and doesn't need to be) for GST • is registered for GST and has a 100% ITC • is registered for GST and has a partial ITC 	<ul style="list-style-type: none"> • we'll pay the GST inclusive amount; • we'll pay the GST exclusive amount; • we'll reduce the payment by the percentage of ITC the third party would have been entitled to had they bought the replacement goods or services (regardless of whether you choose to use the cash settlement to buy replacement goods or services).

Other terms

These other terms apply to how your Policy operates.

Cancelling your Policy

You can cancel your Policy at any time by telling us.

We can cancel your Policy as permitted by law, for example if you do not pay us your premium or if you told us something that you knew to be incorrect or untrue during your application for cover. We can also cancel your Policy if your circumstances change and no longer fall within our underwriting rules. See 'Changes to your circumstances'.

If you've paid your premium in advance and your Policy is cancelled, we'll refund you the proportion of the premium for the remaining period of insurance, less any non-refundable government fees, duties or charges. But see 'Cooling-off period' where you may be entitled to a full refund.

If you make a fraudulent claim on your Policy, we can cancel it and we won't provide any refund.

Changing your Policy

Changes to this Policy only become effective when we agree to them and send you a new Policy Schedule detailing the change.

When there is more than one insured

When there is more than one insured on your policy, we may treat what any one of them says or does in relation to your policy or any claim under it, as said or done by each of the insureds. We may rely on a request from one insured to change or cancel your policy or tell us where a claim payment should be paid. Where a payment is made to one insured under this policy, we have no further obligations to any other insured regarding that payment.

Jurisdiction

This Policy will be governed by the laws of the Australian State or Territory in which your registered address is located. You agree to submit the non-exclusive jurisdiction of the courts of that State or Territory.

Sending you documents

Documents relating to your insurance policy will be sent by post or email. Where you have been given the choice, they will be sent by your chosen delivery method and you can change your preference at any time.

It is your responsibility to make sure your contact details are current (including telephone number, email and mailing address where relevant) and you must update these as soon as they change.

References to legislation

Legislation referenced in this Policy includes subsequent legislation. Any term used in this Policy and defined by reference to legislation will have the meaning given in any replacement definition or definition with materially the same object or purpose in subsequent legislation.

'Subsequent legislation' means:

- an act or regulation as amended, replaced or re-enacted;
- where an act or regulation has been repealed, the current equivalent act or regulation (Commonwealth, State or Territory) with materially the same object or purpose whether in whole or in part.
