HOW TO APPLY FOR COVER

To apply for cover contact your financial service provider, MB Insurance Group Pty Limited's representative or MB Insurance Group Pty Limited. If your application is accepted, we will send you a Certificate of Insurance that sets out details of the insurance you have taken out.

COST OF THE INSURANCE

Premium, taxes and charges

The premium for your Policy takes into account a number of factors including the agreed value, the type, location and garaging arrangements of your vehicle and your driving record. The premium also includes statutory charges and costs such as GST, stamp duty, and remuneration paid to MB Insurance Group Pty Limited and other distributors of the Policy (see their Financial Services Guide(s), 'FSG' for details). Visit mbinsurance.com.au for MB Insurance Group Pty Limited's FSG.

Administration fee

MB Insurance Group Pty Limited may also charge you an administration fee of up to \$250 per vehicle for arranging the insurance cover. The amount is based on the work needed to arrange your insurance and will be shown on your Certificate of Insurance.

Information relating to premium calculation

The factors referenced in 'Premium, taxes and charges' is not exhaustive. We may take other factors into account and add or remove factors. The importance we place on the factors we use to calculate the premium and how the factors combine, all affect calculation of the premium. Some factors will not affect all components of the premium and not all components of the premium may be subject to discounts in the same way or at all.

How the factors combine to calculate premium may also be impacted according to your circumstances and other underwriting considerations. The premium determined by a combination of the factors may be adjusted up or down to reflect your circumstances and underwriting considerations including the risk being insured and the value of any claims. An adjustment like this may increase or decrease the premium from the combination of factors and may limit discounts.

Minimum premium and your previous year's premium are commercial factors that may limit premium increases and decreases from the combination of the factors and any discounts. A minimum premium is the least amount of premium we will accept for the insurance and factors and any discounts will not reduce the premium below minimum premium. Your previous year's premium is taken into account on renewal and may limit premium increases and decreases from the combination of the factors and limit discounts.

The premium we calculate according to the factors, your circumstances and other commercial factors, including taxes and government charges, will be shown on your Certificate of Insurance.

Adjustment of premium on renewal

If we invite you to renew your Policy, we will send you a renewal invitation. If you make any changes to your Policy after we send you our renewal invitation, and we have agreed to continue to insure you, we'll send you an updated renewal invitation. You'll need to pay us any additional premium to ensure your cover is not affected.

A claim on your Policy may affect your renewal premium

If we send you a renewal invitation and the premium doesn't take into account a claim on your Policy, you agree to pay us any additional premium we would have charged if we had known about that claim.

If you tell us about the claim before your renewal takes effect and we agree to continue to insure you, we may apply specific conditions to your Policy and/or recalculate your renewal premium and send you an updated renewal invitation.

If your Policy has already renewed, we may ask you for an additional premium. If you're paying in instalments, any remaining instalments will be adjusted to reflect the additional premium. If you've already paid your renewal premium in full, you'll need to pay us any additional premium to ensure your cover is not affected. If you don't pay the additional premium by the due date then we may:

- deduct the outstanding premium amount from a claim payment, or
- cancel your Policy (see 'Cancelling your policy').

If it was reasonable in the circumstances for you to be unaware that you had a claim until after we issued your renewal invitation, we will not ask you to pay the additional premium for that renewal period however the claim may affect your future renewal premiums and/or future policy conditions.

Please note we may have other rights under this Policy or as permitted by law, depending on the circumstances.

Excess

You may be required to pay an excess if you make a claim under the Policy. Your Certificate of Insurance will include the details applicable to you.

HOW YOU CAN PAY YOUR PREMIUM

Payment of premium may be made by cash, cheque, electronic funds transfer or credit card. If your cheque or credit card payment is dishonoured by your financial institution you are not insured unless we have agreed to continue to insure you.

Overdue premium

You must pay your premium on time otherwise your Policy may be cancelled and there will be no cover.

CANCELLING YOUR POLICY

How you may cancel this Policy

You may cancel this Policy at any time by giving notice to your financial service provider or local MB office.

How we may cancel this Policy

We may cancel this Policy in any of the circumstances permitted by the Insurance Contracts Act 1984 or by any other law (for example, a failure to pay the premium by the due date or if you told us something that you knew to be incorrect or untrue during your application for cover) by informing you in writing.

If you make a fraudulent claim on your Policy, we may cancel it or reduce your claim payment.

We will give you this notice in person or send it to your address last known to us.

The premium and administration fees

We will refund to you the proportion of the premium for the remaining period of your insurance less any non-refundable government fees, duties or charges.

The administration fee paid to MB Insurance Group Pty Limited is non-refundable in the event of a cancellation. MB Insurance Group Pty Limited also charges a cancellation fee of up to \$50. This will be shown on your cancellation notice as an administration fee and will be deducted from any pro rata refund of premium.

COOLING OFF PERIOD

If you change your mind about your Policy and haven't made a claim, you can cancel it within 21 days of the start or renewal date and we'll give you a full refund. If you cancel your Policy in these circumstances, you will have no cover under the Policy.

To cancel your Policy within the cooling off period, notify MB or your financial service provider.

You can also cancel your Policy outside the cooling off period, see 'Cancelling Your Policy'.

WHEN THERE IS MORE THAN ONE INSURED

When there is more than one insured on your Policy, we may treat what any one of them says or does in relation to your Policy or any claim under it, as said or done by each of the insureds. We may rely on a request from one insured to change or cancel your Policy or tell us where a claim payment should be paid. Where a payment is made to one insured under this Policy, we have no further obligations to any other insured regarding that payment.

REFERENCES TO LEGISLATION

Legislation referenced in this Policy includes subsequent legislation. Any term used in this Policy and defined by reference to legislation will have the meaning given in any replacement definition or definition with materially the same object or purpose in subsequent legislation.

'Subsequent legislation' means:

- an act or regulation as amended, replaced or re-enacted;

TAXATION IMPLICATIONS

Goods and Services Tax

The amount of premium payable by you for this Policy includes an amount on account of the GST on the premium.

We pay claims inclusive of GST unless the owner of the car is a business which is, or needs to be, registered for GST. In that case, we'll reduce the amount we pay to settle the claim by the Input Tax Credit amount to which they are, or would be, entitled. If they fail to disclose or understate their entitlement, they may be liable for GST on a claim we pay.

There may be other taxation implications affecting you, depending upon your own circumstances. We recommend you seek professional advice.

your vehicle is the vehicle(s) specified in the Certificate of Insurance. It includes all factory fitted accessories, tools or appliances that are standard equipment for your vehicle, or accessories which form a permanent part of your vehicle and have been declared to us.

2. TYPES OF COVER

We offer four types of cover, as described below. The type of cover you have selected is shown in your Certificate of Insurance.

2.1 Comprehensive Cover

Subject to the exclusions and conditions of this Policy, Comprehensive cover provides:

- protection against the cost of damage to or theft of your vehicle, and
- insurance for your legal liability to pay compensation arising from:
 - accidental damage to someone else's property, and
 - death or bodily injury to persons arising out of the use of your vehicle.

Additional benefits also apply.

2.2 Comprehensive 'Limited Kilometres' Cover

As per Comprehensive cover, however if you have selected the Comprehensive 'Limited Kilometres' cover option, you need to travel less than 8,000 kilometres in any one period of your insurance. If you exceed 8,000 kilometres in any one period of your insurance or pro rata if less than 12 months, your premium will be recalculated based on our full rates for Comprehensive cover and you will be charged an extra premium.

2.3 Comprehensive 'Low Kilometres' Cover

As per Comprehensive cover, however if you have selected the Comprehensive 'Low Kilometres' cover option, you need to travel less than 5,000 kilometres in any one period of your insurance. If you exceed 5,000 kilometres in any one period of your insurance or pro rata if less than 12 months, your premium will be recalculated based on the cover applicable to the kilometres travelled and you will be charged an extra premium.

2.4 Storage Cover

As per Comprehensive cover, however if you have selected Storage cover then you will only be covered when:

- your vehicle is stationary at the storage cover location; or
- your vehicle is being loaded or unloaded for transport to and from the storage cover location and during transport to the storage cover location; or
- your vehicle is being repaired or serviced by a qualified mechanic, repairer or similar business at their place of business.

We will not pay for any loss, damage or legal liability arising from the use of your vehicle under its own power.

3. IF YOUR VEHICLE IS DAMAGED OR STOLEN

BASIS OF SETTLEMENT

If your vehicle is damaged or stolen during the period of your insurance with us, we will, having regard to the circumstances of the loss or damage, either:

- repair your vehicle; or
- replace your vehicle; or
- pay the cost of repair of your vehicle

up to the agreed value.

We will not be liable for any proportion of the cost of repair that puts your vehicle in a better condition than it was in, prior to the loss or damage. If it is necessary to repair the vehicle in this way, we will talk to you beforehand about how you would like to proceed.

If your vehicle is a total loss then we will pay the agreed value and we will not provide any further cover under this section of the Policy.

If we pay you the agreed value or replace the vehicle then:

- the Policy is finished; and
- no premium is refundable; and
- you must transfer your interests in your vehicle to us; and
- we can keep whatever is left of your vehicle; and
- we will keep any salvage.

The premium is payable and non-refundable because you have received the benefits associated with a total loss claim under the Policy.

If your vehicle is 25 years old or more, you may keep whatever is left of your vehicle (unless your vehicle is stolen and we have paid the agreed value) and you will have to pay any costs incurred in the recovery, storage or transportation of your vehicle.

ADDITIONAL BENEFITS

3.1 Four Year New Car Replacement

If your vehicle is assessed as a total loss then we will provide you with a new replacement vehicle of the same make and model with the same accessories and equipment (if one is available for retail sale in Australia at the time of loss) provided:

- at the time of loss of or damage to your vehicle, you have owned your vehicle for less than 4 years; and
- your vehicle was purchased by you new or as a dealer demonstrator with less than 1,000kms on the odometer; and
- you are the first owner of your vehicle other than the manufacturer or dealer; and
- you insured your vehicle during the first 12 months that you owned the vehicle under an MB Prestige Motor Vehicle Insurance Policy current at the time and thereafter have insured the vehicle with us continually under an MB Prestige Motor Vehicle Insurance Policy up to the time of loss or damage that results in a total loss; and
- your vehicle is a total loss.

If your vehicle has been superseded and is no longer available at the time of loss you can choose to accept the nearest equivalent vehicle provided that the purchase price does not exceed 105% of the agreed value as shown in your Certificate of Insurance for your first MB Prestige Motor Vehicle Insurance Policy insuring your vehicle.

If your vehicle is financed, we will require written consent from your finance provider in order to provide a replacement vehicle.

If you choose not to accept a replacement vehicle then we will pay you the agreed value shown in your Certificate of Insurance for your first MB Prestige Motor Vehicle Insurance Policy insuring your vehicle.

3.2 On-Road Costs

Where you elect to accept a replacement vehicle under additional benefit 3.1 then we will also pay for the on-road costs of the new vehicle.

On-road costs are limited to 12 months registration and compulsory third party insurance, stamp duty and reasonable dealer delivery charges.

When we replace your vehicle you must pay to us any refund you receive in respect of registration and compulsory third party insurance paid for your vehicle.

3.3 Finance Gap

If your vehicle is a total loss and you financed the lease or purchase of your vehicle, where the finance provider requires more money than the agreed value, we will pay 75% of the difference between the agreed value and the amount the finance provider requires to pay out the loan or lease for your vehicle.

But we will not be liable for and shall not make any contribution to:

- loan or lease payments in arrears
- penalties as a result of loan or lease payments in arrears
- any amounts refinanced into your finance contract.

3.4 Removal of the Vehicle

If your vehicle is involved in an accident which is covered by this Policy we will pay the reasonable costs to remove your vehicle from the scene of the accident to the nearest repairer, another repairer of your choice or place of safety.

3.5 Temporary Repairs

If you need to have emergency repairs done to your vehicle after damage or theft covered by this Policy, so that you can get your vehicle to your destination or a repairer, then we will pay up to \$1,000 for those repairs.

3.6 Accommodation and Travel in an Emergency

This additional benefit does not apply to Storage cover.

If you are more than 100 kilometres from your usual place of residence and your vehicle cannot be made roadworthy after damage or theft covered by this Policy, then we will pay up to \$2,000 for the reasonable cost of getting you to your intended destination, usual place of residence or place of employment, including the reasonable cost of any temporary overnight accommodation.

3.7 Re-Keying and Re-Coding

If the keys to your vehicle are stolen, subject to you reporting the theft of your keys to the police, we will pay for the replacement of your vehicle's keys and the necessary re-coding or replacement of your vehicle's locks.

3.8 Personal Effects

If your personal effects are stolen from or damaged in your vehicle following damage or theft covered by this Policy, then we will pay the cost to repair or replace the personal effects, up to \$1,000 for loss of or damage to all personal effects for any one event.

We will not be liable for loss of or damage to personal effects which are stolen or damaged after a fire or an accident because you did not take reasonable steps to protect them.

3.9 Trailers and Caravans

If a trailer or caravan owned by you is attached to your vehicle and is damaged in an accident or theft covered by this Policy, we will pay up to \$2,000 for repairs to the trailer or caravan.

3.10 Repair Guarantee

We'll guarantee the quality of workmanship and materials used in repairs we authorise and manage, for as long as you own the vehicle.

This guarantee does not apply to damage due to lack of maintenance or wear and tear (such as faded or damaged paintwork caused by exposure to the elements).

If you have concerns about the repairs to your vehicle you must:

- contact your financial services provider; and
- allow us to inspect your vehicle and arrange any additional repairs that we agree with you are needed.

We will not pay for any additional repairs we don't authorise.

If additional repairs are needed and it's not safe or economical to carry them out, your vehicle will be assessed as a total loss. If this happens after your vehicle is no longer insured with us, we'll pay its market value, calculated at the time your vehicle is assessed as a total loss.

3.11 Cleaning Up After an Accident

We cover your legal liability to pay for cleaning up any debris from your vehicle following an accident covered by this Policy.

The maximum amount we will pay is \$1,000 for any one event.

3.12 Non-Standard Coverings and Coatings

We will provide cover for damage sustained to non-standard coatings or coverings applied to the exterior of your vehicle that have been declared to us.

'Non-standard coatings and coverings' includes vinyl wraps or similar semi-permanent coverings, paint protection coatings or similar coatings.

We will pay to replace the coating or covering on areas of your vehicle damaged in an accident covered by your Policy but will not pay to replace the coating on areas that are not damaged. If the coating or covering is no longer available or the colour cannot be matched due to aging, wear and tear and changes in the coating or covering production process, we will pay you the cost of replacing the damaged coating with the nearest equivalent product.

3.13 Delivery of Your Vehicle After Repairs

Where we authorise repairs by a repairer that is located more than 100 kilometres from your overnight parking address, we will pay up to \$500 towards the cost of returning your vehicle to your overnight parking address once repairs are complete.

3.14 Funeral Expenses

This additional benefit does not apply to Storage cover.

If an approved driver suffers a fatal injury whilst driving your vehicle as a result of an accident covered by this Policy, we will pay up to \$2,500 towards the cost of funeral expenses for the deceased driver.

If a baby capsule or child seat owned by you is stolen from or damaged in your vehicle following damage or theft covered by this Policy we will pay the cost of replacing the baby capsule or child seat.

3.16 Travel Costs

This additional benefit does not apply to Storage cover.

If you are less than 100 kilometres from your usual place of residence and your vehicle cannot be made roadworthy after damage or theft covered by this Policy, we will reimburse you up to \$100 for expenses incurred by you and occupants of your vehicle to return directly to your residence or to get to the intended destination. You must have receipts to substantiate your claim.

3.17 Sign Writing

We will cover you for loss or damage to sign writing or fixed advertising signs forming a permanent part of your vehicle at the time of the loss or damage. We will only pay for this if your Certificate of Insurance states your vehicle is for business use.

Sign writing excludes full-vehicle coatings and vinyl wraps. See additional benefit 3.12 Non-Standard Coverings and Coatings.

3.18 Excess Free Glass Cover

If your vehicle's windscreen, sunroof glass or window glass is accidentally damaged, we will replace or repair the damaged glass. You will not be required to pay an excess for the first event that causes glass damage during the period of your insurance provided that the glass damage is the only damage to your vehicle.

3.19 Glass Chip Repairs

If your vehicle's windscreen, sunroof or window glass is chipped and you choose to repair it without replacing the entire panel of glass then you will not be liable for an excess for any such claim.

3.20 Hire Vehicle

This additional benefit does not apply to Storage cover.

If your vehicle is:

- stolen and not recovered or is recovered damaged; or
- damaged as a result of an accident and the driver at the time of the accident was not at fault (as defined in section 8.1.1)

we will pay the cost of a suitable hire vehicle up to a maximum of \$100 per day but limited in total to \$3,000 for any one event. Cover will commence on the date your vehicle is taken to the repairer to commence repairs or, if your vehicle is stolen, on the date the theft is reported to the police.

Where we arrange the hire car for you then we will also pay up to \$100 towards the cost of travel to collect the hire vehicle and to return to your place of residence or repairer following completion of the hire.

However you will not be entitled to any payment under this section if the only damage to your vehicle is damage to the windscreen, sunroof or other window glass.

We will not be liable for and shall not pay:

- hire charges if you have not reported the theft to the police
- hire charges incurred for any period after your vehicle has been returned to you in a similar condition as it was prior to the theft or accident
- for petrol, insurance excess, collision damage waiver, consumables or extras associated with running the hire vehicle
- for any damage caused to the hire vehicle

If your claim is subsequently denied by us or you choose to withdraw your claim, you must refund any amount paid to you under this benefit in respect of that claim.

OPTIONAL BENEFIT – EXTRA COVER YOU CAN PURCHASE

3.21 Extended Hire Vehicle

This optional benefit is not available if you have selected Storage cover.

If you have selected the Extended Hire Vehicle option and your vehicle suffers loss or damage covered by this Policy:

- resulting from an accident in which you were wholly or partially at fault; or
- where the responsible third party was not identified; or
- where a hire vehicle is not available under additional benefit 3.20 Hire Vehicle

we will pay the cost of a suitable hire vehicle up to a maximum daily amount shown in your Certificate of Insurance but limited to the maximum total amount shown in your Certificate of Insurance for any one event. Where we arrange the hire car for you then we will also pay up to \$100 towards the cost of travel to collect the hire vehicle and to return to your place of residence or repairer following completion of the hire.

However you will not be entitled to any payment under this section if:

- the only damage to your vehicle is damage to the windscreen, sunroof or other window glass; or
- your vehicle is stolen.

We will not be liable for and shall not pay:

- hire charges incurred for any period after your vehicle has been returned to you in a similar condition as it was prior to the accident
- for petrol, insurance excess, collision damage waiver, consumables or extras associated with running the hire vehicle
- for damage caused to the hire vehicle
- hire charges incurred for any period after your vehicle has been replaced or the agreed value paid to you.

If your claim is subsequently denied by us or you choose to withdraw your claim, you must refund any amount paid to you under this benefit in respect of that claim.

4. CHOICE OF REPAIRER

If we agree to repair your vehicle then you may choose your own repairer.

If you choose your own repairer you'll need to:

- get a quote from an appropriately licensed and equipped repairer of your choice
- allow us to assess the quote and your vehicle before we authorise repairs, and
- allow us to get a quote from another repairer if we need one.

We may not accept your repairer's estimate if we believe:

- they don't have the equipment or expertise to repair your vehicle
- the scope of repairs may not be correct, or
- their estimate is not competitive.

We may invite, accept, adjust or negotiate estimates or arrange to move your vehicle to another repairer acceptable to both of us.

If you require assistance in selecting a repairer then we can recommend one to you.

You can find a list of repairers with whom QBE have a supplier agreement at qbe.com/au

This cover is subject to the exclusions, conditions and limits of liability set out in sections 5.1, 6, 7 and 8.

5.7 Legal Costs

If you have to defend legal proceedings arising from an accident involving your vehicle and you are covered for it under section 5.1 or 5.2, then we will pay in addition, your legal costs. You will need to speak to us first before you incur those costs.

8. CONDITIONS THAT APPLY TO YOUR POLICY

8.1 Excess

The excess is the amount of money you contribute to the cost of a claim and is the amount shown in the Certificate of Insurance.

In addition to the amount shown in the Certificate of Insurance you must pay an additional excess if the driver of the vehicle is aged 25 years and over and is not shown in the Certificate of Insurance. The amount of this additional excess is shown in your Certificate of Insurance.

- you will not have to pay the excess; and
- you will qualify to receive the hire vehicle benefit as defined in additional benefit 3.20.

You may be able to help confirm the other driver was entirely at fault for the accident by providing a police report, expert reports, witness statements or photographs taken at the scene.

8.2 Other Persons

Any other person or persons who make a claim under this Policy is required to abide by the terms of this Policy.

8.2.1 Other Persons or Entities

This Policy does not cover any other person or entity which has an interest in your vehicle unless they are shown as covered in the Certificate of Insurance.

8.3 Modification of Your Vehicle

You must notify us within 14 days if you:

- add any non-factory accessories, such as a stereo, telephone, air-conditioning, special wheels, an alarm, or other such items to your vehicle; or
- modify your vehicle, its engine or other components.

If we alter the terms we may or may not ask you for an additional premium, or, we may cancel the Policy and for this reason we will then refund to you a proportionate part of your premium.

8.4 Replacing Your Vehicle

If you sell your vehicle and replace it with another one, we will still provide all the cover shown in this Policy.

But we will only provide this cover if:

- you write to us within 14 days of buying the replacement vehicle with full details; and
- you pay any additional premium we ask for within 14 days of being asked by us; and
- the replacement vehicle and its security are still acceptable under the MB Insurance Group acceptance criteria.

8.5 Contribution Towards the Cost of Repairs

If the condition or appearance of your vehicle improves as a result of replacing old parts with new parts or repainting more than the damaged area then we are entitled to require you to contribute towards the cost of those repairs. If this may be necessary, we will talk to you beforehand about how you would like to proceed.

8.6 Security System

When 'Security System' is shown in your Certificate of Insurance we will not pay for theft if:

- the security device or devices that have been approved for your vehicle are not maintained in working order; or
- an ignition key and/or service key or the like is left on or in the vehicle whenever the vehicle is left unattended; or
- the devices have been disabled or removed with your prior knowledge.

But we will pay if:

- your vehicle is in the custody of an employee of a service station, garage, hotel, restaurant or other commercial business for the purpose of overhaul, upkeep, repair or car parking; or
- you suffer an injury whilst in your vehicle that keeps you from turning those devices on.

8.7 Contribution and Other Insurance

When making a claim, you must notify us of any other insurance that you're aware will or may, whether in whole or in part, cover any loss insured under your Policy.

If at the time of loss, damage or liability there's any other insurance (whether issued to you or any other person) which covers the same loss, damage or liability you must provide us with any reasonable assistance we require to make a claim for contribution from any other insurer(s).

8.8 Claims Administration, Going to Court, Recovery Action and Legal Liability Claims

If you suffer loss or damage due to an incident for which someone else is responsible, you may have a legal right to recover some or all of the loss or damage from that person, including by taking legal action against them. When we pay a claim under your Policy, we have the right to exercise your legal rights in your name against the person responsible for the loss or damage.

We'll take full control of the administration, conduct or settlement of the recovery, including any legal defence. When we do any of these things in your name, it will be at our expense, however you'll need to give us reasonable assistance. This may include following our directions in relation to the conduct of any legal proceedings even after a claim has been paid. You must not enter into any agreement with anyone else which could limit the amount that could be recovered, including joining class action proceedings, without our permission.

When we pay a claim and some of your loss isn't covered by your Policy, we may offer to try to recover that loss for you when we take any steps to recover the covered loss. We can only do so if you agree to give us documents and statements that support your loss and agree with us on how we'll handle that recovery.

You may also need to contribute to the associated costs if, to recover the loss for you, we need to take additional steps that we wouldn't otherwise need to take.

If we successfully recover more than we paid for your claim under your Policy, we will first keep the amount we paid for your claim and the amounts we paid in administrative and legal costs spent towards making the recovery. If there is any amount remaining after this, we will pay you the remainder to compensate you for loss that was not insured. Finally, we will keep any remaining amounts.

If you've received a benefit under your Policy that you were not entitled to, we reserve the right to recover from you the amount we have paid. If we decline a claim for fraud, we reserve the right to recover any amounts we pay to you under the Policy as well as our reasonable administration, investigation and legal costs from anyone at fault in relation to the fraud.

When we cover you for a legal liability claim, we may:

- arrange for a lawyer to represent you or we may act on your behalf;
- attempt to settle the claim; and/or
- defend the claim.

We will decide whether to defend or settle the claim and how much to pay to settle the claim.

8.9 Interest

You cannot transfer this Policy or transfer or assign any rights or benefits under this Policy to another person or to another vehicle unless we write to you agreeing to the transfer or assignment.

8.10 Policy Variation or Waiver

Any provision in this Policy can only be varied or waived by mutual agreement in writing.

8.11 Premium

It is a condition of this Policy that you pay the premium.

9. MAKING A CLAIM

9.1 If you have an accident then you should:

- obtain full details of any third party involved; and

- not admit the accident was your fault; and
- contact us on (02) 9966 9777 or 1800 021 156 or at claims@mbinsurance.com.au for assistance and advice.

We will send you a claim form or you can obtain a claim form from our website.

You should then:

- complete the MB Insurance Group claim form and return it to us
- take your vehicle to your repairer of choice to obtain a quotation for repairs.

Once we have received your quotation for repairs we will appoint an assessor to review the quotation and if necessary, inspect your vehicle.

If a claim has been accepted under this Policy, we will then pay the claim, or authorise repairs to your vehicle, less any excess.

We will also contact any third parties involved in the accident. If you receive any correspondence from a third party then you should send it to us.

You must fully co-operate during the claims process or recovery action.

9.2 Claiming for a broken windscreen, sunroof or other window glass

If your windscreen, sunroof or other window glass is damaged or broken, you should either ring O'Brien on 13 16 16 who will contact us to seek approval to replace or repair the damage if it is covered by the Policy or alternatively call us for a claim form or obtain a copy from our website and return the completed form with the repair quote from your repairer of choice.

9.3 Claiming for a stolen vehicle

If your vehicle is stolen, you should:

- report the theft to the police as soon as possible and provide details of the report to us. We may need the police report number to process your claim or our recovery action if there is a third party who is liable for your loss; and
- contact us on (02) 9966 9777 or 1800 021 156 or at claims@mbinsurance.com.au for assistance and advice.

You should then:

- complete the MB Insurance Group claim form and return it to us
- wait 28 days to see if the vehicle is recovered.

If your vehicle is recovered, you should immediately notify MB Insurance Group as soon as possible. If your vehicle is not recovered, we will pay you as described in section 3.

10. OUR PARTS POLICY

We may replace damaged parts with new, recycled, reconditioned or quality non-genuine parts that:

- are consistent with the age and condition of your vehicle;
- do not affect the safety or the structural integrity of your vehicle;
- comply with the vehicle manufacturer's specifications and applicable Australian Design Rules; and
- do not void the warranty provided by the vehicle manufacturer.

If you make a claim which is covered by this Policy we will pay up to \$5,000 towards the cost of express air freight to import parts necessary to repair your vehicle, where the parts cannot be obtained in Australia.

If any part of your vehicle is damaged in an incident covered under this Policy, and a replacement part is unavailable, we will reimburse you in accordance with the Basis of Settlement. Under no circumstances will we be liable for more than the last known manufacturer's Australian recommended list price or the retail price of that part from a reputable commercial retailer at the time we settle the claim.
